INTRODUCTION

The Platinum Jubilee Year 2012 of our University has been eventful with a host of developments and achievements to our credit. As the Mother University in the State, it has earned a special place in the hearts and minds of the people of Kerala. Our University established on 1st November, 1937 as the University of Travancore through a royal promulgation of His Highness Sri Chitira Thirunal Balarama Varma, the last Maharajah of the erstwhile princely State of Travancore has been the Alma Mater of several lakhs of people. The University, later renamed 'University of Kerala' in 1957, after the formation of the State of Kerala, has moulded millions of students into professionals in their respective fields. The Platinum Jubilee of the University was celebrated in a befitting manner. Academic initiatives, development activities, student welfare schemes, foreign collaborations, arts and sports festivals, seminars, lectures and a host of other programmes were organized to mark the occasion.

The world has seen rapid changes in the creation and propagation of knowledge in the last few decades. The growth of information technology has led to a paradigm shift in higher education. The revolution created by the Information and Communication Technology has changed the world in the way it thinks and behaves. To keep pace with the emerging trends, the University too has introduced several transformative steps.

The University introduced the School System for major Departments during the year. This umbrella system will help in the sharing of resources and will provide a platform for interdisciplinary studies and research. The new system will create a synergy between the activities of different departments. The proposed schools will be headed by a Director, appointed by the University. The different departments under the school can continue to function separately but there will be a single administration. The facilities too have to be shared among the Departments. The new system will facilitate collaborative research projects.

The establishment of Learner Support Centres to conduct study programmes offered by the Institute of Distance Education is another achievement. The objective is to reach out to students all over Kerala, to popularize mass education and to realize the goal, "education for all" and to impart quality education at an affordable cost to the disadvantaged sections of the society. These Centres will help thousands of students to continue their studies and fulfill their long cherished dream.

The University has introduced an on-line Admission portal to all UG Courses, which allows all UG admissions under the University on-line. The students of Kerala University will now be able to verify their mark lists on-line as a system for On-line Verification of Marklists and Degree Certificates has been launched. Students applying for higher studies and jobs abroad will be benefited by the system.

The Research Portal, a single point securely hosted solution, is customized to seamlessly integrate, search and manage the research activities of the University. The Research portal will cover various aspects related to Ph.D research. It is envisaged to streamline the administrative processes involved in

submitting the application, issuing registration order and the like. Application for Ph.D registration as well as submission of monthly progress report is expected to be switched over to online.

The future of University education and the shape of things to come are being debated. The need of the hour is to produce graduates equipped with the right skills and required mastery. Broadening the scope of participation and providing every person the right opportunities to higher learning should be our paramount goal. In a world characterized by rapid change, it would be a difficult task to predict this with any measure of certainty. But all of us along with the well-wishers of our University can have some degree of confidence that the decisions and choices we have made today reflect the new thinking and are poised to take advantage of the immense opportunities that are opening up.

Dr. K. M. ABRAHAM I.A.S.

VICE CHANCELLOR

January 31, 2013

A BRIEF HISTORY OF THE UNIVERSITY

The University of Travancore, which later became the University of Kerala, was established in 1937 by a promulgation of the Maharaja of Travancore, Sri Chithira Thirunal Balarama Varma who was also the first Chancellor of the University. Sir C. P. Ramaswamy Ayyar, the then Diwan of the State, was the first Vice-Chancellor. It was the sixteenth University to be set up in India and ten colleges within the State of Travancore which were affiliated to the Madras University became the affiliated colleges of the University of Travancore.

In 1957, the Kerala University Act, Act 14 of 1957, was brought into force and the University of Travancore was renamed University of Kerala. The University had three campuses located in Thiruvananthapuram, Ernakulam and Kozhikode. In 1968, the University Centre at Kozhikode became a full-fledged University covering the Colleges and Departments located in Thrissur, Palakkad, Kozhikode and Kannur Districts of Kerala. The Cochin University of Science and Technology and the Kerala Agricultural University were set up in 1971 and in 1983, the Mahatma Gandhi University was established. With the establishment of these Universities, the area of the jurisdiction of the University of Kerala has been limited to Thiruvananthapuram, Kollam, Alappuzha Districts and some parts of Pathanamthitta District.

There are 236 affiliated colleges. Of these, 67 are Arts and Science colleges. They include 10 Government Colleges, 37 aided and 20 unaided institutions. There are five Law colleges (1 Government, 1 Private and 3 unaided), 38 Engineering colleges (of which two are Government Colleges, one is aided and 35 are unaided), 2 Architecture Colleges (unaided), seven Medical Colleges (five are self financing), 50 Teachers' Training Colleges (one Government, six aided and 43 unaided), four Ayurveda Colleges (three are unaided), two Homeopathy Colleges, one Siddha Medical College (self financing), two Fine Arts Colleges (Government), one Music College (Government), five Dental Colleges (of which four are unaided), five unaided Pharmacy Colleges and one College of Physical Education. Besides these, there are seventeen affiliated institutions conducting two year full time MBA course (one government in existing Government Engineering College), one aided (in existing aided Engineering College), and 15 self financing. (out of which 5 are in existing unaided Engineering College), Nine colleges offering MCA. (1 government in existing Government Engineering College) 1 aided (in existing Engineering College) and 7 Self financing (out of which one is in existing Arts and Science College and 2 in existing unaided Engineering Colleges) and 24 Nursing Colleges (22 self financing), four unaided Hotel Management and Catering Technology Colleges, one college of Special Education (unaided) and two Para Medical Colleges (unaided). The University College of Engineering in Kariavattom Campus offers B. Tech. in Information Technology, Computer Science & Engineering and Electronics & Communication Engineering. Of these 50 Colleges, which offer courses under the Faculty of Medicine have been brought under the

Kerala University of Health Sciences (KUHS), Thrissur from the academic year 201-11 onwards.

The University Departments offer a wide range of teaching and research at post-graduate, M.Phil. and Ph.D. levels. The courses in the Departments are conducted in the Credit and Semester System, while the Post Graduate courses in affiliated colleges follow the Semester pattern. The 42 departments have now been reorganized into eleven schools. So far out of the 11 schools proposed Directors have been nominated for six. University has revamped the under graduate stream by introducing the Choice Based Credit and Semester System in the affiliated colleges. At present, about 32 Colleges offer post graduate teaching programmes. Some of the affiliated colleges offer M. Phil. courses and some have been recognized as research centres. The University has also recognized a number of other institutions as research centres. All these institutions conform to the aims and objectives of the University and its programme of teaching and research.

The University's Colleges of Teacher Education (launched in 1990-91), offer B. Ed. and the 12 University Institutes of Technology offer courses like Computer Science, Electronics, Business Administration, Computer Application etc., Two UIT centres conduct M. Sc. Computer Science and one UIT offers MBA.

The Institute of Distance Education which has been shifted to the Senate Hall Campus in 2012 offers courses in subjects like Computer Science and Computer Application, besides the traditional degree and post - graduate courses. With the abolition of Private Registration at the post-graduate level, the Institute of Distance Education now offers all the PG courses which were once offered through private registration.

In addition to the Departments of teaching, the University also has several centres for studies and research in special areas. The International Centre for Kerala Studies, the Centre for Canadian Studies, the Centre for Australian Studies, the Centre for Comparative Literature, Sree Narayana Study Centre, Centre for English Language Teaching, Centre for Vedanta Studies, V.K. Krishna Menon Study Centre, Centre for Gandhian Studies, Centre for Women's Studies , Centre for Systems and Synthetic Biology, Centre for Bioinformatics and Centre for Performing and Visual Arts are some of the centres functioning under the University.

The Academic Staff College, set up with UGC aid, offers orientation and refresher courses to the teachers in affiliated colleges. It has been rated as the best in the country.

The Kerala University Library, established in 1942, has over 3 lakh books and over 1000 bound volumes of journals. It is a depository of UN and World Bank publications and provides access to over 9000 on-line journals. The Campus Library at Kariavattom also offers similar services . The Oriental Research Institute and Manuscripts Library, which has an invaluable collection of rare and precious manuscripts, has been made the State Nodal Agency for the preservation and

documentation of manuscripts. A Digital Heritage Archiving Centre also functions in the Library.

The Department of Publications, one of the oldest Departments of the University, has brought out a series of glossaries in science subjects, popular science books and translations of classics. The five volume *Kerala Sahitya Charithram* written by Mahakavi Ulloor S. Parameswara Ayyar and the series *Sahithya Nayakanmar* (Men of Letters) are some of the most prestigious publications of the Department. The *Chitra Ramayana*, based on palm - leaf manuscripts, is another notable publication. The University has also published the first ever complete English translation of *Hortus Malabaricus*, the classical treatise on the plant wealth of Asia and the tropics, in 2003. Its Malayalam version was published in 2008.

The eight volumes of the proposed eleven-volume *Malayalam Lexicon* have been released so far. The University has been publishing since 1946, the *Journal of Indian History*, a significant publication on historical studies and research. A quarterly newsletter entitled *The University Herald* is also published.

The Department of Physical Education has gifted to the country outstanding sportsmen and women. The University was the first in the state, to have a synthetic track. The construction of a new Stadium with governmental support Kariavattom is also in progress. The establishment of the Lakshmi Bai National College of Physical Education at Kariavattom, managed by the Government of India, is another landmark in the history of the University. Another significant development is the starting of several short term courses like TV News reading, Functional English etc., in the Centre for Adult Continuing Education and Extension. The CACEE received the UNESCO - NLM award for Literacy in 2005.

During 1997, the University celebrated its Diamond Jubilee. The celebration involved the starting of new teaching Departments and setting up of the International Youth Hostel at Thiruvananthapuram.

On 28th December 2000, the University conferred the Honorary Degree of D. Litt. on Nobel Laureate Prof. Amartya Sen. The other scholars honoured recently through the conferment of honorary degrees are Dr. K. J. Yesudas and Dr. Laurie Baker (2003), Prof. ONV Kurup (2007), Dr. G. Madhavan Nair (2007) and Shri. Justice K.G. Balakrishnan (2008), Shri. Adoor Gopalakrishnan, Shri. Mammooty and Shri Umayalpuram K. Sivaraman (2010).

The University's Web site www.keralauniversity.ac.in offers several services like downloadable application forms, question papers of past examinations, free resource links, on line catalogue on Library etc. The daily press releases and results of examinations are published on the site and the touch screens at the PR wing. The University also issues Degree Certificates with Hologram with over 112 security features. The System for Automated Governance of Examination (SAGE) developed by the Computer Centre, is a unique facility which has enabled on-line registration and e-payment for examinations. The on-line degree verification system and the new examination and portals are also the contribution

of the Computer Centre. These efforts have won laurels in the form of widespread appreciation and the State Government's award for e-governance.

The University of Kerala has widened its horizons by entering into academic cooperation with some foreign Universities like Valladolid of Spain and Claremont of the United States of America. The UGC has identified the University as one of the 26 institutions selected for promotion of India Studies by foreign students. The National Assessment and Accreditation Committee has placed the University at the B++ grade. In 2006-07, the University organised the *Suvarnakeralam* celebrations, to mark the Golden Jubilee of the formation of the State of Kerala. As part of the Malayalam Conference, the University instituted an annual award of Rs. 50,000 for the best Ph. D. thesis in Malayalam. The University also hosted the 97th Indian Science Congress. The Government of Kerala has set up an Inter-State Centre of Excellence in Computational Biology and Bioinformatics at the Centre for Bioinformatics of the University. The University of Kerala's Platinum Jubilee celebration are going on with emphasis on developmental activities.

EXAMINATIONS

Noteworthy achievements were made by the Examination Wing this year in our march towards total computerization with the ardent support of the University Computer Centre. The launching of a separate Examination Portal has made the access to data related to various examinations a click away. Online enrolment and registration have been introduced for M.Tech, M.Plan, MBA, MTA, MCA, L.L.M and L.L.B examinations. Online submission of index cards by teachers have been introduced which has made the whole process easy and also speedy and this enables us to have a database of teachers easily accessible. Online verification of degree certificates and mark lists issued by the University have also been introduced.

Various examination results were published without much delay and the result of first PG at affiliated colleges was published earlier than the previous year on 30.11.2012. Most of the examinations could be conducted in a time bound manner.

With the support of teachers S2 & S4 PG and UG valuation camps were organized simultaneously and this enabled early publication of result of final PG examinations.

Action required to revamp the revaluation process has been initiated based on the report submitted by the Sub Committee of the Syndicate constituted to study the related issues and in compliance to the directions in general, issued by the Hon'ble High Court. As a step towards more transparency, provision for the candidates to obtain photocopies of the answer books after valuation was introduced.

The conduct of entrance examinations for admission to several programmes and the Ph.D course work examinations were also successfully undertaken by the Examination Wing this year.

Steps towards preventing malpractice in examinations were pursued by ensuring the effective functioning of the Malpractice Prevention Squad constituted for the three regions. The Students Discipline Committee had 26 sittings and 670 cases were disposed of this year.

Programmes for the improvement of infrastructural facilities in various examinations branches have been undertaken. Steps have already been initiated to modernize the processing of packing of question papers.

Resources and manpower available under the annual scheme of BA/B.Sc/B.Com courses were diverted to form 7 new sections for the CBCSS Wing to cope up with the growing workload with the advancement of the courses. An additional Section was also formed in the B.Tech branch to maintain a better balance of the workload. One post of Assistant Registrar (Permanent CV Camp) and two CV Camp Sections were formed to co-ordinate and monitor all works relating to the conduct of CV Camps and to ensure that the valuation is completed in a time bound manner.

The achievements of the Examination Wing, in spite of shortage of manpower faced, could be attributed only to the hard work, team spirit and dedication of the staff members of various Sections and also the cooperation extended by the teaching community.

FINANCE

The Finance, Audit and Accounts Wing of the University function under the direct control of the Finance Officer as per the provisions contained in the Kerala University Act and Statutes.

The Finance sections mainly attend to the work relating to the preparation of Budget, service matters of University employees, pension, providing advice on financial matters, realization of grants in aid from State Government, UGC, Government of India and other funding agencies, mobilization of revenue, Review of various projects under implementation. These sections monitor the recurring and the non recurring expenditure in accordance with the Rules and Regulations of the University and ensures a Budgetary Control System.

The Audit Sections attend to the pre-audit of bills. Such pre-audit system helps to avoid irregular/excess payments and to ensure that the payments are within the limits prescribed by the budget and norms are complied..

The Out-audit sections attend to the clearing of audit objections raised by the Government Auditor and the Accountant General. They also conduct internal audit of accounts of departments and affiliated colleges.

Finance Inspection Wing inspects various departments and centres and verify Accounts and connected documents/registers. They also give necessary directions to the concerned regarding maintenance of various registers etc.

Revenue Audit section makes the revenue collection intense and the expenditure control effective. Close contact has been established with the college authorities to compel them to settle the special fees accounts with zero balance. Effective functioning of the Revenue Audit has brought about the desired results. Constant contact with the colleges has been continued this year also.

The Accounts Sections are responsible for the maintenances of accounts of receipts and expenditure. Accounting functions relating to daily classification, monthly classification, consolidation of receipts and expenditure are also handled and registers thereon maintained by various sections in the Accounts branch. The Annual Accounts of the University are compiled from these registers. The Account sections also maintain accounts relating to PF, FBS, GWS etc. and of various loans and advances sanctioned to the

University employees. Preparation of proforma accounts for submission to Government Auditor for issuing Utilization certificates to the sponsoring agencies is another important function of this wing.

Cash sections under the Finance Branch are grouped into receipt and expenditure sections. Cash Receipt sections collect all items of receipts by way of cash/demand drafts and deposit them into the Kerala University Fund. Cash expenditure sections effect payment as per bills passed by audit sections.

Efforts are being made to computerize the entire accounting functions.

Non-Plan Grant

The University had submitted a request for sanction of Rs. 15,466 lakhs as non plan grant for the year 2012-2013 against which Government sanctioned an amount of Rs. 11,099 lakhs as non plan grant for the year.

The section could undertake a number of tasks for the intellectual and infrastructural development of affiliated colleges during the year. The important activities are enumerated below:

Proposals for financial assistance under various schemes of the UGC

Several notifications in newspapers, website of the University and circulars to Principals of colleges were given regarding financial aid offered by the UGC for its various schemes and programmes during the XI plan. During the year, proposals for conducting Seminars (72), Workshops (15), Conferences (11) both at state and national levels, Development of Sports Infra structure and equipment (21), Innovative Courses (5), Research Start-up grant for newly Recruited Faculty under the scheme MHRD/UGC (6), Career Oriented Programme (14), Additional Development Grants (52), Establishment of Network Resource Centre (1), Women's Hostel (2) were forwarded to UGC from this section.

In the current year, UGC sanctioned grants for various schemes and programmes as shown below: Seminar-Rs. 22,84,000/-, Career Oriented Courses- Rs. 61,20,000/-, Development of Sports infrastructure and equipments -Rs. 7,50,000/-, Seminar under Human Rights Education- Rs.1,39,000/-, Introduction of Under Graduate Course under Human Rights Education- Rs. 4,80,000/-, Women's Hostel - Rs. 71,25,000/-, FDP Substitute Salary- Rs. 1,26,80,134/-, Innovative Programme- Rs. 74,30,000/-, Salary and Research Grant for Research Awardee - Rs. 45,10,788/-, Establishment of IMF Scheme Rs.10,75,000/-.

Minor and Major Projects

Proposals for Minor Projects (214) and Major Projects (18) submitted by teachers were also forwarded to the UGC for favourable action. For the Minor Projects, already approved, the UGC has released an amount of Rs. 84, 28,000/- during the year. In the case of Major projects already approved, the UGC has released an amount of Rs. 1, 37, 36,986 /-.

Appointment of Substitute Lecturers in the FDP deputation vacancy

An important task of this section is the work relating to the appointment of substitute lecturers in the deputation vacancies of teachers who were awarded Teacher Fellowship under the Faculty Development Programme of the UGC. During the year, the section could facilitate the appointment of 43 Substitute Teachers in the FDP deputation vacancies in various colleges.

Post-Doctoral Research Award

Another venture undertaken by the CDC Section is the work relating to the UGC Research Award, including payment of Research Grant and reimbursement of salary released by the UGC. During the current year three teachers have been selected for the UGC Research Award for a period of two years.

P. G. Monitoring Committee

The University Level Monitoring Committee on P.G. Programme under the semester system has been constituted for the monitoring, supervising and conducting P.G. semesterisation in affiliated colleges. The CDC section is entrusted with the convening and related works of the P.G. Monitoring Committee.

The committee consisting of the Pro- Vice-Chancellor (Chairman), Director, CDC (Convenor), syndicate members, academics and officers of the University made several recommendations relating to the examination and academic matters of the P.G. Programmes. Individual cases of P.G. students were dealt with by the Committee. Three meetings of the Committee were held during the year 2012. Calendars of events for the P.G. Semester Programmes for the academic years 2011-12 and 2012-13 were prepared and submitted to the Committee for consideration.

M. Phil Monitoring Committee

The section also convenes the M.Phil Monitoring Committee which deals with issues concerning the smooth conduct of the M.Phil programme in the University departments and the various departments of University College, Thiruvananthapuram. The Committee consists of Pro-Vice-Chancellor (Chairman), Director CDC (Convenor), Syndicate members and the Academics. Five meetings of the Committee were held during the year 2012. Calendar of events for the M.Phil Programmes for the academic year 2011-'12 was prepared and submitted before the Committee for consideration. Recommendations on examination and academic matters relating to M.Phil programmes were also made by the Committee.

All India Survey on Higher Education (AISHE)

An additional work was taken up by the section as part of All India Survey on Higher Education (AI SHE) undertaken by the MHRD and data regarding various parameters such as basic information, student enrolment, staff strength, Exam results, financial information etc. were collected and consolidated for uploading the same in the portal developed by MHRD. Colleges were advised to appoint Nodal Officers for the purpose of collecting and uploading data at the college level and a workshop was also conducted as part of the survey for imparting training to Nodal Officers of the affiliated colleges for uploading the data regarding the colleges concerned.

Planning C Section

The Planning C Section, under the supervision of the Director, College Development Council wing deals with the Faculty Development Programme which provides an opportunity to the teachers of affiliated colleges under 2(f) & 12 (B) of the UGC Act, 1956 to pursue their research activities leading to the award of M.Phil./Ph.D. degree.

The last phase of the meeting of the Selection Committee to recommend the award of Teacher Fellowship during the XI Plan was held in February 2012. Two teacher fellows from Bishop Moore College, Mavelikara and Government College, Attingal were recommended for the award of FIP and the UGC has already accorded sanction for the same. Subsequent to the completion of the Eleventh Five Year Plan in March 2012, the Section clarified with the University Grants Commission on the status of the programme during the XII Plan in the wake of several enquiries. The Commission thereafter vide their letter No.F.331/UGC-SWRO/2012-13 dated 13.09.2012 had informed that the selection of Teacher Fellows be conducted as per XI plan guidelines pending finalization of the XII plan guidelines. This initiative on the part of the University of Kerala enabled many teachers to apply for the programme during the current year itself.

The Section organized interviews for making recommendation for the award of FDP. Thus 59 teachers from the various colleges were recommended to the UGC for the award of teacher fellowships. The college-wise selection is denoted (in parenthesis) beneath:-

All Saints' College, Thiruvananthapuram (4), Baby John Memorial Government College, Chavara (2), Christian College, Chengannur (3), Fatima Mata National College, Kollam (3), Government College for Women, Thiruvananthapuram (9), Government College, Karyavattom (1), Government College, Attingal (3), HHMSPB NSS College for Women, Neeramankara (1), Kunjukrishnan Nadar Memorial Govt. COMPUTER CENTRE

Computer Centre, University of Kerala was setup in 1977 for providing computer facilities for different research activities in the University. In the present IT era Computer Centre has taken up new challenges for IT enabling of University administration and examination activities. Computer Centre meticulously follows the principles of business process redesign as a prerequisite of IT enabling. The Centre has repositioned itself as a software development centre catering to the needs of the higher education sector of the nation. University computer centre is located near the administration block in the Palayam Campus.

Computer Centre acts as a supporting division of the University in different computerization and IT enabling activities. The department provides technical support to all other sections and departments of the University. Various activities undertaken by the department includes different examination connected activities such as online process management and software development. During the current year we have focused the activities for the computerization of all examinations conducted by the University. For this, we have developed separate portals for research and examinations activities.

Computerization of University Examinations

Computer Centre has developed a number of software for its examination and related activities. At present, the tabulation activities of all the examinations are done using the innhouse software developed at Computer Centre. The different features available in the software include facility for online marks entry, Web based hall tickets generation, online result availability etc. Traditional way of sending hall

tickets to colleges from the University was discarded for almost all courses. All restructured courses with vocational courses exams are also computerized. The process of computerization of CBCS examinations are moving fast. Fully Web-enabled, online Continuous Assessment (CA) and End Semester Assessment (ESA) mark entry system is introduced for different courses. Also, registration to different University examinations is now done in online way. Presently around 2 lakhs of students are using this facility.

Updated Information Portal

Computer Centre maintains an updated and professionally designed web site for students and colleges at www.kucc.keralauniversity.ac.in for different pre-examination and post-examination activities. The system is available to all the affiliated colleges and study centres of the University. The on-line services provided to these colleges include candidate enrollment, examination registration, hall ticket generation, nominal roll generation, attendance reporting and CA mark entry. For different online activities Computer Centre makes use of different open source software.

In house UG, PG Admission software

The UG online admission and allotment process is a milestone of Computer Centre, because the Centre has developed and implemented an advanced software from scratch for online admission and allotment process. Cooperating with the admission wing, Computer Centre was able to operate the whole UG and PG admission process in a centralised manner. The core area of any online process is its software. Computer centre developed this software successfully. The software can be extended to other courses such as M.Ed, B.Ed, CSS courses also. Using the software time delay, manual workload, stationery printing and postage expenses can be considerably reduced.

Admission Portal of the University

In the current year Computer Centre set up and launched an exclusive admission portal for the University for conducting online UG and PG admissions through a single-window system. (<http://admissions.keralauniversity.ac.in/>). In the coming year admissions to all courses of the University will be done through this portal. This facility offers a flexible user j student service in a single window. This will be a land mark for the University.

Research Portal of the University

The University awards more than 200 research degrees every year in different disciplines. Many researchers of the University are doing their research works at different approved centres, campuses, teaching /research departments, affiliated colleges and research centres located at different places. Registration and thesis submission processes were done in the University in traditional ways. The registration process includes the processing of application, initial registration and conducting doctoral committee meeting. Thesis submission process includes synopsis and thesis submission. During all these periods, the process must be monitored, because the student is availing research facilities and scholarships. So a continuous monitoring of the research student is essential. With this view Computer Centre launched an exclusive research portal for the University (www.research.keralauniversity.ac.in). The exclusive portal solution can give faster and efficient dimensions in different research activities. The portal helps research candidates to track their progress. The evaluation of the work can be done by the guide as well as the University. The system is developed in a client server architecture using open source technologies and is deployed in an Intranet environment. All the details are available to students and their guides. The system also offers automatic registration order generation, automatic eligibility verification, thesis submission, tracking and monitoring.

