INTRODUCTION

Yet another significant year passes away adding to the history of this great University which had completed 75 glorious years, since it was established. Our University which was established on 1st November, 1937 as the University of Travancore through a royal promulgation of His Highness Shri Chithira Tirunal Balarama Varma, the last Maharajah of the erstwhile princely state of Travancore, has been the Alma-mater to several lakh people. The University, which was later renamed “University of Kerala” in 1957 after the formation of the State of Kerala, has moulded millions of students into professionals.

Our University has been at the forefront of the renaissance of the Kerala Society since its establishment and had a strong and proud tradition of producing very eminent scholars, administrators and scientists. It is to be noted with pride that Dr. K. Radhakrishnan, Chairman, ISRO, who steered India’s great mission to Mars “the Mangalyan”, which made history as Asia’s first machine to reach the red planet, is an Alumni of our University. This achievement is of considerable significance as it has made India the first country to succeed on its first attempt, where leading nations have failed.

Our University has a long tradition of being a Centre of Quality and Excellence in the field of imparting education, research and innovation in the country. As a step towards ensuring quality and proving it locally and globally, hectic preparations were undertaken for NAAC Accreditation. The draft Self Study Report(SSR) was prepared and forwarded to NAAC, Bangalore, during the month of August, expecting the visit of NAAC during the month of January, 2015.

The year also saw significant international collaborations and exchange programmes being undertaken by the University. Students from affiliated colleges and University departments were selected for studies in various European University under the EMINTE (Erasmus Mundus - India to Europe) scholarship funded by European Union. Another important achievement was the implementation of Credit Transfer through admission of 13 American students to the University for a semester of study. This marks a new chapter in the internationalization of the University of Kerala and it is also the first in the state and perhaps, first among the state Universities in India. The programme has been noticed internationally and praised by world-renowned scholars.

The adoption of two important policies of Intellectual Property Policy, aimed at promoting innovations and the Green Charter, aimed at enhancing our eco-friendliness were significant achievements during the year.

The focus of University education today must be to improve the quality of teaching and learning, ensuring that students who enter the University system have access to the best possible higher education.
Quote:

“Education in our times must try to find whatever there is in students that might yearn for completion and to reconstruct the learning that would enable them autonomously to seek that completion”.

Allan Bloom (1930-1992)

The University education and the mode of learning whilst at University, will need to prepare students for entry into a world of employment that is characterized by greater uncertainty, speed, risk, complexity and interdisciplinary working. Students will have to be equipped with appropriate skills, knowledge, values and attributes to thrive in such an environment. There is a strong need to build and create knowledge together with an understanding of working life and reformulate the concept of knowledge in learning situations. Tighter connections with working life through different academic projects provide authentic opportunities to learn both generic and professional competencies, as well as build pathways for employment.

The 21st century teachers promoting, quality teaching should have the “five Es” of an excellent teacher: education, experience, enthusiasm, ease and eccentricity. A teacher’s knowledge base should not be restricted simply to his or her own subject, but should go beyond. Innovation can be one of the main drivers of quality teaching improvement when supported at institutional level. It is for teachers to promote and encourage experimentation and innovations in teaching practices, while recognizing that failed experiments are also important in learning opportunities. Also, teachers today have to foster exploratory approaches in teaching.

To conclude, University education today needs to ensure that education offered meets the expectation of the students and the requirements of employers, both today and for the future.

VICE CHANCELLOR

A BRIEF HISTORY OF THE UNIVERSITY

The University of Travancore, which later became the University of Kerala, was established in 1937 by a promulgation of the Maharaja of Travancore, Sri Chithira Thirunal Balarama Varma who was also the first Chancellor of the University. Sir C. P. Ramaswamy Aiyar, the then Diwan of the State, was the first Vice-Chancellor. It was the sixteenth University to be set up in India and ten colleges within the State of Travancore which were affiliated to the Madras University became the affiliated colleges of the University of Travancore.

In 1957, the Kerala University Act, Act 14 of 1957, was brought into force and the University of Travancore was renamed University of Kerala. The University had three campuses located in Thiruvananthapuram, Ernakulam and Kozhikode. In 1968, the University Centre at Kozhikode became a full-fledged University covering the Colleges and Departments located in Thrissur, Palakkad, Kozhikode and Kannur Districts of Kerala. The Cochin University of Science and Technology and the Kerala Agricultural University were set up in 1971 and in 1983, the Mahatma Gandhi University was established. With the establishment of these Universities, the area of the jurisdiction of the University of Kerala has been limited to Thiruvananthapuram, Kollam, Alappuzha Districts and some parts of Pathanamthitta District.

There are 214 affiliated colleges. Of these, 90 are Arts and Science colleges. They include 12 Government Colleges, 37 aided and 41 unaided institutions. There are six Law colleges (1 Government, 1 Private and 4 unaided), 43 Engineering colleges (of which two are Government Colleges, one is aided and 39 are unaided), 2 Architecture Colleges (unaided), 50 Teachers' Training Colleges (one Government, six aided and 43 unaided), two Fine Arts Colleges (Government), one Music College (Government), one College of Physical Education. Besides these, there are seventeen affiliated institutions conducting two year full time MBA course (one government in existing Government Engineering College), one aided (in existing aided Engineering College), and 15 self financing. (out of which 5 are in existing unaided Engineering College), Nine colleges offering MCA. (1 government in existing Government Engineering College) 1 aided (in existing Engineering College) and 7 Self financing (out of which one is in existing Arts and Science College and 2 in existing unaided Engineering Colleges) and four unaided Hotel Management and Catering Technology Colleges, one college of Special Education (unaided). The University College of Engineering in Kariavattom Campus offers B. Tech. in Information Technology, Computer Science & Engineering and Electronics & Communication Engineering.

The University Departments offer a wide range of teaching and research at post-graduate, M.Phil. and Ph.D. levels. The courses in the Departments are conducted in the Credit and Semester System, while the Post Graduate courses in affiliated colleges follow the Semester pattern. The 42 departments have now been reorganized into eleven schools. University has revamped the under graduate stream by introducing the Choice Based Credit and Semester System in the affiliated colleges. At present, about 32 Colleges offer post graduate teaching programmes. Some of the affiliated colleges offer M. Phil. courses and some have been recognized as research centres. The University has also recognized a number of other institutions as research centres.

The University's Colleges of Teacher Education (launched in 1990-91), offer B. Ed. and the 14 University Institutes of Technology offer courses like Computer Science, Electronics, Business

Administration, Computer Application etc., Two UIT centres conduct M. Sc. Computer Science and one UIT offers MBA.

The Institute of Distance Education which has been shifted to the Senate Hall Campus in 2012 offers courses in subjects like Computer Science and Computer Application, besides the traditional degree and post - graduate courses. With the abolition of Private Registration at the post-graduate level, the Institute of Distance Education now offers all the PG courses which were once offered through private registration.

In addition to the Departments of teaching, the University also has several centres for studies and research in special areas. The International Centre for Kerala Studies, the Centre for Canadian Studies, the Centre for Australian Studies, the Centre for Comparative Literature, Sree Narayana Study Centre, Centre for English Language Teaching, Centre for Vedanta Studies, V.K. Krishna Menon Study Centre, Centre for Gandhian Studies, Centre for Women's Studies, Centre for Systems and Synthetic Biology, Centre for Bioinformatics and Centre for Performing and Visual Arts are some of the centres functioning under the University.

The Academic Staff College, set up with UGC aid, offers orientation and refresher courses to the teachers in affiliated colleges. It has been rated as the best in the country.

The Kerala University Library, established in 1942, has over 3 lakh books and over 1000 bound volumes of journals. It is a depository of UN and World Bank publications and provides access to over 9000 on-line journals. The Campus Library at Kariavattom also offers similar services. The Oriental Research Institute and Manuscripts Library, which has an invaluable collection of rare and precious manuscripts, has been made the State Nodal Agency for the preservation and documentation of manuscripts. A Digital Heritage Archiving Centre also functions in the Library.

The Department of Publications, one of the oldest Departments of the University, has brought out a series of glossaries in science subjects, popular science books and translations of classics. The five volume *Kerala Sahitya Charithram* written by Mahakavi Ulloor S. Parameswara Aiyar and the series *Sahithya Nayakanmar* (Men of Letters) are some of the most prestigious publications of the Department. The *Chitra Ramayana*, based on palm - leaf manuscripts, is another notable publication. The University has also published the first ever complete English translation of *Hortus Malabaricus*, the classical treatise on the plant wealth of Asia and the tropics, in 2003. Its Malayalam version was published in 2008.

The eight volumes of the proposed eleven-volume *Malayalam Lexicon* have been released so far. The University has been publishing since 1946, the *Journal of Indian History*, a significant publication on historical studies and research. The first e-book Swathi Tirunal's 'Bhakthi Manjari' was published in 2013.

The Department of Physical Education has gifted to the country outstanding sportsmen and women. The University was the first in the state, to have a synthetic track. The construction of a new Stadium with governmental support in Kariavattom is also in progress. The establishment of the Lakshmibai National College of Physical Education at Kariavattom, managed by the Government of India, is another landmark in the history of the University. Another significant development is the starting of several short term courses like TV News reading, Functional English etc., in the Centre for Adult Continuing Education and Extension. The CACEE received the UNESCO - NLM award for Literacy in 2005.

During 1997, the University celebrated its Diamond Jubilee. The celebration involved the starting of new teaching Departments and setting up of the International Youth Hostel at Thiruvananthapuram.

On 28th December 2000, the University conferred the Honorary Degree of D. Litt. on Nobel Laureate Prof. Amartya Sen. The other scholars honoured recently through the conferment of honorary degrees are Dr. K. J. Yesudas and Dr. Laurie Baker (2003), Prof. ONV Kurup (2007), Dr. G. Madhavan Nair (2007) and Shri. Justice K.G Balakrishnan (2008), Shri. Adoor Gopalakrishnan, Shri. Mammooty and Shri Umayalpuram K. Sivaraman (2010).

The University's Web site www.keralauniversity.ac.in offers several services like downloadable application forms, question papers of past examinations, free resource links, on line catalogue on Library etc. The daily press releases and results of examinations are published on the site and the touch screens at the PR wing. The University also issues Degree Certificates with Hologram with over 112 security features. The System for Automated Governance of Examination (SAGE) developed by the Computer Centre, is a unique facility which has enabled on-line registration and e-payment for examinations. The on-line degree verification system and the new examination and portals are also the contribution of the Computer Centre. These efforts have won laurels in the form of widespread appreciation and the State Government's award for e-governance.

The University of Kerala has widened its horizons by entering into academic cooperation with some foreign Universities like Valladolid of Spain and Claremont of the United States of America. The UGC has identified the University as one of the 26 institutions selected for promotion of India Studies by foreign students. The National Assessment and Accreditation Committee has placed the University at the B++ grade. In 2006-07, the University organised the *Suvarnakeralam* celebrations, to mark the Golden Jubilee of the formation of the State of Kerala. As part of the Malayalam Conference, the University instituted an annual award of Rs. 50,000 for the best Ph. D. thesis in Malayalam. The University also hosted the 97th Indian Science Congress. The Government of Kerala has set up an Inter-State Centre of Excellence in Computational Biology and Bioinformatics at the Centre for Bioinformatics of the University.

In connection with the Platinum Jubilee Celebrations several development and academic activities had been initiated during the Jubilee year. Developmental activities include an Amenity Centre in the Senate House Campus and Platinum Jubilee memorial Academic Block in the Kariavattom Campus are under construction. Several International/National seminars and conferences have been carried out by the University departments and affiliated colleges. WiFi connectivity has been installed in the Palayam and Kariavattom Campus of the University.

3. B.Voc. Degree Programme

As per the letter from the Chairman, UGC, colleges were instructed to submit proposals for the Bachelor of Vocation (B.Voc.) Degree Programmes. The UGC has approved the proposals for starting B.Voc. Degree Programmes in Software Development and Tourism and Hospitality Management of Mar Ivanios College, Thiruvananthapuram and St. Michael's College, Cherthala. Accordingly the UGC has sanctioned an amount Rs.1.85 crores for each college for a period of three years for running the programmes.

4. Autonomous Status to Colleges

The University has forwarded the applications for granting autonomy of three colleges, viz. 1. University College, Thiruvananthapuram 2. Mar Ivanios College, Thiruvananthapuram and 3. Fatima Mata National College, Kollam., recommended by the Government of Kerala. After completing the processes, the UGC has already granted autonomous status to Mar Ivanios College and Fatima Mata National College, Kollam.

5. Appointment of Substitute Lecturers in the FDP deputation vacancy

An important task of this section is the work relating to the appointment of substitute lecturers in the deputation vacancies of teachers who were awarded Teacher Fellowship under the Faculty Development Programme of the UGC. During the year, the section could facilitate the appointment of 57 Substitute Teachers in the FDP deputation vacancies in various colleges.

6. Post-Doctoral Research Award

Another venture undertaken by the CDC Section is the work relating to the UGC Research Award to the college teachers, including payment of Research Grant and reimbursement of salary grant released by the UGC. During the current year two teachers of Christian College, Kattakada and Sree Narayana Training College, Nedunganda, have been selected for the UGC Research Award, each for a period of two years and they have joined the University Departments of Botany and Education respectively.

7. P.G. Monitoring Committee

The University Level Monitoring Committee on P.G. Programme under the semester system has been constituted for the monitoring, supervising and conducting P.G. semesterisation in affiliated colleges. The committee consisting of the Pro-Vice-Chancellor (Chairman), Director, CDC (Convenor), syndicate members, academics and officers of the University made several recommendations relating to the examination and academic matters of the P.G. Programmes. Individual cases of P.G. students were dealt with by the Committee. The CDC section is entrusted with the convening and related works of the P.G. Monitoring Committee. Three meetings of the Committee were held during the year 2014. Calendars of events for the P.G. Semester Programmes for the academic years 2014-15 were prepared and submitted to the Committee for consideration.

8. M.Phil Monitoring Committee

The section also convenes the M.Phil Monitoring Committee which deals with issues concerning the conduct of the M.Phil programme in the University departments and the various departments of University College, Thiruvananthapuram. The Committee consists of Pro-Vice-Chancellor (Chairman), Director CDC (Convenor), Syndicate members and the Academics. Six meetings of the Committee were held during the year 2014. Calendar of events for the M.Phil Programmes for the academic year 2014-2015 was prepared and submitted before the Committee for consideration.

9. All India Survey on Higher Education (AISHE)

The work relating to the All India Survey on Higher Education (AISHE) is entrusted to the CDC section. Data regarding various parameters such as basic information, student enrolment, staff strength, Examination results, financial information etc. were collected and consolidated for uploading the same in the portal developed by MHRD. Colleges were advised to appoint Nodal Officers for the purpose of collecting and uploading data at the college level and a workshop was also conducted as part of the survey for imparting training to Nodal Officers of the affiliated colleges for uploading the data regarding the colleges concerned. The University data for the academic years upto 2013 – 14 were uploaded. The University Level All India Survey on Higher Education Cell has been constituted for Monitoring the exercise. Two meetings of the Cell were held during the year 2014.

II. Planning C Section

The Planning C Section, under the supervision of the Director, College Development Council deals mainly with the Faculty Development Programme (FDP) of the UGC, which provides an opportunity for the teachers of affiliated colleges under 2(f) & 12 (B) of the UGC Act, 1956 to pursue their research activities leading to the award of M.Phil./Ph.D. degrees. In the current year also our efforts in this directions enabled many teachers to avail themselves of the benefits of the programme.

The Section *organized* a series of interviews for making appropriate recommendations to the UGC for the award of FDP. In this year 49 teachers from various colleges of the University were recommended for the award of teacher fellowships. The college-wise number of selections made in 2014 is denoted (in parenthesis) below:

FINANCE

The Finance, Audit and Accounts Wing of the University function under the direct control of the Finance Officer as per the provisions contained in the Kerala University Act and Statutes.

The Finance sections mainly attend to the work relating to the preparation of Budget, service matters of University employees, pension, providing advice on financial matters, realization of grants in aid from State Government, UGC, Government of India and other funding agencies, mobilization of revenue, Review of various projects under implementation. These sections monitor the recurring and the non recurring expenditure in accordance with the Rules and Regulations of the University and ensure a Budgetary Control System.

The Audit Sections attend to the pre-audit of bills. Such pre-audit system helps to avoid irregular/excess payments and to ensure that the payments are within the limits prescribed by the budget and norms are complied.

The Out-audit sections attend to the clearing of audit objections raised by the Government Auditor and the Accountant General. They also conduct internal audit of accounts of departments and affiliated colleges.

Finance Inspection Wing inspects various departments and centres and verify Accounts and connected documents/registers. They also give necessary directions to the concerned regarding maintenance of various registers etc.

Revenue Audit section makes the revenue collection intense and the expenditure control effective. Close contact has been established with the college authorities to compel them to settle the special fees accounts in time. Effective functioning of the Revenue Audit has brought about the desired results. Constant contact with the colleges has been continued this year also.

The Accounts Sections are responsible for the maintenances of accounts of Receipts and Expenditure. Accounting functions relating to daily classification, monthly classification, consolidation of receipts and expenditure are also handled and registers thereon maintained by various sections in the Accounts branch. The Annual Accounts of the University are compiled from these registers. The Account sections also maintain accounts relating to PF FBS, GWS etc. and of various loans and advances sanctioned to the University employees. Preparation of proforma accounts for submission to Government Auditor for issuing Utilization certificates to the sponsoring agencies is also attended by this wing.

Cash sections under the Finance Branch are grouped into receipt and expenditure sections. Cash Receipt sections collect all items of receipts by way of cash/demand drafts and deposit them into the Kerala University Fund. Cash expenditure sections effect payment as per bills passed by audit sections.

Efforts are being made to computerize the entire accounting functions.

THE CELL TO COMBAT SEXUAL HARASSMENT

Chairperson : **Dr. G. S. Jayasree**

Convener : **Mrs. S. Syamala**

In the year 2014 the government enacted a new bill on sexual harassment at the workplace, changing many of the conditions of the earlier set of rules. As a result *Shakti*, the Handbook on Laws Relating to Women, prepared by Dr. Bismi Goplal Krishnan, Assistant Professor, Department of Law, University of Kerala, had to be thoroughly revised. Prof. N K Jayakumar, former Vice-Chancellor of NUALS, reviewed the revised edition and was kind enough to write an Introduction, elaborating the concepts contained in the book. With the financial support from the University, 3000 copies of this book were printed and made available free to the faculty, staff and students of the university. As we received

requests from the public for copies, the book was made available to the Government Secretariat, K S E B and so on.

In the year 2014, we received 1 written complaint and 4 oral complaints where the victims were unwilling to commit themselves to writing. One oral complaint was withdrawn subsequently. Suitable action as stipulated by law was taken in all the complaints.

Monitoring Harmful Algal Bloom Dynamics and Algal Cyst Mapping Along the Indian Coast, Ministry of Earth Sciences, Govt. of India, (Principal Investigator: Dr. K. Padmakumar).

Multi-institutional Research Project on "Biodiversity, DNA Barcoding and Phylogeny of Commercially Valuable Marine Molluscs of India" supported by Department of Biotechnology, Govt. of India (Project Period: 2011-2014). (Total: 70.76 lakhs; d

Share of Dept. 24.28 lakhs). (Principal Investigator: Dr. A. Biju Kumar).

Translational research project on “Standardization of technology for rural cage culture with indigenous brackishwater fishes” funded by the University of Kerala. (Principal Investigator: Dr. R.B. Pramod Kiran)

Meetings Attended:

Dr. K. Padmakumar

1. As a member of Kerala Coastal Zone Management Authority attended various meetings of the authority. Conducted inspections with regard to violations along the coastal regions in Kerala.
2. Conducted viva voce examination of M.Sc., Environmental Sciences at the Central University of Kerala, Kasaragod during 7 May, 2014.
3. Attended Research Advisory Committee of the Marine Living Resources Program, Centre for Marine Living Resources and Ecology, Ministry of Earth Sciences, Kochi on 17 May, 2014.
4. As a subject expert for the recruitment of Lecturer in Animal Science, Central University of Kerala, Kasaragod during 3-4 July, 2014.
5. Attended the meeting of the Board of Studies in Zoology, Calicut University, Kozhikode on 16 July, 2014.
6. Conducted examination evaluation of M.Sc., Environmental Sciences at the Central University of Kerala, Kasaragod during 23-24 October, 2014
7. Attended VIIth Governing Body Meeting MALABAR BOTANICAL GARDEN SOCIETY held at Thiruvananthapuram on 29th October 2014
8. Member of the Award Selection Committee for deciding the Dr. M. Deveraj Memorial Award for Best Paper and the 6 Young Marine Biologist Awards in the International Symposium, Marine Ecosystems Challenges and Opportunities-2, held during 2-5th December 2014 at Kochi.
9. Attended Research Advisory Committee of the Marine Living Resources Program, Centre for Marine Living Resources and Ecology, Ministry of Earth Sciences, Kochi on 23 December, 2014

Externally Funded Research Projects

Dr. G. Muraleedhara Kurup

1. Biocomposite based orthopedic implants from shrimp waste and marine algae – Department of Biotechnology, Govt. of India, sanctioned the above project on 29/09/2012 with a project cost Rs.47.712 lakhs. Status – ongoing.

Dr. A. Helen

1. Studies on the molecular mechanism of anti-inflammatory activity of the active principle of *ryza sativa* Linn. (Njavara) in various inflammatory models. .” No. F.40-196/2011(SR) dt. 5.7.2011 sanctioned an amount of Rs.11,47,800/- funded by UGC, New Delhi on July 2011 Status : Ongoing.
2. An investigation on the effect of natural anti-inflammatory agents on Toll-like receptors (TLRs) signaling pathway in ox-LDL activated human monocytes. U.No. Ad.F1/1320/2013 sanctioned an amount of Rs.14,70,000/- funded by KSCSTE, Thiruvananthapuram on July 2013. Status : Ongoing.
3. Project entitled “Anti or Pro-inflammatory Effects of Dietary Pulses” funded by ICMR , New Delhi, Sanctioned vide file no. 5/9/1106-NUT dated 6.05.2014 an amount of Rs. 24,52,800/- STATUS : in process.

Dr. Saja. K

1. UGC-BSR Start-up Grant. Title: Expression of adisintegrin and metalloproteinase with thrombospondin motifs 4 (ADAMTS-4) in high fat fed mice. Amount: 6,00,000. Duration: 2014-16.

Dr. P.G. Biju

1. UGC-BSR Start-up Grant, [UGC Letter No. F.30-25/2014(BSR), dated 02-08-2014]. Title: Endotoxin-Induced Acute Inflammation Dampening by *Mollugo cerviana*: Molecular Investigation of Adenosine Receptor A2A and A2B Subtype Involvement. Amount: 6,00,000. Duration: 2014-16.