Computerization of Syndicate Proceedings

Currently the minutes of the syndicate meetings are signed and published after a couple of days: This may leads to a slow process in decision making. If the syndicate / senate meeting agenda processing and meeting is computerised, the minutes can be prepared without time delay. Computer Centre has

developed necessary software for computerizing the proceedings of Syndicate meeting. The system will be implemented soon.

Placement Portal of the University

Computer Centre in association with the placement division of the University started a portal for online job placement of the students of the University (<http://placement.keralauniversity.ac.in>). The portal is developed to provide different activities such as meeting arrangements, conducting online tests, interview scheduling, coordinating, message communication, information gathering etc.

Document Verification Portal

The increased requirements for verifying the documents issued by the University, the University launched a new portal for document verification. The portal is meant for students as well as employers and is aimed to avoid any delay caused in the processing of documents. (<http://www.ku.directverify.in>). Computer Centre provides the necessary support in connection with the online verification process of documents.

C. V. Camp Computerization Software

Time delay in the publication of results of University examinations can be reduced to a large extent by conducting CV camps in an orderly manner and by uploading the marks to the database at the end of each day of the camp itself. Computer Centre has initiated steps for developing comprehensive CV camp automation software. The software provides facilities for creating data bank of examiners and chiefs for each subject, entry of marks secured by candidate, updating the mark database from any of the camps. The software will be made operational soon.

Kerala University Data Centre

University of Kerala intends to set up a full fledged tier 3 Data Centre for conducting different online activities under the control of Computer Centre. This will give a boost to different computerization activities of the University. The initial steps for this project are already started. Setting up of the Data Centre includes the procurement, supply and installation, configuration and integration of different IT (active and passive) and Non-IT components required for the functioning of the Data Centre. Computer Centre can provide the complete configuration of items such as routers, switches, UTM Appliance, proxy server, authentications system and other equipment, hardware and software installed under the project.

Wire free Campuses at Palayam and Kariavattom

University of Kerala proposes to implement Wi-Fi network access to the campuses Kariavattom and Palayam. The purpose of the implementation is to help students in both the campuses to connect to the Internet & Intranet through wireless network from anywhere inside the university campus and able to access the information in a secured manner. University employees, students, and guests will have shared access to wireless network resources to support the University's mission of teaching, research, and outreach. Those who wish to connect to the campus network with a laptop or other wireless device can use the wireless network infrastructure that is owned by and centrally managed by Computer Centre. The initial steps are already started. The project involves designing of the necessary infrastructure, supplying, installing and configuring of different devices such as access points, wireless controllers etc.

Intranet and WAN

For effective overall functioning of the data centre and it is necessary to set up intra net at University campuses and to set up a WAN connecting the two main campuses of the University. This is essential to set up a Backup of storage as well as DR sites as per the defined policies. Monitoring, log maintenance and reporting of status on a regular basis can also be achieved by setting up the WAN. The initial steps are started in this direction. Computer Centre can provide support by resolving connectivity issues/ configuring devices/ performance tuning of various parameters to optimize performance and to ensure industry standard QoS with customization.

Technical Support & Maintenance

In addition to the present projects/ the Computer Centre was able to give technical support and system maintenance to different sections of the University in the current year. The support includes

1. Maintenance of hardware services in administrative/ academic and examination sections
2. University document digitisation RFP preparation
3. Management & maintenance of Degree Hologram division
4. Maintenance software services to examination tabulation process
5. Supports to preparation of hardware specifications to various sections
6. Maintenance of hardware and software of University Cash counters
7. Hardware service support to University Library
8. High Performance Computing facility at Kariavattom campus
9. Internet connectivity and NKN connectivity at campuses
10. Setting up of a full fledged computing facility for University examination wing.

Consultancy Works

Computer Centre Director completed the project Women Scientist portal as a consultancy work and the work is completed in the current year.

Academic and Research Work of Dr. Vinod Chandra S S, Director, Computer Centre during the year 2012

Major academic work includes the classes, talks and research works.

THE CELL TO COMBAT SEXUAL HARASSMENT

Chairperson : **Dr. G. S. Jayasree**

Convener : **Mrs. Deanna Stephen**

The CCSH, as it is popularly known, has three major functions - gender sensitization and orientation, crisis management and mediation and formal enquiry and redress. Complaints of sexual harassment are reported to the CCSH by students, faculty members and even administrative staff. All complaints are investigated within the laid-down mandate in conformity with confidentiality.

The CCSH has a three tier structure and its activities of the CCSH are carried out in affiliated colleges in association with college level committees and the Women's Study Units of colleges. In the year 2012, the key clauses of the Anti-Sexual Harassment Rules were sent to all the colleges and they were asked to display it where it would be seen by all the students. Classes were conducted in 7 colleges on what gender sensitization means, what sexual harassment means and what can be done if they feel they have been harassed. In 2012, we received 2 written complaints and 17 oral complaints where the victims were unwilling to commit themselves to writing. Suitable action as stipulated by law was taken in all the complaints.

March 8, International Women's Day proved to be an occasion to renew the pledge to gender equity and justice in the university. The Hon. Vice-chancellor, Prof. A. Jayakrishnan opened the day's deliberations and the key note was delivered by Smt. Valsala Kumari I. A. S. Eminent academics, jurists and cultural activists shared their views on the occasion. On March 9th, an interactive workshop was held in collaboration with the Loyola College of Social Sciences, Sreekariyam. The emphasis was on the psychosocial aspects of trauma and invited teachers and administrative staff were educated on how to deal with situations of sexual abuse in work places.

Aquatic Ecology, Aquaculture, Fish Biology, Fish Genetics, Aquatic Microbiology, Taxonomy, Biodiversity Documentation and Informatics, Marine Natural Products, Marine Chemical Ecology, Harmful Algal Blooms, Fish and Shellfish Pathology, Trophic Modeling and Molecular Biology, including DNA bar-coding and Fisheries Extension.

Awards/honours

Dr. K. Padmakumar visited Pacific Institute of Bioorganic Chemistry, Russian Academy of Sciences Far East Division, Vladivostok, RUSSIA under bilateral collaborative program funded by DST, Govt. of India during 1-17 March 2012.

Dr. K. Padmakumar received Commonwealth Academic Fellowship and visited the University of Aberdeen, UK during 5th September to 30th November 2012.

Under International Collaboration/Exchange Program Dr. K. Padmakumar visited South China Sea Institute of Oceanology, Guangzhou 510301, China, 16-30 December 2012

Abhijna, U.G. and Dr. A. Biju Kumar of the Dept. have won consolation prize for their poster “Biomonitoring using the rapid bioassessment approach in organically polluted Veli and Akkulam lakes, southwest coast of India” in the Second Indian Biodiversity Congress held at Indian Institute of Science, Bangalore during 9-11 December, 2012.

Dr. A. Biju Kumar, Head of the Department has been selected as Member, Environment Research and Development Committee, Directorate of Environment and Climate Change, Govt. of Kerala.

Seminars/workshops organized

Workshop on “Emerging Statistical Tools in Life Sciences”, for the scientists and academicians, during 11-13 April 2012.

National Seminar “ ‘Pamaram’ – Inland Waterways of Kerala: History, Culture and Biodiversity” organised along with International Kerala Study Centre and Department of Bioinformatics and Computational Biology during 18-20 December 2012.

Co-ordinated the Inculcate Science Propagation Programme (2012) of Kerala State Science and Technology Museum for the school children.

Second Indian Biodiversity Congress at Indian Institute of Science, Bangalore during 9-11 December 2012 (Dr. A. Biju Kumar, Organising secretary)

Seminars/Workshops attended**Dr. A. Biju Kumar**

International Conference on “Sustainable Ornamental Fisheries: Way Forward” organized by School of Industrial Fisheries, Cochin University of Science and Technology, Kochi during 23-25 March 2012 (Co-chaired the session on sustainability issues in ornamental fisheries).

“Expert consultation on Academic Partnership for Excellence and Networks in Fisheries Education and Research” held at Central Institute of Fisheries Education, Mumbai during 17-18 April 2012.

“All Kerala Quiz Competition on Science” for High School Students organized in connection with the 24th Kerala Science Congress at the Rubber Research Institute of India, Kottayam on 28th January 2012 (As Quiz Master)

Workshop on “Challenges for Conservation of Freshwater Biodiversity in India- Science and Policy” organised by Zoo Outreach Organisation, Coimbatore, Conservation Research Group, St. Albert’s College, Kochi and South Asia Office of the IUCN Freshwater Fish Specialist Group on 27th and 28th September 2012 at Periyar Tiger Reserve, Thekkadi.

Eleventh Meeting of the Conference of Parties to the Convention on Biological Diversity (COP 11) (International Intra-governmental meeting) held at Hyderabad, India during 12-14 October, 2012.

Dr. K. Padmakumar

Attended multi-institutional workshop on “Marine Derived Antimalarials” held at Palamphur, Himachal Pradesh, 7-9 April, 2012

National Consultation workshop on “Coastal and Marine Biodiversity: Gaps, Challenges and opportunities” Gandhinagar, Gujarat 11 - 13 April 2012

Dr. Pramod Kiran

National Conference on “New Vistas in Indian Aquaculture”, organised by CIBA, Chennai from 23-24 February, 2012.

ICAR funded short course on “World Trade Agreement and Indian Fisheries Paradigms: A Policy Outlook” from 17 – 26 September, 2012 at CMFRI, Cochin.

ICAR sponsored summer school on “Sustainable shrimp farming through adoption of better management practices and biosecurity” from 22 Aug to 03 Sept, 2012 at CIBA, Chennai.

Invited presentations**Dr. A. Biju Kumar**

“Biodiversity Conservation and Sustainable Development” in the International Seminar on Climate Change, Sustainable Development and Society (Climate Conclave 2012) organised by British Council, Association of British Scholars and TKM Institute of Management on 27th February 2012 at Thiruvananthapuram, Kerala.

“Sustainable aquaculture practices” in the National Seminar on “Emerging Trends in Aquaculture, Harvesting Technology” organised by Department of Zoology, Mar Thoma College, Thiruvalla, on 7th March 2012.

“Marine Biodiversity of India: Status and Concerns” in the National Seminar on “Recent Trends and Future Prospects of Biodiversity and Conservation” organised by the Dept. of Botany and Zoology at Sree Narayana College, Punalur on 16th March 2012.

“International Conference on Sustainable Ornamental Fisheries: Way Forward” organised by School of Industrial Fisheries, Cochin University of Science and Technology, Kochi during 23-25 March 2012 (Co-chair)

“Sustainable Economy and Development” in the seminar in connection with World Environment Day, 6th June 2012 at Bharatheeya Vichara Kendram, Thiruvananthapuram.

“Ecological status of Rivers of Kerala” in the workshop on “Conservation of Rivers and Lakes 2012” organized by Environmental Resource Centre, Poovathoor, Thiruvalla and Alappuzha press club on 5th July 2012 at Alappuzha, Kerala.

“Biodiversity Informatics” in the XXI Refresher Course in Environmental Sciences organised by UGC Academic Staff College, University of Kerala on 5th October 2012.

Inaugurated the “Training on Marine Ornamental Fish Breeding & Aquarium Keeping” organised by Vizhinjam Research Centre of Central Marine Fisheries Research Institute (Indian Council of Agricultural Research), Trivandrum on 16th October 2012 and delivered a lecture on Freshwater Aquarium Keeping.

Chaired technical session on “My Village Biodiversity” organised in connection with “LAKE 2012- National Conference on Conservation and Management of Wetland Ecosystems”, 08th November 2012 organised by School of Environmental Sciences, Mahatma Gandhi University, Kottayam, Kerala.

Presentation on “Biodiversity Vs. Biotechnology” in the National Seminar on “Biotechnology Vs. Biodiversity: Challenges and Options” organised by Department of Zoology, Sree Narayana College, Kollam on 21 November 2012 .

Chaired session on “Wildlife Corridors and Connectivity” in the International Law Conference on Conservation of Forests, Wildlife and Ecology organised Law Academy, Thiruvananthapuram by Kerala Law Academy and Centre for Advanced Legal Studies, Thiruvananthapuram on 16.12.2012.

Presentation on “Water conservation and climate change: Issues and Challenges” in the National Seminar on “Water Management: Mounting Challenges and Responses” organised by C. Achutha Menon Study Centre and Library, Thiruvananthapuram on 22 December 2012; Chaired session on Water Conservation.

Presented a paper on “Biodiversity of Inland Waterways” in National Seminar ‘Pamaram’ – Inland Waterways of Kerala: History, Culture and Biodiversity” organised by International Kerala Study Centre, Department of Aquatic Biology and Fisheries and Centre for Bioinformatics and Computational Biology on 19th December 2012.

Dr. K. Padmakumar

“Bioprospecting marine organisms for nutraceuticals, medicines and crop protectants” at the National Training on “Naturally occurring nutraceuticals, crop protectants and other biomolecules for application in human and crop health”, Indian Agricultural Research Institute, New Delhi, January 23 to February 2, 2011.

Harmful algae and Seafood Poisoning, 21.7.2012, XVII Refresher course in Life Science, Academic Staff College, University of Kerala.

Dr. Pramod Kiran, R.B.

Centre for Water Resources Development and Management, Trivandrum on 14.09.2012 for Officials of State Government Departments.

For fish farmers of Vellayani Lake organised by the Agency for Development of Aquaculture, Kerala on 12.01.2012.

Smt. Mini Chandran, C. (Topic: Studies on the Eco-biology of Poonthura Estuarine Ecosystem along Southwest Coast of India; Guide Dr. P. Natarajan).

Shri Sirajudheen, T.K. (Topic: Studies on the Diversity of Marine Ornamental Fishes of Kerala Coast; Guide Dr. A. Biju Kumar)

Smt. Sridevi, K. (Topic: Production and expression of Streptomyces gene-probiotic virbriosis and Aeromonas spp. and fish health management; Guide Dr. K. Dhevendaran)

Ongoing Research Projects

Dr. A. Biju Kumar

Principal Investigator, three year project on “Trophic Modeling and Biodiversity Assessment of Freshwater Lakes in Kerala for Conservation and Sustainable Management” supported by University Grants Commission.

Principal Investigator, one project on preparation of field guide on “Marine Animals of Kerala Coast” supported by Kerala State Biodiversity Board (Project Period: 2010-2012).

Multi-institutional Research Project on “Biodiversity, DNA Barcoding and Phylogeny of Commercially Valuable Marine Molluscs of India” supported by Department of Biotechnology, Govt. of India (Project Period: 2011-2014). (Total: 70.76 lakhs; d Share of Dept. 24.28 lakhs).

“River Bank Mapping for Vamanapuram River, Kerala” supported by Revenue Department, Govt. of Kerala (in association with Dept. of Environmental Sciences, University of Kerala (Project Period: 2011-2012).

Dr. K. Padmakumar

A collaborative Indo-Russian Research Project with Pacific Institute of Bioorganic Chemistry, Vladivostok, RUSSIA.

Multi-institutional research project “Discovering Antimalarials from marine organisms” (Phase III): Third phase (Supported by DBT, Govt. of India).

New Species described and new reports to India

Reported octopuses *Amphioctopus neglectus* and *A. rex* (Mollusca: Cephalopoda) from the Indian coast (2012; Molluscan Research).

New species of hermit crab *Ciliopagurus grandis* Komai, Reshmi and Biju Kumar 2012 (Crustacea: Decapoda: Anomura: Diogenidae)

New species of hermit nematode *Rhabdochona* (*Rhabdochona*) *keralaensis* Moravec, Sheeba and Biju Kumar 2012 (Nematoda: Rhabdochonidae)

Reported Sawspine spikefish, *Paratriacanthodes retrospinis* Fowler, 193 (Pisces: Tetraodontiformes: Triacanthodidae) from Indian waters (Check List, 8(4): 752–753, 2012)

DNA Barcode data and GenBank Accessions

Bryde’s whale *Balaenoptera edeni* (cox1 gene): JN190944, JN190945, JN190946

Bryde’s whale *Balaenoptera edeni* (cyt b gene): JN190947, JN190948, JN190949 (Dr. A. Biju Kumar)

List of Presentations

1. V. Sasikala and **Annie Abraham.** 'Antioxidant and Anticataractogenic Potential of *Moringa oleifera* Lam. Leaves'. International Conference on Emerging Trends in Free Radicals, Antioxidants and Nutraceuticals on Health, Disease and Radiation Biology held at Department of Biochemistry, University of Kolkata, India, 12-14, January 2012.
2. Janeesh P.A and **Annie Abraham.** 'Free radical scavenging and Anti-atherogenic effects of *Vigna unguiculata* leaves in rabbit models'. International Conference on Emerging Trends in Free Radicals, Antioxidants and Nutraceuticals on Health, Disease and Radiation Biology held at Department of Biochemistry, University of Kolkata, India, 12-14, January 2012.
3. Vibin.M and **Annie Abraham.** "Cellular internalization efficacy and Tumor targeted imaging of silica coated CdSe quantum dots". 2nd International conference on Nanotechnology at Amrita Centre for Nanoscience and Molecular medicine , February 21-23,2012
4. Dhanya .C.R .and **Annie Abraham** "Inspire camp for school children of Class XI for motivation into success" at Seraswathi Thyagaraja College , Pollachi, 27 February, 2012.
5. Soumya M.S , Renjini R.P. and **Annie Abraham***. 'In vitro cytotoxicity evaluation of Halogenated Squaraine on EAC Cells' in 14th National Symposium on Chemistry held at NIIST, Trivandrum on February 2012.

6. Rejiya .C.S **and Annie Abraham** “Nanostructures for Cancer diagnostics and therapy” at M.E.S College, Marampally, Aluva, Ernakulam, March 2012
7. Soumya M.S **and Annie Abraham***. ‘Biochemical studies of Squaraine, one of the newly developed photosensitizers, on Swiss albino mice.’ in the National Seminar on Frontiers in Chemistry held at the Department of Chemistry, University of Kerala, Karyavattom on April 2012.
8. Asha.R **and Annie Abraham*** ‘Bioactive derivatives of curcumin attenuate selenite induced cataract in Sprague Dawley rat pups’ in the National Seminar on Frontiers in Chemistry held at the Department of Chemistry, University of Kerala, Karyavattom on April 2012.
9. V. Sasikala **and Annie Abraham**. ‘*Moringa oleifera* ameliorates selenite induced cataract by maintaining the redox homeostasis in organ cultured lens- an *in vitro* study’. International Seminar on World Bioheritage concerns over climate change with a special reference to ethnic vegetables, BOTANICA 2012, SN College Chempazhanthy, Thiruvananthapuram Sep 7-8, 2012.
10. Janeesh P.A **and Annie Abraham**. ‘Study on immunomodulatory effect of Poly- L- Lysinenanocapsules on cultured monocytes for Drug delivery applications’. Workshop cum conference on computational biology and pharmaceuticals, MLAC Bangalore, November 24-25, 2012
11. Dhanya C.R **and Annie Abraham**. ‘Cellular toxicity studies of Lanthanide doped nanoparticles in A549 (Lung carcinoma) cell lines. Workshop cum conference on computational biology and pharmaceuticals, MLAC Bangalore, November 24-25, 2012
12. Renjith R.S. **and T. Rajamohan**. “Evaluation of antiglycation and antioxidant activities of methanol and ethanol extracts from *Cocos nucifera* (L.) inflorescence”. Health Science Section. 24th Kerala Science Congress held at Rubber Research Institute of India (RRII), Kottayam. 29-31 January 2012. (Oral Presentation).
13. Chikku A.M. **and T. Rajamohan**. “Protective effect of coconut haustorium against lysosomal enzyme alterations in isoproterenol induced cardiac damage” State level seminar on ‘New Risk Factors of Coronary Artery Disease” at N.S.S College Pandalam . 16,17th February 2012. (Oral Presentation).
14. Divya S Mohan, Mini.S & **G.Muraleedhara Kurup**. Effect of *Padina tetrastratica* on carbohydrate metabolism of high energy fed/streptozotocin treated diabetic rats..International conference on Diabetes and Cancer held at Annamalai University,December 2012.(Best paper award)
15. Chithranjali.T & **G.Muraleedhara Kurup**. Anti-angiogenic effect of polyunsaturated fatty acids from marine micro algae *Dunaliella salina*.. International seminar on sustainable utilization of tropical plant priomons through biotechnology. December 2012.
16. Harikrishnan R., Abhilash P.A., Syam Das S. **and M. Indira** Ascorbic acid attenuates ethanol induced apoptosis within testis “National Conference and 30th Annual Symposium for Reproductive biology and Endocrinology (SRBCE) on Novel Aspects and Emerging Trends in Reproduction and Endocrinology” during January 30th to February 1, 2012 at Mohanlal Sukhadia University, Udaipur, Rajasthan..
17. Kavitha S., Febi John, Syam Das S. **and M. Indira**. The Cardioprotective effect of methanolic extract of *Ocimum sanctum* Linn. “National Conference and 30th Annual Symposium for Reproductive biology and Endocrinology (SRBCE) on Novel Aspects and Emerging Trends in Reproduction and Endocrinology” during January 30th to February 1, 2012 at Mohanlal Sukhadia University, Udaipur, Rajasthan..
18. Prathibha P., Rejitha S., Harikrishnan R., Syam Das S. **and M. Indira**. Combined effect of Vitamin C and Vitamin E in alcohol induced hepatotoxicity. “National Conference and 30th Annual Symposium for Reproductive biology and Endocrinology (SRBCE) on Novel Aspects and Emerging Trends in Reproduction and Endocrinology” during January 30th to February 1, 2012 at Mohanlal Sukhadia University, Udaipur, Rajasthan.

19. Syam Das S., Kavitha S., and **M. Indira**. In Vitro Immobilisation of Sperms with Aqueous extract of *Ocimum basilicum* Linn. “National Conference and 30th Annual Symposium for Reproductive biology and Endocrinology (SRBCE) on Novel Aspects and Emerging Trends in Reproduction and Endocrinology” during January 30th to February 1, 2012 at Mohanlal Sukhadia University, Udaipur, Rajasthan..
20. Febi John, Kavitha S., and **M. Indira**. Role of high carbohydrate diet in accelerating 5 Lipoxygenase pathway in isoproterenol induced myocardial infarction. National conference on molecular and cellular mechanisms of diseases: organised by Department of Biochemistry and Biotechnology, Annamalai University, Tamilnadu during April 2012
21. Divya S Mohan, **S. Mini** and G. Muraleedharakurup. Effect of *Padina tetrastromatica* on carbohydrate metabolism of high calorie fed/ streptozotocin treated diabetic rats. International conference on Diabetes mellitus and cancer , December 14-16,2012, Annamalai University. **(Best oral presentation award)**
22. Sneha S Pillai, Saranya J, **S. Mini**. Protective effect of ethanolic extract of *Hibiscus rosa sinensis* petals in diabetic heart. International conference on Diabetes mellitus and cancer , December 14-16,2012 at Annamalai University. **(Best oral presentation award)**
23. Divya B.T, **S. Mini**. Modulation of reverse cholesterol transport by *Butea monosperma* bark extract in streptozotocin induced diabetic rats. International conference on Diabetes mellitus and cancer, December 14-16,2012 at Annamalai University.
24. Rajesh R, **S. Mini**. Oral antidiabetic metformin protects hepatocytes against acetaminophen induced oxidative damage and necrosis. International conference on Diabetes mellitus and cancer , December 14-16,2012 at Annamalai University.
25. Manu M. Joseph, S.R. Aravind, Sheeja Varghese, **S. Mini**, T.Y. Sreelekha PST- Gold nanoparticles as an effective anticancer agent with immunomodulatory properties, (ORIBIO 2012, an International Fest on Science and Technology, organized by INCITE (International Center for Intellectual Training and Empowerment. February 29 (2012). **(Best oral presentation)**
26. Parvathy S, Seena S.S and **Mini S**. Ethanolic extract of *Ensete superbum* modulates lipid metabolism and promotes the expression of ATP-binding cassette transporters A1 and G1 in diabetic rats”,. National conference on novel aspects and emerging trends in reproduction and endocrinology, Jan 30- Feb 1, 2012 , Udaipur.
27. Nisha P and **Mini S**. Hypoglycemic and hypolipidemic effect of flavonoid rich fraction of *Musa paradisiaca* inflorescence in diabetic complications.. State level seminar on New risk factors of coronary artery diseases, NSS College, Pandalam, February 16-17, 2012
28. Nisha P and **Mini S**. Anti-diabetic potential of flavanoid rich fraction from *Musa paradisiaca* inflorescence on diabetic rats, 24th Kerala Science Congress held at, January 29-31, 2012. Organized by Rubber Research Institute, Kottayam. **(Best poster award in Health science)**.
29. Rajesh R, Divya B.T and **Mini S**. Role of reactive oxygen species in synergistic cytotoxicity induced by oral antidiabetic metformin and acetyl salicylic acid. 30th Annual Symposium of SRBCE and National Conference on Novel Aspects and Emerging Trends in Reproduction and Endocrinology, January 30- February 1st, 2012 at Mohanlal Sukhadia University, Udaipur, Rajasthan.
30. Shyni.G.L and **Dr.Helen A**. ‘Anti-inflammatory effect of methanolic extract of Jeevaneeya Rasayana in adjuvant induced arthritis’. Kerala Science congress, 30th January 2012, Kottayam.
31. Saja k, P.T. Boban, and **P.R. Sudhakaran**. Anti inflammatory effect of Boswellic acid involves down regulation of MMP-9 in peripheral blood mononuclear cells. 81ST Annual meeting of society of Biological Chemists, (INDIA).and symposium on Chemistry and Biology: Two weapons against Diseases, Nov 8-12, 2012 at Science city Auditorium, Kolkata, India.

List of Conferences/Seminars attended by the Faculty members**Dr. Annie Abraham**

1. Delivered an invited lecture on “Nanobiology” for the participation of refresher course in life science at Academic Staff College, University of Kerala, Kariavattom. July, 2012.

Dr. T. Rajamohan

1. Delivered an invited lecture on “Health Benefits of coconut and it’s products”. Global Ayurveda Festival, Trivandrum. 10th February 2012.
2. Delivered an invited lecture on “Cardioprotective properties of tender coconut water”. Seminar organized by NSS College Pandalam. 16th February 2012.
3. Delivered an invited lecture on “Coconut oil”. Academic Staff College. University of Kerala. Kariavattom. 12th July 2012.

Dr. M. Indira

1. Presented a paper in the UGC sponsored state level seminar on “New risk factors of coronary artery disease” held at Department of Biochemistry, N.S.S College, Pandalam, Kerala on February 2012.
2. Presented a paper in the National conference on molecular and cellular mechanisms of diseases: organised by Department of Biochemistry and Biotechnology, Annamalai University, Tamilnadu during April 2012.
3. Chaired a scientific session at “National Conference and 30th Annual Symposium for Reproductive biology and Endocrinology (SRBCE) on Novel Aspects and Emerging Trends in Reproduction and Endocrinology” during January 30th to February 1, 2012 at organised by the Department of Zoology, Mohanlal Sukhadia University, Udaipur, Rajasthan.
4. Chaired a scientific section at National conference on molecular and cellular mechanisms of diseases: organised by Department of Biochemistry and Biotechnology, Annamalai University, Tamilnadu during April 2012.

Dr. S. Mini

1. Delivered an invited lecture on Diabetic dyslipidemia & Cardiovascular diseases, **S Mini**, State level seminar on **New risk factors of coronary artery diseases**, NSS College, Pandalam, February 16-17, 2012

Dr. A. Helen

1. Refresher course in Life science. UGC, Academic Staff College, University of Kerala. From 01 - 22 October 2012

Other activities**Seminars/workshop organized**

1. Conducted a Workshop cum Seminar on “Cell Culture Techniques” on March, 2012.

Honours and Awards

2. **Dr. Annie Abraham. Nanobiotechnology (DBT)** Project entitled ‘Bioconjugation of nanomaterials and their applications in cancer therapy’ DBT No. BT/PR9904/NNT/28/63/2007 has rated as ‘**Very Good**’ and stands one among the seven selected projects all over the country. It has recommended by the high power committee of DBT, Ministry of Science and Technology, Govt. of India for further translational research.
3. **Dr. G. Muraleedhara Kurup. Marine biotechnology (DBT)** Project entitled “Value added polymers from shrimp waste” funded by DBT, Ministry of Science & technology/RR 11541/AAQ/03/432/2008. (Rs. 30.74 Lakhs). The progress report was evaluated as ‘**Very Good**’ and sanctioned for extension with a budget allocation of 10,42,786.00.

Workshops/Conference/Seminar/Symposium/Meetings attended

1. Conducted a workshop for College teachers for syllabus revision on 7th Jan 2012 at Department of Botany, University of Kerala.

2. Attended the selection committee meeting for the selection of JRF at Department of Geology on 27th Feb 2012.
3. Attended the selection committee meeting for the selection of SRF, PDF under PUSUE grant scheme at Center for Geo information Science & Technology on 13th March 2012.
4. Attended selection committee meeting at RGCB for the selection of SRF on 19th March 2012.
5. Attended as subject expert in the selection committee meeting at NSS headquarters, Changanachery for selection of Asst. Professor in Botany 24th March 2012.
6. Delivered felicitation during the workshop on Emerging Statistical tools in life sciences organized by department of Aquatic Biology & Fisheries on 11 April 2012.
7. Presented PG Diploma Program on Biodiversity management at UGC office as part of Innovative programme on 3rd May 2012.
8. Attended Higher Education Council Meeting "Illumina 2012" on 4-5th June 2012.
9. Attended selection committee meeting at University of Kerala for the selection of Asst. Professor in Zoology 8th June 2012
10. Attended as subject expert in the selection committee meeting at Devasom Board headquarters, Trivandrum for selection of Asst. Professor in Botany 3rd July 2012.
11. Coordinated the Refresher course in Life Sciences at Academic Staff College, University of Kerala from 5th -26th July 2012.
12. Attended as subject expert in the selection committee meeting at PSC headquarters, Trivandrum for selection of Vocational School Teachers in Botany on 26th July 2012.
13. Attended the Book Committee meeting at University Library for Selection of Books in life sciences on 6th August 2012
14. Chaired a session on General Presentations during the 8th Kerala Environment Congress at RGCB, Trivandrum 16th Aug 2012
15. Attended as subject expert in the selection committee meeting at SN Trust headquarters, at Cherthala for the selection of Asst. Professor in Botany 31 7th Aug 2012 ..
16. Attended as subject expert in the selection committee meeting at PSC headquarters, Trivandrum for selection of Vocational School Teachers in Botany on 7th Sept. 2012
17. Attended the selection committee meeting for the selection of SRF, PDF under PUSUE grant scheme at Center for Geo information Science & Technology on 10th Dec 2012.
18. Attended selection committee meeting at Department of Biochemistry for the selection of JRF on 19th Dec 2012

Invited lectures presented in International/national seminars

1. Nair A. S (2012) "Applications of Molecular Cytogenetics" at UGC Sponsored National Symposium at Pyannur College, Pyannur, Kerala or. 5th Jan 2012.
2. Nair A. S. (2012) "Impact of biotechnology on biodiversity conservation" International Symposium on Biodiversity and Conservation, March 2-4th 2012 SV University, Tirupati, India
3. Nair A. S. (2012) "Scientific writing", University College, Trivandrum on 27th March 2012.
4. Nair A. S. (2012) "Better Graduates for Better Tomorrow" by Pearson Education Group at Trivandrum on 7th September 2012
5. Nair A. S. (2012) "Cell Suspension Culture and secondary Metabolites" at Winter school at Maduarai Kamaraj University 11 Oct 2012

Dr. A. Gangaprasad, Assistant Professor**Academic & Research activities:**

In vitro phytochemical and molecular studies in *Rauvolfia hookeri* Srinivas and Chithra; a rare and endemic medicinal plant of southern Western Ghats' were carried out. In vitro regeneration protocol was standardized.

In vitro regeneration protocol was standardized for *Morinda reticulata* Gamble (Rubiaceae) an endemic and endangered medicinal plant of Western Ghats

Floristic diversity analysis of a scared grove Ellathu kavu, Cherthala, Alappuzha district was carried out

Accompany the M.Sc 2 semester students to a study tour programme to College of Agriculture, Agriculture University, Vellayani on 2nd August 2012.

Edited a workshop manual on 'Micro RNA Technology' in connection with the Workshop on Micro RNA technology organized by the State Inter University Centre for Genomics and Gene Technology, University of Kerala, Kariyavattom during 26-30th November 2012.

Participated in the UGC Sponsored Refresher Programme (Environmental Sciences) from 01-02-2012 to 22-02-2012 organized by Academic Staff College, University of Kerala, Kariyavattom and obtained Grade A.

Final Technical Report submitted to the funding agency

Final technical report of the Kerala State Council for Science and Technology and Environment sponsored project entitled 'Micropropagation of selected rare and exquisite orchids of Agasthyamala, a biodiversity hot spot in the Western Ghats' and Kerala State economic affair Department (Western Ghats Cell) sponsored project entitled 'Conservation through micropropagation of selected rare and endangered *Rauvoljia* spp. of Western Ghats' were prepared and submitted to the funding agencies.

Ph.D. awarded under my guidance during the period

'The phylogenetic analysis of family 19 chitinase producing Actinobacteria from the selected sacred groves of Kerala and evaluation of their antifungal properties'. By Ranju Krishna V. (Biotechnology)

Ph.D. thesis submitted to the University of Kerala under my guidance

'Characterization, conservation and phytopharmacological evaluation in *Geophila repens* L. By Sumitha V.R. (Botany)

Ph. D synopsis submitted to the University of Kerala

'Prevalence of multiple drug resistant *Pseudomonas aeruginosa* (MDRPA) in clinical samples and efficacy of selected phytoingredients used in Ayurvedic formulations against MDRPA'. By Jayachandran V.P. (Part time Research scholar in Biotechnology).

One M.Phil dissertation guided**Two M. Sc dissertations guided during the period**

Floristic diversity of Ellathukavu, Alappuzha district, Kerala State submitted by Renjini Rajan

Tissue culture studies in *Morinda reticulata* Gamble, an endemic, endangered species of Western Ghats submitted by Renji R. Nair

Currently four M.Sc students working under my guidance for their M Sc dissertation

Member in academic bodies:

Member, Board of Studies in Microbiology (Pass), University of Kerala

Nominated as Member, Board of Studies in Biotechnology (PG) University of Kerala. Nominated as Convener, Technical Committee, Centre for Genomics and Gene technology, Department of Biotechnology, University of Kerala, Kariyavattom constituted by University of Kerala

Nominated as member, an expert committee constituted by the Director, Museum and Zoo, Govt. Kerala, Thiruvananthapuram for identifying, conserving and replacing the rare trees of Museum and Zoo campus, Thiruvananthapuram.

Adjudicator of Ph.D. & M.Phil / selection board member/ curriculum design/ restructuring/ Syllabus revision

External examiner to conduct M.Sc second semester practical examination and theory paper valuation of Department of Botany, Calicut University 8-8-2012 to 9-8-2012 External expert for the selection of Research Fellows in various research project in Centre for Earth Science studies, Thiruvananthapuram and Tropical Botanic Garden and Research Institute, Palode, Thiruvananthapuram

Selection board member for selection of Research Associates in the Centre for Genomics and Gene technology, Department of Biotechnology, University of Kerala, Kariyavattom constituted by University of Kerala

Class coordinator M.Sc Genetics and Plant Breeding 2010-2012 batch Executive member, Kerala University Botany Alumni Association (KUBAA)

Field exploration trips under taken

Plant collection trips were conducted to different forest areas Viz, Amboori, Ponnudi, Cherthala, Thenjipalam and collected medicinal plants for various research purpose.

Organizing committee member of seminars/symposia/workshop

Organizing committee member, 'Inculcate 2012 (Science propagation programme Govt of Kerala) Four day residential training programme organized by University Kerala during January 2012.

Organizing committee member, 'Inspire 2012' organized by University Kerala during 226, May 2012.

Organized a Workshop on 'Micro RNA Technology' during 26-30th November 2012 at State Inter University centre for Genomics and Gene Technology, University of Kerala, Kariyavattom

Attended as resource person (Project evaluator) of the Refresher course in Life science conducted by the Academic Staff College, University of Kerala, Kariyavattom.

Participation in symposia/seminars/workshops

Attended and presented a paper in the first National Biodiversity Congress -India held during 27-30 December 2012 at Kanakakunnu Palace, Thiruvananthapuram.

Attended and presented a paper in the third International :Seminar on 'Sustainable utilization of tropical plant biomass through biotechnology' organized by the Department of Biotechnology and Research, K.V.M. College of Engineering & IT, Cherthala during 13th -15th December 2012. .

Invited lectures in academic for a

Delivered an invited lecture in the two day national seminar on 'Advances in Biological Science' organized by the Department of Botany, Govt. College, Kasargod on the topic 'Western Ghats orchids and their conservation'

Seminars/Conferences/Workshops/Quiz Competitions

Department of Chemistry Organizes the following Seminars/Conferences/ Workshops /Quiz Competition during 2012

1. National seminar on “**Recent Trends in Chemistry**” “-2012)’ held on 29 th March 2012. [Organized by the Staff and Students]
2. National Seminar on “**Frontiers in Chemistry (NSFC-2012)** held on 25-27 April, 2012 [Convener: Dr. T. S. Anirudhan]
3. National seminar on ‘**New Frontiers in Synthetic Chemistry and Nanomaterials (NFSCN-2012)**’ on 31 st May 2012. [Organized by the Staff and Students]
4. National level Quiz Competition for Science and Engineering Graduate students on “**Hydrogen Energy and Other Renewable Energy Resources**” **RASATHANTHRA 2012:**, conducted on 07 th July 2012. [Convener: Dr S.M.A. Shibli]
5. National Seminar on “**Recent Trends in Chemical Sciences: Frontiers and Challenges**” held on 25-26 August 2011 [Convener: Dr. T. S. Anirudhan]
6. Work shop on “**Student Projects for B.Sc. Chemistry (Core)**” Department on 7 th September 2012 [Convener: Dr. T. S. Anirudhan]
7. National level Workshop on “**Young Researchers on Characterization of Advanced Materials**” **HEAM CAM 2012**, held on **11-12 October 2012**. [Convener: Dr Sony George]
8. National Meet of Young Scientists of Hydrogen Energy and Advanced Materials, **HEAM SCIENTIST 2012:** held on **13-14 December 2012** [Convener: Dr C.V.Suneesh].

Research Areas:

Chemical thermodynamics. Kinetics and catalysis. Polysaccharide based super absorbents for biomedical and related applications. Reactive and functional copolymers for sensor applications.

Polymer/clay nanocomposites for separation and analytical applications, Adsorption processes in industrial wastewater treatment. Mass transfer process in river, ocean/sea and estuarine ecosystems. Renewable energy sources. Corrosion management. Nanomaterial coatings. Biosensors. Nanocatalysts. Photochemistry. Organic synthesis. Bifunctional nanoparticles. Computational chemistry, Advanced nanomaterials for sensing and catalytic applications.

Externally Funded Research Projects:

1. UGC Project entitled Synthesis and Characterization of Reactive Graft copolymers of Densified Cellulose with functional Ligands as Supports in Enzyme Immobilization and metal Ions Uptake [37-425/2009 SR] PI Dr T S Anirudhan, Dept of Chemistry, University of Kerala.

Recognition/Nominations**Dr T S Anirudhan**

1. Served as a Coordinator of the Equal Opportunity Cells (UGC).
2. Served as a Chairman of the Technical Committee on Chemical Composition of Toddy, Taxes and Excise Department, Govt. of Kerala.
3. Served as a Vice-Chairman of the Credit and Semester System, University of Kerala.
4. Served as a senate member of CUSAT.
5. Serves a member of academic council of Kerala University and CUSAT.
6. Served as a Subject Expert in several selection committees.
7. Served as a Resource Person for delivering Lectures in several national workshops, national seminars and refresher courses.
8. Served as a Convener for organizing two national seminars and one workshop
9. Served as an active member of Advisory Committee on Academic Staff College, University of Kerala.
10. Served as Coordinator of a National Workshop organized by Academic Staff College, University of Kerala.
11. Served as a potential reviewer of several international journals and reviewed over 25 papers.
12. Attended several national seminars, conferences and workshops including the national work shop organized by the NUEPA, New Delhi, and UGC, New Delhi at NUEPA Campus, New Delhi during 17-21 December 2012.

Dr. S.M.A. Shibli

1. Served as a Convener for organizing a National level Quiz Competition on “Hydrogen Energy and Other Renewable Energy Resources.
2. Served as the President of ‘Indian Association for Hydrogen Energy and Advanced Materials’.

Dr. Sony George

1. Served as a Convener for organizing National level Workshop on “Characterization of Advanced Materials”.
2. Served as an external examiner at Kannur University for conducting M.Sc Examinations.
3. Served as a Resource Person for delivering Lecture in a DTE sponsored short term training program on ‘Recent Trends in Nanotechnology’ at Department of Mechanical Engineering, College of Engineering, Trivandrum.

Extracurricular activities

Dr. V. Prasannakumar

Conducted the DST sponsored INSPIRE programme for school students in May 2012

Dr. S. N. Kumar

1. Gave two radio talks through All India Radio, Trivandrum on the topics-
 - a) Mineral deposits of Kerala
 - b) Clay deposits of Kerala
2. Actively associated with the INSPIRE, 2011 exhibition organized by the Dept. Of Education, Govt. of Kerala in February, 2012
3. Gave three lectures on “Career and Courses in Science, especially Geoscience, after Higher Secondary Education”.

Dr. A. P. Pradeepkumar

1. Delivered key note address: Geospatial technologies in disaster mitigation and faster achievement of the goals at the 5th International Summer School and Conference: Applied Geoinformatics for Society and Environment Johor, Malaysia, 16 – 20 July 2012.

2. Chaired two sessions (a. Session 1: Disaster and Risk Management 11:30 – 13:00 on 16 July 2012 and b. Session 12 09:45 – 11:00) at the 5th International Summer School and Conference: Applied Geoinformatics for Society and Environment Johor, Malaysia, 16 – 20 July 2012
3. Chaired a session at the LAKE2012: National conference on conservation and management of wetland ecosystems, MG University, Kottayam Nov 6 – 9, 2012.
4. Visited Universiti Teknologi Malaysia, Johor Bahru, Malaysia (16 – 20 July 2012).
5. Attended the editorial board meeting at INSA New Delhi 30, 31 Jan 2012.
6. Attended the workshop to frame the MSc Geology (CSS) syllabus of MG University 7-9 Feb 2012.

Dr. R. B. Binojkumar

1. Acted as a member of the sub-committee of INSPIRE summer camp, conducted by University of Kerala, sponsored by the Department of Science and Technology (DST).

Dr. E. Shaji

1. Gave two radio talks in all India radio Trivandrum
 - a) About Geopark
 - b) Quarries and waste disposal potentials.
2. Organized national science day in the Dept of Geology for school students sponsored by KSCSTE with focal theme clean energy options and nuclear safety on 27-2-2012
3. Completed a KSCSTE sponsored project on “Source characterization of fluoride contamination in groundwater resources of Chittur block, Palghat district” and final report submitted to the funding agency

Dr. Sajin Kumar K. S

1. As a resource person imparted awareness to the school students of Pullurampara, Kozhikode district and Youth Task Force of Kavanoor village, Malappuram district regarding Natural Hazards.

Journal Papers Published In 2012**Dr. V. Prasannakumar**

A very brief report of the participation of teachers in conference/seminars etc.**Dr. V. Prasannakumar**

1. Participated in the UNESCO International Geological Correlation Programme (IGCP 580) on Applications of Magnetic Susceptibility on Palaeozoic rocks at Graz, Austria in June-July 2012 and gave a key note address.
2. Visited the Department of Civil and Geodetic Engineering, Technical University, Munich, and gave a talk on “Reactivated shearing and South Indian Crustal Evolution”.
3. Participated in five days field work in Carnic Alps, Italy and Austria, as a part of the UNESCO-IUGS sponsored IGCP programme on Applications of Magnetic Susceptibility of Palaeozoic rocks.

Dr. S. Anirudhan

1. Attended National seminar on Recent advances and Challenges in Geochemistry and Geophysics: the Indian Scenario, Feb 22-24, presented a paper on “Major and Rare earth element distribution of Garnets in detritus and source rocks of stream sediment and beach sands of parts of Kerala and Tamilnadu- implication of climate on maturity- BHU Varanasi
2. Attended National seminar at Andhra University, Visakhapatnam and presented a paper on Evolution of South Kerala Sedimentary basins, National seminar on Petro Fest 2012- held on 27-29 Dec 2012.

3. Participated in the International Seminar on DISATER Management organized by ILDM, Govt. of Kerala at Trivandrum on 9.3.2012 and 10.3.2012.
4. Attended the Free Software Workshop held in the Dept. of Geology, University of Kerala, Kariavattom on 11.4.2012.
5. Participated in the National seminar “Higher Education 2.0 – Illumine the Future” organized by the Kerala State Higher Education Council at Trivandrum on 4th and 5th June 2012.
6. Attended the State Geological Programming Board Meeting organized by the State Mining and Geology Department on 1.8.2012 in Trivandrum.
7. In the Invited Lecture Series organized by Govt. Ayurveda College, Trivandrum gave four lectures in Basic Mineralogy and Tools in Mineral Identification to the P.G students.

Dr. K. N. KrishnaKumar

1. Participated in the national seminar on “Recent advances and future challenges in Geochemistry and Geophysics: the Indian scenario” held at the department of geology, Banaras Hindu University, Varanasi and presented a paper entitled “Geochemistry of rainwater in and around Cochin – an industrial belt of Kerala” from February, 22-24, 2012.
2. Participated in the “International workshop on Disaster risk reduction and contingency planning (Surakshaayanam 2012) jointly organized by Department of Revenue and Disaster Management, Government of Kerala, Kerala state Disaster management authority and Institute of Land disaster Management during 9th to 10th March 2012 at Thiruvananthapuram.
3. Participated the seminar in connection with the National Science Day 2012 on 27th February 2012 with the focal theme: “Clean energy options for Kerala and nuclear safety” organized by the Department of Geology, University of Kerala and sponsored by ‘Kerala State Council for Science, Technology and Environment’ with the support of DST, Government of India.

4. Participated in the workshop on “Free software for better Geospatial Intelligence” sponsored by the Kerala State Council for Science, Technology and Environment Thiruvananthapuram on 11th April 2012.
5. Participated and present a paper titled “Impact of Wetland reclamation on local Ground water levels in and around Kottayam, Kerala, in LAKE 2012: the national conference on “Conservation and management of wetland ecosystems organized by the school of Environmental sciences, Mahatma Gandhi University, Kottayam in association with Indian Institute of Science, Bangalore.
6. Participated and present a research paper in the national seminar on “Sediments and Sedimentary Rocks: Resource potential, Depositional Processes, Implications to Ecosystem and Environmental Changes” on December, 20th-22nd 2012 at Department of Earth sciences Pondicherry University, Pondicherry.
7. Attended the UGC sponsored short term course in Disaster management conducted by the Academic staff College, University of Kerala, Karyavattom from 14/02/12 to 18/02/12.

Dr. A. P. Pradeep Kumar

1. Brilliant Rajan, Vincy M. V, and **Pradeepkumar A. P. 2012** Faunal diversity status of a coastal tourism destination in Kerala, south India. First National Biodiversity Congress 27 – 30 Dec 2012, Kerala State Biodiversity Board, Trivandrum
2. Brilliant Rajan, Vincy M. V, Joby Paul and **Pradeepkumar A. P. 2012** Floristic diversity and associated fauna in a high altitude tourism destination of Western Ghats, Kerala, S India. Second Indian Biodiversity Congress (IBC 2012) 9-11 December 2012 held at J. N. Auditorium, Indian Institute of Science, Bangalore
3. 5th International Summer School and Conference: Applied Geoinformatics for Society and Environment Johor, Malaysia, 16 – 20 July 2012, UTM Johor Bahru, Malaysia
4. LAKE2012: National conference on conservation and management of wetland ecosystems, MG University, Kottayam Nov 6 – 9, 2012.
5. International Workshop on Disaster Risk Reduction and Contingency Planning (Surakshaayanam 2012), 9 – 10 March 2012, Govt of Kerala, Trivandrum
6. One-day European Union 7th Research Framework Seminar, 17 Sept 2012, Taj Vivanta , Trivandrum
7. Four-day Industry Academia Workshop on Technology Imperatives for Exploration and Production of Oil and Gas, ONGC, Rajahmundry 26—29 March 2012
8. Networking implications for students, alumni and young researchers by Ille C Gebeshuber and Oliver Futterknecht 16 – 20 July 2012, UTM Johor Bahru, Malaysia
9. Fuzzy Logic analysis using Map Windows by Bhaskar Pulsani 16 – 20 July 2012, UTM Johor Bahru, Malaysia

Dr. R. Binoj Kumar

1. Attended a workshop with the focal theme “ Clean energy options for Kerala and Nuclear safety held as part of National Science Day 2012, held at Trivandrum on 27-02-2012 organised by the department of Geology, University of Kerala.

Dr. E. Shaji

1. Participated and presented a paper in the 24th Kerala science congress held on 29- 31 Jan 2012 at Kottayam, Paper Title: Industrial groundwater pollution at Chavara; A case study.
2. Attended as resource person one day workshop on Environment orientation to school education (EOSE) – workshop for development of strategies for implementation; on 21 Feb 2012 organized by NCERT at Mysore.
3. Participated in one day workshop on free software for better geospatial intelligence on 11-4-2012 in the Dept of Geology, University of Kerala.