Dr. Annie Abraham

4. Sasikala V, Gayathri Devi V and **Annie Abraham**. Cytoprotective role of Moringa Oleifera leaves against selenite induced oxidative stress in lens epithelial cells. International seminar on 'Recent

- Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Poster**)
5. Dhanya CR, Jaishree, Sri Sivakumar and **Annie Abraham**. Toxicity evaluation of layer-by-layer assembled polymer encapsulated lanthanide doped particles in L929 mouse fibroblast cell line. National seminar on 'Recent approaches in biochemical research' organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014 (**Poster, Best poster award**).
 6. Dhanya CR, Sri Sivakumar, Jaishree and **Annie Abraham**. Biocompatibility and *in vivo* toxicity assessment of multilayered polymer encapsulated lanthanide doped particles. ACRB young Scientist Award category, in the International Symposium : Infection and Cancer at the 32nd Annual Convention of Indian Association for Cancer Research, at the Dr B.R Ambedkar Center for Biomedical Research, organized by University of Delhi, 13- 16th February 2013 (**Oral presentation**).
 7. Dhanya CR, Sri Sivakumar, Jaishree, Janeesh PA and **Annie Abraham**. *In vitro* hemocompatibility studies of layer-by-layer assembled polymer encapsulated lanthanide particles in human blood. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Oral presentation**).
 8. Dhanya CR, Sri Sivakumar, Jaishree, Janeesh PA and **Annie Abraham**. *In vitro* cellular toxicity studies of polymer encapsulated lanthanide particles in lung cancer cell line (A549). National Level Conference on Computational Biology, Pharmaceuticals and Life Sciences, at Maharani Lakshmi Ammani College for Women, DBT-BIF center, Bangalore, 23-24 Nov 2012 (**Oral presentation**).
 9. Soumya M.S. and **Annie Abraham**. Symmetrical diiodinated squaraine as an ideal candidate for PDT applications. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Oral presentation**).
 10. Soumya M.S. and **Annie Abraham**. A study on the toxicity and photodynamic effects of Symmetrical Diiodinated Squaraine on experimental models. 25th Kerala science congress held at Techno park, Trivandrum- January 2013 (**Oral presentation**).
 11. Soumya MS, Suresh Das and **Annie Abraham**. Photodynamic therapeutic efficacy of symmetrical diiodinated squaraine on experimental cancer models. National seminar on 'Recent approaches in biochemical research' organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014 (**Oral presentation, Best paper award**).
 12. Janeesh P.A, Sri Sivakumar, Haider Sami and **Annie Abraham**. Cytotoxicity study of Poly- L - Lysine nanocapsules in monocytes cells. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Poster**).
 13. Janeesh P.A, Sri Sivakumar, Haider Sami and **Annie Abraham**. Layer by layer (LbL) assembly of Poly- L-Lysine nanocapsules and its immunomodulation study in Human Monocytes. The India-Israel Meeting on Materials Sciences and Nanosciences (IIMMN), at Centre for nanoscience and nanotechnology, M.G. University, Kottayam, Kerala, India. January 31st to February 1, 2013 (**Poster**).
 14. Janeesh P.A, and **Annie Abraham**. Robinin Modulates TLRs/NF-8B Signaling Pathway in oxidized LDL induced human Peripheral Blood Mononuclear Cells. International Seminar on Legacy of Nitric Oxide Discovery: Impact on Disease Biology, Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram. November 5 to 6, 2013 (**Poster**).
 15. Janeesh P.A, and **Annie Abraham**. Mesoporous Silica Nanoparticle Induces Immunotoxicity in hPBMCs through MAPKs/ AP-1/ NF-8B Signaling Pathway. International Conference on Integrative and Comparative Physiology, SEIB-2013, December 18-20, 2013 (**Oral presentation**).

16. Janeesh P.A, Sri Sivakumar, Haider Sami and **Annie Abraham**. Immunotoxicological Studies of Polyallylamine hydrochloride Nanocapsules in Peritoneal Macrophages through TLR /MAPKs / NF-8B Signaling Pathway. International Conference on Chemical Biology: Disease Mechanisms and Therapeutics (ICCB-2014), February 6-8, 2014 (**Poster**).
17. Asha R & **Annie Abraham**. Antioxidant and anticataractogenic effect of *Vernonia cinerea* in Sprague Dawley rat pups (Poster presentation- International seminar on Recent Biochemical Approaches in Therapeutics (RBAT-2013)).
18. Asha R & **Annie Abraham**. Flavonoid fraction of *Vernonia cinerea* attenuate selenite induced oxidative stress in lens- an *in vitro* study (Oral presentation- National Seminar on Recent Advances in Lifestyle Diseases-2014-Best paper award).
19. Asha R & **Annie Abraham**. Isolation of active component from *Vernonia cinerea* attenuate selenite-induced cataract formation (Poster presentation-National seminar on Recent Approaches in Biomedical Research (RABR-2014))
20. Sreelakshmi V and **Annie Abraham**. Luteolin prevents selenite induced cataract in animal models. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Poster**).
21. Sreelakshmi V and **Annie Abraham**. Evaluation of *in vitro* antioxidant activity and anticataractogenic potential of *Cassia tora* leaves. National seminar on 'Recent approaches in biochemical research' organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014 (**Poster**).
22. Sreelakshmi V and **Annie Abraham**. Methanolic extract of *cassia tora* l. Leaves prevents selenite cataract in experimental models. 26th Kerala science Congress on 28th -31st January 2014 at Wayanad (**Oral presentation**).
23. Pradeep Kumar R, Rejiya C S, Vinod Kumar R and **Annie Abraham**. Zinc oxide nanoparicles as a fluorescent probe for bioimaging. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Poster**).
24. Sherin S, Rejiya C S and **Annie Abraham**. Synthesis and Characterization of Gold Nanoparticles Coated with Tapioca Starch. International seminar on 'Recent Biochemical approaches in Therapeutics' organized by Department of Biochemistry, University of Kerala on 9th - 11th January 2013 (**Poster**).
25. Sherin S, Pradeep Kumar R, Rejiya C S and **Annie Abraham**. Toxicity evaluation of green synthesized gold nanoparticles coated with tapioca starch. National seminar on 'Recent approaches in biochemical research' organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014 (**Poster**).

List of Conferences/Seminars attended by the Faculty Members

Dr. Annie Abraham

1. Dr. Annie Abraham Delivered a lecture on ‘Engineering of Multifunctional Nanomaterials for Biomedical Applications’ at NANO BIO, at Centre for Nanoscience and Nanotechnology, M.G. University, Kottayam, Kerala, India. July 4-6, 2014 (Invited Lecture).
2. Workshop on the Recommendations of Prof B. Hridayakumari Committee Report organized by the Board of Studies in Microbiology on 26 March 2014.

Dr. M. Indira

1. Novel therapeutic perspectives on ascorbic acid. UGC sponsored National seminar on Recent Advances in Lifestyle Diseases, October 8 & 9, 2014, organized by Postgraduate department of Biochemistry, TKM College of Arts and Science, Kollam. [**Invited lecturer**]
2. Microarray. National seminar on recent approaches in biochemical research, Department of Biochemistry, University of Kerala, Kariavattom October 28-29. (Oral presentation).

3. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Microbiology on 26 March 2014.

Dr. S. Mini

1. 26th Kerala Science Congress, January 28-31,2014 , Kerala Veterinary and Animal Sciences University, Pookode, Wayanad.
2. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Biochemistry on 25 March 2014.
3. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Microbiology on 26 March 2014
4. Drug interactions in Diabetes Mellitus. Invited lecture in UGC sponsored National Seminar on Recent Advances In Lifestyle Diseases, October 9, 2014, organized by Postgraduate department of Biochemistry, TKM College of Arts and Science, Kollam. [**Invited Lecturer**]
5. National Seminar On Recent Approaches in Biochemical Research (RABR 2014). October 28 & 29. Department of Biochemistry, University of Kerala, Kariavattom.

Dr. A. Helen

1. National workshop on the promise and perils of patenting genes and diagnosis by KSCSTE and Department of Law, University of Kerala, Kariavattom, 12-13 March 2014.
2. Organized National seminar on Recent Approaches in Biochemical Research , 28-29 October 2014, Department of Biochemistry. University of Kerala.

Dr. Arun. A. Rauf

1. 26th Kerala Science Congress held at KVASU, Pookode, Wayanad on 28 to 31 January 2014
2. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Biochemistry on 25 March 2014
3. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Microbiology on 26 March 2014
4. National Seminar on Recent Approaches in Biochemical Research (RABR 2014) organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014

Dr. P. G. Biju

1. P.G Biju. Participated in the national seminar on ‘Recent Approaches in Biochemical Research-RABR 2014’ organised Department of Biochemistry, University of Kerala, 28-29, October, 2014.
2. Workshop on the Recommendations of Prof B. Hrdayakumari Committee Report organized by the Board of Studies in Microbiology on 26 March 2014.

Awards :

1. Dhanya CR, Jaishree, Sri Sivakumar and **Annie Abraham**. Toxicity evaluation of layer-by-layer assembled polymer encapsulated lanthanide doped particles in L929 mouse fibroblast cell line. National seminar on ‘Recent approaches in biochemical research’ organized by Department of Biochemistry, University of Kerala on 28th and 29th October 2014 (**Poster, Best poster award**).

Major Events in the Department

Department organized National Symposium on Underutilized and Wild Edible Plants of India- 'Future Crops' on December 10& 11, 2014. 130 researchers all over the country participated in the programme. The Symposium had following themes; Wild edibles- diversity & conservation, Underutilized plants- improvement, & utilization potential, Ethnobotany and traditional knowledge, Phytochemistry and applications, Biotechnological approaches in wild edibles. The Symposium served as a platform to present and discuss various issues in wild edibles in India.

Planting tree in Hortus Malbaricus Garden & Nature lovers' forum- Green Citadel Inauguration: On December 5, 2014 Students and Faculty were planted plants to raise Hortus Malabaricus Garden.

New Facilities added: A deep freezer 550 lit. (-80) installed in the Department, UPS in the Seminar upgraded.

Analysis of Diversity, Biochemical evaluation and Improvement of selected underutilized leguminous vegetables of Kerala-Submitted to UGC
3. Seed bank Project proposal submitted to the University for the Financial Assistance:
4. Seed bank and conservation of plant diversity and wild crop diversity submitted to the Kerala State biodiversity Board for the financial assistance.
5. Collection, Conservation and Evaluation of selected underutilized crops of Kerala submitted to RUSA for the financial assistance.

Extra duties

Co-ordinated refresher course in Life Science conducted by UGC Academic staff college, University of Kerala

Moderator of project presentation for participants of refresher course in Women studies on 25-10-2014

Participated in selection committee meeting of Assistant Lecturer SD college Alappuzha and St;Stephen's college Pathanapuram

Participated in selection committee meeting of Project fellow in JNTBGRI and Kerala State Biodiversity Board

Ph.D. awarded under my guidance during the period

Nisha Raj. (2014) . Identification and characterization of self-incompatibility mechanism in *Brunfelsia americana* L. (solanaceae)

Dr. Ashalatha S. Nair, Professor

Position in Academic bodies

- 1) Director, Research
- 2) Co ordinator DST PURSE programme
- 3) Member IQAC, University of Kerala
- 4) Member Research Council, University of Kerala
- 5) Chairperson, BOS Botany (Till Aug 2014)
- 6) Chairperson BOS Microbiology

- 7) Member Faculty of Science
- 8) Member , Advisory Committee Academic Staff College
- 9) Member, CSS advisory committee
- 10) Member , PG monitoring committee
- 11) Member , NSS advisory committee
- 12) Member, CACE, Advisory Board
- 13) Member, University Placement Cell

Meetings attended

- Jan 8th 2014 chaired PG BOS (Botany) meeting at Dept of Botany, University of Kerala
- Jan 9th 2014 Chaired BOS (microbiology meeting at Dept of Botany, University of Kerala
- May 12th Attended Academic Staff College advisory committee meeting
- Sept 3rd 2014. Attended Faculty of Science meeting at university of Kerala
- Nov 3rd 2014, delivered felicitation address in the national seminar in Chemisrty as director Research, University of Kerala
- Nov 10th 2014. Delivered felicitation address in the national seminar & workshop at Genomics center, University of kerala as director, research, University of Kerala

Organized Seminars/workshops

- 11th March 2014. Inaugurated the Campus Computing facility at Kariavattom Campus through DST PURSE Programme
- March 13-14th conducted a workshop on ICP-MS at Dept of Geology, University of Kerala through DST-PURSE Programme
- 26th March conducted a workshop for the college teachers on Implementation of Hridayakumari commission report
- 29 march Evaluated the Projects submitted to Center for Translation research as the convenor, Research Committee, University of Kerala
- 9th May Evaluated SARD project proposal at KCSTE as expert committee member
- 12th may Conducted a walk-in interview for the appointment of Technical officer –DST Purse programme
- Aug 13th 2014. Attended as subject expert for the selection of asst professor in Botany in NSS colleges, Kerala

Invited lectures in Seminars

- 15th Jan 2014. Delivered an invited lecture at National Seminar on Role of Biotechnology in crop plants, St Thomas College, Ranni
- 5th Aug 2014. Delivered an invited lecture at Brain storming workshop in Somatic embryogenesis at COCRI, Kasargod

Paper presented in conferences

Project

Submitted the final technical report of the project entitled "Cytogenetic and Biochemical Characterization of Wild and Cultivated Species of *Momordica* L. from Kerala (Cucurbitaceae)" sponsored by the Department of Science Technology (Govt. of India), New Delhi for the year 2010-2013.

Workshop/Training Programme

1. Participated ten day's refresher training on Gene expression analysis, from 14.07.2014 to 24.07.2014 organized by the Integrated Biotechnology Course, Department of Plant Biotechnology, College of Agriculture, Kerala Agricultural University.
2. Attended a seminar on Higher Education and RUSA conducted by KUTA, University of Kerala on August 20, 2014
3. Participated in the One day training programme on writing better research proposals for early career for root and tuber crops Scientists, organized jointly by the International Society for Tropical Root Crops & Indian Society for Root Crops held on May 2014 at CTCRI, Thiruvananthapuram.

Other Academic / Scientific Programmes Organized

Reviewed two scientific papers in the International Journal- *Scientia Horticulturae* and one in *African Journal of Biotechnology*

Convened Annual meeting of three research scholars in the Department of Botany, University of Kerala.

Internal examiner for M.Phil dissertation, Botany Dept. University of Kerala.

Examiner for P.G. entrance test at University Engineering College, Kariavattom from 1.07.2014 to 3.07.2014.

Examiner for M.Phil entrance test at IMK, University of Kerala on 22.04.2014

Question Paper Setter for (BSc. examination) in the University of Calicut and for S.S.L.C Examinations.

Awards / Honours/ Recognitions

Member, Research Consultancy and Extension of Steering Committee, NAAC Accreditation – University of Kerala 2014.

Member, Board of Studies in Botany (Pass), University of Kerala, 2010-2013.

Membership In Organizations

Life time member, All India Congress of Cytology and Genetics, Kolkata, West Bengal

Life time member in Indian Association for Angiosperm Taxonomy, Calicut

Life time member in Indian Botanical Society

Life time member Society of Cytologists and Geneticists, Bangalore.

Executive member in Society of Cytologists and Geneticists

Executive member in Gregor Mendel Foundation, Calicut University

Executive member, Indian Botanical Society Kerala Chapter

Dr. A. GANGAPRASAD, Assistant Professor

1. Academic & Research activities:

A new R&D Project sponsored by the Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala entitled ‘Conservation strategies and *in vitro* production of anthraquinones in *Gynochthodes umbellata* (L.) Razafim. & B. Bremer (Rubiaceae) - a potential dye yielding plant’ has been sanctioned and started in the Department.

A new plant species of *Cinnamomum*, *Cinnamomum mohanensis* has been reported from Kerala for the first time and the finding was published in the International Journal of Advanced Research.

In vitro propagation protocol of *Aegle marmelos* (L.) Correa, a highly sought after sacred medicinal tree has been standardised and evaluation of genetic fidelity the established plants were ascertained using ISSR markers. Preliminary phytochemical screening, antimicrobial and antioxidant activities of Dashapushpa has been carried out.

Green pod culture and mass multiplication of *Vanda tessellata* an exquisite and an aphrodisiac orchid of Kerala has been standardized.

Preliminary phytochemical analysis and antioxidant activity of *Plectranthus zeylanicus* Benth. (Lamiaceae) an important medicinal plant has been carried out.

Floristic documentation of University of Kerala, Kariyavattom Campus has been initiated.

Accompanied M.Sc 4th semester students to a study tour programme to JNTBGRI, Palode, Thiruvananthapuram on 16-6-2014.

Accompanied M.Sc 2nd semester students to a study tour programme to College of Agriculture, Agriculture University, Vellayani on 7th July 2014.

Edited a workshop manual on ‘RNAi Technology and Biomarkers’ in connection with the National seminar cum Workshop on RNAi Technology and Biomarkers’ Organized by the State Inter University Centre for Genomics and Gene Technology, University of Kerala, Kariyavattom during 10th November – 15th November 2014.

Performed the examination duty on 17, 18th and 19th September 2014 to conduct practical examination, evaluation of answer scripts, and dissertation and viva voce for the II and IV Semester MSc Applied Plant Science examination, Dept. of Botany, University of Calicut.

Performed the examination duty on 19th and 20th March 2014 to evaluation of answer scripts MSc Plant Science examination, Central University of Kerala, Kasargode.

Attended the centralized valuation of PhD Entrance Examination answer script (Botany), Kannur University, Kannur on 24th October 2014.

Ph.D awarded under my guidance during the period

Ranjusha A.P. (2014) *In vitro*, phytochemical and molecular studies in *Rauvolfia hookeri* Srinivasan & Chithra, a rare and endemic plant of southern Western Ghats'

MPhil Dissertations guided and awarded

1. 'In vitro propagation of *Aegle marmelos* (L.) Correa, a highly sought after sacred medicinal tree and evaluation of genetic fidelity using ISSR markers' By Princy P.S. 2014
2. 'Preliminary phytochemical screening, antimicrobial and antioxidant activities of Dashapushpa' By Neethu Vijayakumar 2014

Currently two MPhil students are working under my guidance for their dissertation.

Two M. Sc dissertations guided during the period

1. Preliminary phytochemical analysis and antioxidant activity of *Plectranthus zeylanicus* Benth. (Lamiaceae) submitted by Parvathy K.P.
2. Effect of different nutrient media for green pod culture of *Vanda tessellate* (Roxb.) Hook. Ex D. Don an exquisite medicinal orchid submitted by Vidhya S.

Currently four MSc students working under my guidance for their M Sc dissertation

2. **Member in academic bodies: Board of studies/ Research adviser/ governing body member**
Chairman, Board of Studies in Biotechnology (Pass), University of Kerala
Member, Board of Studies in Microbiology (Pass), University of Kerala
Member, Board of Studies in Biotechnology (PG), University of Kerala
Academic Coordinator and Technical Committee member, Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala, Kariyavattom constituted by University of Kerala

3. **Adjudicator of PhD & M.Phil/selection board member/ curriculum design/ restructuring/ syllabus revision**

Appointed as Board of Adjudicator of PhD Open defence of Mr. Ajeeshkumar, Kannur University, Thalassery Campus on 23-May 2014.

Examiners for I Semester MSc Microbiology Examination of March / April 2014

Appointed as Chairman, Board of Examiners for I Semester MSc Microbiology Examination of March / April 2014

Appointed as Chairman, Board of Examiners for II Semester MSc Microbiology Examination of September 2014

Revised the syllabus of Group 2(b) Biotechnology and Group 2(a) Botany and Biotechnology, career related Degree programme under CBCS System.

Attended a selection committee meeting as external expert for the selection of Junior Research Fellow at Jawaharlal Nehru Tropical Botanic Garden and Research Institute, Palode, Thiruvananthapuram on 6th February, 2014.

External expert for the selection of Research Fellows in various research project in Tropical Botanic Garden and Research Institute, Palode, Thiruvananthapuram

Selection Board member for selection of Research Associates in the Centre for Genomics and Gene technology, Department of Biotechnology, University of Kerala, Kariyavattom constituted by University of Kerala

Acted as external expert in the interview held at JNTBGRI, Palode on 27-10-2014 in connection with the selection of Junior Research Fellow and Technical Assistant.

Acted as project evaluator in the Refresher programme on Life science conducted by Academic Staff College, University of Kerala on 18-7-2014.

4. **Membership in various academic bodies**

During the year - Annual member, International Society of Plant Morphologists

5. **Alumni office bearer, lecture series organizer**

Executive member, Kerala University Botany Alumni Association (KUBAA)

6. **Field exploration trips under taken**

Plant collection trips were conducted to different forest areas Viz, Amboori, Kozhikodu, Ponmudi, Cherthalai, Pathanamthitta and collected medicinal plants for various research purpose.

7. **Organizing committee member of seminars/ symposia/ workshop**

Accompany the M.Sc 2nd semester students to a study tour programme to College of Agriculture, Agriculture University, Vellayani on 2nd August 2012.

Acted as Organizing Secretary - National Seminar (one day) cum Workshop (five day) on RNAi technology and Biomarkers organized by Inter-University Centre for Genomics and Gene Technology, University of Kerala, Kariyavattom during 10th November – 15th November 2014.

Acted as Organizing Secretary - ational Seminar on Transgenics and Crop Improvement organized by Inter-University Centre for Genomics and Gene Technology, University of Kerala, Kariyavattom 2014.

Acted as Organizing Secretary - National Symposium on Underutilized and wild edible plants of India-The future crops. Organized by Department of Botany, University of Kerala, Kariyavattom.

8. **Resource person in academic bodies/ conferences/ brain storming sessions / refresher programmes**

Chaired a scientific session in the 24th Annual conference of Indian Association for Angiosperm Taxonomy (IAAT) and International conference on Trends in Plant Systematics (TIPS) organized by Department of Plant Science, Bharathidasan University, Thiruchirappalli, Tamil Nadu during 31st October -2nd November 2014

9. **Participation in symposia/seminars/ workshops**

Attended a one day Workshop organized by the International and Inter University Centre for Natural Resources Management, University of Kerala on 18-07-2014.

Attended the 24th Annual conference of Indian Association for Angiosperm Taxonomy (IAAT) International conference on Trends in Plant Systematics(TIPS) organized by Department of Plant Science, Bharathidasan University, Thiruchirappalli, Tamil Nadu during 31st October -2nd November 2014

10. **Invited lectures**

Delivered an invited lecture at St Gregorious College, Kottarakara on the topic ‘Western Ghats orchids and its conservation’ in connection with the Golden Jubilee seminar series organized by St. Gregorious college, Kattarakara on 17th January 2014.

11. **Details of ongoing Research Projects**

A new R&D Project sponsored by the Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala entitled ‘Conservation strategies and *in vitro* production of anthraquinones in *Gynochthodes umbellata* (L.) Razafim. & B. Bremer (Rubiaceae) - a potential dye yielding plant’ has been sanctioned and started in the Department.

No. of PhD Scholars: 9

Dr. E.A. Siril, Assistant Professor

1. Participated in a National Symposium “Vistas of Life Sciences, Now and Beyond” in celebration of Four Decades of the School of Life Sciences, JNU, Organized by the School of Life Science, Jawaharlal Nehru University, New Delhi on February 13-15, 2014
2. Acted as resource person for the ‘Walk with Scholar’ Programme in Govt. Women’s College, Thiruvananthapuram on February 1, 2014
3. Delivered an invited lecture on ‘Plant Cell Culture Technology for the Production of Metabolites’ in National Seminar on ‘Innovative approaches in Plant Sciences’ held at MES Asmabi College, P. Vemballur, on September 18-19, 2014.
4. Acted as resource person for the Project Evaluation of Refresher Programme- Life Sciences, at UGC-Academic Staff College, Kariavattom Campus, Thiruvananthapuram
5. Acted as peer reviewer for the following Journals
 1. Plant Biotechnology Reports PBRE, Springer Publication
 2. Journal of Environmental Health
 3. Proceedings of National Academy of Science A Biology, Springer Publication
 4. Journal of Agricultural Sciences and Technology
 5. Journal of Applied Research on Medicinal and Aromatic Plants, ELSEVIER Publication
 6. Asia Pacific Journal of Molecular Biology & Biotechnology

7. Journal of Nature and Life Science- Editorial Board member
6. Board of studies/ academic bodies
 - o Member, Board of studies- University of Kerala (pass)
 - o Member, Board of studies- FMN College (Autonomous), Kollam
7. Organizing Secretary, National Symposium on Underutilized and Wild Edible Plants of India- 'Future Crops' held at Department of Botany, University of Kerala, Thiruvananthapuram, Kerala on December 10-11, 2014

Institutions visited: TNAU Campus, DRDO-BU Life Sciences, Coimbatore, IARI Research Station, Wellington, Udahagamandalam, Central Potato Research Institute- Regional Station, Muthurai, Udahagamandalam, Teak Museum, Nilambur, MSSRF Agrobiodiversity Centre Puthoorvayal, Waynad.