Other noteworthy events**Dr. S. N. Kumar**

1. Actively assisted the Pro-Vice Chancellor, University of Kerala, in the Centralized Allotment of students for P.G and U.G Programmes in affiliated colleges of the University.
2. Is a member of the steering Committee of IQAC for NAAC in the University.

Dr. K. N. Krishna Kumar

1. Engaged invited lectures in the department of Environmental sciences to M.Sc Disaster management students.

Dr. A. P. Pradeep Kumar

1. 100 years of Continental drift (in Malayalam), Malayala Manorama Year Book 2012.
2. International Workshop on Free Software for Better Geospatial Intelligence, 11 April 2012, sponsored by Kerala State Council for Science Technology and Environment (Workshops lead by Dr Franz-Josef Behr, Stuttgart University,, Germany and Sajid Pareeth, IWMI, Colombo, Sri Lanka).
3. Refresher course on Disaster Management at the Academic Staff College, University of Kerala (14-18 Dec 2012)
4. Reviewer for journals
 - a. Proc of the INSA
 - b. International Journal of Geographical Information Science
 - c. Niugini Agrisaiens
 - d. Journal of Geological Society of India
 - e. Socialist Studies: Journal of the Society of Socialist Studies, Canada

Dr. E. Shaji

1. A joint field work has been carried out in Madagascar by a team comprising of Dr. E. Shaji, Department of Geology, University of Kerala, Kariavattom, Trivandrum, India; Prof. T. Tsunogae and T. Endo, Graduate School of Life and Environmental Sciences, University of Tsukuba, Japan; Dr. N.O.T. Rakotonandrasana, Graduate School of Environment and Information Science, Yokohama National University, Japan and Prof. R.A. Rabeloson, Universited' Antananarivo, Antananarivo, Madagascar, during August 2012.

Dr. Sajin Kumar K. S₂

1. Reviewer for the springer journal 'Natural Hazards'

1. Resource person for various Refresher courses conducted by many institutions including Academic Staff College, University of Kerala.
2. Course Co-ordinator, XXII Refresher Course in Mathematics, UGC-Academic Staff College, University of Kerala (OS.09.2012-26.09.2012)
No. of Ph.Ds produced - 2
Attended 3 National seminars

Dr. A. R. Rajan (Professor & Director, School of Physical & Mathematical Sciences)

1. Organized National Seminar on "Algebra, Analysis and Discrete Mathematics" as Convener of the programme during February 2012.
2. Organized University level programmes on celebrations of National Mathematical Year 2012. Worked as Chairman of the Organising Committee of the programme. Organised a Quiz Competition for Degree and PG students of Mathematics in all affiliated colleges of Kerala University offering Degree/PG Mathematics programmes. Organised a Project Competition for students. Conducted a two-day National Seminar on "Number Theory and Ramanujan's contributions "as part of the National Mathematical Year celebrations.
3. Organised the Inculcate programme of the State Science and Technology Museum as a three day residential programme for school children.

4. Participated in the "National Seminar on Algebra and Discrete Mathematics" at Women's College, Thiruvananthapuram and gave a talk on Group Theory.
5. Participated in the Workshop on 'Talent Enrichment in Mathematics', organized by SCERT and gave a talk.
6. Participated in the National Seminar organized by S P Mahila University, Tirupathy and gave an invited talk on 'Structure Theory of Semigroups'.
7. Participated in the National Seminar organized by University College, Thiruvananthapuram and gave a talk on computation in groups.
8. Worked as faculty advisor to Full bright scholar Dr. Terri Elliot Thomas and gave special lectures on group theory.
9. Participated in the refresher course for teacher at Calicut University and gave a series of talks on generalized inverses in Semigroups and matrices.
10. Worked as Academic secretary of the National Seminar on Algebra and Applications organized by Govt. College, Kattappana and gave a talk on Groupoids and Semigroups.
11. Participated in the National Seminar on Algebra and Number Theory organized by CUSAT and gave a talk on Normal category of inverse semigroups.

Publications

1. Published the proceedings of the National Seminar on Algebra, Analysis and Discrete Mathematics with Dr. C. Jayasri and Dr. I. John as co-ordinators.
2. Paper titled Normal category of complimented subspaces of a vector space, in the proceedings 2012.
3. Linked automata as components of a bio automata (Jointly with Johnsy. S. Prasad), Bulletin of Allahabad Mathematics Society 2012
4. Translational hull of group matrix semigroups (Jointly with Johnsy.S. Prasad). Bulletin of Kerala Mathematics Association 2012.

Other Positions held

1. Vice-Chairman, CSS Academic Committee till September 2012
2. Director school of Physical and Mathematical Science from September 2012
3. Editor Asian European Journal of Mathematics, World Scientific
4. Member Board of studies, Calicut University.
5. Member faculty of science CUSAT

Dr. C. Jayasri (Associate Professor

Publications

1. A study on Heisenberg Group - Dr. C. Jayasri and A. Noufal
2. Proceedings of the International Conference on Groupoids, Semigroups and Automata (University of Kerala, TVPM) January 2012, pp 131-136

Positions held

1. Chairperson, Board of studies in Mathematics (P.G) of the Kerala University from 2011 April onwards.
2. External member, Board. of Studies (P.G) in Mathematics of Pondichery University and M.G. University.

Activities

In connection with the National Mathematical year an invited talk was given on Vedic Mathematics to the students of Kendriya Vidyalaya, Pangode.

Participated actively in the various activities organized by the department in connection with National Mathematical year

Attended two National Seminars.

Dr. L. John, Associate Professor

Thalmi B, Assistant Professor

National Seminar-"Higher Education 2.0-Illuminate the future "organized by KSHEC on June 4-5, 2012 at Thiruvananthapuram.

NTM workshop on reviewing existing translation of 'Principles of Mathematical Analysis' in Malayalam on 22nd and 23rd November 2012 at NTM, Mysore.

Treasurer for the two seminars organized by the department in 2012 namely National Seminar on Algebra, Analysis and Discrete Mathematics and National Seminar on Number Theory and Rumanian's contributions.

Manju V. N, Assistant Professor

Attended the National Seminar on "Number Theory and Ramanujan's contributions' held on 13-14 December 2012, conducted by the Department of Mathematics, University of Kerala.

Extra Curricular Activities of the Department

This year Professor John Meakin, University of Nebraska, USA made a one week visit to our department and gave a series of lectures.

As a part of the National Mathematical Year celebrations, the Department organized several kinds of activities. A Quiz competition for college students was conducted at FMN College, Kollam. A project presentation competition for college students was conducted at . S. D college, Alappuzha. Finally, for the conclusion part of the celebration, a two-day National Seminar was held in the Department.

The Department also arranged a Fullbright teacher exchange programme in which Dr. Terri Thomas Elliot, USA, spent 3 months in the department.

Research activities

Development of advanced solid-state NLO materials, comprising organic/ inorganic PVA based nanocomposites which can afford several diverse applications ranging from optical power limiting to organic light emitting diodes (OLED's) and display technologies.

Topics of Research Interest:

Nanophotonics, NLO properties of organic materials, Development of multifunctional polymernanocomposites

Ph.D. guidance:

Thesis submitted – 4 (one is awaiting award of the degree)

1. Poly(vinyl alcohol) nanocomposites with organic dyes as efficient nonlinear optical materials: structure and properties (P. G. Louie Frobel, February 2012)
2. Nonlinear optical properties of organic materials suitable for certain optoelectronic systems – PrasannaKumari S. S (June 2012)
3. Determination of Nonlinear optical properties of certain organic materials using Z-scan method – Maya Devi. S (August-2012)
4. Organic Dye-PVA Nanocomposites for Photonic Applications: Structure, Morphology, Linear and Nonlinear Optical Properties – Sreeja S. (September 2012)

7. Effect of annealing and gamma irradiation on the structure and optical transitions of nanocrystalline nickel oxide, K.. Maniammal, Vipin C. Bose, G Madhu, L.R. Asitha V. Biju 6th international symposium on macro and supra molecular architectures and materials November 21-25, 2012, Coimbatore

Invited Talks in Seminars/Conferences/Refresher Courses

1. Delivered two invited talks entitled, "Nanoscience and Nanotechnology" and "Quantum Mechanics for Nanoscience", at the Orientation Program for Faculty organized by College of Engineering, Trivandrum during January 2012.
2. Delivered an invited talk entitled, "Nanoelectronics" in the Orientation Program for Faculty organized by Government College of Engineering, Barton Hill, Trivandrum during November 2012.

Organization of Seminars/Conferences/Academic Programs, etc.

1. Performed duties as a member of the Organizing Committee of INSPIRE program (Residential Training Programme) organized by the University of Kerala during May 2012.

Other Academic Positions held

Member Academic Council, University of Kerala

Extension Activities

1. Performed as a Resource person for the two summer school programs organized by the KSCSTE and Priyadarshini Planetarium during March and April 2012.
2. Performed as a Resource person in the Science Day Lecture organized by the University College Physics Society during February 2012.
3. Performed duties as a Resource person in the Inspire Program.

Participation of teachers in Conference / Seminars etc. :**Smt. G. Lesitha**

1. Attended and delivered talk on “Estimation of a scale parameter of a Rayleigh distribution using ranked set sampling” (Co-author: Thomas, P.Y.) in the three day National Conference on “Statistics for Twenty-first Century-2012” organized by the Department of Statistics, University of Kerala during 10-12 December 2012.
2. Attended the International Conference on “Frontiers of Statistics and Its Applications” at the Department of Statistics, Pondicherry University, Puducherry during 21-23 December 2012 and presented a paper entitled “Estimation of a scale parameter of a generalized exponential distribution using ranked set sampling” (Co-author: Thomas, P.Y.).

Dr. C. Satheesh Kumar

1. Delivered a Invited talk on “Recent trends in Statistics” as a Chief Guest while inaugurating the Mathematics Association of the HHMSPB N.S.S. College for Women, Trivandrum on 23 January 2012.
2. The following joint papers were presented in the National Seminar on “Recent Trends in Statistics and Related Areas” held at University of Calicut during 15-17 March, 2012: (i) On intervened generalized Hermite distribution and its properties (Co-author: Shibu, D.S.), (ii) An alternative version of hyper-Poisson distribution and its bivariate version (Co-author: Nair, B.U.), (iii) A new class of two-piece skew normal distribution (Co-author: Anusree, M.R.), (iv) On an extended intervened geometric distribution and its applications (Co-author: Kumari, S.S.) and (v) On bivariate zero inflated logarithmic series distribution (Co-author: Riyaz, A.).
3. Attended and delivered an invited talk on “On some classes of skew normal distributions” (Co-author: Anusree, M.R.) in the three day National Conference on “Statistics for Twenty-first Century-2012” organized by the Department of Statistics, University of Kerala during 10-12 December 2012 and also presented the following joint papers in the Conference. (i) “On finite mixtures of intervened Hermite distribution” (Co-author: Shibu, D.S.) (ii) “On alfa-generalized hyper-Poisson distribution and its generalization” (Co-author: Nair, B. U.). (iii) “On exponentiated log Weibull distribution” (Co-author: Dharmaja, S.H.S.) (iv) “On zero inflated logarithmic series distribution of order k” (Co-author: Riyaz, A.) (v) “On an extended version of intervened geometric distribution” (Co-author: Kumari, S.S.).
4. Attended the International Conference on “Frontiers of Statistics and Its Applications” at the Department of Statistics, Pondicherry University, Puducherry during 21-23 December 2012 and presented a paper entitled “On generalized two-piece skew normal distribution” (Co-author: Anusree, M.R.) and also presented the following joint papers in the Conference. (i) “On some properties of Kies distribution” (Co-author: Dharmaja, S.H.S.) and (ii) “An extended version of alternative hyper-Poisson distribution” (Co-author: Nair, B. U.).

Dr. Manoj Chacko

1. Attended the National Seminar on “Recent Trends in Statistics and Related Areas” held at University of Calicut during 15-17 March, 2012 and presented a paper entitled “ k-record values from generalized exponential distribution and associated inference “.
2. Attended the National conference on “Statistics for 21st Century-2012” organized by the Department of Statistics, University of Kerala during December 10-12, 2012 and presented a paper entitled “Estimation of a parameter of bivariate Lomax distribution by ranked set sampling”
3. Attended the UGC Sponsored Refresher Course in Statistics and Research Methodology at the Academic Staff College, University of Kerala during 21-11-2012 to 11-12-2012.

Dr. E.I. Abdul Sathar

1. Attended the National conference on “Statistics for 21st Century-2012” organized by the Department of Statistics, University of Kerala during December 10-12, 2012 and presented a paper entitled “Bivariate dynamic information measures”.

2. Attended the UGC Sponsored Refresher Course in Statistics and Research Methodology at the Academic Staff College, University of Kerala during 21-11-2012 to 11-12-2012.

Other noteworthy events:

1. Online publication *VERTICAL NEWS* made a report entitled “**Recent Findings in Statistics Described by Researchers from University of Kerala**” about the advancement made in the area of statistics by the publication of the paper by Dr. C. Satheesh Kumar and M.R. Anusree of this Department, which appeared in the journal “Statistics and Probability Letters” (Published from USA) [Vol. 81, Page: 1813-1821, 2011].
2. Dr. E.I. Abdul Sathar won Professor R. N. Pillai Best Paper Award-2012 of the Alumni Association of the Department of Statistics University of Kerala (AADSUK) from among young Alumni Members of the Department of Statistics, University of Kerala.
3. Ms. Minimol, S., JRF of this department has won Professor Jacob Sundara Raja Best Paper Award-2012 of the Alumni Association of the Department of Statistics, University of Kerala (AADSUK) from among young registered research scholars of the Department of Statistics, University of Kerala.
4. Ms Anusree, M.R, JRF of this department won Professor R.N. Pillai Young Statistician Award-2012 of the Kerala Statistical Association for her paper “A New Family of Skew-normal Distribution” presented in the three day National Conference on “Recent Trends in Statistics and Related Areas” held during 15-17 March 2012 at the Department of Statistics, Calicut University.
5. Ms Resmi, P., Research Scholar of this department was selected for Indian Statistical Service.

Noteworthy events in 2012

Prof. M. C. Subhash Peter was continuing as one of the Associate Editors of General Comparative Endocrinology, an International Journal of Elsevier with impact factor 3.27.

Prof. M. C. Subhash Peter co-ordinated and organized the International Symposium on Comparative Endocrinology and Stress Physiology (CESP 2012) in the Department of Zoology in February 16-18, 2012.

Ms. Divya Tobias, one of the research students, was awarded for the best poster presentation in CESP 2012.

Ms. Rejitha V. was awarded doctoral degree of the University of Kerala in September 2012.

Ms. Nimta George, Ms. Lekshmy S., Ms. Vijayasree A.S., Ms. Jyothi Tilak and Ms. Bindu O. were submitted their doctoral theses to the University of Kerala.

Dr. G. Prasad, Associate Professor, Dept. of Zoology

Activities 2012

1. Participated and presented a paper LAKE 2012 –National Conference on Conservation and Management of Wetland Ecosystems held from November 6 -8 at the School of Environmental Science, Mahatma Gandhi Universities, Kottayam
2. Delivered a lecture on Biodiversity and Human Health at Sree Narayana College, Punalur in connection with the Zoology Association Celebrations on 17th January 2012
3. Delivered a an invited lecture on Conservation status of Endemic Freshwater Fishes of Kerala in the National Seminar on Faunal Biodiversity and Endemism of Southern Western Ghats held from 17-19 January 2012 at the NSS College, Pandalam.
4. Participated in the workshop on Taxonomic Problems in India organized by Conservation Research Group at Kochi on 26th January 2012.
5. Participated as member in Consultation workshop on Alliance for Zero Extinction sites for the Freshwater fishes of Kerala under AZE species held on 9th March 2012 at Thiruvananthapuram.
6. Delivered an invited lecture on Wildlife Conservation in Kerala in the Natiopnal Seminar on Recent Trends and Future Prospects of biodiversity and Conservation at Sree Narayana College, Punalur held from March 15-16 2012.
7. Participated in the workshop on Emerging Statistical Tools in Life Sciences conducted by the department of Aquatic Biology and Fisheries, University of Kerala from 11-13 April 2012.

Other noteworthy events

Number of Noteworthy Events were organized during academic year 2011-12 by the Department. Some of them are mentioned below.

Translation of Documents

The Department offers translation service from English to Arabic and vice versa considering the public interest. The documents that we do translate are : driving license, entry visa, birth certificate, bio-data, employment visa etc. of different Arab countries like Saudi Arabia, UAE, State of Kuwait, Sultanate of Oman, Qatar etc. The Department of Arabic is thus extending a grant support for the public by translating these documents.

International Seminar

International Seminar on "The Language, Philosophy and Teachings of Hadith" from 14th - 18th February 2012 at various venues in Thiruvananthapuram. This seminar was a major initiative of the Department of Arabic which was a great success and got it across global response in which deliberated on various dimensions. The University has sanctioned fund for the seminar. Eminent personalities and scholars from Middle East Countries and political leaders, social scientists, educationalists and researchers turned up for the same. Through this seminar the Department has obtained considerable attention from Arabic Scholars, grammarians, educational activists and others.

Seminar Proceedings

The following seminar proceedings have been successfully published last year

1. Language, Interpretation and Science of the Qur'an Vol I (Arabic)
2. Language, Interpretation and Science of the Qur'an Vol. II (English)
3. Language, Philosophy and Teachings of Hadith , Vol I (Arabic)

Workshop

Ten days workshop on 'Method of Effective Teaching of Arabic to Schools and Madrasa Teachers' held at the Department of Arabic, University of Kerala, Kariavattom from 14.05.12 to 23.05.12

Journal

After the official releasing of the Departments quarterly Research Journal "Majalla Kairala" two volumes of the same were successfully published by the Department. The third volume is to be published shortly promoting articles with a research perspective from various areas such as language, literature, art, gender issues, socio-political conditions etc incorporating contributions by national and international literary figures.

Career Guidance Cell

The Career Guidance Cell of the department is functioning for the last two years. As part of its activities, we are conducting UGC NET coaching, coaching for the different competitive PSC examinations, UPSC and other assistance required to perform in all career challenges. In addition to this ,the department is initiating several student recruitment programmes to multinational companies and established firms.

Spoken English Class

Spoken English classes are conducted by the department for all the students for developing their English language skills. Classes will be held on second and fourth Thursday of every month. Mr. Vishnu Mohan (Faculty, Adult Continuing Education and Extension, University of Kerala), is the honorable director of this venture. These classes are providing a new confidence to our students to meet the challenges. The visiting faculty of the programme are engaging classes on spoken & written English, Grammar, Special English Speaking Course and are conducting workshop on Communicative English etc. Prof. Bijili is also engaging interesting sessions for the same.

Lectures/Talks

The Department is arranging continuous lectures and talks on different topics like literature, social issues, religion, culture, languages etc in different languages like Arabic, English and Malayalam. Every month, at least one class will be arranged on this series. Special lecturers are conducted on different areas of Arabic Language and Literature, besides that on sociopolitical issues, personality development and others. Several lectures were conducted by eminent scholars last year. Lectures on Modern Arabic poetry were conducted by Sayeed Musliar. A Lecture on "Arabic Language in Contemporary Times" was delivered by Dr. Liyaquath Ali. Prof. S.M Noushad, former Head of the Department of Economics, TKM College of Arts and Science, Kollam has delivered a lecture on personality development. Prof. Bijili has engaged lectures on English grammar and translation.

Departmental Seminar

Internally the Department has organized several seminars during the year 2011 on topics mentioned inside and outside the curriculum. The MA and M.Phil students along with research scholars have presented papers in these seminars. All presentations made in the seminar were with the help of the Power Point. The departmental seminars are conducted twice in every month.

Award of Ph.D. Degree

The University awarded Ph.D. degree to the following scholars

Name of scholar	Name of guide
Sainudeen	Dr. Ubaid
Said Armadayan	Dr. Illyaskutty
Hilal M	Dr .Nizarudeen
Mood. Musthafa	Dr.Ubaid
Ashrafudeen	Dr.Nizarudeen
Muhammed Kunju	Dr. Illyaskutty

Extra curricular Activities

Several extracurricular activities were arranged by the Dept. for the development of the teaching ability, academic standard, social awareness, educational experiences etc among students. For these purposes, various initiatives have been taken by the Department such as PTA, Alumni, Debate club, Film Club etc.

Alumni

The Department which started functioning in 2001 is conducting the Alumni Association for last six years. The Alumni Association has extended its help with many noteworthy events such as Publication of Seminars, organizing presentations Library book collections and other different educational programmes.

Debate Club

The Department has at its credit a debate club. The club is arranging programmes with the discussion in contemporary issues and various literature elements. Once in every two weeks, Debate Club is arranging a session.

Secretary: Shabana. N (M.A, II year) • Film Club

Film Club

The film club named as "al-Manazir" is functioning in the Department for the last two years. The film club is not only screening Arabic, English and Malayalam movies but also movies from other languages. Along with these movies the club is screening documentaries, short films and informative programmes with the help of language lab functioning in the Department. The films Adaminte Makan Abu (Malayalam), Children of Heaven (Iranian), The Lion of the Desert (Lebanese) The Father (Iranian) , The Way Home (Chinese) were screened by the club, last year.

Secretary : Saheerul Afthab (M.A II year)

Arabic Club

The Arabic club functioning in the department for the last one year is actively encouraging and is remarkably boosting up the presentation skills of students. The club is organizing different programmes for developing the language skills of the students.

Farewell function

Farewell party given to Dr. A. Nizarudeen (Rtd. Professor & Head) and Dr. Ubaid. A (Rtd. Professor)

Department Council Meeting

Department council meetings are held every month reviewing the progress and developmental activities of the department, requirements anticipated to be achieved, developmental measures to be taken including academic and extra curricular activities etc.

Tour programme

The tour programme is arranged by the Department every year to different destinations.

Extra Curricular Activities:

Research Forum

The Research Forum in the Department was very active in the year 2012. Altogether 12 research papers were presented in the Research Forum.

Seminars & Workshops

1. Organized National seminars on "Speech Synthesis and Its Applications" in collaboration with LDC IL (Linguistic Data Consortium for Indian Languages), CIIL, Mysore from 9th to 11th July 2012
2. Organized National seminars on "Relevance of Malayalam in the field of Information Technology" jointly with Kerala State Council for Science, Technology and Environment, Thiruvananthapuram on 1st and 2nd November 2012.
3. Organized National workshop on "Impact of Tholkaapiyam on the Traditional Grammars of Malayalam" along with Central Institute of Classical Tamil from 10-12-2012 to 19-12-2012.
4. Conducted a naturopathic health care programme with a feast on 6-12-2012

Dr. Rose Mary. A**Papers Presented in the Conferences/ Seminars**

1. Presented a paper on "Kerala, Tamilnadu Tamil pada noolkaal- oppiittaavu" at the National Seminar on 'Evaluation of Higher Secondary Language Text Books' organized by the Department of Linguistics, Madurai Kamaraj University in collaboration with Centre for Testing and Evaluation, CIIL, Mysore.
2. Presented a paper on "Imperatives in Tamil and Malayalam" in the National Seminar held from 27th - 29th February 2012 organised by the School of Language Development at Potti Sreeramalu Telugu University in collaboration with Central Institute of Classical Tamil.
3. Presented a paper on "Morphosyntatic Study of Imperatives in Tamil" in the National Seminar on 'Morphosyntax of Dravidian Languages' held at the Centre of Advanced Study in Linguistics, Annamalai University held on 27th and 28th March - 2012 12.

Academic Programs Organised and Coordinated

1. Organized National seminars on "Speech Synthesis and Its Applications" in collaboration with LDC IL (Linguistic Data Consortium for Indian Languages), CIIL, Mysore from 9th to 11th July 2012
2. Organized National seminars on "Relevance of Malayalam in the field of Information Technology" jointly with Kerala State Council for Science, Technology and Environment, Thiruvananthapuram on 1st and 2nd November 2012.

8. K. Satheesh Kumar, Ito Calculus and Polymer Solutions, National Workshop cum conference on scientific computing, organized by IIITM-K on 11-14 January 2012 at IIITM-K, Technopark, Thiruvananthapuram
9. K. Satheesh Kumar, Modeling and Simulation, Workshop on Research Trends & Tools, Modelling and Writing Skills organized by the Department of Computer Applications, Saintgits College of Engineering, Kottayam, Kerala on 20 April 2012.
10. Mr. Sanal Kumar. S. P was a resource person in Academic Staff College, Kannur University for refresher course in Management, delivered a lecture on SPSS on 13/01/2012.
11. Mr. Sanal Kumar. S. P was an evaluator for paper presentation in the Yagna Dhruva - technical festival conducted by Lal Bahadur Sastri Institute and technology for Women.