Field Exploration and collection trips: Wagamon, Munnar, Waynad

Details of PhD Guided: No. of PhD produced: ONE

Studies on *in vitro* propagation and anthraquinone production in Noni (*Morinda citrifolia* L.)- Sreeranjini S.

Project completed:

UGC sponsored project on 'Evaluation, Propagation and *In vitro* Production of Anthraquinones from *Rubia cordifolia* L.'. Completed on January 2014, FTR submitted.

Project proposals submitted:

1. Project proposal on Assessment of diversity and conservation of *Cycas* L. from South Western Ghats, Submitted to Ministry of Environment & Forests, Government of India
2. Project proposal on 'Collection, characterization and propagation of *Garcinia gummi-gutta* (L.) Robs'. Submitted to Kerala State Council for Science, Technology and Environment (Govt. of Kerala)

Patent filed

A provisional patent filed on *Neurocalyx calycinus* (R. Br. ex Benn.) Rob.

Research Achievements:

Number of papers published in peer-reviewed journals: 25

Highest impact factor achieved (T.S. Anirudhan and Sheeba Alexander, *Biosensors and Bioelectronics* (Elsevier) Impact factor: 6.5)

Ph.D. awarded in this year:

Dr. S.M.A. Shibli	3
Dr. T.S. Anirudhan	2
Dr. Sony George	Nil
Dr. Suneesh. C.V	Nil
Dr. Ani Deepthi	Nil
Dr. Jayasree. E.G	Nil
M.Phil. awarded in this year	6
M.Sc. projects completed in this year	14

Number of students who secured UGC/CSIR/KSCSTE JRF in this year: 2

Externally Funded Research Projects:

1. KSCSTE funded research project on “Design and development of catalytic electrodes for electrochemical and biochemical generation of hydrogen and electricity” sanctioned on 2013, Principal investigator - Dr. S.M.A. Shibli, 002/SRSPS/2013/CSTE

2. CSIR-OSDD funded research project on “Synthesis of a library of 2,3-dihydrofuran derivatives – potential candidates for showing antimycobacterial activity” sanctioned on Jul 2013, Principal investigator- Dr. Ani Deepthi OC_KEUK_00001: Ad/F1/5209/2013
3. SERB funded research project on “Synthesis and reactions of vicinal tricarbonyl compounds and related systems”, Principal investigator- Dr. Ani Deepthi SB/S1/OC-43/2013: Ad/F1/3305/2013
4. DST/SERB project (Designing Inexpensive Transition Metal Catalysts for C-Z (Z = S, Se, Te) bond formation using atom economy addition reactions: A computational investigation); Sanctioned amount Rs. 24, 43000/- Principal investigator- Dr. Jayasree E. G. No. SB/FT/CS-078/2013.
5. UGC-MHRD start up grant for young assistant professors, for a research project titled as “Design and Synthesis of Novel Hyper Cross-linked Robust Polymeric Materials for Gas Sorption and Storage Applications”. Principal investigator – Dr. Suneesh, C. V., July 2014, No.F.30-25/2014(BSR).

Seminar/conference/other activities organized:

1. RASATHANTHRA 2014: On September 24th 2014 IAHEAM and department of Chemistry, University of Kerala hosted a full day workshop entitled RASATHANTHRA 2014 supported by Kerala State higher education council and ANERT, government of Kerala. In the fifth edition of RASATHANTHRA we organized a research promotion workshop for undergraduates’ students in addition to a quiz competition and best project proposal competition.
Convener: Dr. S. M. A. Shibli
2. HEAM-Parliamentarian 2014: A school level debate competition to create the awareness about Hydrogen Energy, Date: Monday 23/06/2014
Convener: Dr. S. M. A. Shibli
3. National workshop on Fuel Cell Technology 2014: Chartered and supported a national workshop on Fuel Cell Technology where our prominent founder leaders contributed with delivering invited talks. Place: MANIT, Bhopal Date: March 24 & 25th 2014 National advisory board committee
Coordinator: Dr. S. M. A. Shibli
4. Inauguration of a new regional chapter: Inaugurated a new regional chapter of our association, IAHEAM, with more than 100 members, at MANIT, Bhopal on March 24, 2014
National Coordinator: Dr. S. M. A. Shibli
5. HEAM SCIENTIST 2014: A National Meet of Young Scientists of Hydrogen Energy and Advanced Materials, conducted at Department of Chemistry, University of Kerala, Kariavattom Campus on 17-18 November 2014. Convener: Dr. S. M. A. Shibli; Organising Secretary: Dr. Suneesh. C. V.
6. Three Day Programme on Personality Development and Soft Skill Training for Equal Opportunity on 04-06 February 2014, organized by Equal opportunity Cell, University of Kerala sponsored by UGC.
Convener: Dr. T. S. Anirudhan
7. One-day “Polymer Conference for Young Researchers ‘ organized by the Society for Polymer Science, India (SPSI), Trivandrum Chapter at CSIR-National Institute for Inter-Disciplinary Science and Technology, Pappanamcode, Sponsored by Kerala State Council for Science, Technology and Environment on Saturday, 18 th October, 2014. The conference is intended to promote polymer research among the young and sprouting scientists within India.
Chairman of the Organizing Committee: Dr. T. S. Anirudhan (Vice-President of SPSI)
8. Workshop on ‘course syllabus template’ for updating and modifying syllabus documents in connection with the ongoing preparations for NAAC Accreditation organized by Credit and Semester System, University of Kerala at Seminar Hall, Dept of Botany, University of Kerala on 22nd September 2014

Convener: Dr. T. S. Anirudhan (Vice- Chairman, CSS)

9. Three Day National Seminar on Frontiers of Polymers and Advanced Materials organized by Department of Chemistry in association with The Society for Polymer Sciences, Thiruvananthapuram Chapter on 05-07 November 2014.

Convener: Dr. T. S. Anirudhan

10. Imparting 5-6 months Training to Visually Challenged Students under the Auspices of Equal Opportunity Cell in Collaboration with Center for Assistive Technologies, Kerala State Council for Science, Technology and Environment

Co-ordinator of the Training Programme: Dr. T. S. Anirudhan

11. Submitted a Technical Report, as directed by Hon. Supreme Court, to the Government of Kerala on the Chemical Composition of Natural Toddy after conducting a detailed scientific study on various physical and chemical parameters of the coconut, sago and palmyra palm toddy samples collected from all districts of Kerala State to check and prevent the sale of spurious or artificial toddy in the State of Kerala

Chairman of the Technical Committee: Dr. T. S. Anirudhan

Affiliation of peer group:

Invited lectures:

1. Dr. S. M. A. Shibli delivered an invited talk on “Current scenario of renewable energy researches with special reference to hydrogen” in two day all India seminar on “Corrosion of Marine Installations” organized by The Institution of Engineers (India) Kochi Local centre In association with School of Engineering Cochin University of Science & Technology on 21 & 22 February 2014
2. Dr. T. S. Anirudhan delivered a talk on “Microscale Experiments” in ‘Three-Day Workshop on Green Analytical Techniques’ organized by the Dept of Chemistry, Govt College Attingal on 15 th October, 2014
3. Dr. T. S. Anirudhan delivered a talk on “Chemical Toxicology” in ‘Two-Day Seminar on “Chemistry for Human Welfare” organized by the Dept of Chemistry, KKTU Govt College, Kodungalloor on 14 th November 2014.

4. Dr. T. S. Anirudhan, J. Parvathy “ Functionalized Chitosan/Clay formulations as novel drug carriers for potential applications in Myocardial Infarction, Asthma, Hypertension, Diabetes and Antimicrobial Infections” at Polymer Conference for Young Researchers conducted by The Society for Polymer Science, Trivandrum Chapter, October 2014.
5. Dr Sony George delivered an Invited talk on “Chemistry of Nanomaterials” at St.John’s College, Anchal on September 4th, 2014.
6. Dr Ani Deepthi gave an invited talk on “A look into the chemistry of oleanolic acid” National Colloquium on Organic and bioorganic chemistry, (organized by SRIBS, KSCSTE) July 18-20, Kottayam
7. Dr Ani Deepthi gave an invited talk on “Chromatographic separation of organic compounds: Workshop on practicals in organic chemistry MSc semester II conducted at Fatima Mata National College, Kollam in association with the Academy of Chemistry Teachers ACT on 20th September 2014.
8. Dr Ani Deepthi gave an invited talk on “Chromatographic separation of organic mixtures: Workshop on Green Analytical Techniques conducted at Government College, Attingal on 17th October 2014.
9. Dr. Jayasree E. G. delived a lecture on various topics of Qunatum Mechanics in National Science Academies’ Lecture Workshop on “ Recent Developments in Physical Chemistry” sponsored by National Academy of Sciences, Allahabad, Indian Academy of Sciences, Bangalore and Indian National Science Academy, New Delhi on January 31st and February 1st 2014 held at Research & PG Department, St. Joseph’s College, Irinjalakuda.
10. Dr. Jayasree E. G. Delivered a lecture on “Orbital Interactions- Deciphering the Chemical Puzzles” in One day National Seminar on “Recent Trends in Chemistry” held at Carmel College, Mala on 26th February 2014.
11. Dr. Jayasree E. G. Delivered a lecture on various topics of “Chemical Bonding” and “Group Theory” as part of the UGC remedial coaching program at School of Chemical Sciences, M. G. University, Kottayam on 24th May, 2014.
12. Dr. Jayasree E. G. delivered 10 hour lecture series on molecular modeling for a course on ‘Mathematical modeling and simulation’ to M. Tech students at IIST Valiamala from 17th – 19th November, 2014.
13. Dr. Jayasree E. G. delivered a lecture on ‘Modeling and Simulation’ at the refresher course in nanoscience organized at the Academic Staff College, University of Kerala on 27/11/2014
14. Dr. Suneesh, C. V. delivered a lecture on “Development of materials for green house gas capturing”, in two day national seminar on “Recent Challenges and Progresses in Chemistry (RCPS-2014)” at department of Chemistry, Gov. college Kasargod, India, 2014, October 20.
15. Dr. Suneesh, C. V. delivered a lecture on “Novel materials for CO₂ capture”, in two day national seminar on “Principles and techniques in Chemistry” at department of Chemistry, Gov. Arts and Science college Kozhikode, India, 2014, October 16.
16. Dr. Suneesh, C. V. delivered a lecture on “Fluorescence spectroscopy and thermal analysis”, at Ph. D. Course work in chemistry at school of chemical science, Kannur University, Kannur, India, 2014, May 18.
17. Dr. Suneesh, C. V. delivered a lecture on “Photocatalytic Hydrogen Production from Water”, at UGC sponsored national conference entitled ‘New paradigms in Chemistry, Ab Initio, Ad Futurum’ conducted by St. Mary’s college, Sulthan Bathery, Wayanad, India, 2014, March 11.

Recognition/Nominations:**Dr. S. M. A. Shibli:**

- (I) Elected as President of Indian Association for Hydrogen Energy and Advanced Materials (IAHEAM), a premier professional registered society, aims to play a catalytic role in ushering in Hydrogen Energy.
- (II) Active member of American Nano Society.
- (III) Editorial board member of Surface Coating and Technology (Elsevier).
- (IV) Nominated as Chairman, BOS for Chemistry.
- (V) Nominated as Senate Member, University of Kerala.

Dr. T. S. Anirudhan:

- (I) Elected as Vice-President of the Society for Polymer Science, India Trivandrum Chapter, one of the premier professional societies of the country formed with the intention of promoting advancement in the field of polymer science and technology.
- (II) Nominated as a Chairman of the Committee for Students Grievance Redressed Cell
- (III) Nominated as a member of University Level Monitoring Committee for UG and PG programmes of the Colleges affiliated by the University of Kerala
- (IV) Nominated as a Chairman of the 'Admission Monitoring Committee' for admission to all PG and M.Phil degree courses under CSS
- (IV) Nominated as a Chairman to conduct IVth Semester theory and practical examinations of M,Sc Medicinal Chemistry.
- (V) Nominated as a Chairman BOS in Geography and Home Science and BOS member in Health Science
- (VI) Served as Co-ordinator and Resource person of Refresher and Orientation Courses conducted by the Academic Staff College, University of Kerala
- (VII) Served as Subject Expert for the selection of scientist, lecturer, promotion post in various state and central academic and research institutions

Dr. Ani Deepthi:

Served as an examiner in setting up the question paper and evaluating for other universities.

Dr. Jayasree E. G.

Served as an external examiner in setting the question papers and in evaluating the answer sheets of other universities. Also served as an external examiner in Practical examinations.

Served as subject expert in Interview boards.

Dr. Sony George:

Selected for UGC sponsored Raman Fellowship for Post Doctoral Research in Massachusetts General Hospital (USA) under the guidance of Dr. Peter Caravan, PhD, Assistant Professor of Radiology A.A. Martinos Center for Biomedical Imaging, Massachusetts General Hospital, Suite 2301, 149 Thirteenth St, Charlestown MA 02129.

- ? Presented a paper on “Demographic and Public Health Issues in Kerala” in the three days National Seminar on Emerging Issues in Population and public Health in India, at the Dept. of Demography, University of Kerala, March. 5-7,
- ? Delivered a Key note Address on “Maternal and Child Health in India” in the three days National Seminar on Issues Challenges on Maternal and Child Health in India, at the Dept. of Population studies , Annamalai University , March. 24th.
- ? Presented a paper on “Morbidity status of Elderly in Kerala” in the two days International Conference on Engaging and Empowering the Elderly at the Centre for Development Studies (CDS) , Ulloor, Thiruvananthapuram, Kerala, Sept. 15-16.
- ? Presented a paper on ‘Morbidity in Kerala: Determinants and Differentials’ at the XXXVI Annual Conference of the Indian Association for the Study of Population (IASP) organized by the Dept. of Demography, University of Kerala during 7-9 November 2014.

Resource Person in Workshop

- ? Conducted a Technical session on Urbanization and Urban Planning as a Resource Person for the Training Programme on Multiple Dimensions of City Planning – Sustainable Urbanization, by Directorate of Technical Education and Dept. of Architecture, College of Engineering Trivandrum
- ? Acted as a Resource Person in the 10-day research Methodology Training Programme entitled ‘Short Course on Quantitative Data Analysis’ organized by the Department of Demography and sponsored by ICSSR during 19-28 February 2014

Seminars/Workshops Organized

- ? Local Organizing Secretary for the XXXVI Annual Conference of the Indian Association for the Study of Population (IASP) organized by the Dept. of Demography, University of Kerala during 7-9 November 2014.
- ? 2014 Organised Three days National Seminar on “ Emerging Issues in Population and Public Health in India”. Dept. of Demography, University of Kerala, at Trivandrum, March, 6-8, 2014.
- ? Organized the Observance of World Population Day on July 11, 2014 at Department of Demography, University of Kerala
- ? 2014 Organised a Short Term Course on Quantitative Data Analysis (Sponsored by ICSSR), Dept. of Demography, University of Kerala, at Trivandrum, Feb. 19-28, 2014.
- ? 2014 Organised Two days National Conference on “ Academics & Actuaries can Collaborate to Advance Actuarial Science”. Dept. of Demography, University of Kerala, at Trivandrum, Feb. 3-4, 2014.

Research Projects

- ? A Study on Morbidity in Kerala: Sponsored by University Grants Commission (UGC), New Delhi (Completed)
- ? A Study on the Implications of Ageing in Kerala: Sponsored by University Grants Commission (UGC), New Delhi (Completed)

PhDs Supervised and Awarded in 2014

- ? Rajesh J. Nair: The Fertility Impact of Changes in the Timing of Childbearing in India
- ? Preetha V Mohan: Relation between Contraceptive Use and Induced Abortion and Compression of Reproductive Span in Kerala
- ? Sabitha Chandran: Life Table Analysis of Most Recent Birth Intervals in India

Open Defense

- ? Acted as Chairman in an Open Defense conducted at Annamalai University, Annamalai Nagar on 11 June 2014

Ms. Preethi. K. Assistant Professor

Seminars and workshops attended

1. Participated in the ICSSR Sponsored Research Methodology Workshop entitled “A Short Term Course on Quantitative Data Analysis” organized by the Department of Demography, University of Kerala Thiruvananthapuram during 19-28, February 2014.
2. Presented a paper “Adolescent Pregnancy and Unsafe Delivery among Tribal Community in India” In the National Seminar on Emerging Issues in Population and Public Health in India held at Department of Demography, University of Kerala, Thiruvananthapuram during 06-08 March 2014.
3. Participated in the National Seminar on Population, Health and Development at the XXXVI Annual Conference of IASP held at University of Kerala, Thiruvananthapuram, during 07-09 November, 2014.

Thesis guided

1. District wise analysis of Differing Age Structure among Scheduled Caste and Scheduled Tribe Population in Kerala.
2. Age Misreporting in India and Its Major States
3. Pattern of Internal Migration in India -2001

Dr Anjana A. Contract Lecturer

Paper Presentation

“Disability Free Life Expectancy Among the Elderly” in the National Seminar on “Emerging Issues in Population and Public Health in India” held on 06 - 08, March 2014 at Department of Demography, University of Kerala, Thiruvananthapuram.

“Determinants of Pregnancy Complications Among Currently Married women in India” in the National Seminar on “Challenges Ahead of Maternal and Child Health: From issues to Action” held on 24-25th March 2014 at Department of Population Studies, Annamalai University, Tamil Nadu.

“Prevalence and Correlates of Functional Limitation Among Elderly in Kerala” in the National Seminar on “Population, Health and Development at the XXXVI Annual Conference of IASP held at University of Kerala, Thiruvananthapuram during 07-09 November, 2014.

Participation

Participated in the International Conference on Engaging and Empowering the Elderly & 17th Biennial Conference of Association of Gerontology, India during September 15 & 16, 2014 at Centre for Development Studies, Thiruvananthapuram.

Publication

Published a paper in the topic “Ageing in Kerala: An Overview” in “FRONTIERS” – International Research Journal in Science, Technology and Development, Vol.1, No.1, January 2014

Workshop Attended

“A short Course on Quantitative Data Analysis” ICSSR sponsored research methodology workshop organized by Department of Demography, University of Kerala, during 19-28, February 2014.

Thesis Guided (M.Sc)

1. Ageing in Kerala Based on 2001 and 2011 Census.
2. Disability in India: A Study Based on Census 2001 and 2011.
3. Growth and Structure of Workforce in Kerala: Based on 2001 and 2011 Census.

JILSHA SREEDHAR P. P. Contract Lecturer

Organized a national Seminar on “Academics and Actuaries can collaborate to Advance Actuarial Science” held on 3rd - 4th February 2014 at the Department of Demography, University of Kerala, Thiruvananthapuram.

Seminar Attended

National Seminar on “Emerging Issues in Population and Public Health in India” held on 6th –8th, March 2014 at Department of Demography, University of Kerala, Thiruvananthapuram.

National Seminar on “Population, Health and Development at the 36th Annual Conference of IASP held at University of Kerala, Thiruvananthapuram during 07th - 09th November, 2014.

Workshop Attended

“A short Course on Quantitative Data Analysis” ICSSR sponsored research methodology workshop organized by Department of Demography, University of Kerala, during 19th -28th, February 2014.

Thesis Guided (M.Sc)

1. Regulatory issues in Indian insurance market.
2. Pension performs as a structural transformation in risk characteristics.
3. A review of basic chain ladder method in General insurance.
4. A review of Binomial option models.

Extracurricular activities**Dr. S.N. Kumar**

1. Gave a radio talk through All India Radio, Trivandrum on the topic- Impacts of River Sand Mining in Kerala.
2. Gave two lectures on “Communication Skills”, to Post-graduate students and Research scholars of University of Kerala, organized by the Equal Opportunity Cell of University of Kerala on 4.2.2014.
3. Gave a talk on “Importance of Science in Everyday Life” in connection with the National Science Day organized by the Atomic Minerals Division, Trivandrum on 28.2.2014.
4. Inaugurated the exhibition of rocks, minerals and fossils “LA TIERRA” 2014 organized by the Dept. of Geology, S.N. College, Chempazhanthy on 2.11. 2014.
5. Engaged 25 sessions of “Vocabulary Build up” for Post graduate students through Students Skill Acquisition Club of the Department.

6. Gave a lecture on “Minerals and Chemistry” in the National Workshop organized by the Dept. of Chemistry, Vellalar College for Women, Erode, Tamil Nadu on 20.1.2014.
7. Chaired one session of “Disaster, Risk & Vulnerability’ International Conference held at the Dept. of Geology, University of Kerala at Trivandrum on 26.4.2014.
8. Attended the State Geological Programming Board Meeting organized by the State Mining and Geology Department on 20.9.2014 in Trivandrum.
9. In the Invited Lecture Series organized by Govt. Ayurveda College, Trivandrum gave three lectures in “Basic Mineralogy and Tools in Mineral Identification” to the P.G students.

Dr. A. P. Pradeepkumar

1. Coordinator of the Student Skill Acquisition Club of Geology (named Bhouma).
2. SE Asia representative of the Applied Geoinformatics for Society and Environment Series of Conferences, Stuttgart, Germany.
3. Stuttgart Active Alumni Group SE Asia representative
4. President, Charitable Society for Humanitarian Action and Emergency Response Training (NGO)
5. Chief Editor, Journal of Applied Disaster Research, India.

Dr. Rajesh Reghunath

1. Bagged first place in the all India photographic completion organized by Kerala State Council for Science, Technology and Environment, Government of Kerala
2. Acted as a jury member for the photographic competition organized as a part of the Biodiversity Congress.

Dr. E. Shaji

1. Gave two radio talks in All India Radio, Trivandrum, on the topics rocks and minerals of Kerala and water resources of Kerala
2. Organized ‘Geoexpo- 2014’ sponsored by University of Kerala as part of Golden Jubilee celebration of the Dept of Geology on 8-11 Jan -2014
3. Gave an invited talk on ‘Climate change and small islands’ on June 5th in connection with World Environment Day at All Saints College, Trivandrum.
4. Gave an invited talk on ‘Tourism and water resources’ on world tourism day at KIITS , Trivandrum.
5. Submitted a major project at UGC, New Delhi.
6. Co-convenor in UGC SAP DRS II
7. Delivered invited lectures at Academic Staff College, Kariavattom.

Dr. Sajin Kumar K.S.

1. Being the Assistant coordinator for the Students Skill Acquisition Club of the Department engaged 5 sessions of “Vocabulary Build up” and debate for Post graduate students.
2. Member of European Geosciences Union

Participation of teachers in Conference/Seminars

Other noteworthy events

The Department organized year long (July 2013-July 2014) Golden Jubilee Celebrations. In 2014 two workshops, seminars, two exhibitions, one quiz, five invited lectures, one extension project and in-house competitions were conducted. The Valediction of the Golden Jubilee Celebrations was held on 31.7.2014.

Dr. S.N. Kumar

1. Was the General Convenor of the Golden Jubilee Celebrations of the Department of Geology in which 6 invited lectures, two workshops, national seminars, two exhibitions, quiz competition, in-house competitions, and other extension programmes were organized in 2014
2. Organized two Field workshops for PG/UG/Research students in Feb.- March, 2014 as a part of the Golden Jubilee Celebrations of the Department of Geology, University of Kerala.
3. Organized five Invited Lectures in Jan- March, 2014 as a part of the Golden Jubilee Celebrations of the Department of Geology, University of Kerala.
4. Member of the IQAC for NAAC in the University-Actively involved in the Reaccreditation Process
5. Actively assisted the Pro-Vice Chancellor, University of Kerala, in the Centralized Allotment of students for P.G and U.G Programmes in affiliated colleges of the University
6. Member of the CSS Academic Committee in the University
7. Member of the Anti-Ragging Committee in the University

Dr. A. P. Pradeepkumar

1. Invited lectures at MG University and Gandhigram Rural University
2. Geological field visits with international team of geologists in Kerala [Dec 2014]
3. Visited and interacted with the faculty of Stuttgart, Munich and Cologne University, Germany (Nov 2014)
4. Visited Japan and Germany in 2014
5. Research student submitted PhD thesis
6. Coordinator, UGC-SAP-DRS Phase II
7. Judge, IIST Student Conference Best Presentation
8. Reviewer for several Elsevier journals like Geoscience Frontiers, Precambrian Research, Journal of Asian Earth Sciences.