Noteworthy events

1. Prof. Iztok Peterin and Dr. Simon Spacapan of University of Maribor, Slovenia visited the Department of Futures Studies as part of the bilateral Indo-Slovenian project on Metric Graph Theory and Graph Products sponsored by DST Govt of India and Ministry of Science, Education and Sports, - Govt. of Slovenia during February 6-18, 2012.
2. Department organized an International workshop on Graph Products: structure & Algorithms during February 7-8, 2012. Prof. Iztok Peterin and Dr. Simon Spacapan, University of Maribor, Slovenia Dr. Kannan Balakrishnan and Dr. G. Santhosh Kumar, from Cochin University of Science & Technology were the main resource persons. Fifty participants including a participant from Iran attended the workshop.
3. Department organized a lecture series on Technology Management during May 9-16, 2012 with eminent scientists as resource persons.

Organising Research Projects

1. A research project titled 'On h graphs and the remoteness function of h graphs' for two years (2010-2012) funded by National board for higher Mathematics (NBHM) and Department of Atomic Energy (DAE), Government of India. Principal Investigator: Dr. Manoj Changat
2. Indo-Slovenian joint research project titled 'Metric Graph theory and graph products' funded by Department of Science and Technology, Government of India and Ministry of Science, Technology, Education and Sports, Government of Slovenia for three years (2010-2013). Principal Investigator: Dr. Manoj Changat
3. Post Graduate Diploma in Knowledge Management (PGDKM) under the innovative programme of UGC for 5 years from 2011-2016. The first batch commenced from this academic year 2011-12.

Consultancy Projects

1. JBIC assisted Kerala water supply project-Cadastral Survey and Mapping of Thiruvananthapuram Corporation (ongoing)
2. "River Bank Mapping and Sand Auditing of Pamba River" for Revenue Department of Government of Kerala. Principal Investigator: Sanal Kumar. S. P.

Extra curricular activities

Conducted weekly seminars by the students and faculty of the department.

Organized tour by the students

A. very brief report of the participation of teachers in conferences/seminars etc.**Dr. A. Jayakumaran Nair**

1. Organized a National Work shop on Micro RNA Technology, in the Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala.
2. Chairman of the Examination Board of the centralised evaluation of Examination of M. Sc. Biotechnology of the affiliated colleges of Kerala University.
3. Examiner and chairman of Practical examination of Marthoma College of science and technology & Sree Narayana College of Science and Technology, Vadakkevila, Kollam for S2 and S4 M. Sc. Biotechnology.

4. Chairman of the Examination Board of the centralised evaluation of Examination of M. Sc. Bioinformatics S2 and S4 of the affiliated colleges of Kerala University.
5. Subject expert in the Assessment committee for promotion of Technical Assistants NIIST Thiruvananthapuram.
6. External Examiner, for Practical examinations of M G University, Kottayam.
7. Subject expert in the interview board for the selection of Research Associates and JRF in Biotechnology Division of National Institute of Inter Disciplinary science and Technology NIIST, CSIR), Thiruvananthapuram. October and December 2012.
8. External Examiner, SCMS, Ernakulam.

Papers Published / Presented

1. International Conference on Recent Advances and challenges in Biotechnology, at NITTE, Mangalore, Dec. 27-29, 2012. Comparative study of synergistic action of Green and chemically synthesized silver nanoparticles using beta lactam penem antibiotics., Neethu Hari, Tincy K Thomas, A. Jayakumaran Nair
2. International Conference on Recent Advances and challenges in Biotechnology, at NITTE, Mangalore, Dec. 27-29, 2012. Comparative Study on Hemadsorbing activity of New castle Virus with Fowl Pox Virus, Tincy K Thomas and A. Jayakumaran Nair.
3. Molecular cloning and analysis of glycoprotein genes C, 0 and I of an isolated strain of Marek's Disease Virus Type - 3, Smitha Sudhakar and A. Jayakumaran Nair., Indian Journal of Bioinformatics, Vol. I, No. 1, 2012.
4. Secreted Expression of Major Envelope Glycoproteins of a Vaccine Strain of MDV -3 in *Kluyveromyces lactis*., Smitha Sudhakar & Dr. A. Jayakumaran Nair., International Journal of Scientific and Engineering Research, Vol. 4, No.

Other noteworthy events

An Industry linked Research project entitled 'Development of monoclonal antibodies and polyclonal antibodies for tumor antigen AFP (Alpha fetoprotein) for the development of ELISA based indigenous immuno diagnostic kits' has been sanctioned by Kerala Biotechnology Commission, KSCSTE, Govt. of Kerala under the Industry linked Research Programmes, in association with Tree Land Biotec, Trivandrum for a total cost of Rs. 28,11,600/- The first instalment of the fund has been released and the project is progressing steadily.

Other noteworthy events

COSMET-12, Annual celebration and Alumni Get-together of the Department of Computer Science, was held on 14th & 15th December 2012 at Kariavattom Campus. As part of it, the following programmes were organized.

1. **Technical Seminar** - Dr. B.S. Manoj, Associate Professor, Dept. of Avionics, Indian Institute of Space Science and Technology, gave talk on “Distributed Wireless Networks”, in the FN of 14th December.
2. **Montage: Short Movie Competition** - An inter collegiate short movie competition was conducted on the AN of 14th in which 12 student teams from various colleges all over Kerala participated with exciting short films produced, directed and acted by them.
3. **A Public meeting** is conducted on 15th December which was presided over by the Pro-Vice Chancellor Dr. J. Prabash and Sri. P.H. Kurian IAS, IT Secretary to Govt. was the Chief Guest for the occasion. Syndicate Member Dr. K. L. Vivekanandan gave the felicitations. Proficiency awards were distributed to the meritorious students in the meeting. Around 75 Alumni members also attended the meeting. During this occasion, the department honored the alumni members of 1998 to 2002 batches present in the meeting.
4. **Alumni Meeting** - The annual Alumni Get-together of the department was conducted soon after the public meeting. Around 75 alumni members attended and the new office bearers of the Alumni Association were elected.
5. **Cultural Programmes** - The celebrations were concluded by various cultural performances of the students.

Seminars/Workshops Conducted

1. A half day seminar on “Applications of Computer Science in ISRO and opportunities available for Computer Science graduates”, by Mr. S. Indukumar, Div. Head of the Computer Infrastructure and Data Processing Division at LPSC, ISRO on 09-05-2012.
2. Alan Turing memorial talk was given by Dr. Jaydev Sridhar, Retd. Scientist ISRO on 26-06-2012.
3. A half day seminar on “Stress Management” was given by Fr. Joye James S.J., Rector and Manager, Loyola College of Social Sciences, Trivandrum on 07-11-2012.
4. One day workshop on PC Assembly and Networking was conducted for the M.Sc. students on 30-06-2012.

Dr. M. Wilsy, Professor & Head**Invited Talks/Seminars/Conferences**

1. Gave an invited talk on “Image Processing” in the Faculty Development Programme at SAINTGITS College of Engineering at Kottayam on 21-04-2012.

2. Gave an invited talk on “Fuzzy Logic” in the National Conference on “Recent Advances in Signal & Image Processing” at Kannur University on 25-05-2012.

Invited Talks [4]

1. “Use of Internet for Scientific Research” at UGC Academic Staff College, University of Kerala, Kariavattom, November 2012.
2. “How to write a good research paper?” at School of Computer Sciences, Mahatma Gandhi University, Kottayam, October 2012.
3. “Use of Internet for Scientific Research” at School of Computer Sciences, Mahatma Gandhi University, Kottayam, August 2012.
4. “Journal Impact Factor and h-index” at Department of Computational Biology & Bioinformatics, University of Kerala, Kariavattom, March 2012.

Awards/Honors [2]

1. **Most Prominent Alumni Award - 2012** from M.E.S. College, Marampally, Aluva.
2. **Most Active Reviewer Award -2012** from The International Arab Journal of Information Technology (IAJIT), Jordan.

Reviewer [3]**Served as a reviewer of the following International/National Conferences:**

1. IEEE INDICON 2012 - Annual conference of the IEEE India Council.
2. International Conference on Advances in Computing, Communications and Informatics - ICACCI 2012 (ACM), India.
3. National Conference on Advances in Computing and Computer Applications - ADCAP 2012, Thiruvananthapuram, India.

Technical Committee Member [1]**Serving as Technical Committee Member of the following International Conferences:**

1. The 4th International Conference on Electronics Computer Technology - ICECT 2012 (IEEE), India.

Ongoing Research Project

1. ISRO Respond project entitled “Investigation on the role of aerosol, cloud and water vapour on the precipitation characteristics of Indian Summer Monsoon” for Rs 22.4 Lakhs
2. DAE –BRNS funded project entitled “Design and Development of low repetition rate and High pulse energy fiber laser based on large mode area fiber and photonic crystal fiber for laser cleaning application” for Rs 24.4 lakhs
3. UGC Sponsored research project on “synthesis and characterization of gold nanoparticles” Rs. 9.6 lakhs

Note worthy events

1. Professor Thorstein Leiz, Institute of Sensorics and Information Sciences (ISIS) Karlsruhe University of Applied Sciences, Germany visited the Department of Optoelectronics January 2, 2012 and interacted with the students.
2. Prof.Heinz Kohler, Institute of Sensorics and Information Sciences (ISIS) Karlsruhe University of Applied Sciences, Germany ,visited the Department during January 15-17 ,2012 and delivered lectures.
3. Prof. Suryanarayana, Paris University Delivered Lecture on “Surprises on oxides” on 1st February 2012
4. Prof.C.Vijayan, IIT, Madras for delivering lecture on “Richard Feynman and his works” in the Department on 11.05.2012.
5. Dr.R.Chithambaram, Principal Scientific Advisor, Government of India delivered a public talk on “The need to work on important problems” on 29.06.2012.
6. Dr. JAMES. A. P, IIIT MK, Thiruvananthapuram delivered a talk on “Thinking through Vision: Challenges in Large Data Machine Vision Applications” on 17.08.2012,
7. Dr. V.Ganesan, UGC-DAE **Consortium for Scientific Research, Indore Centre,delivered lecture on** “Interesting Aspects of Semiconductors- Need for a combined transport and microscopy measurements” on 10.09.2012.
8. Dr.Kehar Singh, Senior Professor, Department of Physics Indian Institute of Technology, Delhi for delivering a public talk on “Shedding light and some recent advances in optics and photonics” on 17.10.2012.
9. Organised a National Seminar on Recent Trends in Optoelectronics (NSRT-OPTO) in the Department of Optoelectronics. during July 2nd & 3rd 2012
10. Dr. V.P.Mahadevan Pillai Professor and Head received the HG Puthencavu Mar Philoxinos Memorial Best Scientist Award (Instituted by Prof.V.I. Joseph Foundation) Catholicate College, Pathanamthitta on 3-2-2012.
11. A Statue of Sir C.V. Raman was installed in the Department on 29-6-2012.
12. Department Acquired Micro- Raman Spectrometer Facility in the Department.
13. A memorandum of Understandings has been signed between BSNL Trivandrum to start Advanced PG Diploma Programme in Communication Engineering in the Department

1. Delivered an invited talk on ZnO modified MoO₃ Nanostructures for CO gas sensing studies” Indo- Japan symposium on ZnO nanocrystals and allied materials held during January 9-10, 2012, at Department of Physics Indian Institute of Technology Madras Chennai
2. Attended DAE- BRNS Laser Symposium 20 at Anna University during January 9-12 2012, presented papers, Member, Judging Committee for Best Award for Ph.D. Thesis presentation section. Being the General Secretary I, attended the General Body Meeting of Indian Laser Association on 9th January 2011 during NLS 2012 at Anna University.
3. Attended and delivered the presidential address at the inaugural function of the international workshop on “Graph products- structures and algorithms’ Department of Future studies, University of Kerala.
4. Delivered an invited talk on “Laser Ablated Silicon Nanostructures” at the Annual Photonic Workshop on “Recent Trends in Photonics” during February 27 and 28, 2012. organized by ISP, CUSAT.
5. Delivered an invited talk on “Nanophotonics” in the UGC-Sponsored National Seminar on Lasers on Material Science St. Gregorious College Kottarakkara during March 1 and 2, 2012.
6. Attended and deliver an invited talk in UGC-Sponsored National Conference on Recent Trends in Physics at N S S College, Changanassery during 7th and 8th March 2012.
7. Delivered an invited talk on “MoO₃ nanostructures for gas sensing applications in the UGC-Sponsored National Conference on “Recent Advancement in Nanomaterial for Sensor Applications (NANOSE – 12)” organized by Dept. of Bioelectronics and Senserics, Alagappa University, Karaikkudy, Tamilnadu.
8. Delivered an invited talk on MO₃ nanostructures in the National Seminar on Recent Advances in Textiles and Electrochemical Science (RATES – 2012) on 22nd and 23rd March 2012 organized by Dept. of Industrial Chemistry, Alagappa University, Karaikkudy, Tamilnadu.
9. Delivered an Invited lecture on “Nanostructures” in “Lectures on selected topics on Atomic and Molecular Spectroscopy” at Dept. of Physics, Indian Institute of Space Technology (IIST), Thiruvananthapuram on 2nd and 3rd April 2012.
10. Delivered an invited talk on “Molybdenum oxide Nanostructures for gas sensing Application’ in the International workshop on Crystal Growth and Characterization of Advanced Materials and Devices at Crystal Growth Centre, Anna University Chennai during 16-19 December 2012.
11. Delivered an invited talk on” Effect of silver doping in phase formation and band gap tuning of tungsten oxide thin films” in 21 National Seminar on Crystal Growth at Crystal Growth Centre, Anna University, Chennai during 20-21 December 2012.
12. Received the HG Puthencavu Mar Philoxinos Memorial Best Scientist Award (Instituted by Prof.V.I. Joseph Foundation) Catholicate College, Pathanamthitta on 3-2-2012
13. Delivered invited talk on “Bright luminescence from laser ablated Silicon Nanostructures” at the Convergence 2012 the Workshop on Recent Development in Physics at NIT Trichi during December 20-21, 2012
14. Delivered a talk on ‘ Photonic Nano structures’ in the Short Term course on Recent Trends in photonic Technology organised by Department Electronics and communication Engg, Government Engineering College, Barten Hill, Trivandrum held during 26-11-2012 to 1-12-2012
15. Delivered a talk on” Laser Ablated Silicon Nano structures’ in the Short Term course on Recent Trends in Nanotechnology organised by Department Mechanical Engg, Government Engineering College, Trivandrum held during 3-12-2012 to 8-12-2012
16. Reviewed Papers for Elsevier and Springer journals

17. Adjudicated Ph.D. Theses for Anna University, Chennai, Alagappa University, Karaikudi, M. S. University, Tirunelveli, Sri Venkateswara University, Tirupati, Acharya University, Guntur, Usmania University, M.G. University Kottayam and CUSAT, Cochin
18. Member of the Editorial Board, Journal of Optics (springer)
19. General Secretary 1 of Indian Laser Association (2009-2013).
20. Reviewed four research project proposals of DAE_ BRNS and attended the TPDM of Advanced Technical Committee on 17-12-2012
21. Dean of Faculty of Applied Sciences, University of Kerala
22. Member of the Academic Council, University of Kerala
23. Member, Board of Studies in Nanoscience & Nanotechnology, University of Kerala
24. Chairman, Board of Studies in Optoelectronics, University of Kerala
25. Member Board of Studies in Physics, Periyar University Salem
26. Member Board Studies in Bio-electronics and Biosensors, Alagappa University, Karaikudi
27. Principal Investigator of the ongoing major research project on "Investigation on the role of aerosol, cloud and water vapour on the precipitation characteristics of Indian Summer Monsoon" for Rs 22.4 Lakhs sanctioned by ISRO
28. Co. Investigator of the ongoing major research project on "Design and Development of low repetition rate and High pulse energy fiber laser based on large mode area fiber and photonic crystal fiber for laser cleaning application" for Rs 24.4 lakhs sanctioned by DAE -BRNS
29. Co- Investigator of the ongoing major research project on synthesis and characterization of gold nanoparticles, sponsored by UGC Acted as chairman of the National Seminar on Recent Trends in Optoelectronics (NSRT-Opto) organized in the Department of Optoelectronics. during July 2nd & 3rd 2012

Dr.K.G.Gopchandran

Papers published in international journals	:	1
Papers published in the proceeding/abstracts of symposia/conferences	:	3
Ph.D Awarded	:	3
M.Phil Degree guided	:	3

1. Dr.K.G.Gopchandran received 116 citations in journals during 2012 (Scopus Data).
2. Dr.K.G.Gopchandran was elected to the Academic Council of University of Kerala for a period of four years with effect from 11-10-2012.
3. During 2012, Dr.K.G.Gopchandran was a member in the Faculty of Applied Science and Technology and Board of studies of Physics (PG), Optoelectronics, Electronics and Future Studies of University of Kerala.
4. During 2012 Dr.K.G.Gopchandran continued as Faculty-in-charge of the DST-PURSE facility, in the implementation committee.
5. Worked as a member in the Inspire group to organize DST sponsored camp for school children.
6. During 2012, Dr.K.G.Gopchandran has given lectures on "A Q-factor for Research" for Research Guides & in Orientation programmes organized by UGC-Academic Staff College, University of Kerala.
7. During 2012 as the Principal Investigator, Dr.K.G.Gopchandran submitted the project completion report of the Major research project entitled "Synthesis and characterization of gold nanoparticles for plasmonics applications" funded by UGC.

8. Invited talk in the National conference on “Emerging Trends in Spectroscopy” organized by Marthoma College Thiruvalla on 19th January 2012.
9. Invited talk in the National Symposium on “Advanced Materials” organized by School of Pure and Applied Physics, Mahatma Gandhi University, Kottayam on 20th January 2012.
10. Lecture in the lecture series on “Nanoelectronics and Nanotechnology” organized by Government Engineering College, Barton Hill, Thiruvananthapuram held during 27-30, March 2012.
11. Invited talk in the National Conference on “Emerging trends in automation and control” held on 30th March 2012 at Vimal Jyothi Engineering College, Kannur.
12. Participated in the Pre ICORS International workshop on Raman spectroscopy held at Thiruvananthapuram on 10th August 2012 organized by Eduworld foundation in association with KSCSTE.
13. Chaired a technical session in the 13th National Conference on Technological Trends held during August 10-11, 2012 at College of Engineering, Thiruvananthapuram.
14. Invited talk on “An Introduction to Nanoscience” on 22nd August 2012 in connection with the inauguration of Physics Association in St. Thomas College, Kozhencheri.
15. Invited talk on “Nanoelectronics” on 27th November, 2012 in connection with the inauguration of Physics Association in St. Gregorios College, Kottarakara.
16. Invited talk in the National workshop on Optoelectronics and Communication held during 15-17, November 2012 at College of Engineering, Perumon organized under Technical Education Quality Improvement Programme (TEQIP).
17. Lecture on Nanophotonics in the Refresher course on “Recent trends in Condensed Matter Physics” organized at School of Physics, Madurai Kamaraj University, Madurai on 22nd November 2012 .
18. Talk in the short term course on “Recent advances in Photonics Technology” held at Government Engineering College, Barton Hill, Thiruvananthapuram during 26th Nov. to 1st Dec. 2012 sponsored by Directorate of Technical Education, Government of Kerala.
19. Invited talk on “Nanophotonics” in the Nation Seminar on Current trends in the fields of Nanoscience and Nanotechnology held during 13-14 December, 2012 at Govt. College, Kodungallur sponsored by UGC, New Delhi.

Dr. A. Yamuna

- i. Papers published in international journals : 1
- ii. Papers published in the proceeding/abstracts
- iii. of symposia/conferences : 2
- iv. M. Phil Degree guided : 2
- v. Participated in the 129th Orientation Programme Sponsored by UGC at Academic Staff College from 31-10-2012 to 27-11-2012.
- vi. Attended National programme on Technology enhanced learning (IIT Madras)- A joint venture by Indian Institute of Technology & Indian Institute of Science on 28th January 2012 at IITM-K, Techno park, Thiruvananthapuram.
- vii. Attended “Lectures on selected topics in Atomic and Molecular Physics” organized by Indian Institute of Space Science & Technology (IIST)
- viii. Acted as Secretary to the National Seminar on Recent Trends in Optoelectronics (NSRT-Opto) organized in the Department of Optoelectronics during July 2nd & 3rd 2012 .

Dr. S.K. Sudheer

- i. M.Phil Degree guided : 2
- ii. Paper published in Journals : 1
- Paper presented in conferences : 2

- iii. Served as one of the Chairs for the Fourth International Conference on Ultra-Modern Telecommunications ICUMT2012 Optical Networking Technologies and Data Security OPNTDS'2012 held at St.Petersburg, Russian Federation, during October 3-5 ,2012.
- iv. Attended the International Workshop on Raman Spectroscopy at Mascot Hotel, Thiruvananthapuram on August 10,2012.
- v. Principal Investigator of the ongoing major research project on “Design and Development of low repetition rate and High pulse energy fiber laser based on large mode area fiber and photonic crystal fiber for laser cleaning application” for Rs 24.4 lakhs sanctioned by DAE –BRNS.

Dr. M. Satyanarayana

1. Ph.D. thesis submitted : 1
2. Papers published in the proceeding/abstracts of symposia/conferences : 6
3. Member, Management council (M.C), Atmospheric Science Panel, Department of Science and Technology (DST), Meeting on August 02, 2012 and October 05, 2012 at ARIES, Nainital

Dr.V. Unnikrishnan Nayar

- i. Member, Board of Studies in Optoelectronics, University of Kerala.
- ii. Attended on International Workshop on Raman Spectroscopy at Mascot Hotel, Thiruvananthapuram on August 10,2012.
- iii. Delivered a talk on the Seminar on latest trends in Instrumentation Engg on 18/2/2012 at Department of Instrumentation , Sarabhai Institute Science and Technology, Thiruvanthapuram.

Extra curricular activities**Dr. V. Salom Gnana Thanga** Reader and Head**Papers published:**

1. Dipu,S., Anju A. Kumar and Salom Gnana Thanga V. 2012. Effect of chelating agents in phytoremediation of heavy metals. Remediation. Springer. 133-146 (DOI: 10.1002/rem.21304)

Seminars/ Workshops participated:

1. Workshop on Emerging Statistical Tools in Life Sciences, organized by the Dept. of Aquatic Biology and Fisheries, University of Kerala during April 11-13, 2012.

As resource person

1. Plenary lecture in the National Seminar on Understanding the Environmental History of India: Relooking environmental protection in the context of global warming and climate change organized by PG Department of History and Research Centre, Sree Narayana College, CHempazhanthy, Thiruvananthapuram, Kerala during 20th to 21st March, 2012.
2. World Earth Day celebrations at HLL Life Care Ltd, Peroorkada Factory on 23rd April, 2012.
3. Eighth All India Conference of KAAS (Kanya Kumari Academy of Arts and Sciences) held at Sree Ayyappa College for Women, KanyaKumari District during 5-6, October, 2012.

Refresher courses coordinated

1. Coordinated UGC-Refresher course in Environmental Science organized by the Academic Staff College of University of Kerala during 1st to 22nd February, 2012.
2. Coordinated UGC-Refresher course in Environmental Science organized by the Academic Staff College of University of Kerala during 1st to 22nd October, 2012

Academic activities:

- Students projects guided
- * M.Sc: 2
 - * M.Phil: 2
 - * Ph.D
 - * Submitted : 1
 - * Presently guiding : 8
 - * Evaluated 3 Ph.D thesis of M.S University, Bharathidasan University, Solapur University
 - * Conducted Ph.D open defence (as Chairman) at M.S. University, Tirunelveli
 - * Question papers setter for Tamil Nadu Agricultural University, Bharathiar University, M.G University
 - * Chairman for M.Sc (Env. Science) SII and SIV semester theory and practical exams of University of Kerala

Positions held:

Chairman, Board of Studies in Environmental Sciences (PG), University of Kerala
Member, Academic Council, University of Kerala

Research Projects

University Grants Commission, New Delhi sponsored Major Research Project on “Impact of long term application of pesticides on soil microbial activity and bioprospecting pesticide degrading bacteria from the cardamom plantation of Idukki district, Kerala, India from July 2012 to June 2015 (Budget Rs. 9.6 lakhs)

M.Phil student projects funded by Department of Environment and Climate Change, Thiruvananthapuram, Kerala

Assignments Abroad

Invited to visit Centre for Tropical Marine Ecology (ZMT), Bremen, Germany for a period of three weeks during 17th October to 8th November, to have discussions for collaborative research programmes.

Dr. JAYA D.S. Reader

Teaching and Evaluation:

- a. Teaching M.Sc and M.Phil students in the Dept. of Environmental Sciences.

- b. Served as External Examiner for M.Sc Environmental Sciences Exam in affiliated colleges of Kerala University.
- c. Served as External Examiner for M.Phil Ecological informatics Viva-voce Exam.in School of Informatics at IITMK, Technopark, Thiruvananthapuram under CUSAT, Kochi.
- d. Evaluation of projects presented in ‘Refresher course in Environmental Education’ in the Academic Staff College, Kariavattom campus.
- e. Served as Examiner for the valuation of answer books of Officers Examination conducted by Kerala Public Service Commission.