Dr. R. B. Binoj Kumar

1. Attended special winter school programme held from 28-11-2014 to 18-12-2014 in the Academic staff college, University of Kerala.
2. Member of the Organizing Committee on the seminar on Shear zones and Crustal Blocks of Southern India, UGC-SAP, DRS II on 29th March 2014 organized by the Department of Geology, University of Kerala, at Trivandrum.
3. Two research students submitted PhD thesis.

Dr. Rajesh Reghunath

1. Organised a national level photographic competition and exhibition as a part of the Golden Jubilee Celebrations of the Geology Department
2. Acted as subject expert and technical expert in the interview boards for the selection of project fellows in the funded research projects undertaken by Kerala State Remote Sensing and Environment Centre, Government of Kerala.
3. Adjudicated one Doctoral thesis of Mangalore University
4. Prepared a project report about the water resources of Kottamkara Grama Panchayath with a special emphasis on artificial recharging of groundwater and handed over to the Panchayath authorities.
5. Chaired a technical session in the 2nd International conference on Materials Mechanics and Management.
6. Chaired a technical session in the 15th National Conference on Technological Trends
7. Reviewed Technical papers for the 15th National Conference on Technological Trends
8. Reviewed research paper for the International Journal "Geocarto International"

Dr. E. Shaji

1. A joint field work has been carried out in southern granulite terrain as a part of a collaborative research by a team comprising of Dr. E. Shaji, Department of Geology, University of Kerala; Prof. T. Tsunogae, University of Tsukuba, Japan; Prof M. Santosh, China University of Geosciences and students of University of Kerala and University of Tsukuba, December 2014.
2. A joint field work has been carried out in Trivandrum Block as a part of a collaborative research by a team comprising of Dr. E. Shaji, Department of Geology, University of Kerala; Prof. Chris Clerk, Australia; Prof Mike Brown, USA and students of University of Kerala and Australia, April 2014.
3. A joint field work has been carried out in Trivandrum Block as part of a collaborative research by a team comprising of Dr. E. Shaji, Department of Geology, University of Kerala; Prof. Chris Clerk, Australia; Prof Alfred Kroner, Germany; Prof. Hegner, Germany; Prof M Santosh and students of University of Kerala, February 2014.
4. Elected as Secretary (India) in the Executive Council of International Association of Gondwana Research (IAGR), Sponsor of the Journal Gondwana Research.
5. Reviewer in international Journals like Precambrian Research, Journal of Asian Earth Sciences and Ore geology reviews.
6. Edited three proceeding volumes with ISBN numbers.
7. Organised MINERALIA 2014- a national seminar on 'Mineral Resources of Kerala' in the Department of Geology, University of Kerala, 6-8 March 2014.
8. Co- convenor of SAP workshop held in March 2014 on 'shear zone and crustal blocks of southern India'.

Dr. Sajin Kumar K.S.

1. Organized an all Kerala Quiz Competition for Earth Science Students named 'Geospark 2014' as a part of the Golden Jubilee Celebrations of the Department of Geology, University of Kerala.
2. Delivered eight awareness lectures in different schools as a part of the Golden Jubilee Celebrations of the Department of Geology, University of Kerala.
3. Chaired one session of "Disaster, Risk & Vulnerability" International Conference held at the Dept. of Geology, University of Kerala at Trivandrum on 26.4.2014.
4. Conducted a technical session of the seminar on 'Impact of Climate Change on Environment' organized by St. Johns' College, Anchal, as a part of the World Environment Day on the topic 'Geopark and associated environmental issues, 18th June 2014.

5. Conducted a technical session of refresher course on Disaster Management in the Academic Staff College, University of Kerala on 30th October 2014.
6. Imparted training on the topic 'GIS and GPS' to the officers of Irrigation Department on 14th November 2015
7. Reviewer for 'Environmental Monitoring and Assessment' and 'Applied Water Science', Springer Journals; 'Journal of Asian Earth Sciences' and 'Engineering Geology', Elsevier Journals; Geological Society of London's publications; 'PENCIL Publication of Physical Sciences and Engineering'.

Activity of Faculty members

Dr.C.I Muneera, Professor (Retired from service on 31-3-2014)

Research activities

Development of advanced solid-state NLO materials, comprising organic/ inorganic, PVA based nanocomposite films which can afford several diverse applications ranging from optical power limiting to organic light emitting diodes (OLED's) and display technologies.

Topics of Research Interest:

Nanophotonics: NLO properties of organic materials- Development of multifunctional polymer nanocomposite solid films – Structure and Properties (Linear and NLO properties).

Ph. D guidance- Thesis submitted 1 (awaiting award of the degree)

Organic Dye-PVA Nanocomposites for Optoelectronic Applications (C.Beenakumari, March 2014)

Kumaran, (iii) Lecture Series-5 held on 07 March 2014 handled by Dr. Stephen Vincent, (iv) Lecture Series-6 held on 11 March 2014 handled by Smt. Vrinda Devi Thampuran and Dr. S. Satheesh, (v) Lecture Series-7 held on 13 March 2014 handled by Dr. J. Sreekumar, (vi) three day national workshop on “Distribution Theory, Order Statistics and Reliability Theory” held during 17-19 March 2014 at Department of Statistics, University of Kerala, Trivandrum and (vii) three day national seminar on “Statistics for Twenty-first Century-2014” held during 20-22 March 2014 at Department of Statistics, University of Kerala, Trivandrum.
- This department also organized a One- day Workshop on “Restructuring of Courses in Statistics under CBCSS and implementation of Prof. Hridayakumari Committee Report” on 15 March 2014.
- This department celebrated the Indian Statistics Day on 29 June 2014 by conducting a seminar on “Applied Statistics”.
- Eighth Annual Get-together of Alumni Association of this department was held on 2 August 2014.
- Parent-Teachers Association was formed on 6 December 2014.
- Dr. P. Yageen Thomas offered Editorial Services (as a referee) to International Journals in Statistics: Statistical Methodology (Elsevier publication) and Prob Stat Forum (an online Indian journal), *Communication in Statistics Theory and Methods* (Taylor & Francis journal) Published from USA., Calcutta Statistical Association Bulletin, Journal Of King Soudh University, Journal of Korean Mathematical Society.
- Dr. C. Satheesh Kumar offered services a member in the “Standardization Committee of Statisticians” which has been constituted by Government of Kerala in connection with the Reforms to Engineering Entrance Examination.
- Dr. C. Satheesh Kumar offered services as the Coordinator for the UGC sponsored Refresher Course on “*Statistics and Research Methods*” conducted by the Academic Staff College, University of Kerala, during 25 February 2014 to 17 March 2014.
- Dr. C. Satheesh Kumar has been nominated by Kerala State Electricity Board Ltd. in the capacity as a member in the “Expert Technical Advisory Committee” to evaluate and proceed further with the implementation of the Cloud Seeding.
- Dr. C. Satheesh Kumar offered Editorial Services (as a referee) to several International Journals in Statistics, in particular *Journal of Statistical Computation and Simulation* (Taylor & Francis journal) published from USA, *Communication in Statistics Theory and Methods* (Taylor & Francis journal) Published from USA., *Journal of Applied Statistics* (Taylor & Francis journal) Published from UK, *Bulletin of Malaysian Mathematical Sciences Society*, *Sri Lankan Journal*

- of *Applied Statistics* (Published from Colombo), “*Statistics: A Journal of Theoretical and Applied Statistics*” (Taylor & Francis journal) published from UK, *Pakistan Journal of Statistics and Operations Research*, *STAPRO* (Published from India) and *Janasankhya* (Published from India); and also offered Editorial Services (as a reviewer) to *Mathematical Reviews*.
8. Dr. E.I. Abdul Sathar offered Editorial Services (as a referee) to International Journal: *Journal of Multivariate Analysis* (Elsevier publication)
 9. Dr. E.I. Abdul Sathar offered services as Resource Person for the Training program for PhD course work of Cochin university of Science and Technology organized by the National Center for Earth Science Studies, Trivandrum during 1-10th December, 2014 at NCESS, Trivandrum.
 10. Dr. E.I. Abdul Sathar offered services as Resource Person for the following program: (i) *Training program for R-software* organized by Dept.of Bioinformatics, U.C.College, Aluva on 22nd May, 2014, (ii) *Training program for PhD Course work of M.G.University* organized by U.C.College, Aluva on 7th May, 2014, (iii) “*Two Day workshop on Statistical Data Analysis Using R*” organized by Dept.of Statistics, Maharajas College, Ernakulum during 14-15th October 2014, (iv) “*One Day Seminar on Data Analysis Using R Programming*” organized by Dept.of Statistics, M.A. College, Kothamangalam on 15th October 2014 and (v) Training program for officials of Dept. of Economics and Statistics, Govt. of Kerala, Organized by Center for Management Development on 24th November 2014 at Biverah Hotel & Suits, Trivandrum.

The Research Papers Published by the faculty members of this Department are given below

Dr. P. Yageen Thomas

1. Estimating the common mean and common standard deviation of logistic and double exponential distribution by ranked set sampling, *IAPQR Transactions*, 38(2), 83-96, 2013 (Co-author: R.S. Priya)
2. On characterization of gompertz distribution by generalized record values. *Journal of Statistical Theory and Applications*, 13, 38–45, 2014 (Co-author: Minimol, S.)
3. On Tsallis entropy of Generalized(k)record values. *Proceedings of seminar on Process Capability Studies With Special Emphasis on Computational Techniques & Recent Trends in Statistics*, Nirmala Academic and Research Publications (NARP), 1-14, 2014 (Co-author: Jerin Paul)
4. On R-Norm past entropy measure, *IAPQR Transactions*, 39, 1-12, 2014 (Co-author: Minimol, S.).
5. On applications of concomitants of record values in characterizing families of bivariate distributions, *Metrika* (available online) (Co-author: Veena T.G.)
6. On generalized lower(k) record values arising from Frechet distribution in *Journal of Japan Statistical Society*. (accepted for publication) (Co-author: Jerin Paul).

Dr. G. Lesitha

7. Estimation of the scale parameter of a generalized exponential distribution using ranked set sampling. In *Frontiers of Statistics and its applications*, Bonfring Publishers, Germany. (2013) (Co-author: Thomas, P.Y.)

Dr. C. Satheesh Kumar

8. On extended alternative hyper-Poisson distribution, *The Aligarh Journal of Statistics*, 33, 105-115, 2013 (Co-author: Nair, B.U.)
9. On a bivariate version of alternative hyper-Poisson distribution, *Journal of the Indian Society of Agricultural Statistics*, 68(1), 77 – 83, 2014 (Available Online) (Co-author: Nair, B.U.)
10. On some properties of Kies distribution, *Metron*, 72, 97-122, 2014 (Available Online) (Co-author: Dharmaja, S.H.S.)
11. Logarithmic series distribution of order k, *The Aligarh Journal of Statistics*, 34, 45-54, 2014 (Co-author: Riyaz, A.)

12. Modified intervened geometric distribution and some of its properties, *The Aligarh Journal of Statistics*, 34, 1-12, 2014 (Co-author: Sreejakumari, S.)
13. On a modified class of generalized skew normal distribution, *The South African Statistical Journal*, 48(1), 111 – 124, 2014 (Available Online) (Co-author: Anusree, M.R.)
14. Order k version of the alternative hyper-Poisson distribution, *Economical Quality Control*, 28(2), 97-104, 2014 (Available Online) (Co-author: Nair, B.U.)
15. An extended zero- inflated logarithmic series distribution and its applications, *Journal of Applied Statistical Sciences*, 21, 31-42, 2014 (Co-author: Riyaz, A.)
16. An alternative to ‘the logarithmic-with-zeros distribution’ and its generalization: Properties and estimation, *The South African Statistical Journal*, 48, 253-266, 2014 (Available Online) (Co-author: Riyaz, A.).
17. On zero-inflated logarithmic series distribution and its modification, *STATISTICA*, 73(4), 477-492, 2014 (Available Online) (Co-author: Riyaz, A.)
18. On a class of hyper-Poisson and alternative hyper-Poisson distributions, *Opsearch*, 2014 (Available Online) (Co-author: Nair, B.U.)
19. A modified version of logarithmic series distribution and its applications, *Communications in Statistics-Theory and Methods*, 2014 (Available Online) (Co-author: Riyaz, A.)
20. A New Class of Zero-Inflated Logarithmic Series Distribution, *Journal of Iranian Statistical Society*, 13(2), 2014 (Available Online) (Co-author: Riyaz, A.)
21. On modified generalized skew normal distribution and some of its properties, *Journal of Statistical Theory and Practice*, 2014 (Available Online) (Co-author: Anusree, M.R.)
22. A zero-inflated logarithmic series distribution of order k and its applications, *ASta Advances in Statistical Analysis*, 2014 (Available Online) (Co-author: Riyaz, A.)
23. A three parameter hyper-Poisson distribution and some of its properties, *STATISTICA* (accepted for publication) (Co-author: Nair, B.U.)
24. Modified intervened Poisson mixture distribution, *Journal of Statistical theory and applications*. (accepted for publication) (Co-author: Shibu, D.S.)
25. On generalized hyper-Poisson distribution of order k and its applications, *Communication in Statistics-Theory and Methods*. (accepted for publication) (Co-author: Nair, B.U.)
26. Intervened Hermite distribution and applications, *Journal of Indian Statistical Association*. (accepted for publication) (Co-author: Shibu, D.S.)

Dr. Manoj Chacko

27. Residual Renyi entropy of k -record values, *Communications in Statistics-Theory and Methods* (accepted for publication) (Co-author: Asha, P.S.)
28. Estimation and prediction based on k -record values from logistic distribution, *Calcutta Statistical Association Bulletin* (accepted for publication) (Co-author: Mary, S.).

Dr. E.I. Abdul Sathar

1. Nonparametric estimation of the generalized past entropy function with censored dependent data. *Statistics & Probability Letters*, 90, 129-135, 2014 (Co-authors: Rajesh, G. and Maya, R.).
2. Estimation of Lorenz curve and Gini-index of power model in the presence of k -outliers. Proceedings of UGC sponsored National Seminar on process capability studies with special emphasis on computational techniques & recent trends in statistics published by postgraduate Dept. of Statistics, Nirmala College, Muvattupuzha, 27-40, 2014 (Co-author: Renjini, K.R., Jeevanand, E.S. and Rajesh, G.)

Details of Ongoing Projects in the Department

FIST Programme of Department of Science and Technology, Govt. of India is under implementation for the third year.

Participation of teachers in Conference / Seminars etc.:**Dr. P. Yageen Thomas**

1. Attended and delivered an invited talk on “On Recent Advances in Ranked Set Sampling” in the two days International Conference on “Stochastic Modelling” organized by the Department of Statistics, St. Thomas College, Pala during 3-4, January 2014
2. Gave a lecture on the subject “Order Statistics” in the National Workshop on “Distribution Theory, Order Statistics and Reliability Theory” held during 17-19 March 2014 organized by the department of Statistics, University of Kerala, Trivandrum.
3. Attended the National Conference on Statistics for Twenty-First Century-2014 [NCSTC-2014] held at Department of Statistics, University of Kerala, Trivandrum during 20-22 March 2014 and gave an invited talk on “Concomitants of record values and their applications in characterizing bivariate distributions”.
4. Delivered a lecture on Refresher Course in Mathematics & Statistics for the University and College Teachers from 11.09.2013 to 01.10.2013 organized by The Academic Staff College of Bharathiar University “On A Cost Effective Sampling Method and Applications”.
5. Attended in the International Conference on “Statistics and Information Technology for a Growing Nation” in conjunction with XXXIV annual convention of Indian Society for Probability and Statistics (ISPS) held during 30th November to 2nd December, 2014 at Department of Statistics, Sri Venkateswara University, Tirupati and gave an invited talk on “On Ranked Set Sampling from several Independent Non-Identical Populations”. Also presented the joint paper entitled “On Generalized Lower(k)Record Values Arising From Power Function Distribution” (Co-author: Jerin Paul) in a contributory session of the Conference:
6. Inaugurated and gave the keynote address on “Some Challenges of 21st century and Gaps of Statistical Methods for Suggesting Remedies” in the National Seminar on “Recent Developments In Statistical Models And Methods” – RDSMM 2014 organized by Department of Statistics, Government Arts College (autonomous), Coimbatore, Tamil Nadu. Also delivered an invited talk on “Results on Concomitants of Ordered Random Variables which are useful in Bivariate Modelling Problems”.

Dr. G. Lesitha

7. Attended and delivered an invited talk on “On best linear unbiased estimation of the scale parameter of some distributions using ranked set sampling and its modified versions” in the fifth International Statistical Conference on “Challenges and Opportunities: Statistics and Society in the New Information Age” organized by the Institute of Applied Statistics Sri Lanka (IASSL), Dept. of Bioinformatics and Biostatistics, University of Louisville (USA) and National Science Foundation (NSF), Sri Lanka during 28-30 December 2014 at Galadhari Hotel, Colombo, Sri Lanka.

Dr. C. Satheesh Kumar

8. Attended and delivered an invited talk on “On zero-inflated logarithmic series distribution and its generalizations” in the national conference on “Statistics for Twenty-first Century-2014” organized by the Department of Statistics, University of Kerala during 20-22 March 2014 and presented the following joint papers in the Conference: (i) “A two-piece generalized skew normal distribution” (Co-author: Anusree, M.R.), (ii) “On finite mixtures of generalized intervened Poisson distribution” (Co-author: Shibu, D.S.), (iii) “On a class of hyper-Poisson and alternative hyper-Poisson distributions”(Co-author: Nair, B.U.), (iv) “On exponentiated reduced Kies distribution” (Co-author: Dharmaja, S.H.S.), (v) “An alternative to ‘the logarithmic-with-zeros distribution” (Co-author: Riyaz, A.) and (vi) “Modified intervened negative binomial distribution” (Co-author: Kumari, S.S.).
9. Attended and delivered an invited talk on “On certain classes of two-piece skew normal distributions” in the fifth International Statistical Conference on “Challenges and Opportunities: Statistics and

Society in the New Information Age” organized by the Institute of Applied Statistics Sri Lanka (IASSL), Dept. of Bioinformatics and Biostatistics, University of Louisville (USA) and National Science Foundation (NSF), Sri Lanka during 28-30 December 2014 at Galadhari Hotel, Colombo, Sri Lanka.

Dr. Manoj Chacko

10. Attended and presented a paper entitled ‘Bayesian Prediction of Order Statistics Based on k-Record Values from Weibull Distribution’ in the International Conference on “Stochastic Modelling” held at St. Thomas college, Pala during January 3-4, 2014.
11. Attended and presented a paper entitled ‘Estimation Based on Ordered Extreme Ranked Set Sample arising from Morgenstern Type Bivariate Logistic Distribution’ in the National Conference on Statistics for Twenty-first Century 2014 held at the Dept. of Statistics, University of Kerala, Trivandrum during 20-22 March 2014.
12. Attended and presented a paper entitled ‘Inference on $P(Y < X)$ based on record values for generalized Pareto distribution’ in the 11th International Conference on Ordered Statistical Data held at the Mathematical Research and Conference Center in Bêdlewo, Poland, during June 2-6, 2014.

Dr. E.I. Abdul Sathar

13. Attended and delivered an invited talk on ‘*Simple Inference for Continuous Data using SPSS*’ in the “*National Seminar on Data Analysis (NSDA-2014)*” organized by Center for Quantitative Analysis, University of Kerala during 13-14th February 2014.
14. Attended and delivered an invited talk on “*Analysis Using Business Data*” in the “*National Seminar on the prospects and implications of research in the filed of commerce*” organized by Govt Collge, Nedumangad during 27-28 the November 2014
15. Attended the “*National workshop on Quantitative Research and Data Analysis*” Organized by Govt. College of Teacher Education during 15-17th December 2014 and gave an invited lecture on “*Statistical Analysis using Educational data*” on 16th December 2014.

Other noteworthy events:

1. Smt. Minimol, S. was awarded Ph. D degree from Kerala University for her thesis entitled “On Characterizations of Probability distributions” completed under the guidance and supervision of Dr. P. Yageen Thomas.
2. Mr. Shibu, D.S. was awarded Ph. D degree from Kerala University for her thesis entitled “On intervened Poisson distribution and its generalizations” completed under the guidance and supervision of Dr. C. Satheesh Kumar.
3. Ms. Jismi Mathew, M.Phil student of this department qualified in the National Eligibility Test (NET/JRF) of UGC/CSIR.
4. Miss. Parvathy Thankachy, M.Sc.(2012-14 batch) student of this department won the INSPIRE Fellowship for pursuing Ph.D. research in Statistics.
5. Dr. Manoj Chacko has been awarded Raman Fellowship by UGC for doing post- doctoral research for Indian scholars in the United States for the year 2014-15.
6. One of the papers of Dr. C. Satheesh Kumar published in the Journal –*Economical Quality Control* [28(2), 97-104, 2014] is listed in the group of the most 20 downloaded articles of that journal during 2014.
7. Dr. Mariyamma, K.D., Asst. Professor, Christ College, Irinjalakuda was awarded “*Professor R. N. Pillai Best Paper Award-2014*” of the Alumni Association of the Department of Statistics University of Kerala (AADSUK) from among young Alumni Members of the Department of Statistics, University of Kerala.

8. Ms. Sreejakumari, Faculty Research Fellow of this department was awarded “*Professor Jacob Sundara Raja Best Paper Award-2014*” of the Alumni Association of the Department of Statistics, University of Kerala (AADSUK) from among young registered research scholars of the Department of Statistics, University of Kerala.
9. Dr. Jagathnath Krishna, Scientist, CSIR, Chennai was awarded *Professor (Miss.) Aleyamma George Best Paper Award-2014* of the Alumni Association of the Department of Statistics, University of Kerala (AADSUK) from among young registered research scholars of the Department of Statistics, University of Kerala.
10. Dr. Manoj Chacko has been awarded with Santhi Ghosh Travel Grant of ISI Calcutta to attend and present a paper in the 11th International Conference on Ordered Statistical Data held at the Mathematical Research and Conference Center in Bédlewo, Poland, during June 2-6, 2014.

Programmes conducted by the Department in 2014

1. Special lecture on “Mitochondria: The Master Regulator of Metabolism and Health” delivered by Dr. Balu K. Chacko, Associate Scientist, Nutrition and Obesity Research Centre & Comprehensive Cardiovascular Centre, University of Alabama at Birmingham.
2. Conducted Study Tour for the IIIrd Semester M.Sc Students to Thenmala Ecotourism Site on 7.11.2014.
3. A Nature Club named ZOO FORTE has been started at the Department of Zoology and Newsletters has been published.
4. A study tour and Nature Camp has been conducted for MSc and MPhil students to Periyar and Eravikulam National Parks.
5. A campus cleaning day has been organized under the auspices of Nature Club and the Department surroundings and premises have been cleaned.

Activities of Dr. G. Prasad

Seminar/Symposia attended

1. Attended the workshop on 18th July 2014 organized by the International Inter University Centre for Natural Resources Management for the implementing the five major Research Projects.