Research Guidance:

- a. Guided three M.Phil and three M.Sc students for their project work.
- b. Guiding eight Ph.D students for their Ph.D course.

Projects undertaken:

1. Principal Investigator of two M.Sc student projects financed by Kerala State Council for Science and Technology.
2. Principal Investigator of two M.Phil student projects financed by Dept. of Environment and Climate change, Kerala state.
3. The Principal Investigator of the UGC minor project entitled “Studies on the assessment of air quality in the surroundings of KMML industrial area and the Health impacts of air pollution on the residents in Chavara, Kollam district, Kerala” from Feb.2010 to 2012.

Research papers published in National/International Journals:

1. *Sreejai.R and Jaya.D.S.2012. Effect of Hydrogen sulphide contamination on haematological parameters of Oreochromis mossambicus, Journal of Ecotoxicology & Environmental Monitoring.22 (1), pp. 37-44.*
2. *Lakshmi.K.S , Jaya.D.S., and Mohandas.C. 2012. Quality Assessment of Soils in Thiruvananthapuram District, South India Using Nematodes as Bio-indicators. Asian Journal of Water, Environment and Pollution, 9 (4), pp.25-32.*
3. *Ragi.M.S. and Jaya.D.S. Assessment of pollution status of a canal in Thiruvananthapuram district, Kerala with special reference to biological components –a case study. Poll. Res. 31(1) (Accepted for publication in Vol.1, 2013).*

Book Chapters published:

Workshops/Training programmes attended:

1. Attended the ‘National Workshop on Environmental Impact Assessment’ on March 27-30, 2012 conducted by Dept. of Environmental Sciences, University of Kerala.

2. Attended the workshop on 'Bhuvan', ISRO's Geoportal Awareness Programme organized by Bhuvan Cell, NRSC, ISRO, Hyderabad at IIITMK, Technopark, Thiruvananthapuram on 19th March, 2012.
3. Attended one week programme 'Summer school in Eco-informatics' conducted by DST at IIITMK, Technopark, Thiruvananthapuram from April 13th -21st, 2012.
4. One day work shop on 'Green technology for Better tomorrow' organised by Prime Eco-safe forum of Primary Production Dept. of HLL Lifecare Ltd. on 19-07-2012.

Seminars/ Workshops organized:

- * Co-convenor of the workshop on "Environmental Impact Assessment" on March 27-30, 2012 organised by Dept. of Environmental Sciences, University of Kerala.

Co.curricular activities:

1. Attended the Board of Studies meeting in Environmental Sciences on 23rd November 2012.
2. Attended the Council meeting of the School of Earth Systems Science on Dec.17th 2012.
3. Attended Ph.D Open defence Viva-voce conducted in the Departments of Botany, Biochemistry, Aquatic Biology in the University of Kerala, Kariavattom Campus.

International Seminars/Conference:

Participated and presented a paper entitled "Characterization of Groundwater in Shallow and Deep Aquifers of Agriculture Dominated Bharathapuzha River Basin, Kerala, India: A Multivariate and GIS Approach" in an international conference "IAH 2012 Conference" in Canada during 16-21 September, 2012.

International Collaboration:

Discussions are going on for an international research collaboration with Bremen University, Germany in the field of Biogeochemistry. In connection with this, I made a three week visit and discussions

in Centre for tropical marine ecology (ZMT) attached to Bremen University, Germany in the month of September 2012.

Projects:

1. One ongoing major research project on “ Isotopic study for the sedimentation rate of Vellayani Lake, Kerala” funded by DST, New Delhi is entered into the third year of study.
2. Another project on “River Bank Mapping of Vamanapuram river” funded by Revenue Department, Govt. of Kerala sanctioned in 2011 was completed in the month of December and final report submitted to Revenue Department, Govt. of Kerala.
3. One major project entitled “ nutrient influx and phytoplankton dynamics of Meenachil river, Kerala and its impact on the productivity of Vembanadu lake” has been awarded by UGC, New Delhi with a total outlay of Rs. 10.64 lakhs.

Other Activities:

1. Guided three M.Sc dissertations and three M.Phil dissertations of Env. Sciences.
2. Organised (as Organizing Secretary) a three days National workshop on Environmental Impact Assessment (EIA) during 28-31 March in the Dept. of Env. Sciences, Kariavattom. Also edited and published a Hand book on Environmental Impact Assessment.
3. Offered elective course “ENS 51A- Disaster Management” to first semester M.Sc students.
4. As a committee member participated an international conference “Comaparative endocrinology and Stress Physiology” organized by Dept. of Zoology,. Univ. of Kerala during 16-18 Feb. 2012
5. Participated the National Science Day celebrations organised by the Dept. of Geology, Univ. of Kerala on 28th February.
6. Participated one day environmental workshop on “Green Technology for Better Tomorrow” conducted by Prime Eco Safe Forum of Primary Production Department , HLL Lifecare Limited , Peroorkkada, Trivandrum on 19th July, 2012.
7. As Faculty- in-Charge (FIC) of Bhoomitrasena Club organized several cleaning programes in the campus.
8. Conducted one day field trip to M.Sc students of Dept. of Env. Sciences to various environmental and geological significant places like Mangalapuram clay mining sites, Varkala Cliff, Pothencode Quarry sites etc.
9. As a Resource Person to Academic Staff College, Univ. of Kerala delivered guest lecture to the refresher course in Environmental Sciences and also guided the participants for a field trip to environmentally significant areas of Thiruvananthapuram coast.
10. Served as Chairman of M.Sc Env. Sciences (S4 and S2) in the affiliated colleges of University of Kerala.
11. Served as Member, Board of Studies in Environmental Sciences, University of Kerala.

KERALA UNIVERSITY LIBRARY

(Phone 0471 – 2308844)

(e-mail: kulib@md3.vsnl.net.in) kulib@asianetindia.com

The Kerala University Library, the premier University Library in Kerala was established in the year 1942 to foster the educational and cultural needs of the people of Kerala. It has a very rich collection of documents consisting of books, current and back volumes of periodicals, theses and e-resources. It houses more than 4000 Ph.D theses and also acts as a major research centre in Kerala.

During the last few years, services in the library have been substantially updated and modernized. The UGC Infonet e-journal Consortium is providing free access to nearly 12,000 academic journals to the user community. Development in the library services with the advent of latest ICT applications include access to online catalogue of the library, launching of the Digital Archive of old and rare materials of the library etc.

The Library functions from 8 AM to 8 PM (Sunday 2 PM to 8 PM) and it serves the clients on all days including Second Saturdays except the public holidays.

2. INFORMATION TECHNOLOGY SECTION & KULNIC

Head: Dr. Mohana Kumar T, Assistant Librarian

The Information Technology Section of the Kerala University Library was established with the objective of providing IT oriented information services to the user community. The IT section is looking-after the automation work of the Kerala University Library. This section is maintaining and updating various databases such as books, theses, back volumes of periodicals etc. LIBSYS-4 software is used for automating different housekeeping operations of the Library. All sections of the library are being inter-connected through a Local Area Network (LAN). Kerala University Library website is also maintained by this section.

On-line Public Access Catalogue (OPAC), the electronic version of the catalogue is being maintained by this section. This facility is available in all the sections of the library and to the public through the library website (www.kulib.in). World Bank E-Library service is also provided during the current year.

The Kerala University Library NET Information Centre (KULNIC) is functioning as part of the IT Section. The centre has shown tremendous growth in the number of visitors and in the number of full text articles downloaded from databases. UGC Infonet programme is providing us the access to more than 10,000 electronic journals and 6 other databases. Started uploading of theses (soft copy) submitted to the University of Kerala to the Shodh Ganga, a repository of Indian Electronic Theses and Dissertation with INFLIBNET Centre during this year.

Steps are being taken to establish an E-resource Centre in the Kerala University Library.

User Awareness Programme:

To increase the optimum utilization of the electronic resources, we were able to conduct one user awareness programme this year, with the co-operation of INFLIBNET Centre. In-house training programmes are also conducted during the reported year.

3. MAINTENANCE SECTION

Head: Sujitha Kumari. P.K, Assistant Librarian - Gr.I

One of the most significant and largest of all the sections of the Library system, the Maintenance Section of the Kerala University Library provides purposeful service to all categories of its users by catering to their information needs in a timely manner. The Maintenance Section include:

- (a) General collection of books related to all the major disciplines both interdisciplinary and multidisciplinary.
- (b) Collection of rare documents.
- (c) Women studies collection.
- (d) Government publications.
- (e) Collection of major biographies
- (f) Back volumes of learned periodicals in Science & Technology.
- (g) Back volumes of prominent newspapers in English & Malayalam.

The whole collection is arranged scientifically according to the 6th revised edition of colon classification scheme.

The whole collection is distributed in four floors in the following manner:

5. DOCUMENTATION & INFORMATION SERVICE SECTION

Head: Girijamma R, Assistant Librarian - Gr.I

Documentation and Information Services Section is formed to provide Bibliographical and Information Services to meet the increasing requirements of research scholars and students. Compilation of Kerala Index is regularly being done by this section. Exhibitions and orientation programmes were also conducted by the section.

The different activities of the section are the following:

(a) Publication of Kerala Index:

Kerala Index, a quarterly publication of Kerala University Library, is an index of articles relating to Kerala appearing in select newspapers, popular magazines and journals received in the library.

Two issues of Kerala Index for the year 2011, July-September 2011 and October-December 2011 were released during this year. The compilation work of Kerala Index for the current year 2012 is going on now in this section.

We are sending issues of Kerala Index to various Universities like M.G University, Calicut University, Kannur University, Cochin University of Science & Technology, Sri Sankaracharya University of Sanskrit, Kalady, different departments of Kerala University, Campus Library, Kariavattom, Legislature Library, Public Library, Public Relations & Information Department, Govt. of Kerala, Kerala Sahitya Academy.

(b) Exhibition:

Exhibitions are conducted on particular incidents and occasions to bring the resources of the library to the attention of the user's concerned. Three exhibitions were conducted during this year. As a part of tribute to late Sri. Sukumar Azheekode a notable exhibition was organized from 30-01-2012 to 10-02-2012. An exhibition on Kerala Index and bibliographies so far published by Kerala University Library was conducted from 20-11-2012 to 27-11-2012. In order to pay homage to Sri. P. Govinda Pillai another exhibition was organized from 01-12-2012 to 09-12-2012.

(c) Orientation Programme:

Orientation programmes were conducted for the students from various Institutions like Kannur University, Farooq College, Kozhikode, Library Science Students of Library Council, Library Science Students of Rajagiri College, Library Science Students of Loyola College.

(d) Reprographic Services:

Reprographic services were provided from 10 AM to 5 PM to users. User education service was rendered as and when required.

(e) Computerized Documentation and Information Services:

As a part of modernization of Kerala University Library Phase-II, Govt. of Kerala has given Rs.5 Lakhs for the computerization of Documentation & Information Services in the Kerala University Library. We have submitted a detailed proposal for the project. Accordingly, Vice-Chancellor has accorded sanction of Rs.5 Lakhs for the project.

6. KERALA STUDIES SECTION

Head: Dr. Beena. S, Assistant Librarian - Gr.I

The Kerala Reference Section was formed in 1973 primarily for catering to the research requirements of the research scholars who are interested in the study of the history, science, art, culture, heritage, language, literature, economy and politics of Kerala. The collection of this section consists of books, bound volumes of periodicals, research reports and gazettes. The section possesses a comprehensive and specialized collection of old, unique and rare documents of 18th, 19th and 20th centuries. These rare documents have been digitized and kept as the 'Digital Archive' since these have immense research value and are not available elsewhere. An **exhibition** of these **rare and unique documents** was conducted in the Section in connection with the **National Library Week Celebrations** from 20-23 November, 2012.

The digital collection covered more than 6 lakhs of pages constituting 943 books and 857 periodicals and one Malayalam daily, the 'Malayala Rajyam' which ceases its publication. This collection could be accessed effectively by using keywords contained in these documents. The facilities of this section are made use of by M.Phil. and Research Scholars of this University, and scholars from various Universities and Institutions not only of India, but also of foreign countries.

Now the section holds approximately 50000 volumes most of which are frequently used by researchers. Around 380 books and 76 bound volumes of periodicals were added to the collection during 2012. The section has special collections of Sri. Sooranad Kunjan Pillai and Dr. K.M. George.

7. PERIODICAL SECTION

Head: Ajitha Kumari. K, Assistant Librarian - Gr.I

One of the nerve centres of Kerala University Library, the Periodical Section is primarily concerned with the selection, subscription and recording of Indian and Foreign periodicals, popular magazines and newspapers. Article indexing of important periodicals is also done in the section. The back volumes of subscribed periodicals are bounded regularly every year.

The section is rich in its context with the wide range of subject periodicals published in India and abroad, popular magazines and newspapers. The collection includes significant abstracting periodicals like Dissertation Abstracts International: Section A and B (A: Humanities and Social Sciences, B: Science and Engineering), Sociological Abstracts, Indian Science Abstracts etc. Many of the journals now received in printed form are gradually going to be transformed into Online version in due course of time. The total budget for 2012-13 is 40 lakhs.

Subscription to most of Foreign journals is carried out directly, whereas a few are subscribed via Indian Agents like Allied Publishers, Chennai, Global Information Systems Technology, IBH Magazine Services etc. Direct subscription is followed for Indian Periodicals. The newspapers and popular magazines are purchased through a local agent.

The section also undertakes the binding work of 5 leading newspapers, periodicals of Indian and Foreign, important popular magazines and gazettes. Through its novel services, the section attracts an average of 250-300 members on a daily basis.

8. REFERENCE SECTION

Head: Padmaja Kumari K, Assistant Librarian - Gr.I

Reference section is a major subsystem of the Kerala University Library which caters to the needs of all categories of members with regard to their immediate reference requirements as well as deep academic pursuits. The collection comprises various reference sources viz. dictionaries, encyclopaedias, yearbooks, manuals, biographic sources, serials, directories, geographical sources etc. In addition to these we have a textbook collection and study materials for civil service examination, UGC/NET and various competitive examinations. There is a collection of old question papers of various examinations of Kerala University and syllabus of various courses.

The new addition in this section is about 650 volumes out of which a major portion (60%) belongs to various competitive examinations like, UGC/NET Civil Services, PSC, Bank examination etc. which is of very high demand.

On an average 350-400 members utilize this section every day. The students of library science courses in various institutions use this section for training and practice to complete their course work. Here we give personal assistance and guidance to members about library, using catalogue, locating books and use of various reference sources. Attending reference queries and location information as per request are part of the regular work.

National Workshop on “**e-Granthalaya**” organized by Kerala Library Association in connection with National Informatics Centre, New Delhi from 11-13 September 2012, Trivandrum attended by Dr. Beena,S, Assistant Librarian, Kerala Reference Section, Dr. Ajikumari.T, Assistant Librarian, Documentation Section, Dr. P.K Suresh Kumar, Assistant Librarian, Circulation Section, Dr. Jalajakumari,C, Assistant Librarian, Study Centre, Kollam, Smt. Jayasree S, Reference Assistant, Research Section, Smt. Resmi Sara Thomas, Technical Assistant, Study Centre, Pandalam, Smt. Khadeeja M, Smt. Dhanya K.M, Technical Assistant, KR Section, Sri. Arun Kumar A, Technical Assistant, Periodical Section, Renjith V.R, Technical Assistant, Circulation Section and Sudhi S. Vijayan, Technical Assistant, Maintenance Section.
7. Workshop on “**Information Security Awareness**”, organized by Kerala Library Association in collaboration with C-DAC Hyderabad, on 1st December 2012 at DLIS Lecture Hall, University of Kerala attended by Dr. Mohan Kumar, Assistant Librarian, IT section, Smt. Madhumati M.S, Assistant Librarian, Technical Section, Sri. Abdul Majeed,E, Assistant Librarian Gr.I, Dr. Beena,S, Assistant Librarian, Kerala Reference Section, Dr. Ajikumari.T, Assistant Librarian, Documentation Section, Smt. Sheeja,B.S, Asst. Librarian, Periodical Section, Mehaboobullah,K, Technical Assistant, Smt. Khadeeja,M. Technical Assistant, KR section and Dr. P.K Suresh Kumar, Assistant Librarian, Circulation Section.
8. Workshop on “**Creation and Management of Digital collection**” conducted by INFLIBNET Centre, Ahmedabad on 3-7 December 2012 attended by Mehaboobullah K, Sri. Sudhi S. Vijayan, Renjith V.R and Mr. Arun Kumar A.

Refresher Course/Orientation Programme:

1. Dr. P.K. Suresh Kumar had attended Refresher Course in Library and Information Science from 16th May to 5th June 2012. Academic Staff College, University of Kerala, Kariavattom and submitted a project on “**Reorienting the Department Libraries in School System of the University of Kerala: A Proposal**”.
2. Dr. Mohan Kumar, Assistants Librarian, IT section has participated in the Orientation programme from 27th December 2011 to 23rd January 2012 conducted by UGC-Academic Staff college, University of Kerala, Trivandrum.
3. Smt. Sheeja,B.S, Asst. Librarian, Periodical Section has participated in the UGC-Sponsored IT orientation Programme conducted by the UGC-Academic Staff College, University of Kerala, Trivandrum.

Other professional activities

1. Dr. P.K Suresh Kumar, Assistant Librarian, Circulation Section was recognized as a Research Guide in Library and Information Science under the Faculty of Arts by the University of Kerala .He was a Resource Person in the UGC Sponsored National Seminar on “**Bridging the Digital Divide in India; Development of Information Technology and Role of Libraries**” organized by Library Division, New Man College from 29 to 30 November 2012 at New man College, Thodupuzha.

UNIVERSITY CAMPUS LIBRARY

KARIAVATTOM, THIRUVANANTHAPURAM

Phone No. 0471-2308169, Email-dlampus@yahoo.com

University Campus Library, being the common centre of higher learning of all the Departments in the Kariavattom Campus, has hosted a wide range of readers during the year 2012. The library has been working in two shifts from 8 am to 8 pm. The library rendered services for facilitating the access to both conventional materials as well as electronic resources resulting an optimum utilization.

As it is estimated that more than 12000 readers visited the library during the year for their academic pursuit. The Students, Teachers, Research Scholars, Staff etc. from the various Departments in the Campus and also readers from other Colleges and Learning Centers from the State and outside were our Clientele

User Orientation

Library has been keen in providing orientation to the readers in batches, more particularly to the freshers in the Campus

Information Technology Service

The IT Section equipped with 24 Computers was widely accessed by a large number of Scholars for their internet e-mail, e-journal search requirements. UGC - Inflibnet Digital Library Consortium provides current and archival access to more than 9000 e-journals from 18 sources. Also M/S. Elsevier provides access to Science Direct. Campus Library renewed the subscription for IEL Online through INDEST AICTE consortium, which can be accessed from any Departments in the Campus. The Campus library is connected to NKN network (national Knowledge net Work) which is free of cost from Inflibnet. A daily average of 210 numbers of users utilized IT facilities. The annual collection of Internet user fees comes to Rs. 2, 70,0001- (approximate.)

Current periodicals & Journals Section.

During the year 52 Indian periodicals and 5 Foreign Journals were procured in different subjects. 40 Popular magazines and 17 News papers in three languages were also subscribed. A good number of journals were also received as gift. The section has been accessed by a large number of users.

Acquisition Section

During the year, 705 Books were purchased for the Library. Also 17 books were received as gift.

Reference Section.

A separate section for Reference Books is housed in the first floor. Large number of reading materials is arranged for the competitive carrier development purpose also.

Text Book Section

Text Books In different subjects are arranged according to the DDC Classification.

Technical Section

Cataloging and Classification process is done using the SOUL Software by Inflibnet. Also manual catalogue is made available for the access of the users.

Reprographic Service

The Photocopying service available in the Campus Library is widely used by the students of the Campus.

Property Counter

A property counter with token system and additional Casual Labourer and permanent Security Staff is introduced in shift system in the Campus library.

Professional Training

Smt. Jayalatha V.G and Sri. R. Rajesh Kumar (Technical Assts.), participated in the EEE online training at YMCA Hall, Trivandrum

Library Week Celebrations

An essay Competition on "Reading in the Cyber Era was conducted by the University Campus Library in connection with the 'Library Week 2012' celebrations. In this Competition Miss. Sreeja. R.S (Dept. of Malayalam), Sri. Anas. N (Dept. Of political Science, Miss. Arathy S. Nair, (Dept. of Economics) was awarded 1st, 2nd & 3rd Prizes respectively. Miss. Rakhi. S.D (Dept. of Mathematics), Miss. Anupama V.K (Dept. of Malayalam) was awarded with consolation prizes.

Award Meeting

The Cash prizes & Memento were distributed to the winners in the Essay Competition by Dr. Atchutsankar S, Nair (Honary Director, Bio- Informatics) .Dr. KP. Vijay Kumar (Head DUS), presided over the function.

User Awareness Program

Campus library organized User Awareness Programme for the Freshers in the Campus on 23rd November 2012 aiming at the promotion of maximum readership. The first session of the series was inaugurated by Dr. K.P. Vijay Kumar (Hon. Director, Center for Information Literacy Studies & HOD DLIS). Dr. Atchutsankar S, Nair (Honary Director, Bio- Informatics) interacted with the participants. More than 150 users attended the program.

Library Collection

Campus Library has a total collection of books 15279. The library has a holding of 5 foreign periodicals and 92 Indian Periodicals (including popular magazines).

1. Obey Koshy and M. Abdul Khadar, "Optical and electrical properties of nanostructured ZnO thin films composed of ZnO nanorods", presented in the Kerala Science Congress, Rubber Board, Kottayam, January 29-31, 2012
2. Neethu Hari, Tincy K Thomas and A. Jayakumaran Nair, "Comparative study on the synthetic action of green and chemically synthesized silver nanoparticles with β -lactam penem antibiotics" – presented in the International Conference on Recent Advances and Challenges in Biotechnology, NMAM Institute of Technology, Nitte University, Udupi during 28- , 2012
3. Sajid Babu and M. Abdul Khadar, "Deposition of nanostructured CdSe thin films and their characterization" - accepted for poster presentation in the NANO INDIA-2013 conference to be held at CSIR-NIIST, Trivandrum during February 19-20, 2013

Ph. D thesis submitted from the Centre

Mr. Obey Koshy, Research Scholar of the Centre for Nanoscience and Nanotechnology submitted his Ph. D thesis entitled "Optical and electrical properties of nanostructured ZnO thin films to the University of Kerala in July, 2012.

This is the first Ph. D thesis from the Centre for Nanoscience and Nanotechnology.

Upgradation of the Centre for Nanoscience and Nanotechnology to a University Department

The University has decided to upgrade the Centre for Nanoscience and Nanotechnology to a University Department.

Other noteworthy events

The Honorary Director (Dr. M. Abdul Khadar) presented an invited lecture for the short term training program on Recent Trends in Nanotechnology for teachers of engineering colleges in the state sponsored by the Directorate of Technical Education and organised by the College of Engineering, Thiruvananthapuram during 03-08, December, 2012

STUDY ON COST OF CULTIVATION OF PRINCIPAL CROPS IN KERALA

Noteworthy Events

The Scheme "Study on Cost of Cultivation of Principal Crops in Kerala" is a component of Central Sector Plan Scheme "Studies on Inputs for Agricultural Economic Policy and Development". It is successfully functioning in Kerala University since 1970.

Under the Comprehensive Scheme "Study on Cost of Cultivation of Principal Crops in Kerala" vital data on cost of cultivation/production of three major crops grown in Kerala state viz. Paddy, Coconut and Pepper are collected from 30 villages by posting full time Economic Investigators who stays in the village and collect data on cost accounting method.

The data collected by the Economic Investigators are thoroughly scrutinized by Regional Supervisors and transmitted to the Head Office at Kariavattom, where the data is entered into the Personal Computers by the Computers, all under the guidance of Statistician and Field Officer.

The error free data is finally transmitted to the Directorate of Economics & Statistics, Ministry of Agriculture, Government of India, for generating cost estimates which are used for framing government's agricultural price policy.

The minimum support prices of various agricultural commodities are fixed by the Government on the basis of the recommendations made by the Commission for Agricultural Costs and Prices (CACP) based on the above estimates generated by the Directorate of Economics and Statistics, Government of India using the data supplied by the Cost of Cultivation Scheme in the country.

The support price for Copra is fixed by generating estimates using the data collected with the Scheme. Besides generating cost estimates for framing price policy, the data collected under this Scheme is also used by Research Scholars, M.A. & M.Phil students and Teachers of this university and outside Universities with the concurrence of the sponsoring body.

During 2012 the data has been transmitted on October 2012.

1. General

The Centre for Bioinformatics, established in 2005 and upgraded as the Department of Computational Biology and Bioinformatics in 2011, is a new generation inter-disciplinary as well as multi-disciplinary teaching & research department of University of Kerala. In 2010, Centre for Systems and Synthetic Biology and in 2012, a Centre for Venom Informatics have been established as a part of this Department. The State Inter University Centre of Excellence in Education (SIUCEB) co-exists seamlessly with the Department. The major achievements and developmental activities of the Department of Computational Biology and Bioinformatics in 2012 are as follows:

- Attracted funding of 6.9crores from MHRD, Govt. of India for establishing Centre of Excellence in Computer Aided Drug Design and Ayur Informatics.
- Established a new Centre for Venom Informatics.
- Conducted Bioinformatica Indica- 2012, an International Symposium.
- Conducted Bioinformatics National Certification Examination 2012.
- Implemented Dewey Decimal Classification Scheme in the library.
- Launched two online bioinformatics tools: LOCOPROT, HUBCENTER.
- Launched the DCB YouTube channel.
- Submitted 13 entries to international bio-data bases.
- Conducted National Symposium on Soft Computing & Computational Synthetic Biology.
- Delivered consultancy services to M/s Biothera, Eagan- Minnesota, U.S.A.
- Dr. Achuthsankar S. Nair won the Indian National Science Academy Best Teacher Award.
- Dr. Achuthsankar S. Nair also won NavarasamSangeethaSabha Award for Music Research.

An excellent collection of over 2055 books on Bioinformatics and allied areas are available at the Department. The Department library runs a fully automated digitally secured library software known as Bookface, which merges the features of social networking and common library management

software. It is a face book of books and library users. Users can tag, like and comment on their favorite books. They can maintain their bookshelves and thus archive their reader life. This innovative software is aimed at transforming the library to a futuristic people-centric library. The total number of books issued during the year was 1367. For MSc students, average readership is 23.57 books/student. For MPhil students, average readership is 16.68 books/student and for researchers, the average readership is 13.81 books/student. Mr. Shinu V., of MPhil Bioinformatics was selected as reader of the year for his maximal library usage.

The Department maintains a rich and well updated, professionally designed web site of international standards at dcb.keralauniversity.ac.in. A faculty web site also is maintained likewise at <http://achu.keralauniversity.edu>.

As a part of enhancing amenities, an eco-friendly hall named “HarithaRathnakaram” has been erected and classes are held in this hall in a traditional manner. A shuttle court also has been set up and is being used on a daily basis by members of the Department which goes a long way in ensuring good human relations. In addition to fellowship schemes of the University and Governments, the faculty members and senior researchers provide 5 full-fee scholarships to masters/MPhil students, from their own pocket.

2. Research

Research publications continue to be modest, but growing. Best citation achieved so far is 40. Good impact factor publications are close to 15 so far (Impact factor from 1 to 4). Current research areas are Genomic & Proteomic Digital Signal Processing, Chaos Game Theory in Bioinformatics, Bio-sequence Analysis (Protein trafficking, Exon prediction, Hubness and Knottedness characterization of proteins, small gene identification), Allosteric proteins, Computational Synthetic Biology, Molecular modeling & drug design, Bio-sequence compression, Venom informatics.

The project on Snake Venom Detection Biosensor (SVDB) provides a system and method for detecting quantitative extent of envenomation and to monitor the venom clearance from the body using species specific diagnostic biosensor. Using this technology we can determine dose of monovalent Anti-snake Venom (ASV) required to be administered to the victims bitten by poisonous snake. The digital electronic circuitry has been developed and tested and the bio-chemistry-electronics interface is under development.

To complement the *insilico* research going on at the Department, a well equipped microbiology and bioelectronics lab has been set up. This provides complete research facility for microbiology, molecular biology, phytochemistry, bioelectronics and clinical studies. Snake venom detection biosensor development, miRNA validation, CR-3 receptor agonist's longevity study and bio-active compound isolation are some of the major projects that are on. With the establishment of the wet lab, a long felt balance of biology and informatics has been achieved.

The following is the current student strength of the PhD programme:

PhDs awarded during 2012	:	2
PhDs submitted during 2012	:	2
Synopsis submitted during 2012	:	6
Ongoing guidance	:	15
Post-doctoral Research	:	1

The center also has four external research supervisors (i) Dr. V.S. Sugunan (ii) Dr. M. Radhakrishna Pillai (iii) Dr. E. V. Soniya and (iv) Dr. Vinod Chandrain addition to the services of Dr. Achuthsankar S. Nair and Dr. Pawan K. Dhar.

6. Video Productions

1. Started an official YouTube channel of Dept. of Computational Biology & Bioinformatics, University of Kerala on Oct 12, 2012.
2. Produced an educational video on Bioinformatics titled ‘A flavor of Bioinformatics’. The video is available on DVD as well as on DCB YouTube channel. [URL: <http://www.youtube.com/user/TubeDCB>]

7. Events/ Seminars/ Courses coordinated at Department of Computational Biology & Bioinformatics

1. The State Inter-University Centre of Excellence in Bioinformatics, University of Kerala organized the third edition of biannual International Symposium, BioinformaticaIndica 2012, on 12-14th Jan 2012.
2. Research paper writing workshop conducted on Feb 17th, 2012.
3. An interdisciplinary talk on “Media Studies” delivered by Prof. M. Vijayakumar, Professor and former Head of the Department of the Dept of Communication & Journalism, University of Kerala on 22nd Feb 2012.
4. A talk on “European Education & Erasmus Mundus Program” by Dr. Anna Lindberg, Director of Erasmus Mundus at Lund University, Sweden, on 14th Mar 2012.
5. A talk on “Research in Informatics” by Dr. LaxmiNarasimhan, Professor, East Carolina University, USA on 17th Apr 2012.
6. An interdisciplinary talk on “Koothu&Koodiyattom” by Sri. PainkulamNarayanaChakyar (A recipient of the Kerala SangeethaNataka Academy Award) on May 14th 2012.
7. One/Fun day – for fostering creativity and Science among school children was conducted on 19th May 2012.
8. Celebrated the World Environmental Day as “Harithadhinam” and was inaugurated by the Smt. Sugathakumari Teacher on Jun 5th 2012.
9. Alan Turing Memorial Talk by SatishBabu, President, Computer Society of India, on 26th Jun 2012.
10. One day seminar on “Biological Data Curation” was organized by DBT- BIF center jointly with SciGenom Labs Pvt. Ltd., on Jul 7th 2012.
11. A talk on “Pubmed: Tips and Hints” by Dr. ShubhadaNagarkar, from University of Pune, on 9th Jul 2012.
12. A talk on “Chinese Character Recognition” by TianJipeng, a research scholar from Mysore University, on 13th Jul 2012.
13. A talk on the “Coupled Human & Nature System” by Dr. Udayasankar S. Nair, University of Alabama, Huntsville on 28th Jul 2012.

14. A talk on “World as a Laboratory” by Dr. Shaji Krishnan from TNO, Netherland, on 22nd Aug 2012.
15. Two week induction programme was conducted for new MSc students from Oct 1-10th 2012.
16. “Theepetti Fest: A Science Creativity event for children” was conducted on Oct 12th 2012.
17. Talk on “Developing Soft skills” by Ms. Anju A, Assistant Professor, TKM Institute of Management, Kollam on Oct 16th 2012.
18. Interdisciplinary talk on “Parapsychology” by Prof. George Mathew on Oct 16th 2012.
19. A workshop on “Spoken Tutorial for Python” jointly with IIT Bombay during 1-14th Nov 2012.
20. A talk on “Soft Skills” Dr.Muralikrishnan T.R., Associate Professor, Department of English, MES College, Marampally, on 9th Nov 2012.
21. An interdisciplinary lecture demo on Bharatanatyam by Sri. Rama Vaidyanathan (A recipient of the prestigious ‘Kalai-Maamani’ award) on Nov 30th, 2012.
22. Two-day National Symposium on “Soft Computing & Computational Synthetic Biology”, organized by DBT-BIF on Dec 7th – 8th 2012.

8. Talks

8a. Talks delivered by Dr. Achuthsankar S. Nair

1. A talk on “Bioinspired Computing”, in EPSICON at Trichur on Jan 5th, 2012.
2. A Talk on Research Writing at the Workshop on Research Methodology organized by *Centre for Engineering Research and Development (CERD)* College of Engineering, Thiruvananthapuram on Jan 7th, 2012.
3. A talk on “Innovation, Creativity and IP” at the Seminar on IPR organized by KSCSTE and UIT at Thiruvananthapuram on Jan 10th, 2012.
4. A talk on “Computational Biology, Bioinformatics and New Biology” Bioinformatica Indica 2012, on Jan 12 to 14th 2012.
5. A keynote address on “Computing in New Biology” at the National Conference on Computing and Communication Paradigms & Bioinformatics, organized by School of Computer Sciences at MG University, Kottayam on Jan 17th, 2012.
6. A talk on “Electronics Insightfully” at SN Sanskrit School at Paravoor, on Jan 18th, 2012.
7. A talk on “Multiple Intelligence in Science Education” at UGC sponsored Seminar organized by MES College, Marapally, Aluva on Jan 19th, 2012.
8. A talk on “Creativity” in the one day seminar organized by the Institute of Parliamentary affairs at NSS HSS, Choorakode, Adoor on Jan 21st, 2012.
9. A talk on “Visual Mathematics” at the seminar organized by the College of Engineering, Adoor on Jan 21st, 2012.
10. A talk on “Computational Drug Design”, a seminar organized by the SriLankan Association for Advancement Science at the University of Colombo on Jan 27th, 2012.
11. A talk on “Computational Sequence Analysis”, at the seminar organized by the SriLankan Association for Advancement Science at the University of Jayavardhanapura, Jan 27th, 2012.
12. A talk on “Green Computing” at State School IT Fest 2012 at Technopark on Feb 1st, 2012.
13. A talk on “Technology – A Futuristic perspective” at Inn Opt 12, organized by NEST, Technopark, Thiruvananthapuram on Feb 10th, 2012.
14. Alan M.Turing commemorative lecture at the public meeting in connection with Annual day of CMS LP School’s 163rd Anniversary at Mundakkayamon Feb 11th, 2012.
15. A talk on “Visual Mathematics” at Anokha Technical Fest organized by Amrita Viswa Vidhyalaya at Coimbatore on Feb 18th, 2012.

16. A plenary lecture on “Wither Bioinformatics” at the International Conference Emerging Technology Trends in Advanced Engineering Research (ICETT) on Feb 20th, 2012.
17. A talk on “Making a powerful presentation” at Department of Computational Biology and Bioinformatics on Feb 27th 2012.
18. A keynote address the National seminar on “Recent trends in Computing”, Dept of Computer Science and Engineering, Musaliar College of Engineering, Pathanamthitta on Mar 1st 2012.
19. A keynote address at the National conference on computing, organized by CSED at SN Gurukulam College of Engineering, Kolencheri, on Mar 8th 2012.
20. A talk at the National seminar on “Media in transition-contemporary concerns” organized by Educational Multimedia Research Center, Dept of Malayalam, University of Calicut, on Mar 28th, 2012.
21. Valedictory address in “ThudiKottiyaNaattuSangeetham”, GrameenaSilpashala, organized by ICKS, Thiruvananthapuram on Mar 29th, 2012.
22. Inaugural speech at seminar on “Revival of Free software in Computing (ReFSC-v 1.4)”, organized by ValiaKoonambaikulathamma College of Engineering & Technology, Chavancode, Thiruvananthapuram on Apr 16th, 2012.
23. Chaired a session on “ICT Applications & Public Libraries” at a National seminar on ‘Towards a new reading culture’, organized by Raja Ram Mohan Roy Library Foundation at Kanakakunnu Palace on Apr 21st, 2012.
24. A.K Pujari memorial talk on “Green Computing”, organized by Computer Society of India, Thiruvananthapuram at Institution of Engineers Hall on Apr 28th, 2012.
25. Talk on “Pakarppavakasham, VigjanaSwathanthryam, at VikkiSamgamam” organized by IT @ school & IT Mission at Kollam on Apr 29, 2012.
26. A talk in plenary session III on “Employee Expectation for Technical Educational Institution” at AICTE sponsored National seminar on “Growing self financing institutions as centers of excellence-Problem & Prospectus” at Thiruvananthapuram on Apr 30th 2012.
27. An inaugural speech and talk on “Soft Computing” at the AICTE sponsored SDP on design of intelligent systems, organized by AmalJyothi College of Engineering, Kanjirapally on May 3rd 2012.
28. A talk on “Creativity” for School Students at “Maambazhakkalam”, organized by VailopillySamskruthaBhavan, Thiruvananthapuram on May 5th 2012.
29. A keynote address in AICTE sponsored SDP on “Research Methodology”, organized by UC College, Aluva on May 14th, 2012.
30. A talk on “Planning & Developing your teaching career” at the Faculty Orientation Programme, organized by University College of Applied Sciences, MG University, Kottayam at UCAS, Pullarikkunnu on Jun 9th, 2012.
31. A talk at a workshop on “Art & Science of Googling”, organized for journalist by the Kerala Press Academy at Kochi on Jun 28th 2012.
32. A talk delivered on “A Sustainable self reliant model for Kerala”, in the seminar as organized by Democratic Alliance for Knowledge Freedom (DAKF), Thiruvananthapuram on Jul 22nd, 2012.
33. A talk at International Seminar on “Gandhian Educational Principles and Practices For the Emerging Global Scenario”, organized by Dr. N.P.Pillai Centennial Celebration Committee & SPFERD at Kerala Gandhi SmarakNidhi, Thycaud, Thiruvananthapuram on Jul 25 – 27th, 2012.
34. A talk at UGC sponsored two day national seminar on “Information & Communication Technology in Education: Challenges & Innovations”, organized by Karmela Rani Training College, Kollam on Aug 8th, 2012.
35. A talk on “Creativity, Research and Knowledge Management” at C-DAC, Thiruvananthapuram on Aug 22nd, 2012.

36. A Keynote address at the workshop on “Future Perspectives of Education: Opportunities and Challenges”, organized by the Board of Education of Latin Archdiocese of Thiruvananthapuram at Jubilee Memorial Animation Centre, Archbishop’s House Campus, Vellayambalam, Thiruvananthapuram on Oct 24th 2012.
 37. A talk on “Sankethika Vidhyayum Marunna Vidhyabhyasavum” at the two days residential management training programme organized by State Institute of Educational Management and training (SIEMAT), Attakulangara, Thiruvananthapuram on Oct 31st, 2012.
 38. A talk on “Quality of Technical Education – Issues and Concerns”, organized by 23rd Annual Convention of ISTE Kerala Section at SSM Polytechnic College, Tirur on Nov 17th, 2012.
 39. Talk on “Archives in the Digital Age” at the seminar organized by the Archives Department of the Government of Kerala on the occasion of its Golden Jubilee at V.J.T. Hall, Thiruvananthapuram on Nov 28th, 2012.
 40. A talk on “P G yam Shastra – Chalachitralokavum” organized by CDIT Employees Association at Press Club Conference Hall, Thiruvananthapuram on Dec 5th 2012.
 41. A talk on “Insight to Fourier Series” in the National Symposium on Soft Computing and Synthetic Biology at University of Kerala on Dec 7th-8th 2012.
 42. Keynote talk on “Science, technology & Society: Emerging Scenario” at 39th Annual Conference of Kerala Sociological Society at Indian Institute of Space Science & Technology, Thiruvananthapuram, on Dec 8th, 2012.
 43. A talk on “Green Living & Sustainability” at the third international seminar on “Sustainable Utilization of Tropical plant biomass through Biotechnology - SUPBT 2012”, organized by KVM College of Engineering & Information Technology on Dec 13-15th, 2012.
 44. A Talk on “Green Computing” at the International Conference on Green Technologies –ICGT12, at Mar Baselios College of Engineering and Technology, Thiruvananthapuram, on Dec 19th, 2012.
 45. A talk on “Karamanayaar – Charithravum Jala Gathaagathavum” organized by International Centre for Kerala Studies at University of Kerala, Thiruvananthapuram on Dec 19th, 2012.
 46. A keynote address in the three day National seminar on “Keralathile Ulnaadan Jala Gathaakatham-Charithram, Samskkaram, Jaivavaividhyam”, International Centre for Kerala Studies at University of Kerala, Thiruvananthapuram, on Dec 18-20th, 2012.
- 8b. Talks delivered by Dr. Pawan K. Dhar**
1. Talk on “Emerging trends in synthetic biology” at the School of Computational & Integrative Sciences, JNU, New Delhi on Jan 2012.
 2. A Keynote talk on “Computing Biology – From systems analysis to design” at Bioinformatica Indica on Jan 2012.
 3. Talk on Synthetic Biology and Biomediated synthesis of organic chemicals IUPAC – National Academies of Sciences, USA, Speiz Laboratory, Zurich, Feb 2012.
 4. Talk on Discovering novel therapeutic peptides and proteins through synthetic biology, Bangalore Bio 2012, Feb 2012.
 5. Talk on “The future in biology will be computation & engineering” link Intel, Bangalore, Feb 2012.
 6. Talk on “Building the foundation of a new biology”, Bifx virtual conference, Mar 2012.
 7. Talk on “Making a virtual Cyanobacteria cell”, TERI-DBT International Bioenergy Summit, New Delhi, Nov 5-6 2012.
- 8c. Talks delivered by others**
1. Dileepkumar.R., Post-doctoral fellow, delivered a talk on “Snake and Venom Informatics-Challenges and Progresses” at Bioinformatica Indica 2012, Thiruvananthapuram on Jan 12-14th 2012.

2. Umesh P., Lecturer, delivered a talk on “Synthetic Biology- Some Computational Plans” on the International Symposium, Bioinformatica Indica-2012, Thiruvananthapuram on Jan 12-14th, 2012.
3. Hareesh N. Nampoothiri, Research Scholar, delivered a talk on “New Color Harmonies for Designers from the Visual Art Forms of Keralam” in the National Conference on Computing Technologies, organized by SreeNarayanaGurukulam College of Engineering, Kolencery on Feb 9th 2012.
4. Shidhi P. R., Research scholar, delivered a talk on “Computer Aided Drug Designing” at the National Seminar on Bioinformatics – Concepts, Skills and Applications organized by the Department of Zoology, N.S.S College Nemmara, Palakkad on Mar 1st, 2012.
5. Dileepkumar.R., Post-doctoral fellow, delivered a talk on “Nano Bio-sensors-Prospects and Challenges” organized by UGC sponsored National Seminar on Nanobiotechnology: A Global Perspective at M.E.S College, Marampally, Kottayam, on Mar 13-14th 2012.
6. Navya Raj, Research Scholar, delivered a talk on “Bioinformatics and its Applications” on the UGC Sponsored one day seminar on Bioinformatics organized by the Department of Biochemistry, NSS College, Pandalam, on Mar 30th, 2012.
7. Dileepkumar.R., Post-doctoral fellow, delivered a talk on “Plants with inhibitory properties against snake venom- A molecular approach” National seminar on Agadathanthra-Vasukeeyam 2012 at Parassinikkadavu, Kannur on Apr10-12th 2012.
8. Dr.P.R.Sudhakaran, delivered a lecture on Introductory Lecture Series on”Emerging Areas of Biology” on Jun 4-15th2012.
9. Umesh P along with Dr. Achuthsankar S. Nair delivered a talk on “Searching close sounding Malayalam keywords in Google: A bioinformatics Approach” in the National seminar on Speech Synthesis and Applications organized by Dept. of Linguistics, Linguistic data consortium for Indian languages-Mysore, Kerala state IT mission at Thiruvananthapuram on Jul9-11th2012.
10. Umesh P jointly with Dr. Achuthsankar S. Nair delivered a talk on “The remains of an Academic untouchability system and promising signs of transformation” in the National Conference on Converging Disciplines: Canada and India”, organized by the UGC Area Study Centre for Canadian Studies, University of Kerala from Jul 12-13th, Thiruvananthapuram.
11. Hareesh N. Nampoothiri jointly with Dr. Achuthsankar S.Nair, delivered a talk on “Value Addition in Education Experiences through Highly Interactive Multimedia” at Information and Communication Technology in Education: Innovations and Challenges, organized by Karmela Rani Training College, Kollam on Aug 8th 2012.
12. Umesh P., Lecturer, delivered a talk on “Math with Match sticks” (for school students) in the one day workshop – Theepetti Fest organized at Department of Computational Biology and Bioinformatics, University of Kerala on Oct 12th 2012.
13. Hareesh N. Nampoothiri, Research Scholar, delivered two talks titled “Serving theRightDish” and “Communication Aspects of Responsive Web Design (RWD)” at National Conference in Science Communication, organized by Amrita School of Arts & Sciences, Kochi on Oct 16th 2012.
14. Hareesh N. Nampoothri, jointly with Dr. Achuthsankar S. Nair, delivered a talk at two-day National Seminar on “നവമാധ്യമങ്ങളും മലയാളിയുടെ സാംസ്കാരിക ജീവിതവും”, organized by KNM Government Arts & science College,, Kanjiramkulam, Thiruvananthapuram on November 15th, 2012.
15. Rani J. R., Lecturer, delivered a talk on “Bioinformatics Tools” on the TEQIP Sponsored Seminar on Bioinformatics organized by the College of Engineering, Perumon, Kollam on Nov19th, 2012.
16. Sunitha P., Lecturer, delivered a talk on “Nature and scope of Bioinformatics” on the TEQIP Sponsored Seminar on Bioinformatics organized by the College of Engineering, Perumon, Kollam on Nov19th, 2012.

17. Umesh P., Lecturer, delivered a talk on “Why Biologists talk like an Engineer?” on the TEQIP Sponsored Seminar on Bioinformatics organized by the College of Engineering, Perumon, Kollam on Nov 19th, 2012.
18. Sunitha P, Lecturer, delivered a talk on “Bioinformatics tools and resources for miRNomics”, on Nov 26th, in the Workshop on Micro RNA Technology”, organized by the State Inter University Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala at Thiruvananthapuram on Nov 26 -30th, 2012
19. Umesh P., Lecturer, delivered a talk on “Software can create Hardware- enter Gengineering”, in the National Symposium on Soft computing and Computational Synthetic Biology at Thiruvananthapuram on Dec 7-8th, 2012.
20. Dileepkumar.R., Post-doctoral fellow, delivered a talk on “Molecular methods for Conservation” organized by DBT sponsored National Seminar on Molecular Biology and Conservation at St. Albert’s College, Ernakulam on Dec 14th 2012.
21. Hareesh N. Nampoothiri, Research Scholar, delivered a talk on “Role of New Media in Modern Education” on the UGC Sponsored National Seminar on Quality Concerns in Higher Education Institutions to Meet Global Challenges, organized by Holy Cross College, Nagercoil on Dec 14th 2012.
22. Umesh P., Lecturer, delivered a talk on “Android technology” at Department of Computational Biology and Bioinformatics, University of Kerala on Dec 15th 2012.

9. Other Noteworthy Events/ Activities

1. Dr. Achuthsankar S. Nair was conferred the Indian National Science Academy’s Teacher Award 2012 at the 76th Anniversary Meeting of the Academy on Dec 29th, 2012. The award carries a citation and a cash prize of Rs 50,000/- and a book grant of Rs. 20,000/-
2. Dr. Achuthsankar S. Nair served as reviewer of BMC Bioinformatics, served as member of the subcommittee constituted by Govt of Kerala for preparing business plans for setting up Knowledge City proposed by Sri. Sam Pitroda, served as a member of the Expert Committee meeting for digitization at University of Kerala, served as a member of Governing Board of the State Institute of Languages, Govt of Kerala, served as the member of IQAC at University of Kerala.
3. Centre for Venom Informatics, Department of Computational Biology and Bioinformatics **participated in** and won Second BEST PAVILION in the First National Biodiversity Expo 2012 jointly organised by National Biodiversity Authority, India and Kerala State Biodiversity Board, Govt. of Kerala held on 21-30 Dec 2012 at Kanakakkunnu Palace, Thiruvananthapuram, Kerala.
4. With the permission of Forest department, Govt. of Kerala a **live demonstration of “Snakes of Kerala”** was organized as part of International Symposium, *Bioinformatica Indica* held at Thiruvananthapuram, 12-14th Jan 2012.

UNIVERSITY CAMPUS, KARIAVATTOM, THIRUVANANTHAPURAM

Phone No. 0471-2418782, E-mail: piscnan@rediffmail.com

K. Padmakumar Hon. Director

Lecturers delivered

"Bioprospecting marine organisms for nutraceuticals, medicines and crop protectants" at the National Training on "Naturally occurring nutraceuticals, crop protectants and other biomolecules for application in human and crop health", Indian Agricultural Research Institute, New Delhi, January 23 to February 2, 2011.

Harmful algae and Seafood Poisoning, 21.7.2012, XVII Refresher course in Life Science, Academic Staff College, University of Kerala.

Delivered two lectures i.e., i. Quest for Potential Biological Activities in Indian Marine Biodiversity, ii. Ecology of harmful algal bloom and seafood poisoning along the Indian coast at the Laboratory South China Sea Institute of Oceanology, Guangzhou, P.R. China.