2. Attended the Nature Camp conducted from 15-17, December 2014 organized by the Department of Wildlife and Forest, Govt. of Kerala at Vallkadavu, Periyar.
3. Attended National Seminar of Integrative Biotechnology & Microbiology from 18-19 December 2014 organized by Centre for Evolutionary and Integrative Biology and Department of Biotechnology, University of Kerala
4. Attended the workshop on 17th November 2014 organized by the International Inter University Centre for Natural Resources Management to formulate the Methodology for the implementing the five major Research Projects.

Invited Talks, Oral Presentation and Seminar Attended

Sreejith.P

- **Invited talk:** International Conference on "Recent Trends in Biomedical Sciences", XXXII Annual meeting of the Society for Reproductive Biology and Comparative Endocrinology, Holy Cross College (Autonomous), Tiruchirappalli, Tamil Nadu, India, 7 - 9th January, 2014, Inhibition of cholesterol biosynthesis and activation of xenobiotic receptor genes initiates permanent hair loss in primary cicatricial alopecia, S ParameswaraPanicker^{1,2}, MC Consolo² and P Karnik²
- **Invited talk:** Bioinformatica Indica 2014, Sterol Intermediate Accumulation and Activation Aryl Hydrocarbon Receptor has a Vital Role in Induction of Primary Cicatricial Alopecia, S ParameswaraPanicker^{1,2}, MC Consolo² and P Karnik²
- **Invited talk:** Third Hair India 2014, Conducted by trichological Society of India, Chennai, Aug. 29th to 30th

Oral Presentation:

- Third Indian Biodiversity conference (IBC, 2014), 18-20th December, 2014, "Neervalam seed paste disrupts immune prevalence in hair follicle and initiates permanent hair loss", SRM University

Seminar/ Meeting Attended:

- US-India Brain Storming Discussion meeting on Faculty Development, January, 6, 2014, Conducted by School of Chemical Science, MG University, The Kerala State Higher Education Council, North Carolina University, USA
- Attended Brain Storming Session on Marine Biotechnology, 24-25 March, 2014 Conducted by Kerala Biotechnology Commission, KSCSTE

- Successfully participated Education Day conducted 6th Annual Meeting of the Proteomic Society of India, IIT Mumbai
- 6th Annual Meeting of Proteomics Society of India, “Proteomics from Discovery to Function”, International Conference, IIT Mumbai (7th to 9th December)

Seminars and workshops Organized

Third Indian Biodiversity conference (IBC, 2014), 18-20th December, 2014, SRM University

Career Guidance Courses:

- Successfully completed Short-term on “Proteomics”, Conducted by IIT-Mumbai (Dec.06 to 10, 2014).
- Successfully completed Orientation Programme (IT Based, A grade) conducted by academic staff college, University of Kerala, 2014 November.

Workshops Attended

- 6th Annual Meeting of Proteomics Society of India, “Proteomics from Discovery to Function”, Work Shop attended, IIT Mumbai (7th to 9th December).
- Workshop on Handling of Reconstructed 3D tissue models, conducted by Mahatma Gandhi-Doerenkamp Center (MGDC), Dept. of Endocrinology, Madras University, and Skin Ethic Academy, Lyon, France, June 16-17,2014.
- Workshop on ICP-MS training, conducted by University of Kerala. March, 2014.

Grants:

- Awarded UGC startup grant (6 Lakhs).
- Translational Research Grant, from Centre for translation Research, University of Kerala (3 Lakhs).
- Sanctioned Furnishing Lab and Faculty Space (5.40 Lakhs), University of Kerala

Noteworthy achievement

Awarded International fellowship by Flair (Higher education council): Called as **FLAIR INTERN**

1. Participated U.G.C Sponsored National Workshop on Bio informatics and genomic analysis for College teachers on 11 and 12 th of August 2014 organized by centre for bioinformatics and Dept of zoology Nasamony Memorial christen college Marthandam.
2. Participated U.G.C sponsored short term course in Disaster Management conducted by Academic staff college, university of Kerala .
3. Participated national seminar on Integrative Biotechnology and Microbiology and society for Evolutionary and Integrative Biology @)!\$ December 18 and 19th.
4. Submitted two papers for Kerala science congress.
 - a) Larvisidal effects of Leaf extracts of Hyptis Saveolens against culex Quienquifasciatus.
 - b) Anti urolithiatic effects of Indian Shilajit on Swiss albino Mice Mus musculus

Prof. M C Subhash Peter

Prof MCS Peter gave an invited talk in the Inter-Congress of the Asia Oceanic Society for Comparative Endocrinology (AOSCE) held during 18-22 March 2014 in Keelung, Taiwan.

Prof Peter visited University of Algarve, Faro, Portugal and the NIBS in Bergen, Norway and presented a paper in the 27th Conference on European Comparative Endocrinologists (CECE) held during 25-29 August 2014 in the University of Rennes, France.

Gave a talk on stress response in fish in the Department of Zoology of Goa University in September 2014.

Presented the final report of UGC–SAP (DRS I) at the UGC Office and UGC has nominated Prof Peter as SAP coordinator for DRS –II progamme.

Prof Peter serves as the course coordinator for the M.Sc Integrative Biology course and the Hon Director of the Centre for Evolutionary and Integrative Biology (CEIB).

Prof Peter continues as Associate Editor of Gen. Comp. Endocrinol., an Elsevier Journal with IF 2.86.

Organized a National Seminar on Integrative Biotechnology and Microbiology in the University of Kerala during 18-19 December, 2014.

Other noteworthy events

Number of Noteworthy Events was organized during academic year 2014 by the Department. Some of them are mentioned below.

- **Translation of Documents**

The Department offers translation service from English to Arabic and vice versa considering the public interest. The documents that we do translate are: driving license, entry visa, birth certificate, bio-data, employment visa etc of different Arab countries like Saudi Arabia, UAE, State of Kuwait, Sultanate of Oman, Qatar etc. The Department of Arabic is thus extending a grant support for the public by translating these documents. The income generated via translation is credited in the Department Development Fund and utilized for the same.

- **Vakkom Moulavi Memorial Lecture**

With the collaboration of National Council for Promotion of Urdu Language, functioning under Ministry of Human Resource Development, Department organized first annual lecture in Vakkom Moulavi lecture Series. The programme was held on 30/01/2014 at Department of Arabic. The lecture was delivered by Dr. Jamaludeen Farooqi, Principal, WMO Arts and Science College, Muttill, Wayanad. Dr. P. Nazeer, Director, Minority Welfare Department, Government of Kerala inaugurated the function.

- **Journal**

Seminar Special Volume of Majalla Kairala Research Journal of Department of Arabic was released. The research papers presented in the international seminar were included as the articles along with other research papers on contemporary Arabic Literature.

- **Career Guidance Cell**

For providing better opportunities for the students of the Department, it organizes special talks and sessions for the career development such as Soft Skill Training, Writing Capacity Building and Interview techniques. Three students of the department are now placed in multinational companies in the post of Document translators in Qatar and UAE.

· **Spoken English Class**

Spoken English classes are conducted by the department for all the students for developing their English language skills. Classes will be held on second and fourth Thursday of every month. Mr. Vishnu Mohan (Faculty, Adult Continuing Education and Extension, University of Kerala), is the honorable director of this venture. These classes are providing a new confidence to our students to meet the challenges. The visiting faculty of the programme is engaging classes on spoken & written English, Grammar, Special English Speaking Course and are conducting workshop on Communicative English etc.

· **Lectures / Talks**

The Department is arranging continuous lectures and talks on different topics like literature, social issues, religion, culture, languages etc in different languages like Arabic, English and Malayalam. Every month, at least one class will be arranged on this series. Special lecturers are conducted on different areas of Arabic Language and Literature, besides that on sociopolitical issues, personality development and others. Several lectures were conducted by eminent scholars last year.

A concise report of the activities of the Centre for Educational Technology, Department of Education enlisting the major activities of the Centre for the academic year 2014 is being submitted for inclusion in the University Annual Report 2014

The Centre for Educational Technology from the very day of its inception had made an effort to keep the teacher education community abreast with the latest trends in the field of Educational Technology. Though the prime emphasis is on Educational Technology, the general trends in the field of education - evolving science and technology and research too is kept in focus. The Centre had decided to improve its functioning by extending its support to researchers in the field of Educational Technology, educational research and its related areas. It was also decided that the Centre should have a journal of its own as a tool for propagation of the latest in the field of communication and educational technology and accordingly a proposal was given to the University. With these aims the Centre for Educational Technology set out its activities in the following areas.

Consultancy Services: The Centre for Educational Technology provided consultancy for those M.Ed, M. Phil. and Ph. D. scholars within and outside the University engaged in the preparation of technology supported teaching – learning materials and interactive packages.

- The Hon. Director of the Centre in consultation with several experts revised the Educational Technology syllabus as a part of the revised M. Ed. Curriculum 2014 which came into operation from 2014 session onwards.
- A Seven day “Live Interactive Workshop on Educational Research Methodology & Statistics”, was organized in collaboration with the Researchers Forum and Centre for Educational Technology, Department of Education from 14th -21th July, 2014.
- A Six day Orientation Workshop on “An Introduction to Programming for Teacher Educators and Researchers” jointly organized by Curriculum Development Centre and Centre for Education Technology of the Department of Education, University of Kerala, from December 15th -20th, 2014.

Steps were taken to enhance the facilities in the computer lab by extending internet facilities to all faculty rooms too. Among the other activities planned for the year but failed to be executed, was the publishing of a journal exclusively for Educational Technology. The plan to upgrade the technology lab into a multipurpose language cum learning lab was put on hold owing to insufficient funding. The request for basic furniture and two computers for the Centre too were not met by the University. Had these inadequacies been corrected, the Centre would have been able to function more effectively.

18. Biji C.L., Manu K. Madhu, Vineetha V., **K. Satheesh Kumar**, Vijayakumar and Achuthsankar S. Nair, NGS Read Data Compression Using Parallel Computing, NGBT Conference, Bangalore, 2014
19. Jayalekshmi G. L., P. R. Prince and **K. Satheesh Kumar**, Comparative study of potential analysis of sunspot numbers, sunspot area and sunspot unit area, proceedings of the national seminar Advances in Geophysics,Space and Atmospheric Research (AGSAR-2014) organized by the Department of Physics, Christian College, Chengannur, Kerala, March 13-15, 2014.
20. **K. Satheesh Kumar**, Ito calculus and its applications, UGC sponsored national seminar on recent trends in Mathematics, NSS Hindu College, 23-24 October 2014 (Invited talk).
21. **Vidyaraj Raman, Prem Sankar C, Satheesh Kumar K**, Asokan K and **Midhun Raj V.**, Analysis of road networkof the buffer area of Kochi metro rail service using tools of social network analysis, International ConferenceInformation Science (ICIS 2014), Cochin, July 4-5, 2014.
22. Article titled “ Prediction of Divergence of Dengue Virus Serotypes by Comparative Analysis of Nucleotide and Amino Acid Sequences” authored by **Alfiya F**, Vijayalekshmi B, **Manoj Changat** presented in ICMACS 2015 held during December, 2014.

23. Paper titled "Is Kerala System of Pension Sustainable?" is presented in the UGC Sponsored National Conference on "Recent Trends in Kerala State Finances" organized by Department of Economics, S N College, Varkala held on 23rd and 24th October 2014 by **Anila. R.**
24. Paper titled "Reform in Central Devolution Criteria: A Way to Boost Revenue Mobilization in Kerala" is presented in the UGC Sponsored National Conference on "Recent Trends in Kerala State Finances" organized by Department of Economics, S N College, Varkala held on 23rd and 24th October 2014 by **Chandini. S. Gopi.**
25. Paper titled "Skillful India, Gainful India", is presented in the UGC Sponsored National Seminar on Flag Ship Programmes In The Development Experience of Post Independent India (1947-2012) organized Department of History, Government College Nedumangad held from 29th to 31st October 2014 by **Anila. R.**
26. Paper titled "An analysis on implementation of institutional arrangements and scope of convergence in Flag Ship Programmes" is presented in the UGC Sponsored National Seminar on Flag Ship Programmes In The Development Experience of Post Independent India (1947-2012) organized Department of History, Government College Nedumangad held from 29th to 31st October 2014 by **Chandini. S. Gopi.**
27. **Dr. Christabell.P.J.** has participated and presented a paper in the 6th International AESOP Sustainable Food Conference held during 5-7 November 2014 at Leeuwarden, the Netherlands. The paper titled "Urban Agriculture for Nutrition Security, Livelihood Opportunities and Sustainable Development" appeared in the proceedings of the 6th International AESOP Sustainable Food Conference.
28. **Dr. Christabell.P.J** chaired a session in the two day National Seminar on "Financial Sector in India: Emerging Trends" organized by the Department of Economics, Government College for Women, Thiruvananthapuram on 24th and 25th November, 2014
29. **Dr. Manoj Changat** has delivered an invited talk titled "An axiomatic Approach to Betweenness in Graphs" in the U.G.C. Sponsored National Seminar on "ALGEBRA, NUMBER THEORY, DISCRETE MATHEMATICS AND THEIR APPLICATIONS" held at Farook College, Farook, Calicut Dist. on 28-11-2014.
30. **Hiran H.L** has presented a paper titled " Smart Grid Evolution Trajectories And Emerging Trends In Techno-Scientific Literature", authored by **Hiran H. Lathabai., Thara Prabhakaran, M. Changat** in the International Conference on Energy, Environment, Materials, and Safety ICEEMS'14, CUSAT, held on Dec 10-12, 2014.
31. **Dr. Manoj Changat** has delivered a lecture titled " Graph products" in the National Workshop on Graph Algorithms and Computer Applications at Department of Computer Applications, CUSAT, Kochi-22 held on 8th of December, 2014.

Other noteworthy events

1. Dr. Christabell P.J Worked as a translator of the Economic Review 2013 on 16-01-2014 published by the Kerala State Planning Board which was done under the supervision of the Kerala State Institute of Languages.
2. Dr. Manoj Changat was Co-convenor of the Research Promotion Workshop on Introduction to Graph and Geometric Algorithms jointly organised by the University of Kerala, IIITM-Kerala, and Tata Institute of Fundamental Research, Mumbai held from 23rd to 25th January 2014.
3. Dr. Manoj Changat, is serving as an Editorial Board member of the Indian Journal of Discrete Mathematics, published by the Academy of Discrete mathematics and Application (ADMA).
4. Dr. Manoj Changat, is serving as an Editorial Board member of the Far East Journal of Mathematical Sciences (FJMS), published by the Pushpa Publishing House, Allahabad.

5. Dr. Manoj Changat reviewed research papers in International Journals: Discrete Applied Math, Theoretical Computer Science (Elsevier) , Discrete Maths, Algorithms and Applications (DMAA: a World Scientific publication), Carpathian Journal of Mathematics and Mathematical Reviews of AMS.
6. Dr. Manoj Changat is serving as a Program Committee member and reviewer of research papers of CALDAM 2015 and reviewed four research papers for CALDAM 2015.
7. Dr. Manoj Changat selected as Program Committee Chair of the CALDAM 2016 by the International Scientific Committee of CALDAM and decided that CALDAM 2016 will be held in Thiruvananthapuram during February 2016.
8. Dr K. Satheesh Kumar delivered the inaugural & keynote address on Science for the society on the occasion of National Science Day Celebrations of Govt. Arts College, Thiruvananthapuram, on 19 - 02 – 2014
9. Dr K. Satheesh Kumar delivered a lecture on Fostering Scientific Temper on the occasion of the science day celebrations at S. N. College, Kollam on 28-02-2014
10. K. Satheesh Kumar delivered a lecture on Digital technologies in Higher Education, Department of Environmental Sciences, University of Kerala on 21-03-2014.
11. K. Satheesh Kumar delivered a lecture on Introduction to E-learning, Mar Ivanios College, Thiruvananthapuram on 02-08-2014.
12. Dr. Christabell.P.J. is appointed as Research guide to three students who conduct Short Term Research Fellowship (2014-15) on minority issues instituted by Directorate of Minority Welfare Department, Thiruvananthapuram
13. Dr. Christabell.P.J. is invited as a resource person to the Refresher Course for College Teachers in Economics conducted by the Academic Staff College, University of Kerala sponsored by the University Grants Commission on 24.11.2014.
14. Dr. Christabell.P.J. is appointed as a resource person to the Public Entrance Examination Coaching Scheme (PEECS) of the Department of Collegiate Education, Government of Kerala.
15. The Department has set up an Entrepreneurship Development Cell with the support of All India Council for Technical Education (AICTE). An awareness session on entrepreneurship and another one on financing options for entrepreneurship was conducted. Students from Dept. of Computer Science, Optoelectronics and Futures Studies participated in the awareness session. Apart from the Departmental students, graduates from Arts and Science colleges too participated in the seminar.
16. The Department initiated a series of discussions with Nokia Solutions and Networks Pvt. Ltd, Inida, exploring possibility of doing internship for 2 M.Tech students. NSN has offered 2 internships for M.Tech students at their facilities covering Chennai, Kochi and Trivandrum circles. The discussions were initiated by C-Graf, the consultancy division of the Department.
17. An interaction with Dr. George Varkey, CEO & MD of 'Mobilexion Technologies Pvt. Ltd' an IT company working on health related areas in Technopark and students of the M.Tech and M.Phil students of the Department was conducted on 22-08-2014 for possible internship in the company.
18. Induction program for the new batch of M.Tech. (Technology Management) students was held during 22-26, September, 2014.
The students were given training on Fundamental Interpersonal Relationship Oriental Behaviour – FIROB, Neuro Linguistic Programming – NLP, Stress Management, Art of Public Speaking by Col. John Jacob (Rtd). Motivating talks on Technology & Society by Prof. R.V.G Menon, Former Principal, Govt. Engg College Technology & Entrepreneurship by Dr. G. Sashi Kumar, Director, Co-op Mgmt Institute, Technical Writing and Communication, Dr. Babitha Justin, Reader, IIST, Trivandrum, Scientometrics by Dr. K.G.Gopchandran, Assistant Professor, Dept. of Optoelectronics, Uty. of Kerala.

19. Dr. Tarakanta Jana, Head of Division, Patent Informatics, NISCAIR, CSIR, New Delhi visited the Department of Futures Studies and delivered a talk on “Patent Informatics” on 29th September, 2014.
20. Sri.N.T.Nair, Chief Editor, Executive Knowledge Lines delivered the first lecture in connection with the Silver jubilee celebrations of the Department of Futures Studies on 12-11-2014 titled “Technology Management”.
21. Sri. V.P.Balagangadharan , Brhama Prakash Scientist has delivered the second lecture in connection with the Silver jubilee celebrations of the Department of Futures Studies on 21-11-2014 titled “Intellectual Property Management”.
22. Dr. Cyriac Mathews, Senior Fellow, ISDG has delivered the third lecture in connection with the Silver jubilee celebrations of the Department of Futures Studies on 26-11-2014 titled “ Art of Learning “.
23. Research collaboration is going on with Prof. Henry Martyn Mulder, Econometric Institute, Erasmus University, Rotterdam, the Netherlands and with the Prof. Peter F Stadler, Head of the Research group in Bio-Informatics, University of Leipzig with the Research Group on Discrete Mathematics and Combinatorial Optimization of the Department of Futures Studies.
Revised version of the paper titled “ Axiomatic Characterization of the Interval Function of Block Graphs” authored by Kannan Balakrishnan, Manoj Changat, Anandavally K.~Lakshmikuttyamma, Joseph Mathews, Henry Martyn Mulder, Prasanth G. Narasimha-Shenoi and N. Narayanan is submitted to Discrete Mathematics.
A research paper titled “Axiomatic Characterization of k -Point Crossover Operators using Transit Functions “ is in preparation with Prof. Peter F Stadler, Matjaz Kovse (from Research group in Bio-Informatics, University of Leipzig) and Manoj Changat, P G. Narasimha-Shenoi, Ferdoos Hosseinnzhad, Shilpa Mohandas and Abisha Ramachandran (the research group in Discrete Mathematics and Combinatorial Optimization, Department of Futures Studies).
24. Research collaboration is going on with Dr. N. Narayanan, Department of Mathematics, Indian Institute of Technology, Madras, Chennai and the Research Group in Discrete Mathematics and Combinatorial Optimization, Department of Futures Studies, University of Kerala.
25. A mock team of the NAAC peer team consisting of Dr. Gangan Pratap, Dr. Suresh Mathew and Dr. Naryana Pillai, visited the Department of Futures Studies on 09-12-2014 and assessed the output of the Department of Futures Studies for the last five years and suggested modifications in the presentation slides of the Department for the NAAC visit.
26. Dr.Manoj Changat is serving in the board of studies in Mathematics at S.B.College, Chanaganacherry as an expert member. Attended two Board of Studies meeting held on 04-09-2014 and 18-12-2014.
27. Dr. K. Satheesh Kumar attended the mid – term evaluation meeting of the UGC Major Research project (No 42-30/2013 (SR)) held at UGC head quarters on 17-12-2014.
28. Two research scholars of the Department Mrs. Anandavally K.L and Mr. Bijo S Anand (under the guidance of Dr. Manoj Changat) were awarded Ph.D degree during the year 2014.
29. The students of 1st semester MTech batch of 2014-15 admission conducted a talk series in Innovation Management titled “INNOVATA ‘14” on 3rd December 2014 at 2.00 p.m in the Seminar Hall of Department of Futures Studies.

Research Projects

1. Major Research Project entitled “Deterministic modelling of the underlying dynamics of surface wind speed fluctuations with application to grid-connected wind power generation” with Dr K. Satheesh Kumar as the principal investigator funded by UGC.

2. Translational project titled “Development of software package for accurate short term prediction of surface wind speed fluctuations using the deterministic character of it’s underlying dynamics” with Dr K. Sateesh Kumar as the principal investigator funded by Translational Research Centre of University of Kerala.
3. Post Graduate Diploma in Knowledge Management (PGDKM) under the Innovative programme of UGC for 5 years from 2011-2016. The first batch commenced from this academic year 2011-12.
4. ED CELL project funded by the AICTE, Govt. of India (2013-2015)
5. NBHM DAE, Govt. of India has sanctioned a research project titled “Transit Functions as a Tool Towards Developing a Theory of Betweenness and Community Structures” for a period of two years from November, 2014.

Consultancy Projects

1. The consultancy project “River Mapping and Sand auditing of Pampa river” of Revenue Department of Govt. of Kerala awarded to **Sanal Kumar S.P., Sr. Systems Analyst** is in the pre final stage of completion. The work primarily aims to estimate the extend of mineable sand in the Pampa river for the Local Self Government Departments.
2. The consultancy project “Cadastral Survey and Mapping of Thiruvananthapuram city” of Kerala Water Authority awarded to **Sanal Kumar S.P., Sr. Systems Analyst** is in the final stages of completion. The geodatabase created as part of work would become as part of e-governance project of KWA.

Extra curricular activities

Conducted Two, One Day Seminars and One National Workshop

1. One Day National Seminar on Transgenics and Crop Improvement (24th July, 2014)

An one day National seminar on ‘ Transgenics and Crop Improvement’ was organized by the Inter University Centre for Genomics & Gene Technology (IU-CGGT), of the Department of Biotechnology, University of Kerala, Kariyavattom, Thiruvananthapuram on 24th July, 2014. This programme was sponsored by the Department of Higher Education, Govt. of Kerala. The Inaugural function of the seminar was started at 9.30 am on 24th July, 2014. The seminar was inaugurated by Hon Vice chancellor, Dr. Radhakrishnan. Dr. A. Jayakumaran Nair, Hon. Director, IU-CGGT, welcomed the gathering. Dr. G. M Nair Presided over the function, Dr. P R Sudhakaran, also attended the function. A. Gangaprasad

delivered vote of thanks. Prof. Veluthambi, Emeritus Scientist, MKU, Madurai, delivered the keynote address. Dr. K K Narayanan from Metahelix Life Sciences Ltd, Bangalore, Dr. Sheshashayee M S from GKVK University of Agriculture Sciences Bangalore, Dr. Maheswaran M from Centre for Plant Breeding and Genetics, TNAU, Coimbatore, Dr. T. Makesh Kumar from CTCRI Sreehariyam, and Dr. S Manjula from RGC B Thiruvananthapuram were delivered lecturers on various topics of the seminar.