Workshops Attended

National Consultation workshop on "Coastal and Marine Biodiversity: Gaps, Challenges and opportunities" Gandhinagar, Gujarat, Ministry of Environment and Forests, Govt. of India, 11 - 13 April 2012

Seminars/ Conferences Attended

K. Padmakumar, Insight into Chemical Ecology of Marine Algae for pharmaceuticals, nutraceuticals and agrochemicals. In National conference on recent Advances in Algal Biotechnology, CAS in Botany, University of Madras, Chennai held during 16-17, February 2012.

M. Jayakumari, Gigi C. Rajan, P. Jayasandhya, K. Padmakumar, D.E. James. Biological activities of selected holothurians from the Kerala coast. International conference on Environmental security for Food and Health, Cape Comorin, 16-18 February, 2012.

K. Padmakumar, Changing Environment, Algal Bloom and Seafood Poisoning. Presented in International conference on Environmental security for Food and Health, Cape Comorin, held during 16-18 February, 2012

K. Padmakumar, Harmful microalgal bloom and health hazards, National Symposium on Prospects and Retrospects in Microbial Technology, Bharathidasan University, Trichi, held during 17-18 February, 2012

Attended "Symposium on Marine Natural Product Drug Discovery" held on November 6th 2012 at the University of Aberdeen, UK .

Meeting of Board of Studies / Doctoral Committees

Attended BOS in Marine Biotechnology, CUSAT, Kochi held on 16 January, 2012.

Meeting of the Doctoral committee, held on 15 February, 2012 at Division of Medical Biotechnology, School of Biosciences and Technology, VIT University, Vellore.

Research Collaboration

Attended multi institutional workshop on Marine Derived Antimalarials held at CSIR-Institute of Himalayan Bioresource Technology, Palamphur, HP, 7-9 April, 2012

Visited Pacific Institute of Bioorganic Chemistry, Russian Academy of Sciences Far East Division, Vladivostok, RUSSIA under bilateral collaborative program funded by Department of Science and Technology, Govt. of India 1-17 March 2012.

Awards honours

Received Commonwealth Academic Fellowship and visited the Marine Biodiscovery Centre, Department of Chemistry, University of Aberdeen, UK during 5 September to 30 November 2012 and worked on "A novel approach on bioprospecting for anticancer compounds and assessing chemical diversity of tropical marine organisms". Also visited Natural Products Metabolomics Group, Strathclyde Institute of Pharmacy and Biomedical Sciences, University of Strathclyde for carrying out part of the research work.

Under International Collaboration/Exchange Program visited Laboratory of Marine Bio-resources Sustainable Utilization, South China Sea Institute of Oceanology, Guangzhou, P.R. China, during 16-30 December 2012 and initiated collaboration on Biodiversity and Natural Products of Marine Fauna and Flora of China and India. Also visited School of Pharmacy, Jinan National University, Guangzhou.

Research Project Sanctioned:

For the 12th Plan (2012 - 2017) the research project entitled "Monitoring Harmful algal Bloom Dynamics and Algal Cyst Mapping Along the Indian Coast" has been sanctioned as part of the Monitoring and Modelling of Marine Ecosystems under the Marine Living Resources Program with the total cost of Rs. 110 lakhs.

UNIVERSITY HEALTH CENTRE, THIRUVANANTHAPURAM

(Phone No. : 0471-2306422 Extn. 315)

The Health Centre is utilising the services of 7 specialists for Internal medicine and Nephrology, Dermatology, Ophthalmology, ENT, Gynaecology, Dental, Psychology and 8 Medical Officers supported by 13 Paramedical Staff and Headed by the Hon. Director, Dr. Saroja Nair. The service of a permanent Nursing supervisor and Health Information Officer are also available.

This year a total number of 4120 students of various colleges attended the medical check up programme. On account of the repair of Health Centre, we have shifted to IMK buildings where there is not enough convenience for medical check up of students. As a result the medical check up is lagging.

A staff Health Clinic has been started and is running smoothly in the current year from 10.30 a.m. to 4 p.m. A total number of 1200 staff members utilised various facilities like consultation of doctors, check up of B. P., Tetanus injection, First aid etc. at the centre.

Nursing Supervisor and Paramedical Staff rendered their Service for the athletic meet conducted on 20-11-2012 to 22-11-2012 A medical check up for the staff arranged on 23-3-2012 148 Staff members attended the Camp. Tests for Liver function, Kidney function, Diabeties, BP, Cholestrol, Thyroid etc. were done in the camp. The results were assessed by the doctors and necessary prescription and medical advice were imported to the staff members.

Health information programmes like seminars and talks were arranged and conducted at Trivandrum, Kollam, Pathanamthitta, Alappuzha in 14 Colleges altogether. These programmes were conducted under the leadership of the Hon. Director along with the Health Information Officer and the Doctors of the Health Centre. Some other doctors from outside also put in their service. The topics covered under the programme are problems of adolescence, stress and strain, youth and healthy life style, life style diseases etc.

Health awareness classes for students couldnot be done due to the lack of space in the centre.

The staff and students are requested to avail the services of our clinical psychologist, for stress related and mental problems during speciality clinic timings.

Two meetings were convened for the smooth functioning of the centre. All the doctors and paramedical staff havee participated in the meetings.

1. BBA students achieved 100% pass result for the University Examination April 2012.
2. BSc Computer Science Student Kum. Sreekala S secured Second rank of the university examination April 2012.
3. M.Sc. students achieved 100% pass result for the University Examination April 2012.
4. Two M.Sc. Computer Science students and four B.Sc. Computer Science got campus selection and placement in various IT companies.
5. One day seminar on Investor Awareness and Entrepreneurial Development Programme was organised at the Institute sponsored by Institute of Cost Accountants of India in collaboration with Junior Chamber International Alappuzha Vembanad Lake City Chapter. Inaguration was by Smt. Mercy Diano, Municipal Chairman.
6. One day Seminar on Environmental Awareness was organised at the Institute in association with Kerala Forestry Department. Inaguration was by Shri. K. G. Rajan, Asst. Conservator of Forest, Social Forestry Division, Alappuzha.
7. 10 students from BBA, B.Sc. Computer Science and B. Com. Computer Application participated in Quiz competition organised by BSNL Connecting Youth Campaign.
8. Two students from B. Com. participated in Kerala University Power Lifting Champion and won first and second prizes.
9. Two BBA students had participated in Intercollegiate Elocution Competition organised by JCI in collaboration with English Department of St. Joseph's College for Women, Alappuzha.
10. Students of all classes celebrated Kerala Piravi and various cultural programmes were organised by them.
11. Utilisation of fund provided by the University of Kerala, for the purchase of Library books of Rs. 60,000/-
12. The Principal encouraged and insisted the teachers to make CD presentation in class rooms and also the preparation of teaching plan and lecture notes.
13. Frequent departmental and general staff meeting are organized for discussing academic as well as welfare activities of the students. Effort is also made for the evaluation of performance of teachers through self appraisal and also through students' evaluation.
14. Overall academic as well as personality development of students is achieved through the help and sincere involvement and group effort of students, teachers, office staff and mainly the overall help and co-operation of parents.
15. Every member of UIT Alappuzha Centre - Principal, Faculty Members, Staff and Students of all classes are given with UIT Identity Cards distinguished with different colours and seal of the institute.
16. As part of discipline of dress code, uniform has been introduced for 1st , 2nd and 3rd year BSc, B. Com., BBA & 1st and 2nd year M.Sc. Students.

Achievements/Events sponsored by PTA

1. Seminars were conducted related to career planning, IT under the sponsorship of outside educational agencies.
2. Students are given opportunities to participate in management games and Quiz competition organised in other colleges.
3. As a welfare measure all the class-rooms, Library, Office room Principal's Chamber, Computer Lab--Painting and repair work executed completely.
4. Class PTA of III, II and I year B.Sc., BBA, and B.Com., MSc II year, totalling 11 Nos, for the evaluation of the academic performance and achievements of students with 100% participation of Parents and Students on different dates.
5. Onam Celebration were organized and executed in grand manner. Various competitions were conducted and prizes were distributed accordingly.
6. Through placement cell students are provided opportunities to participate in various job fest.
7. Annual Merit Day Celebration was conducted at Municipal Town Hall, Alappuzha, cine artist Vinu Mohan as the Chief guest. On this occasion institute honoured the tope scores of each class.

The students are encouraged and motivated and also for developing self confidence by providing facilities to take classes, guidance for extra reading and also for conducting seminars of specific topics with their interest.

Attempts are also made to evaluate the teacher performance through self appraisal and students evaluation.

All these events were possible because of the sincere involvement and initiative taken by the Parent Teacher Association (PTA) of UIT Alappuzha Centre.

Finally, all these efforts and commitments and harmonioussinter personal relationship generated a peaceful and progressive academic environment.

The UIT Alappuzha is also exploring new avenues for academic achievements and modernization of welfare facilities.

Other Noteworthy events**Celebrations**

Onam was celebrated in the centre with much gaiety and enthusiasm. 'Athapookalam' competition was held. Sports day also celebrated in connection with Onam festival and the toppers were honoured.

UIT Fest:

UIT Fest, Quiz on IT and various cultural programmes were conducted for the students to help them to develop their creative capabilities.

Social Service

Various clubs like the Health Club, Nature Club, Red-ribbon Club and Library Club were organized. Gandhi Jayanthi was observed as 'service day' by cleaning the campus and the premises of High School. Blood donation camp were conducted.

Placement cell:

The placement cell gave an opportunity for the students to take part in the recruitment process of reputed organization like HDFC, Life Insurance, Vodafone etc. Students were sent for selection in WIPRO, INFOSIS etc.,

Study Tour

Study tours were organized for the 5th Semester students and they visited some Industrial Centres and IT Companies:

PTA

PTA meetings were regularly convened and the meetings held to improve the academic and disciplined atmosphere of the centre.

UNIVERSITY INSTITUTE OF TECHNOLOGY, NEYYATTINKARA CENTRE

Prof. N. Sadasivan Nair, Principal

The University Institute of Technology, Neyyattinkara Centre was started in 1995. This Centre offers two courses namely three year B. Sc. Computer Science and three year BBA course. 15

batches of students has passed out so far. Most of them are either employed or doing post Graduate courses.

The sanctioned strength for B.Sc. Computer Science is 45 and BBA is 55. Due to heavy rush for admission to BBA and B.Sc. Computer Science total seats for BBA has enhanced to 60. Lack of Infrastructure facilities seats for B. Sc. Computer Science could not enhanced. The total strength of the students of this Institution is 325. The strength of the Teaching Staff including Principal is 14 and Non-teaching staff is 12.

As in the case of previous years, this year also we have good result. Kum. Gayathri won 3rd Rank in BBA Examination and many students got placement First class.

Four Final year B.Sc. Computer Science students got placement in MNCS and some students are waiting for placement.

We have two N. S. S. unit. In addition to this Bhoomitra Club, Legal literacy club, Red Ribben club etc. are functioning very well.

Reporting year we conduct various Seminars and workshop.

Shri Palode Ravi MLA donated 12 Computers to the Computer Lab for Rs. 2.78,700/- from MLA Fund. College Development Committee also provided 10 computers. The University has done the electrification of the lab and the amount for the three phase connection and Air conditioning is also sanctioned by the University.

UNIVERSITY INSTITUTE OF TECHNOLOGY, KOTTARAKARA

Tel : 0474-2454224, 9447340332

Principal: **Prof. G. Yohannankutty**

Commencement of the Centre

The tenth centre of the UIT, Kerala University is located at the campus of the Government Vocational Higher Secondary School for Girls, Kottarakara. The University sanctioned to start two courses of study with BBA and BCA courses during the academic year 2010- '11 itself and the sanctioned strength for each course was 50. Adv. Smt. Aisha Potty, MLA was personally responsible for the inception of the Centre here. With the admission of the Third Batch of the students for the academic year 2010-11, the total strength of the centre rose to 280.

Education Profile-2011-12

The University was sanctioned two courses of study with BBA and BCA and the sanctioned strength for each course is 50. A computer club and Management club were opened to the students for conducting programmes based on their own subject of study. Monthly seminars, group discussion, we Talk (JAM) programmes are being conducted periodically, to strength each students communicative efficiency in English language.

The English daily "Business Line" was subscribed by all the students of BBA course since 2010. Elocution and Essay competition in English are held every year. Winners are given prizes at the Annual Day celebration. One literary club is functioning for students. Every year Onam, Christmas, and Annual Day celebration are held with great enthusiasm.

Examination Performance

As per University assessment, our students came off with flying colours, compared to exam. results of the other centres. In BBA 35 students scored high First class with 2 distinction and four failures. In case of BCA we have 2 distinctions and 26 First class and 3 second class.

The centre has 10 Contract Lecturers and 3 guest lecturers in various disciplines along with 6 employees on office staff.

With the timely assistance and encouragement from the University, and with the concerted efforts from all the related persons this centre would be capable of producing wonderful academic brilliance in the coming years.

UNIVERSITY INSTITUTE OF TECHNOLOGY, ADOOR CENTRE

Principal : **Prof. Rajan Alex**

The University Institute of Technology Adoor Centre is one among the Twelve self financing institutions running directly by the University of Kerala to provide facility for education in modern branches of studies. UIT Adoor Centre has been started in 1995. This centre offers two courses, BBA & BSc Computer Science. 15 batches of students have been completed their degree course and most of them are employed in private and public sectors. During the academic year 2012, seven students from BSc. Computer Science got campus selection in different IT firms at Trivandrum Technopark. Five students from BBA got selection in different Banks.

The total strength of the students of this institutions at present is 268. The present strength of the Teaching staff including Principal is 12 and that of non-teaching staff is 6.

UIT Adoor centre admitted 40 students in BSc Computer Science and 50 students in B. B.A during the present academic year 2012-2013. The commencement of the first semester was on 9th July. We convened a meeting of the staff, parents and students in which they were given an awareness about the new CBCSS syllabi.

The performance of our students in the last University exam was excellent. The percentage of pass in B.B.A was 76. We are proud to declare the result of the BSc Computer Science which crowned with 92%. The gifted students are encouraged and motivated by our gifted staff. Frequent department meeting are held for planning and discussing the academic matters.

Seminars were conducted in the college on different subjects. The following chart gives the details of the seminars.

<i>No</i>	<i>Subiect</i>	<i>Authority</i>	<i>Date</i>
1	English Language and modern method of communication	Prof. Rajan Alex Principal UIT Adoor	20-07-2012
2	IT in Management	Time	9-08-2012
3	Marketting	IHRD	10-10-2012
4	Banking	SBT Adoor	21-11-2012

The involvement of the parents teachers association is remarkable.

The institution celebrated Onam, freshers day, Gandhi jayandhi and Christmas . All students were whole heartedly participated .

The teachers and students conducted a study tour to Thenmala as a part of crriculum.

With the timely assistance and encouragement from the University I do hope that this centre is efficient enough to guide the students in proper way.

The sincere co-operation of the staff members of UIT Adoor helped to maintain a healthy accademic atmosphere in the campus.

CENTRE FOR GEO- INFORMATION SCIENCE & TECHNOLOGY

Director : **Dr. V. Prasannakumar**

The Centre for Geo-Information Science and Technology is a joint venture of the University of Kerala, DST - Government of India and KSCSTE. The mission is to develop advanced capability (including infrastructure and trained man power) in spatial information science to meet the technical, socio-economic and administrative requirements of the State. This is expected to achieve through capacity building and development of pilot scale web based geoinformation service, which are the ongoing activities of the centre. In the year 2012 the centre has been elevated to an Inter University Centre of Excellence in Geospatial Science and Technology.

Courses offered : Post Graduate Diploma in Geo Information Science and Technology,
Ph. D

Strength of Students as on 31-12-2012

Name of Courses	Male	Female	Total
Post Graduate Diploma Course	6	4	10
External students	8	-	8

Extension Activities

1. Extended practical training in GIS to the Applied Geology Postgraduate students of Department of Earth Sciences, Annamalai University.
2. Extended practical training in Digital Image Processing GIS to the Applied Geology research scholars of Department of Earth Sciences, Annamalai University.

A very brief report of the participation of Teachers in Conferences/Seminars etc.

Vineetha.P participated and presented a paper on "Spatio Temporal Urban Landuse Analysis of Kazhakuttom Panchayat" in the National seminar on Geospatial Technology Developments in Natural Resource and Disaster Management organised by Manonmaniam Sundaranar University, Centre for Geotechnology Tirunelveli on 23&24 February 2012.

Dr. V. Prasannakumar, Director of the centre, Participated in the UNESCO- International Geological Correlation Programme (IGCP 580) on Applications of Magnetic Susceptibility on Paleozoic rocks at Graz, Austria in June-July 2012 and gave a key note address. Visited the Faculty of Civil and Geodetic Engineering, Technical University, Munich and gave a talk on "Reactivated shearing and

South Indian crustal evolution” Participated in five day’s field work in Carnic Alps, Italy and Austria, as a part of the UNESCO-IUGS sponsored IGCP programme on Applications of Magnetic Suceptibility on Paleozoic rocks.

Research activities - Ongoing projects

CENTRE FOR AUSTRALIAN STUDIES

Director: Dr. Maya Dutt

Australian studies provides the opportunity to explore Australian history, culture and society, including a wide range of concerns such as indigenous issues, environment, gender identity and politics as well as the shaping of cultural icons and institutions. It also explores Australian literature in an international context. Australian studies serves to create a new and deep awareness between Australia and India, their peoples and cultures, since the geographical and historical contact between the two nations stretches back to thousands of years. The year 1991 proved to be a turning point in Indo - Australian relations at a higher, totally different plane, adding more to the tapestry of the bilateral relationship.

It was at this juncture that the Centre for Australian Studies at the Institute of English, University of Kerala was established on 25th September 1996, under the dynamic leadership of Dr K. Radha, Professor and Head, Institute of English. It was a historical moment in the history of Australian studies in Asia, since it was the first centre of its kind in South Asia. Dr K. Radha, the founder - director of the Centre for Australian Studies, had been by then selected as the Asian Vice President of AASA (The Asian Association for the Study of Australia). Dr N. Babu, the Vice - Chancellor, inaugurated the activities of the Centre at the function held at the Senate Chamber and Sri T.K. Ramakrishnan, Minister for Cultural Affairs was the Chief Guest. Dr Cynthia vanden Driesen, the Australian Vice President of AASA, delivered the Key note address. Sri. M. Saliyu, the Pro Vice Chancellor, Dr K. Ayyappa Panikkar, Dr K.V. Devadas, Sri. V.S. Hareendranath and Dr P.K. Rajan offered felicitations. Papers were presented by Dr J. V. Vilanilam, Dr Alexander Jacob and Dr. M.K.C. Nair.

In 1997, the Centre was chosen as the venue for the Inaugural International Conference of AASA, titled "Creative Configurations: The Expanding Australian Experience", on 16 - 18 January. The Conference was inaugurated by Mr. Darren Gribble, His Excellency the Australian High Commissioner to India. The Centre organized a Lecture programme by Dr Paul Sharrad, University of Wollongong on 15th December 1997 and the session was chaired by Dr P.K. Rajan, Professor, Institute of Distance Education, University of Kerala. A Regional seminar on "Man and Environment in Australian Literature" was organized on 17 -18 March 1999 and the Key note address was delivered by Dr K. Chellappan, Bharatidasan University, Tamil Nadu. Centre for Australian Studies, Institute of English conducted a National Seminar on "Writing the Subaltern: Gender, Ecology and Ethnicity", on 20 - 22 March 2000. An International Conference of AASA was jointly sponsored by Centre for Australian Studies and held at Mar Ivanios College, Thiruvananthapuram, on 9 - 11 July 2004. The activities organized by the Centre for Australian Studies, Institute of English, University of Kerala, during the period 1997 to 2004, proved to be immensely beneficial for research scholars, teachers and students of different colleges and a considerable number of scholars obtained their Ph D degree in Australian literature.

As one of the premier Research Centres in English Language and Literature in South India, the Institute of English considers the revival of the Centre for Australian Studies as part of an endeavour in popularizing Australian literature exponents to the scholars in Asia - Pacific region. As part of this, a Regional Seminar is planned in February 2013, the proposal for which will be sent to the University shortly.

CENTRE FOR EDUCATIONAL TECHNOLOGY

Hon. Director, Dr. Theresa Susan A., Head, Dept. of Education

A concise report of the activities of the Centre for Educational Technology, Department of Education enlisting the major activities of the Centre for the academic year 2012 is being submitted for inclusion in the University Annual Report 2012. The Centre for Educational Technology from the very day of its inception had been in an effort to keep the teacher education community abreast with the latest trends in the field of Educational Technology. Though the prime emphasis is laid on Educational Technology. The general trends in the field of evolving science and technology too is kept in focus. The Centre had decided to improve its functioning by extending its support to researchers in the field of Educational Technology and its related areas. It was also decided that the Centre should have a journal of its own as a tool for propagation of the latest in the field of communication and educational technology to all members, teaching and learning, of the education community. With these aims the Centre for Educational Technology set out its activities in the following areas.

Consultancy Services

The Centre for Educational Technology provided consultancy for those M.Ed, M. Phil. and Ph. D. scholars within and outside the University engaged in the preparation of technology supported teaching – learning materials and interactive packages.

The Hon. Director of the centre in consultation with several experts prepared the main frame of the Educational Technology syllabus for the M. Ed. Course scheduled to come into operation from 2013 session onwards.

The CET collaborated with the research Oriented programmes of the NGO ‘Researchers Guild of Innovations’ spearheaded by Dr. K. R. Sivadasan, formerly Professor of Educational Technology, Department of Education, University of Kerala

Discussion Forum

The Centre in its efforts to strengthen the research in the field of Educational Technology brought together researchers from the Department of Education and other centres of research under the Kerala University to engage in informal discussions among themselves and with certain visiting and available experts in the field on the possibilities and challenges of incorporating technology in the field of Education. The Centre is indebted to eminent scholars and senior Professors like Dr. M. A. Sudhir, Dr. S. Krishnan, Dr. Karpaga Kumaravel, Dr. A. Sukumaran Nair, Dr. K. R. Sivadasan, Dr. Achuthsankar S. Nair to name just a few and collaborating organisations like Escube Technologies, CACEE – University of Kerala, Trinity Institute of Networking Technology, C Cube foundation and AIRIO for directly or otherwise extending assistance to the Centre.

Proposed Journal of Educational Technology

The idea of starting a research journal had surfaced time and again as a need of the hour for sharing the ideas of the Centre regarding the latest trends in the field of Education Technology. The Centre held a meeting under the chairmanship of the Hon. Director with all its well wishers to seek the opinion of the teacher community on the scope and relevance of such a research journal in the light of umpteen journals and research publications presently available. The gathered were of the opinion that the Centre must have a journal solely for the cause of Educational Technology and should through it, justify its efforts to the scholarly community. Some scholars were also of the opinion that such a journal could prove to be an asset to those pursuing research in the fields relating to Educational Technology.

Online Support and Media Library

Taking into account the speed of developments in the field of Science and Technology the Centre had contemplated the scope of the Centre functioning as a nodal centre for providing Online support to researchers and students in the field of Educational Technology and related fields. The research scholars who had recently presented their research volunteered to provide their research thesis and research tools to a media centre if such a facility could be opened at the Centre for Educational Technology, Department of Education. This in addition to the support it would provide to the budding researchers would also avoid any repetition likely to occur in the field of research. For this purpose the Centre had chalked out a proposal and submitted to the staff council to be forwarded to the University and to the Government for the necessary sanctions and adequate funding.

Representation in Seminars and Academic Events

The Hon. Director, CET participated as a resource person in a ‘*Whet Workshop for Finalising the E-Content an Adolescent Health Education Package*’ jointly organized by SPACE and Curriculum Development Centre, Dept. of Education from 12th October to 13th October 2012. Dr. Theresa Susan had been the General Convenor of the UGC sponsored National Conference on “*Mahanama Madan Mohan Malaviya: A Great Visionary Educationalist of India*” on 19th and 20th of November 2012 at the Department of Education, University of Kerala. Also participated in the National Seminar on “*Multi disciplinary Approach to Disability Management*” organized by the Centre for Disability Studies, Government of Kerala.

Talks and Workshops

The Centre for Educational Technology, Department of Education organized a One Day Workshop on Internet Usage, Online Security and Ethics on 13th February 2013. This workshop aimed to bring about an awareness among the student teachers and research scholars on various issues pertaining to the safe and ethical use of internet. The workshop was treated with much enthusiasm by the student population and enabled the learners to understand the secrets of safe internet

usage. The participants also developed strategies to impart this knowledge to the students in high schools. Among the other activities planned for the year but failed to be executed, due to several constraints, was a National Seminar. The plan to reinstall the language lab too was put on hold owing to insufficient funding. The Centre hasn't received adequate funding from the university and had to operate on advances made by the director. The request for basic furniture and two computers for the Centre too were not met by the University. Had these inadequacies been corrected, the Centre would have been able to function more effectively.