2. National Seminar & workshop on ‘RNAi Technology & Biomarkers’ (November 10 – 15, 2014)

An One day seminar and five day workshop on “RNAi Technology & Biomarkers” was organized by the Inter University Centre for Genomics & Gene Technology (IU-CGGT), of the Department of Biotechnology, University of Kerala, Kariyavattom, Thiruvananthapuram on November, 10-15, 2014. This programme was sponsored by the Department of Higher Education, Govt. of Kerala. We had received more than 170 delegates for the One day seminar, which was conducted in the seminar Hall of the Biochemistry Department and 20 participants for the 5 day workshop. The workshop was conducted in the IU CGGT of the Department of biotechnology. The Inaugural function of the workshop on Molecular Tools and Techniques started at 10 am on 10th November, 2014. Dr. A. Jayakumaran Nair, Hon. Director, IU-CGGT, welcomed the gathering. Dr. P R Sudhakaran, Technical Advisor of the centre summarised the schedule and details of the seminar and workshop. The workshop was formally inaugurated by the chief guest Dr. V G Latha, Director, JNTBGRI, Palode by lighting the lamp and followed by the inaugural speech. Dr. Ashalatha Nair, Director of Research, University of Kerala delivered a facilitation talk and P Kondaiah, Professor, IISc, Bangalore released the technical manual and felicitated the event and Dr. A. Gangaprasad delivered vote of thanks.

3. A special lecture was arranged in Department on ‘New Developments and application of Real Time PCR by Eppendorf India Ltd in September, 2014.
4. An awareness seminar on BRICS programme was conducted in the Centre for Genomics and Gene Technology of the Department by Dr. Prakash Vincent, Chairman Associate of the BRICS Biomed Cooperation, Coordinator, International Centre for Nanobiotechnology (ICN) Manonmaniam Sundarnar University, CMST Campus, Rajakamangalam - 629502, Kanniyakumari District, INDIA.
5. A Two day National Seminar on ‘Integrative Biotechnology and Microbiology’ was organized in association with Centre for Evolutionary and Integrative Biology, Department of Zoology on December 18-19, 2014 in the Department of Botany, University of Kerala.

Major Areas of Research

- Microbial and Industrial Biotechnology,
- Animal Biotechnology, Animal Cell Culture,
- Hybridoma and Monoclonal antibodies,
- Proteomics, Enzyme and Enzyme Technology, Therapeutic Proteins and Enzymes,
- Genomics and Gene Technology,
- Nanobiotechnology
- Recombinant vaccine for poultry and cattle,
- Production of Recombinant Proteins and Fermentation Technology.

Major Research and Development Activities of the Department

1. Development of Biomarkers for Neurodegenerative Diseases
2. Micro RNAs in Endoplasmic Reticulum Stress Induced Neuro Degeneration
3. Role of microRNAs Mediated Regulation of Na⁺/K⁺ ATPase in Neurodegeneration
4. Comparative Analysis of Real-Time RT-PCR Protocols for Detection of MicroRNAs In Human Blood Serum.

5. Production of Monoclonal Antibodies through Hybridoma Technology for the development of ELISA based Diagnostic Kits for the detection and monitoring of hepatocarcinoma in Human. - An industry Linked Project
6. Development and evaluation of nanostructures as suitable scaffolds for tissue engineering.
7. Isolation and purification of fibrinolytic enzymes and proteins for clinical applications.
8. Green Synthesis of various types of nanoparticles and quantum dots; and its applications.
9. Metagenomics for the detection and purification of industrially important enzymes and proteins.
10. Development of Recombinant vaccines for Marek's Disease in chicken and Newcastle Disease
11. Pharmacognostic and Antiproliferative Effects of *Psychotria curviflora*
12. Characterization & Cloning Of Bioactive Genes from Mangrove Soil Microorganisms
13. Effect of W-TiO₂ Composite to Control Microbiologically Influenced Corrosion on Galvanized Steel
14. Screening of Microbes producing extracellular hydrolytic enzyme from corporation waste dumping site and house hold waste for the enhancement of bioremediation methods
15. Study on Effect of Betulinic Acid on Lipid Production in Adipocytes
16. Profiling of Angiogenic Properties of *Aegle marmelose* Leaf Extract
17. Establishing Virus Induced Gene Silencing System In *Piperaceae* For Functional Genomics Studies
18. Micropropagation of Ornamental Plant *Passiflora* spp.
19. Molecular Cloning And Expression Of Ribosome Inactivating Protein (RIPs) Gene(s) from *trichosanthes Cucumerina* And Evaluation Of Antiviral Property
20. Screening organisms for the production of Keratinase and utilization of feather waste for the production of value added products.
21. Screening of anti cancerous compounds from different natural sources and its characterization.

Papers Published /Presented in Seminar & Symposia

1. Enrichment of 3 fattyacids in flax seed oil by alkalinelipase of *Aspergillus fumigates* MTCC 9651, Akhila rajan, Dasiah R Shobankumar & Ananthkrishnsn J Nair., International Journal of Food Science & Technology 49 (5), 1337-1343, May 2014.
2. Scale up of production in a bioreactor of a halotolerant protease from moderately halophilic *Bacillus* sp. isolated from soil, Roopa Prasad, Theruvath Koshy Abraham and Ananthkrishnan Jayakumaran Nair, Braz. Arch. Biol. Technol., vol. 57 No. 3, 2014
3. 'Comparative study on the Synergetic Action of Differentially Synthesized Silver Nanoparticles with β - Cephem Antibiotics and Choramphenicol.' Neethu Hari, Tincy K Thomas, and A. Jayakumaran Nair., Journal of Nanoscience, Volume 2014 (2014), Article ID 201482, 8 pages.
4. 'Antioxidant and Hemolytic property of Silver nanoparticles synthesized using *Allium sativum*.' Neethu Hari, Tincy K Thomas and A. Jayakumaran Nair ., Proceedings of " Innovations and Future Research Dimensions on Nano-biopharmaceutical Technology" Anna University, Thiruchirappally October 2014.
5. 'Physiochemical properties of Nanocompoite films made of chitosan and poly-l lactic acid using PEG as plasticizer', Surumi B, Tincy K Thomas, Neethu Hari and A. Jayakumaran Nair., Proceedings of "Innovations and Future Research Dimensions on Nanobiopharmaceutical Technology" Anna University, Thiruchirappally October 2014.
6. In Vitro response of 3T3 mouse fibroblast cells to nanocomposite film made Chitosan and montmorillonite K-10.' Surumi B, Tincy K Thomas, Neethu Hari and A. Jayakumaran Nair. National Conference on Advances in Tissue Engineering and Regenerative Medical Technology, PSG Institute of Advanced Studies, Coimbatore. December, 2014.

7. 'Synthesis and Characterization of Citrate capped Silver nanoparticles and their antibacterial activity.' Neethu Hari, Tincy K Thomas, and A. Jayakumaran Nair. National Conference on Advances in Tissue Engineering and Regenerative Medical Technology, PSG Institute of Advanced Studies, Coimbatore. December, 2014.
8. Isolation and Purification of Alpha Fetoprotein from the Human Hepatocellular carcinoma Hep G2 Cell line'. Amalu Navas, Tincy K Thomas, and A. Jayakumaran Nair. National Conference on Advances in Tissue Engineering and Regenerative Medical Technology, PSG Institute of Advanced Studies, Coimbatore. December, 2014.
9. Traditional Knowledge in Health Care Systems'. Rajeswari Gopal G Compendium Traditional Knowledge, 26th Kerala Science Congress 28-31, January 2014.
10. Characterization, induction of apoptosis and tumor regression studies of flavanoid compound isolated from *Alpinia Galanga*. L., on Human Lung cancer cells and ascetic lymphoma models. National symposium on Underutilized and wild edible plants of India: Future Crops', Department of Botany, University of Kerala, Thiruvananthapuram, 10-11 December, 2014.
11. 'Isolation and purification of Bioactive compounds from *Streptomyces parvulus* of Mangrove ecosystem', Cibi R and A. Jayakumaran Nair., In International seminar on 'Sustainable Utilization of Tropical Plant Biomass- Ayurinformatics' Department of Bioinformatics and Computational Biology, University of Kerala, Thiruvananthapuram December, 2014.
12. 15-LOX metabolites and Angiogenesis: Angiostatic effect of 15(S)-HPETE involves induction of apoptosis in adipose endothelial cells. Soumya SJ, Binu S, Helen A., Reddanna P., Sudhakaran PR. Peer J. 2014;2:e635.
13. Regulation of Vascular endothelial growth factor by metabolic context of the cell. VB Sameer Kumar, S Binu, SJ Soumya, K H, Sudhakaran PR. Glycoconj J. 2014; 31:427-434
14. A. Jayakumaran nair participated as invited speaker and delivered Keynote lecture on RNAi Technology at National Conference on Recent Trends in Biosciences- Challenges and Future prospects, Organized by Marthoma College of Science and Technology, Ayoor, 13- 15 March 2014.

A very brief report of the participation of Teachers in Various Activities, Conferences/Seminars etc.

Dr. A. Jayakumaran Nair

Positions held, As Examiner, Chairman Adjudication of thesis and dissertation, Subject expert in Selection Boards Etc.

1. HOD, Department of Biotechnology
2. Hon. Director, Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala.
3. Chairman, Board of Examinations of MSc Biotechnology in the affiliated colleges of Kerala University.
4. Chairman, Board of Examinations of MSc Food and Dairy Biotechnology, in the affiliated colleges of Kerala University.
5. External Examiner, for Practical examinations of M G University, Kottayam.
6. Subject expert in the interview board for the selection of Research Associates and JRF in Biotechnology Division of National Institute of Inter Disciplinary science and Technology NIIST, (CSIR), Thiruvananthapuram. 2014.
7. Member, Editorial Board, Journal of Nature and Life Science, published by St. Theresa's College, Ernakulam.
8. As reviewer Research articles for different journal publishers

9. As reviewer of project proposals for KSCSTE, govt. of Kerala.
10. As Reviewer of papers for the selection of 27th Kerala Science Congress.
11. Chairman, BOS in Biotechnology (PG), University of Kerala.
12. Member, BOS in Biotechnology (Pass), University of Kerala
13. Member, Academic Council, University of Kerala
14. Adjunct Faculty, Centre for NanoScience and Nanotechnology, University of Kerala

Seminar, Symposia, Conference Organized and Participated

1. Organized a National Seminar on Transgenics and Crop Improvement (24th July, 2014) In the Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala.
2. Organized a National Seminar cum Workshop on RNAi Technology” (November 10 -15, 2014) in the Centre for Genomics and Gene Technology, Department of Biotechnology, University of Kerala.
3. Dr. A. jayakumaran nair participated as invited speaker and delivered lecture on RNAi Technology at National Conference on Recent Trends in Biosciences- Challenges and Future prospects, 13-15 March 2014.
4. Participated in the National Symposium on Underutilized and Wild Edible Plants of India- Future Crops’ organized in the Department of Botany, University of Kerala. Worked as one of the Judges for the selection of papers for best paper award. December9, 10, 2014.
5. Dr. A Jayakumaran Nair invited by the Department of Microbiology and Biochemistry, women’s college Trivandrum to deliver a lecture on Microbial enzymes and its Biotechnological applications in Pharmaceutical Industry, Food industry and Environment. October, 2014.
6. Member, National Advisory Committee of the National Conference, TECHSYNOD’ 14 conducted from 10th -12th December 2014. In Mohandas college of Engineering.
7. Organised a National Seminar on ‘Integrative Biotechnology and Microbiology’ in association with Centre for Evolutionary and Integrative Biology in the University of Kerala on 18th and 19th December, 2014.
8. Member selection Board for the recruitment of Research SATudents and Research Associates in the Division of Biotechnology, NIIST, Thiruvananthapuram.

Dr. Supriya Radhakrishnan Lecturer (On Contract)

Joined as lecturer (on contract basis) in the Department of Biotechnology on 7th January 2014.

During this academic year I have handled subjects like Microbiology (Semester I), Molecular Biology (Semester II), Recombinant DNA Technology and Immunology (Semester III), Genomics, Proteomics and Metabolomics (for Semester IV) and the subject related practicals for the MSc students in the Department. One extra departmental elective - ‘Food and Industrial Biotechnology’ (Semester III) has also been handled.

Co-ordinated Journal club in the Department which includes monthly scientific presentations by the students and teachers in the department. Over 10 scientific seminars have been conducted by now.

Contribution to research activities in the Department.

Given training assistance to Class XII students of Kendriya Vidyalaya, Pattom in two mini projects:
Checking the antagonistic activity of the crude extract of *Vitisnegundo* against a panel of pathogenic bacteriae.

Analysis of water quality through most probable number (MPN) method.

Seminars attended:

1. National seminar on Transgenics & Crop Improvement (July 24, 2014)
2. National seminar on RNAi Technology & Biomarkers (Nov 10- 15, 2014)

Journal papers submitted/ accepted/ Published

One journal paper related to Rubber Biotechnology has been accepted to publish in *Rubber Science*.

Differential antifungal activity of α -1,3-glucanase isoforms from *Hevea brasiliensis*. (Submitted to *Tree Physiology*)

Isolation and characterization of different forms of α -1,3-glucanase gene promoters from *Hevea brasiliensis*. (Submitted to *J. Plant pathology*).

Dr Bindhumol I, Lecturer on contract Basis

Date of Joining: 8/01/2014

Subjects handled: Part of the following subjects were handled during this period in the Department of Biotechnology. Biochemistry, Bioprocess engineering, Biophysics, Genetics, Natural products and molecular medicine, Pharmaceutical biotechnology, Practical classes of these subjects

Publications: Communicated one manuscript

Journal citations: 15

Scientific presentations:

Presented a talk on ‘**Probiotics from Lactic acid bacteria**’ at Department of Biotechnology as a part of Journal club activity

Conferences/Seminars attended:

“**RNAi Technology and Biomarkers**” at University of Kerala, Trivandrum, India, 2014

“**Transgenics and Crop Improvement**” at University of Kerala, Trivandrum, India, 2014

Research Guidance:

M.Sc project on ‘Isolation and screening of *Leuconostoc* sp. for dextran production’ Class XII project on ‘Hydrolysis of starch using amylase producing microorganisms’

Dr. Malu Ravi, Lecturer on contract Basis

Joined as Contract lecturer on January 6th, 2014 in the Department of Biotechnology

Subjects handled: Part of the the following subjects were handled during this period- Genetics, Biophysics and Instrumentation for First semester,

Cell Biology for Second semester, Plant and Animal Biotechnology for Third semester, Genomics, Proteomics and Metabolomics for Fourth semester

For extra departmental elective – handled Environmental Biotechnology

Dealt with the practicals for the concerned papers in all semesters

Awarded PhD degree on May 16th, 2014

“Induced Genomic Instability Impact on Insect Rec Genes and Retinoblastoma Proteins” Membership

Selected as a Member of Board of Question setters (2014) for MSc Microbiology, SB College, Changanassary

Seminars Attended

National seminar on “Transgenics and Crop improvement”, July 24, 2014

RNAi Technology and Biomakers, November, 2014

Paper for publication

U. Gayathri Elayidam, Malu Ravi, D. Muraleedharan. Identification and Proteomic

Characterization of a Novel Stage-specific Factor from Verson’s Glands in the Common Mormon Butterfly, *Papilio polytes*. Indian Journal of Experimental Biology.

Journal club presentation

Presented a topic on “Ebola Virus – The Present Scenerio”

Other noteworthy events**Ongoing Projects**

An Industry linked Research project entitled 'Development of monoclonal antibodies and polyclonal antibodies for tumor antigen AFP (Alpha fetoprotein) for the development of ELISA based indigenous immunodiagnostic kits' has been sanctioned by Kerala Biotechnology Commission, KSCSTE, Govt. of Kerala under the Industry linked Research Programmes, in association with TreeLand Biotec, Trivandrum for a total cost of Rs.28,11,600/- The second installment of 4.6 Laks has been received. The project has successfully completed with the development of hybridomas of about 112 positive clones having the ability to produce the monoclonal antibodies. With this we are continuing the work to produce the monoclonal antibodies to develop in diagnostic Kits.

Noteworthy Events Organized

- 1. Computer Science Students Association (COSSA)** Inauguration Inauguration of COSSA was held on 18th June 2014 and Dr. Veeramanikandan, the honourable Pro-Vice Chancellor, University of Kerala inaugurated the COSSA activities for the year 2014.
- 2. Inauguration of Medical Image Processing (MIP) Research Laboratory** Inauguration of the newly set up Medical Image Processing (MIP) Research lab was held on 18th June 2014. The functioning of the lab was inaugurated by Dr. Veeramanikandan, the honourable Pro-Vice Chancellor, University of Kerala. This MIP Research Lab funded by UGC XII Plan Scheme is set up exclusively for Research Scholars in the Department.
- 3. Technical Talk on "Trends and Challenges in Automotive Electronics"** Mr. James Joy, the Architect, Tata Elxsi, Technopark, Thiruvananthapuram delivered an invited talk on 'Trends and challenges in Automotive Electronics' on 18th June 2014. His talk mainly focused on the advanced technologies and the challenges in the automotive industry.

4. **Talk on “Stress management”** Rev. Fr. Joye James S. J., Rector and Manager, Loyola College of Social Sciences delivered a talk on “Stress management” for the first year M.Sc. and M.Tech students on 24th June 2014.
5. **Technical Talk on “Neuromorphic Vision and Resistive Threshold Logic Networks: Seeing beyond Camera Sensors”** A technical talk on “Neuromorphic Vision and Resistive Threshold Logic Networks: Seeing beyond Camera Sensors” by Dr. Alex Pappachen James, Nazarbayev University, Republic of Kazakhstan was conducted on 26th June 2014. He introduced the Memstick concept and discussed some of the applications which make use of Memsticks.
6. **Technical Talk on “BOSS Linux and Open Source”** Selina H, Principal Technical Officer, Broadcast and Communication Group, Center for Development of Advanced Computing (CDAC), Thiruvananthapuram delivered a talk on BOSS Linux and Open Source at Department Seminar hall on 10th July 2014.
7. **Technical Talk on “Introduction to Linux Kernel”** A talk on “Introduction to Linux Kernel” was delivered by Mr. Mahesh C, System Analyst, FISAT on 21st October 2014.
8. **Technical Talk on “Cyber Forensics”** Mr. Nabeel Koya from Centre for Development of Advanced Computing (CDAC), Cyber Forensic Division delivered a talk on “Cyber Forensics” on 29th October 2014.
9. **Talk on “Personality and Self-esteem”** Rev. Fr. Joye James S. J., Rector and Manager, Loyola College of Social Sciences delivered a talk on “Personality and Self-esteem” for the first year M.Sc. and M.Tech students on 1st November 2014.
10. **Technical Talk on “Cloud Computing”** IEEE Student Branch organized a talk on Cloud Computing on 6th November 2014 by Mr. Amarnath Raja, Partner and CEO, InApp, Thiruvananthapuram, Kerala, India.

Ongoing Research Project

1. Government of Kerala has approved Project proposal for "Setting up of Advanced Nanophotonic Laboratory for Device Application" for a total amount of amount Rs. 5.63 Crore (duration 5 years). Fund received-first phase-Rs 1.98 crore and second phase- Rs. 2 crore.
2. Government of Kerala has approved a proposal for setting up of a laser fabrication laboratory and Rs. 50 lakh is sanctioned.
3. KSCSTE "Back to Lab" programme project titled "Development of Holographic Lens to use in conjunction with solar cells" for Rs. 15 lakh.
4. DST SERB project entitled "Advanced photon flux density measurements for photonic info-energy transfer" for Rs. 49.74 lakh

Note worthy events

1. Dr.V.P.Mahadevan Pillai visited the Robert Gordon University, UK as a visiting Professor from March 14th to 30th , 2014 under UGC-UKIERI project.
2. A Lecture on "Scattering Super Lens" by Prof. Yongkeun Park from Korea Advanced Institute of Science & Technology (KAIST) on 21st August 2014.

3. Dr.V.P.N Nampoory, CUSAT, Cochin joined the department as UGC scholar in residence for 2 years.
4. A talk on “ATMOSPHERIC RADARS” talk by Dr. K.V.Janardhanan, Rtd. Scientist/Engineer (H), SPL, VSSC, Professor Department of Applied Electronics, Marian Engineering College, Kazhakuttom, TVM on 2.30 PM, 28th OCTOBER 2014.
5. A lecture on “An Initiative to Build Online Electronic Resources for Science and Technology” by Prof. A.K.Kapoor, BITS, Hyderabad Campus, (Former Prof. of Hyderabad Central University) on 10.01.2014 .
6. A Talk on “*Non linear optical studies on oxide glass metrics*” by Prof. N.Veeraiah, Professor & Head, Department of Physics, Acharya Nagarjuna University, Andra Pradesh, on 17.01.2014.
7. IEEE STUDENT BRANCH & IEEE PHOTONICS SOCIETY STUDENT CHAPTER of Department of Optoelectronics, University of Kerala jointly organized a Workshop on “RECENT TRENDS IN PHOTONICS” on 1st March 2014.
8. A Talks on Photonic Integrated Circuits & Micro-Opto-Electro-Mechanical Systems by Dr. Thalabathullah Srinivas, Department of Electronics & Communication Engineering, Indian Institute of Science, Bangalore on 1st March 2014.
9. A Talks on “High Capacity Optical Networks” by Dr. V.P. Sudeepkumar, Sr. Sub Divisional Engineer, BSNL on 1st March 2014.
10. A talk on “Scaling and manufacturing challenges in modern VLSI Technology” by Mr. Arunkumar Mahadevan, Physical Design Engineer, Intel’s Logic Technology Development-Advanced Design group, USA on 14.05.2014.
11. A Talks on “Microwave Rotational Spectroscopy and Molecular Structure” by Dr. K.P Rajappan Nair, Visiting Scientist Leibniz University, Hannover, Germany.
12. A talk on “Mind Matter Interaction-New Experimental Evidence in Quantum Optics” by Prof. V.P.N Nampoory was arranged at Department of Optoelectronics on 18.09.2014
13. A talk on “ATMOSPHERIC RADARS” in by Sri. K.V.Janardhanan, Rtd. Scientist/Engineer (G), SPL, VSSC, & Professor, Department of Applied Electronics, Marian Engineering College, Kazhakuttom was arranged by IEEE STUDENTS BRANCH & IEEE PHOTONICS SOCIETY CHAPTER of the Department on 28.10.2014.
14. A talk on “Introduction to Nanoscience and Nanotechnology” by Dr. P.S. Anil Kumar, Associate Professor, Department of Physics, Indian Institute of Science, *Bangalore on 28.11.2014.*
15. Department of Optoelectronics is organizing a one day seminar on Photonic materials and an Alumina meeting on December 6th, 2014.

Received about 190 citations for journal papers during 2014(Google Scholar Data).

Participation / Organizing of Conferences/ workshops and other activities

1. Dr.V.P.Mahadevan Pillai visited the Robert Gorden University, UK as a visiting Professor from March 14th to 30th, 2014 under UGC-UKIERI project and delivered a talk on “Effect of silver incorporation in phase formation of tungsten oxide films and Hydrogen sensors based on tungsten oxide films” on 19.03.2014 to the research students and faculties from the optics group. Delivered a talk in the IDEAS research seminar on “Molybdenum Oxide Nanostructures and their Gas Sensing Properties” on 20.03.2014

2. Dr.V.P.Mahadevan Pillai delivered a lecture on “Luminescent Si nanostructures and tungsten oxide based hydrogen sensors” in Aberdeen University, Aberdeen, UK on 27.03.2014.
3. Dr.V.P.Mahadevan Pillai visited Herriot Watt University, Edinburgh, UK and Fraunhofer Center of Applied Photonics, Glasgow on 25.03.2014.
4. Dr. V.P. Mahadevan Pillai acted as Member of the High Level Independent Neutral Committee constituted by Government of Kerala for preparing the RFP for Printing and Supply of Holographic Security Labels and Scrutinizing the Expressions of Interest for Kerala State Excise Department.
5. Acted as Chairman of the Technical Committee for the purchase of DC/RF Magnetron Sputtering unit, stylus profilometer and thermal vacuum coating unit in IISER, Trivandrum.
6. Dr. V.P. Mahadevan Pillai was the University Nominee for the Selection Committee for the appointment of Principal of T.K.M.College of Engineering, Kollam
7. Dr. V.P. Mahadevan Pillai elected as Sectional President for the Physical science section of 102nd Indian Science Congress January 3rd to 7th 2015, Mumbai University.
8. Dr. V.P.Mahadevan Pillai attended the Statutory Council meeting of the Indian Science Congress Association at Mumbai University during October 9 & 10 2014 as Sectional President of the Physical Science Section of 102nd Indian Science Congress.
9. Dr. V.P.Mahadevan Pillai reviewed papers for NLS 2014, Elsevier, Springer, ACS, Royal Society of Chemistry & AIP Journals.
10. Dr. V.P.Mahadevan Pillai evaluated Ph.D thesis for several Universities.
11. Dr. V.P.Mahadevan Pillai submitted the final report of the three and half years ISRO-RESPOND project entitled “Investigation on the role of aerosol, cloud and water vapour on the precipitation characteristics of Indian Summer Monsoon” for Rs. 22.4 lakh.
12. Dr. V.P.Mahadevan Pillai delivered an invited talk “Nanophotonics Materials”, at the National Seminar on Photonics, Department of Physics, Holy Cross College, Nagercoil, Tamilnadu on 17th February 2014
13. Dr. V.P.Mahadevan Pillai delivered an invited talk on Molybdenum nano rods for gas sensing applications in the Physical Science Section, 101st Indian Science Congress at Jammu University during February 3-7, 2014.
14. Dr. V.P.Mahadevan Pillai attended the DAE-BRNS TPDM meeting at Mangalore University on 12.04.2014 as a reviewer of funded project.
15. Dr. V.P.Mahadevan Pillai attended the Statutory Meeting of the Council of the Indian Science Congress Association on 03.05.2014 in ISCA Headquarters, Kolkata.
16. Dr. V.P.Mahadevan Pillai delivered an invited talk “Gas sensors based on Molybdenum Nanostructures” at the National Seminar On Nanophotonics Organized by School of Pure and Applied Physics & UGC at Mahatma Gandhi University, Kottayam, Kerala, India during 26, June 2014.
17. Dr. V.P.Mahadevan Pillai delivered an invited talk in the National workshop on “Recent Advances in Optoelectronic Materials & Devices” at NMAM Institute of Technology, Karnataka during 30th & 31st July 2014.
18. Dr. V.P.Mahadevan Pillai attended the Technical Project Discussion Meeting of DAE-BRNS at BARC Mumbai during 22nd to 24th July 2014 as a reviewer.
19. Dr. V.P.Mahadevan Pillai attended the Meeting of the Sectional President with General President for the 102nd Indian Science Congress at Mumbai University on 27.07.2014.
20. Dr.V.P.Mahadevan Pillai delivered talk “Molybdenum Oxide based Gas sensors” at Department of Physics, Mumbai University on 24.07. 2014.

21. Dr.V.P.Mahadevan Pillai delivered talk “Laser ablated nano structured materials” at Laser Plasma & Technology Division, BARC, on 25.07.2014.
22. Dr.V.P.Mahadevan Pillai attended the statutory meeting of the council of Indian Science Congress Association for the conduct of 102nd Indian Science Congress at Mumbai University on 09.10.2014.
23. Dr.V.P.Mahadevan Pillai delivered an invited talk in the International Seminar on Glasses and other Functional Materials (ISGFM) during December 11-13, 2014 at Acharya Nagarjuna University, Guntur, Andhra Pradesh.
24. Member of the Editorial Board, Journal of Optics (Springer)
25. Nominated as Member, Senate, University of Kerala.
26. Member of the IQAC, University of Kerala up to October 2014
27. Dean, Faculty of Applied Sciences, University of Kerala
28. Member of the Academic Council, University of Kerala
29. Member, Board of Studies in Nanoscience & Nanotechnology, University of Kerala
30. Chairman, Board of Studies in Optoelectronics, University of Kerala
31. Member Board of Studies in Physics, Periyar University Salem
32. Member, Board Studies in Bio-electronics and Biosensors, Alagappa University, Karaikudi
33. Member of the CSS Academic Committee meeting, University of Kerala

Dr. K. G. Gopchandran

M.Phil Degree produced 2

Papers published in international journals 4

Papers published in the proceeding/ abstracts of symposia/conferences 10

Ph.D guiding 10

1. Dr.K.G.Gopchandran received about 200 citations in journals during 2014(Google Scholar Data).
2. Presently a member in the Governing Council of the Kerala State Higher Education Council.
3. Became a member (MInstP) 2014 in the IOP Institute of Physics, UK.
4. Presently a member in the Academic council, Faculty (Applied Sciences and Technology) and Board of studies (Optoelectronics and Future Studies) of University of Kerala.
5. Holding charge of the Astronomical Observatory of the University.
6. Faculty-in-charge of the Atomic Force Microscope facility installed in the Kariavattom campus.
7. Was Course Co-ordinator for the Refresher course in Nanosciences organized by UGC-Academic Staff College, University of Kerala during 11th October to 1st December 2014.
8. Delivered an invited talk on “Current at the Nanoscale” in the Annual Photonics workshop on Nanophotonics sponsored by UGC held at International School of Photonics, CUSAT, Kochi on 28th February 2014.
9. Participated in the International Conference on Perspectives in Vibrational Spectroscopy (ICOPVS 2014) held at Thiruvananthapuram during 8-12, July 2014.
10. Chaired one session in the International Conference on signal and speech processing (ICSSP) organized by the TKM College of Engineering, Kollam during 21-23 August 2014.
11. Delivered an invited lecture on “Blue LEDs” in the National Seminar on “New Frontiers in Physics: Scope and Challenges” sponsored by UGC organized at St.Xavier’s College, Thiruvananthapuram during October 28-30, 2014.
12. Delivered an invited lecture on “The rise of Gallium Nitride” in the National Seminar on Frontiers of Polymers and Advanced Materials (FPAM-2014) organized by Department of Chemistry, University of Kerala, Kariavattom during 5-7, November 2014.

13. Delivered an invited lecture in the National Conference on Optics, Photonics and Lasers sponsored by UGC held during 17-18 July, 2014 at Arul Anandar Autonomous College, Madurai.

Dr. A. Yamuna

- M.Phil Degree awarded 3
 - M.Sc. Projects guided 1
 - Ph.D guiding 8
1. Participated in national Seminar on “Recent Approaches in Geochemical Research” RABR-2014 on 28th and 29th October 2014
 2. Conference publication entitled “An analysis of 10gbps optical transmission system with and without using Fibre Bragg Grating(FBG) by Anzy Salam, A Yamuna, V P Mahadevan Pillai
 3. One of the Co Ordinators for the M.Tech Electronics and Communication (Optoelectronics and Optical Communication syllabus revision 2015).
 4. Member of the M.Phil 2015 syllabus committee and contributed for the complete revision of “Research Methodology” core paper.
 5. Project funded by Science and Engineering Research Board (SERB), Govt. of India for the project “Advanced Photon flux density measurements for photonic info-energy transfer detection” with a budget of Rs.49.74 lakhs sanctioned as per order no. 513/EMEQ-508/2014 dated 26.06.2014 and the first instalment of Rs. 36,50,000/- (thirty six lakhs and fifty thousand only) was received on 13.10.2014 and project implementation order has been sanctioned.
 6. Member of Faculty of Applied Science and Technology.

Dr. S.K. Sudheer

- i. M. Phil Degree guided 1
- ii. M.Tech Project guided 5
- iii. Paper published in IEEE Xplore 1
- iv. Paper presented in conferences 9
- v. Ph.D guiding 8
- vi. Dr.Sudheer.S.K delivered an invited talk “Lasers and Laser Material Processing”, in the National Seminar on Photonics,Department of Physics,Holy Cross College,Nagercoil,Tamilnadu on 17th February 2014.
- vii. Dr. Sudheer. S.K delivered an invited talk entitled “Lasers and Material Processing “ in Spectrum 2014, the Annual Multidisciplinary Seminar Series at Department of Physics, Sree Narayana College, Chempazhanthy on March 19th,2014.
- viii. Dr. Sudheer S K served as Chairman (through EDAS conference manager) the IEEE sponsored International conference on Ultra Modern Telecommunications-Optical Networking Technologies and Data Security (ICUMT OPNTDS) conference held during October 6, 7 &8 2014 at St.Petersburg, Russia.
- ix. Served as Principal Investigator for the DAE-BRNS funded project entitled Design and Development of Q switched Fiber Laser *for laser cleaning Applicatios* worth Rs. 31 lakhs.
- x. Convener of Seminar on Photonic Materials (PHOTOMAT2014) on December 6th,2014 at Department of Optoelectronics, University of Kerala.
- xi. Member, Board of Studies in Optoelectronics, University of Kerala
- xii. One of the Co Ordinators for the M.Tech Electronics and Communication (Optoelectronics and Optical Communication syllabus revision2015
- xiii. Staff Co-Ordinator for the M. Tech Electronics and Communication (Optoelectronics and Optical Communication 2014-2016 Batch.

1. Member, Board of Studies in Photonics, CUSAT, Kochi
2. Member, Board of Studies in Physics, CUSAT, Kochi
3. Member, Senate, IISER, Trivandrum up to October 2014
4. Delivered an invited talk in the Seminar on Advances in Spectroscopy held on 14 September 2014 at Kanchi Mamunivar Centre of Post Graduate Studies, Pondicherry.

Prof. V. P. N. Nampoore

1. Prof. V.P.N Nampoore published 12 papers in International journals.
2. Prof. V.P.N Nampoore attended the AICTE meeting of TEQUIP Engineering Colleges at New Delhi during October 12-14, 2014.
3. Prof. V.P.N Nampoore delivered a talk on "Mind Matter Interaction-New Experimental Evidence in Quantum Optics" at Department of Optoelectronics on 18.09.2014.
4. Prof. V.P.N Nampoore delivered a special talk on "What is Reality" at Kerala State Council for Science, Technology and Environment auditorium on 06.10.2014.
5. Prof. V.P.N Nampoore delivered a special talk on "Is there a GPS in our Brain" at ToCH Engineering College, Ernakulam on 31.10.2014.
6. Prof. V.P.N Nampoore received an award for a book in Malayalam on a subject of deep analysis: Title of the book: "On the threshold of Universe creation: Short History of Hibbs Boson" (in Malayalam)
7. Prof. V.P.N Nampoore inaugurated the National workshop on Vedic Mathematics under TEQUIP programme on 5.12.2014 at Engineering College, Cherthala.

Binu Madhavan

1. Attended Workshop On Recent Trends In Spectroscopy Organized By IEEE Student Branch & IEEE Photonics Society Student Chapter of Department of Optoelectronics, University of Kerala Department of Optoelectronics, University of Kerala, Thiruvananthapuram, Kerala, India during 29, April 2014.
2. Attended National Seminar On Nanophotonics Organized by School of Pure and Applied Physics & UGC at Mahatma Gandhi University, Kottayam, Kerala, India during 26, June 2014.
3. Attended National Workshop On Recent Advances In Lasers For Communication, Signal And Material Processing ,Organized by Department of Electronics and Communication Engineering, Toc H Institute of Science and Technology, Ernakulam, Kerala, India during 12,13,14, November 2014.

Extra curricular activities

Dr. JAYA D. S. Associate Professor & Head

I. Teaching and Evaluation:

1. Handled theory classes for all semesters of M,Sc and M.Phil Degree courses in Environmental Sciences.
2. Offered the Extra-Departmental Elective Course, ENS 52A 'Environmental Health Perspectives' (2 credits) as Course Co-ordinator for M.Sc students from the Dept. of Biochemistry, Biotechnology and Computational Biology & Bioinformatics.
3. Handled classes for a course in the Semester-in-India programme conducted by CIA, University of Kerala.
4. Served as the External expert for the evaluation of the project for funding under 'Women Scientist Programme' by KSCSTE, Sastrabhavan, Thiruvananthapuram.
5. Served as External Examiner for M.Phil Ecological informatics Viva-voce Exam. in School of Informatics at IIIT-MK, Technopark, Thiruvananthapuram under CUSAT, Kochi.
6. Reviewer of the research article submitted in the '*International Research Journal of Public and Environmental Health*' published by MDPI, Open access.

II. Research Guidance:

1. Ph.D Thesis submitted : One
2. Ph.D Synopsis submitted : One

3. One student Mrs.Lakshmi K.S awarded Ph.D degree for the thesis entitled “Studies on the changes in the Physio-chemical characteristics and Nematode diversity in the selected urban and rural soils prone to heavy metal contamination in Thiruvananthapuram district, Kerala” under my guidance.
4. No. of Ph.D scholars guided : Seven
5. No. of M.Phil students guided : Two
6. No. of M.Sc students guided : Two

III. Research Projects:

Supervising the work of the KSCSTE funded research project entitled “Assessment of the Efficiency and Morpho-Physiological characteristics of Veliver plants in the remediation of contaminated soils and waste waters” to the research scholar Miss.Dhanya S.Nair.

V. List of Research papers presented/contributed in National / International Conferences:

1. Contributed a research paper entitled “ Implications of Air Quality and Heavy Metal dispersal on the air accumulation factors of road side greeneries in Thiruvananthapuram District, Kerala” authored by Jissy Jyothi S., Baijulal B and Jaya D.S in Kerala Science Congress held in Wayanad during Jan. 28-31st 2014.
2. Contributed a research paper entitled “Pollution Status Assessment of Water Sources in the surroundings of Valiathura sewage Farm in Thiruvananthapuram District, Kerala” authored by Jainy Varghese and Jaya D.S in Kerala Science Congress held in Wayanad during Jan. 28-31st 2014.
3. Contributed a research paper entitled “Physio-Biochemical Changes in Vetiver Grass subjected to Wastewater Treatment in Constructed Wetlands” authored by Dhanya, G and Jaya D.S In: Abstracts

- of Environmental conference, organised by the Department of Environmental Science, Central University of Kerala, Kasaragod on Feb. 2014.
4. Contributed a research paper entitled “Soil Quality Assessment in the surroundings of KMML Industrial area, Chavara, Kollam district, South India” authored by Beena K.N and Jaya D.S In: Abstracts of Environmental conference-2014, organised by the Department of Environmental Science, Central University of Kerala, Kasaragod on Feb 2014.
 5. Presented a research paper entitled “Appraisal of MSW Leachate characteristics and the Groundwater Quality in the surroundings of Brahmapuram Municipal Solid Waste Disposal Facility in Ernakulam District, South India”, authored by R. Kavitha and D.S.Jaya. In: Proceedings of the 2nd Disaster, Risk and Vulnerability Conference, held at Department of Geology, University of Kerala, Thiruvananthapuram from 24th to 26th April 2014.
 6. Contributed a research article entitled “Indigenous reverence for Environment: A review on sacred groves in India.” In: Technical Proceedings: 4th International Conference on Indigenous initiatives for Environment and Development CIIED, authored by Sivakumar, K.P, Akhila S, Nair and Jaya, D.S held in Ambo, Ethiopia during 28th & 29th June 2014.
 7. Contributed a research article entitled “An Investigation on Heavy metal pollution in the water and fish species ‘*Mystus Gulio*’ in Vattakayal, A part of Ashtamudi lake in South India authored by S.Seethal Lal, D.S Jaya and E.Sherly Williams in the “10th Kerala Environment Congress” conducted by Centre for Environment & Development, Kerala State on August 22nd and 23rd 2014, at Ernakulam.

VI. List of Seminars/ Workshops attended:

1. Participated in the Shimadzu “Food Safety Technical Seminar Series-2014” at Central Institute of Fisheries Technology, Kochi on 7th January 2014.
2. Attended the ‘National Workshop on Biogeochemistry’ conducted in the Dept. of Environmental Sciences on 27-28th March 2014.
3. Attended the 2nd Disaster Risk and Vulnerability Conference (DRV C) conducted in Thiruvananthapuram from 24- 26th April 2014.
4. Attended and delivered a talk in the World Environment Day Celebrations held at the Magic Academy, Poojappura, Thiruvananthapuram on June 14th 2014.
5. Attended the ‘Training programme on open source software Moodle’ on 5th April 2014 at Campus Computing Facility Center, University of Kerala.
6. Attended the ‘National Workshop on Water and Energy Security Issues, Challenges and Potentials -Kerala Environment Congress’ on 23th & 24th August 2014 at Kochi.

VII. Co-curricular Activities:

1. Conducted monthly seminars, debates etc. as the Faculty-in-charge of ‘Students Skill Acquisition Club’ constituted in the Dept. of Environmental Sciences.
2. Organised the Lecture cum demonstration on ‘Rainwater Harvesting Techniques’ by ACT-WISY, India Operation, Thiruvananthapuram on 26th June 2014 in the Dept. of Environmental Sciences.
3. Member of Board of Studies in Environmental Sciences, and attended the Board of Studies meeting on 9th January 2014.
4. Annual Assessment Committee of Ph.D students in Environmental Sciences was conducted in the Dept. as Chairman of the Doctoral committee on August 5th, 2014.
5. *Member of Academic Council, University of Kerala, and attended the Academic Council meeting on 6th May, 9th May and 29th October 2014.*
6. *Served as Treasurer of the Environmental Sciences Alumni Association (ENSAA) in the department.*

7. *Member of Advisory committee of the 'International & Interuniversity Centre for Natural Resources Management', University of Kerala, and attended the meeting conducted on 16th July 2014.*
8. Participated in the scientific lecture session on 'Atmospheric Radars' in the Dept. of Optoelectronics, University of Kerala on 28th October 2014.
9. *Member of Research Advisory Committee of "Ecology & Environment", KSCSTE, Thiruvananthapuram, and attended the 21st RAC meeting conducted on Nov.11th, 2014.*
10. *Organised the 'Establishment meeting of Parents-Teachers Association (PTA)' in the Department of Environmental Sciences on Nov.15th 2014.*

Dr. SALOM GNANA THANGA. V. Associate Professor

I. Teaching and Evaluation

1. Teaching M.Sc and M.Phil (Environmental Sciences) in the Department of Environmental Sciences
2. Teaching one extra departmental elective for III semester M.Sc students.
3. Course teacher for Semester-in-India programme conducted by CIA, University of Kerala (ENS 542 Environmental Economics and Policies).
4. External examiner for M.Sc. (Environmental Science) at Central University of Kerala, Kasargod.
5. External examiner for conduct of M.Sc. viva-voce examination at St.John's College, Anchal and All Saints' College, Thiruvananthapuram.

II. Seminars/ workshops

A. Organized

1. Coordinator for refresher course in Environmental Sciences organized by the Academic Staff College, University of Kerala during January, 2014.
2. Organized two day workshop on "Implementing the recommendations of Prof.HrdayaKumari committee report" in the Department of Environmental Sciences during 20th and 21st March, 2014.
3. Organizing secretary for two day programmes on World Environment Day in the Department of Environmental Sciences during 5th and 6th June, 2014.

B. As resource person

1. Key note address during the Annual Intercollegiate Academic Students meet organized by the Department of Microbiology, Saurashtra College, Madurai on 15th February, 2014.
2. Invited talk in a seminar on "Environmental Biotechnology" at SN college, Punalur on 29th February, 2014.
3. Invited talk in a National seminar on "Contemporary techniques in Environmental research and conservation" organized by All Saint's College, Thiruvananthapuram on 13th March, 2014.
4. Invited talk in a workshop on "Biogeochemistry" organized by the Department of Environmental Sciences, University of Kerala, during 27th and 28th March, 2014.
5. Invited talk at ICAR sponsored training programme organized by the Department of Microbiology, Tamil Nadu Agricultural University on 16th August, 2014.
6. Invited talk on Ozone day at St.John's college, Anchal on 25th September, 2014.
7. Invited talk in a short term training programme on Sustainable Urbanization organized by the Department of Architecture, College of Engineering, Trivandrum on 14th November, 2014.

III. Papers published

1. DipuSukumaran, and Salom GnanaThanga V. 2014. Heavy metal uptake, its effect in plant biochemistry of wetland (constructed) macrophytes and potential application of used biomass. *International Journal of Environmental Engineering*, **6**: 43-54.

2. Reshmi.R.R.,Deepa K.Nair, Zachariah,E.J. and Salom GnanaThanga Vincent. 2014. Methanogenesis: Seasonal changes in human impacted regions of Ashtamudi estuary (Kerala, South India). *Estuarine, Coastal and Shelf Science*. (Accepted for publication).
3. Reshma.J.K., Salom GnanaThanga.V. and Anu Mathew. 2014. Phenol degradation by bacteria isolated from coir retting beds of South Kerala Coast. *Journal of Global Biosciences*. 3 (6): accepted for publication.

V. Research Projects

Principal Investigator of two major research projects funded by UGC and DoECC (total outlay of Rs.22.65 lakhs).

VI. Co-curricular activities

1. Chairman, Board of Studies in Environmental Sciences, University of Kerala.
2. Member, Board of Studies in Botany, Bharathiar University, Coimbatore.
3. Member, Faculty of Applied Sciences, University of Kerala.
4. Question paper setter for M.G.University, Kottayam.
5. Presented mid-term report of UGC major research project at UGC office New Delhi on 5th February, 2014.
6. As convenor for conduct of Ph.D open defence at Gandhigram Rural Institute University, Gandhigram, Tamilnadu on 28th April, 2014.
7. Subject expert for approval of Kerala Biodiversity Board as Kerala University research centre.
8. Faculty-in-charge of water testing laboratory as consultancy work in the Department of Environmental Sciences, University of Kerala.

VI. Ongoing Project/s:

Nutrient influx and phytoplankton dynamics in Meenachil river and their impact on productivity of Vembanad lake, Kerala. UGC, New Delhi. Total outlay 10.66 lakhs. Date of commencement: 01-7-2012.

VII. Other Activities:

1. Offered one credit elective course on “ENS 51A- Disaster Management “ to 1st semester students of other departments.
2. Participated in the mid-term evaluation of UGC major research project in New Delhi on 4th Feb, 2014.
3. Submitted a major research project entitled “Assessment of Surface Water-Groundwater Interaction and Basin Characteristics in Karamana River Basin, Kerala with emphasis on Water Pollution in the Lower Reaches” to BARC, Bombay in September 2014.
4. Served as Chairman of S1, S2 and S4 semester of M.Sc degree Env. Sciences examination, Univ. of Kerala.
5. As Faculty-in-charge of Bhoomitrasena, organized programs in the department.
6. Served as Chairman of the question paper setter for B.Sc and M.Sc Env. Sciences in Calicut University, Kerala.
7. Guided three M.Phil dissertations and three M.Sc dissertations.
8. As external examiner evaluated one Ph.D thesis.

9. Served as Member, Board of Studies in Environmental Sciences and Member Faculty of Applied Sciences, Univ. of Kerala.
10. Served as Reviewer and reviewed two research full papers submitted for consideration of its acceptance in the 15th National conference on “Technological Trends” held in CET, Trivandrum.
11. Evaluated three M.Tech. thesis in the Civil Engineering (Geoinformatics) Department of College of Engineering (CET), Trivandrum and conducted the viva-voce examination.
12. Conducted two debates as moderator on topics a). ‘Small dams vs. Large dams’ in the Dept. on 25th Sept.2014 and b). Gadgil committee report Vs. Kasthuri Rangan Committee report on Western Ghats by the students and scholars who are the members of SSA Club and Bhoomithra Sena of the department.
13. Participated in a scientific talk on “Atmospheric Radars” organised by the Dept. of Optoelectronics, Univ. of Kerala.
14. Actively participated in the series of general seminars presented by the M.Phil students of the Dept. of Env. Sciences.

General

The Centre for Bioinformatics established in 2005 and upgraded as the Department of Computational Biology and Bioinformatics in 2011, is a new generation inter-disciplinary as well as multi-disciplinary teaching & research department of University of Kerala. In 2010, Centre for Systems and Synthetic Biology and in 2010, a Centre for Venom Informatics have been established as a part of this Department. The State Inter University Centre of Excellence in Bioinformatics (SIUCEB) co-exists seamlessly with the Department. This year the Centre of Excellence in Ayur Informatics & Computer Aided Drug Design has been established with funding under FAST scheme of MHRD, Govt.ofIndia. The major achievements and developmental activities of the Department of Computational Biology and Bioinformatics in 2014 are as follows:

- Inauguration of Ayur Informatics & Computer Aided Drug Design (AiCADD) project with central funding of Rs. 6.9 crores, by Dr. Shashi Tharoor.
- Organising or co-organising 4 key international events: (i) The fourth edition of biannual Symposium of the Department, Bioinformatica Indica 2014 (ii) The Fourth International Seminar on Sustainable Utilization of Tropical Plant Biomass-Ayur informatics, in collaboration with Lund University and Kerala State Bio-diversity Board and other centres and agencies (iii) Swathanthra 2014 - National Free Software Meet inaugurated by Richard Stallman (The Department took part and organized track on “Computational Biology & Sciences”) (iv) One day International Seminar on Wildlife Genomics in collaboration with SciGenome Research Foundation.
- Research Publications in Impact Journals registered a good growth in 2014, with 13 papers, two having impact factor over 5. AiCADD Research Bulletin is ready for publication.
- Four MOUs have been proposed/signed: SciGenome Pvt Limited, C-DAC, Kerala State Bio-diversity Board and A-Star Bioinformatics Institute, Singapore.
- Publishing of a new Department Brochure and starting a monthly newsletter.
- Syllabus for MSc Computational Biology has been revised based on an extensive workshop including external experts. Many innovations like negotiated studies, innovative projects, recommending MOOCs as resources and as assessment components have been introduced.
- MOOC has been introduced in learning process, more than a dozen students successfully completed courses from US Universities.
- AiCADD fellowships have been announced for PhD, MPhil and MSc students of the Department.
- Smart Class room set up by the University is in use.
- New Department brochure, Library Information booklet, fliers for consultancy, free-software activities etc. have been produced.
- The Department continues to maintain a rich and well updated, professionally designed web site of international standards at dcb.keralauniversity.ac.in.
- Student clubs have all been very active.

Library

An excellent collection of over 2400 books on Bioinformatics and allied areas are available at the Department. The Department library runs a library software known as Bookface, which merges the features of social networking and common library management software, aimed at transforming the library to a futuristic people-centric library. The total number of books issued during the year was 1280. The average readerships for different categories in books/person/year are: 16.33 (Faculty), 9.96 (researchers), 28.64 (MPhil) and 20 (MSc). Sreejith R.P., MSc Computational Biology was selected as reader of the year for his maximal library usage. Many readership enriching and promoting activities have been conducted and a user guide has been issued.

Student Support

The student clubs DCB Sarga, DCB Vanitha, DCB- FOSS, DCB Indis, DCB Madhyama, DCB Haritha, DCB Kayika all were very active during this year. DCB Drishya expanded youtube channel which is maintained by them. As a part of enhancing amenities, an eco-friendly hall named “Haritha Ratnakaram” has been renovated and maintained and classes are held in this hall in a traditional manner. A shuttle court also is maintained and is being used on a daily basis by members of the Department, which goes a long way in ensuring good human relations. An open stage named “Kalihattu” is used by students to stage both academic and cultural events. Beautification of Department premises is continuously done. In addition to fellowship schemes of the University and Governments, the faculty members and senior researchers provide 5 full-fee scholarships to masters/MPhil students, from their own pocket.

Research

Research publications registered some good growth in 2014, with 13 papers in world class journals with two having impact factor over 5. Seven book chapters also have been published in addition to an impressive number of conference/seminar publications/posters. Total citations of permanent faculty as on Dec 2014 are 360 and best citation achieved so far for a single paper is 61. Good impact factor publications are close to 25 so far (Impact factor from up to 6.97). Current research areas are Genomic & Proteomic Digital Signal Processing, Bio-sequence Analysis Computational Synthetic Biology, Molecular modeling & drug design, Bio-sequence compression, Venom informatics and Junkomics. The project on Snake Venom Detection Biosensor (SVDB) has been delayed due to unforeseen circumstances.

To complement the *insilico* research going on at the Department, a well-equipped microbiology and bioelectronics lab has been set up. This provides complete research facility for microbiology, molecular biology, phytochemistry, bioelectronics and clinical studies. The drug discovery software “Discovery Studio” has been installed and researchers are trained on the same. Researchers regularly conduct Journal Club Meetings and have been supported to attend both national and international events.

The following is the current details of the PhD programme:

PhD Produced so far:	12
Ongoing guidance	: 22
Post-doctoral Research	: 1
PhDs awarded during 2014	: 4
PhDs submitted during 2014	: 0
Synopsis submitted during 2014	: 1

The department also has four external research supervisors (i) Dr. V.S. Sugunan (ii) Dr. M. Radhakrishna Pillai (iii) Dr. E. V. Soniya (iv) Dr. Vinod Chandra S. S. (v) Dr. P. R. Sudhakaran and (vi) Dr. Oommen V. Oommen in addition to the services of Dr. Achuthsankar S. Nair and Dr. Pawan K. Dhar.

Major Events coordinated at the Department of Computational Biology and Bioinformatics

1. The fourth biannual International Symposium on Computational Biology, Bioinformatics and Synthetic Biology: BioinformaticaIndica 14 was hosted during January 9-11, 2014.
2. Three days' workshop was conducted by AccelrysInc.USA on "Discovery studio" from March 24-26th, 2014.
3. One day International seminar on "Wild life Genomics" jointly organized by SciGenome Research Foundation and Department of Computational Biology and Bioinformatics. Dr. Stephen Schuster (School of biological Sciences, Nanyang Technological University, Singapore), Dr. Jeffrey Wall, (Institute of Human Genetics, University of California, San Francisco, CA,USA), Dr. Somasekar Seshagiri, (Genentech, San Francisco, CA, USA), Dr.NandiniRajamani, (Indian Bioscience, Bangalore), Dr.Arun Zachariah (Centre for wild life studies, Kerala Veterinary & Animal Science University), and Dr.Ana Carolina Junquerira (Singapore Centre on Environmental Life Science Engineering (SCELSE),Singapore) were the resource persons on November 15th, 2014.
4. The fourth International Seminar on Sustainable Utilisation of Tropical Plant Biomass- Ayur informatics(SUTPBM 2014) was held from December 12th -13th, 2014.Tejal Gandhi (Gujarat

- Technical University), Dr. J.B. Prajapati (Anand Agricultural University), Dr. Rickard Öste (Lund University, Sweden), Dr. Jörgen Holm (CEO, Glucanovaab, Lund, Sweden), Dr. Jigar Trivedi (Hildur Functional Foods Pvt Ltd, Kerala), Dr. Upendra Raje (New Horizon College of Biotechnology, Bangaluru), Dr. V. Sivasubramonian (Phycospectrum Environmental Research Centre (PERC), Chennai), Li Shen (Marine Drugs Research Center, Jinan University, China), Jun Wu (Marine Drugs Research Center, Jinan University, China), Dr. Handunge Kumudu Irani Perera (Faculty of Medicine, University of Peradeniya) were the key speakers.
5. "Swatantra 2014" an open source conference organized by ICFOSS is supported by Department of Computational Biology and Bioinformatics and conducted a session on "Computational Biology & Sciences" on December 19th, 2014.
 6. Centre of Excellence in Ayur Informatics and Computer Aided Drug design was inaugurated by Dr. Shashi Tharoor, Hon. Minister of State for Human Resource Development on January 6th, 2014.
 7. Visit and Interaction with Dr. Ann Maecus & Team from New York University was held on January 21st, 2014.
 8. One day workshop on Python, free and open source software, was organized on February 8th, 2014.
 9. Kerala Day was celebrated in association with CIA on March 6th, 2014.
 10. One day workshop on biological data curation using Perl organized jointly with SciGenome Lab pvt. Kochi on April 26th, 2014.
 11. "One day Fun Day" for promoting school children was organized on May 14th, 2014.
 12. A talk on "3D protein network reconstruction to provide insight into genetic diseases" by Vineetha V. (Technology Architect, Infosys) on May 20th, 2014.
 13. Three day workshop on "DNA bar-coding of plants" was organized by AiCADD centre from June 17-19, 2014.
 14. One day workshop on role of mass spectrometry for peptidome research organized by AiCADD centre on June 25th, 2014.
 15. Research paper writing workshop by Dr. Achuthsankar S. Nair on July 18th, 2014.
 16. Syllabus Revision workshop for revising MSc computational Biology syllabus was conducted on July 21st 2014.
 17. Two days' workshop on "Next Generation Sequencing" by Rashmi Sukumaran on August 13 & 14th, 2014.
 18. A talk on "Induced pluripotent stem cell: A disease in a Dish model" for type 1, 2, 3 Gauche Disease" by Mrs. Leelamma P. Jacob on August 19th, 2014.
 19. One day seminar on "Bioinformatics" on August 20th, 2014.
 20. A talk on "Inherent resources of the oat genome to develop a high quality oat especially designed from the 'end user' specifications" by Mrs. Bindu Sunil, Lund University, Sweden on August 21st, 2014.
 21. A talk on "Predictive modeling for biomarker discovery" by Dr. Subramani (MBBS, PhD), Division of Translational Informatics, Department of Medicine, University of New Mexico on August 27th, 2014.
 22. A talk on "Algorithm and Complexity" by Mrs. Vineetha, Infosys on September 20th, 2014.
 23. A talk by Mr. Justin Padamadan for faculty development program on September 30th 2014.
 24. Great Debate organized by British Deputy High Commission in Chennai in partnership with British Council and University of Kerala on October 21st, 2014.
 25. Inauguration of renovated Haritha Ratnakaram by Sri. Sreekumaran Thampi on October 21st, 2014.

26. DCB Vanitha inauguration by Mrs. T. Parvathy on October 23rd, 2014.
27. One day seminar on “Genomics from bench to bedside” by Dr. Vinesh Vinayachandran organized on October 24th 2014.
28. DCB Sarga organized a programme “Muraleeravam” with shri K.V.Murali from chalakkudy as guest on November 1st 2014.
29. A Talk by Allan K. Manuel (Federal Service USA and Personal in White Hose Policy Committees) about “Succeeding in Global Environment” on November 4th 2014.
30. Android for Bioinformatics –A workshop by Ms.Santhi J Krishnan, Mr. Joseph Alexander, and Mr.Abhilash from OrisysIndia consultancy service on November 8th, 2014.
31. Release of monthly newsletter InsiDE by Dr. Sebastian Paulon November 19th, 2014.
32. Celebrated Communal Harmony Week from November 19-25th and cultural programmes organized by DCB Sarga as a part of Communal Harmony week celebrations on November 25th, 2014.
33. A talk by Dr.Bijuna Kunju K.(Professor ,Department of Electrical and Electronics Engineering, T.K.M. College of engineering, Kollam) as a part of faculty development programme on November 20th, 2014.
34. Perl Tool box release by MSc F on November 26th, 2014.
35. A Talk on “Road safety & rules” by Mr. Anus Salahudheen (Asst. Motor Vehicle Inspector) organized by DCB Vanitha on November 26th, 2014.
36. A Presentation on medicinal plants garden project by Sri Manoj Kumar, Agriculture officer, Krishibhavan, Kazhakkootam organized by DCB Haritha was on December 16th, 2014.

Talks by Dr. Achuthsankar S. Nair

1. Panel speaker on Credit Transfer and Transnational education session in the International meet on “Transnational Education” at Mascot Hotel, Trivandrum organized by the Kerala State Higher Education Council on 3rd January, 2014.
2. A Presidential address on “Analysing risk society through different lenses of social science” One Day National Seminar, organized by Society for Social Science Research (SSSR) at Trivandrum on 9th January, 2014.
3. An inaugural speech and keynote address on the inauguration of the golden jubilee seminar series in “Emerging Trends in pure and applied disciplines” organized by St.Gregorios College, Kottarakkara on 15th January, 2014.
4. An inaugural speech and keynote address on “MOOC-Massive Online Open Courses” as a part of the two day national seminar on “ICT in modern educational scenario”, organized by Labour India College of Teacher Education, Marangattupilly, Kottayam on 3rd& 4th February, 2014.
5. A talk in Three Day Programme on “Personality Development & Soft Skill Training for Equal Opportunity” organized by Equal Opportunity Cell (Sponsored by University Grants Commission), University of Kerala, Kariavattom from 4 - 6th February, 2014.
6. An Inaugural address on “Fostering Scientific Temper” One Day State Level Seminar Organized by KUTEC, Nedumangad on 24th February, 2014.
7. A Talk on Visual Mathematics at Department of Mathematics S. B. College, Changanacherry on 1st March 2014.
8. Presented a paper on “Music, Science and Technology”, in the workshop organized by BrehathSangeethaKendram, Thiruvananthapuram from 31st March to 4th April 2014.
9. A talk on “Sarvam Sparshiyaya I.T.” at the three day vacation programme in Science Learning, organized by KSCSTE, Trivandrum, on 23rd April, 2014.

10. A Felicitation address for the High level Seminar and Public meeting on ‘Impact of missionary movement in the social changes in Kerala’ organized by the CSI Madhya Kerala Diocese as a part of its Biocentenary celebrations at CSI Christ Church on 10th May, 2014.
11. Presented a paper on “The Original Music of Shri Swati Thirunal compositions” in the seminar organized by Centre for Performing and Visual Arts, University of Kerala, Thiruvananthapuram on the conclusion of the Bi Centenary Celebration of Maharaja ShriSwathiThirunal at the Senate House on 10th May, 2014.
12. A theme talk for National Technology Day Celebration 2014 organized by Mar Theophilus Training College, Trivandrum on 15th May, 2014.
13. A Keynote address at the workshop on “Physical Science Curriculum Development “organized by Mar Theophilus Training College, Nalanchira, Trivandrum on 6th June, 2014.
14. A keynote address on “Baselian Computing workshop 2014” organized by the Department of Computer Science & Engineering , Mar Baselios College of Engineering and Technology, Thiruvananthapuram on 14th June, 2014.
15. An inaugural speech and talk on “Research formulation” in TEQIP phase-II sponsored short term training programme on “Research Methodology for Engineers” organized by Government Engineering College, Barton Hill, Trivandrum on 23rd June,2014.
16. An Inaugural address followed by talk on “Research Methodology for Engineers” short term training programme organized by Government Engineering college Barton Hill, Thiruvananthapuram on 23-27 June, 2014.
17. An Inaugural talk on “Massive on-line Courses” at the UGC National seminar “cyber space assisted responsive education” organized by the Faculty of Physical Sciences, Newman college, Thodupuzha on 27th June, 2014.
18. Gave keynote address in National Workshop on “Intelligent & energy efficient led lighting systems: A step towards a green future”, at KMEA engineering college, Edathala, Ernakulum on 13th August, 2014.
19. Gave keynote address in the National conference on” Recent trends in Engineering & Technology” organized by Trinity Engineering College co-sponsored by Kerala State Council for Science , Technology & Environment (KSCSTE) on 23rd August, 2014.
20. Gave an invited talk on “Quality Education” in national seminar on “Towards achieving excellence in teaching and research” organized by internal quality assurance cell, SreeAyyappa College for women, Kanyakumari on 27th August 2014.
21. A talk on “Management of research process – philosophy & practical tips” at the National e-seminar on Steps 2 Research organized by AmalJyothi College of Engineering, Kanjirappally on 20th September ,2014.
22. An inaugural speech at the inauguration of “Malayalathara” web site at the press club, Trivandrum on 26th September,2014.
23. A talk on “(നവമാധ്യമങ്ങൾ: ജനകീയതയും വിശ്വാസ്യതയും” organized by Department of Malayalam and Mass communication at two day National seminar on “Democracy and credibility of new Media” at St. Xavier’s College, Thumba, 9th October, 2014.
24. A talk on “Syllabus Restructuring” at one day workshop on”Syllabus Restructuring: Concepts and application for faculty” organized by St. Theresa’s College, Ernakulam on 30th October, 2014.
25. A keynote address at school teachers’ conference organized by Vidya Council for Education at Ansar English School, Perumpilavu, Thrissur on 29th November, 2014.
26. An Invited talk on “Scilab: Opportunities & Challenges” at Scilab India Conference 2014 at IIT Bombay on 3rd -4th December,2014.

27. A Presidential address at “Trends and Ideals in Modern Education at the library” organized by the University Campus Library on 6th December, 2014.
28. An Invited Talk on “Scilab-A alternative to MATLAB” at Programme for session on Computational Biology & Sciences in “Swatantra 2014” organized by ICFOSS on 19th December, 2014.
29. Gave a talk as a chief guest of 36th “School Annual Science Fair” in Christ Nagar Higher Secondary School, Kowdiar, Thiruvananthapuram.
30. Gave a talk at “BRAHMA 2014- A National Level Technical & Cultural Festival organized by AdiSankara Institute of Engineering & Technology, VidyaBharathi Nagar, Kalady.
31. A talk on “Importance of International Collaborations in PG Programmes” at Awareness workshop on Translational Engineering organized by Government Engineering College, Barton Hill, Thiruvananthapuram.

Other Activities

Dr. Achuthsankar S. Nair

1. Served as a resource person and member of organizing committee of UGC Sponsored National Conference on E-Waste Management (NCEM’ 14) organized by Department of Computer Science, Government College Nedumangadu, Thiruvananthapuram.
2. Served as a chief guest of “50th Annual day celebrations” organized by the Kendriya Vidyalaya, Pattom, Thiruvananthapuram.
3. Served as a member in the “Global Education Dialogues- South Asia Series” organized by British Council at Colombo, Sri Lanka from 17th -18th March, 2014.
4. Served as a member of Implementation Committee for the implementation of RFID Based Smart Card System, Kerala University, Trivandrum on 2nd May, 2014.
5. Served as a chief guest of “Career motivation” organized by MalayalaManorama in Pattom St. Mary’s Higher Secondary School, Thiruvananthapuram, on 3rd May, 2014.
6. Invited to lead the Career Counseling program conducted as a part of Vidya Technical Outreach Program (CGP) by Vidya Academy of Science and Technology Technical Campus, Kilimanoor on 17th May, 2014.
7. Served as a member in the panel discussion on “Role of cyber forensics in mitigation of cyber crimes” a one day seminar organized by Computer Society of India and Group of Technopark Companies (G-Tech), Technopark, Thiruvananthapuram on 17th July, 2014.
8. Served as a member in the panel discussion of educational convention organized by A.K.P.C.T.A., Thiruvananthapuram on 9th August, 2014.
9. Served as a member of the Governing Body of State Institute of Languages on 9th December, 2014.
10. Served as a member of the Academic Committee of International School of Dravidian Linguistics on 11th December, 2014.
11. Served as a member of the expert committee of Cultural Heritage Village Project constituted by Cultural Affairs Department, Government of Kerala.
12. Served as a member of the Kerala State Statistical Commission constituted by the Government of Kerala.
13. Served as a member of implementation committee for monitoring the project “RFID Based Smart Card System in the Kerala University Library”.
14. Served as a Mentor of Governing Board of TEQUIP project and also as a Senior Research Advisor of Rajiv Gandhi Institute of Technology, Kottayam.
15. Served as a panelist on “Cyber Forensic”, one day seminar organized by Computer Society of India at Technopark, Thiruvananthapuram.

16. Served as a reviewer for the journal, “IEEE Transactions on Computational Biology and Bioinformatics” and “Current Bioinformatics”.
17. Served as a member of State Level Monitoring Committee of Cable TV programs under Cable TV Network Regulation Act of 1955, set up by Government of Kerala.
18. Served as a chairman of the Enquiry committee constituted by the SreeChitraTirunal Institute for Medical Sciences and Technology, to look into issues related to Computerisation.

Talks

Dr. P. R. Sudhakaran

1. P.R.Sudhakaran, “Therapeutic Angiogenesis”, National Seminar on Advances in Biotechnology 2014, Department of Biotechnology, Cochin University of science & technology, Cochin, 2014. (Invited Talk).
2. P. R. Sudhakaran, “Enzyme Science and Engineering” Techsynod14 National conference and workshop on Biotechnology, Mohandas College of Engineering and Technology, Thiruvananthapuram, December 2014.(Invited Lecture).
3. P. R. Sudhakaran, “Inflammation, Angiogenesis and Progression of Atherosclerosis, 27th Annual Conference ISARCON 2014 and International CME Innovations in Atherosclerosis and cardiac diseases research, KGMU, Lucknow, November 2014.(Invited Lecture).
4. P. R. Sudhakaran, “Preparing a manuscript for Publication”, Workshop on Research Methodology Organised by SwadeshiShastra, Nehru Arts & Science College, Kanjangad, October 2014 (Invited Lecture).
5. P.R.Sudhakaran, “Molecular Mechanisms of Angiogenesis: KarnatakUniversity,Dharwar, October2014 (Special Lecture).
6. P.R.Sudhakaran, “Biosignaling”, Science Academy (Bangalore) workshop on “Progress and Prospects of Biotechnology” organized by Department of Biotechnology, St.Joseph’s college, Irinjalakuda, July 2014 (Invited Lecture).
7. P.R.Sudhakaran, “Drug Targets- National Workshop on Computer Aided Drug Design and Development”, organized by IITM-K, Technopark Campus Thiruvananthapuram on March 2014(Special Lecture).
8. P R Sudhakaran”Writing a Scientific Paper “Workshop on Research Methodology organized by KSCSTE ,Trivandrum, February 2014. (Invited Lecture).
9. P. R. Sudhakaran, 27th International Carbohydrate Symposium, IISc,Bangalore, January 2014 (Session Chair).
10. P.R.Sudhakaran, “Novel MMP inhibitor in cardiac hypertrophy”, Xth International Symposium on Cell surface Macromolecules, organized by Saha Institute Kolkata, January 2014(Invited Lecture).

Editorial work:

1. Guest Editor, Special Issue of Glycoconjugate Journal (Springer, USA),Highlights 2014 on glycoscience; Vol 31(6), Vol. 31(7), 2014.

Talk by Other DCB members

1. Umesh P., Lecturer, delivered a talk on “Nextgen Biology - Compile, Run and Print DNA ”, in the International conference – BioinformaticaIndica organized by the department on 11th January 2014.
2. Navya Raj, Research Scholar, delivered talks on “Phylogenetics” and “Primer designing” at the Bioinformatics training program organized by Department of Biotechnology, Cochin University of Science and Technology (CUSAT) on 14th February 2014.

3. Sunitha P., Lecturer, delivered a talk on “A Primer for Primer designing”, on February 25th, in the Bioinformatics Workshop 2014- a National Workshop on Modern tools in Biotechnology Information, organized by the Department of Botany, University College, Thiruvananthapuram on 25th-26th of February 2014.
4. Sajil C. K., Research Scholar, delivered a talk on “Massive Open Online Courses”, at Regional Telecom Training Centre, Kaimanam on 24th March 2014.
5. Navya Raj, Research Scholar, delivered a talk on “Bioinformatics and its Applications” at Department of Biochemistry, N. S. S. college, Pandalam on 27th March 2014.
6. Umesh P., Lecturer, delivered a talk on “Introduction to Bioinformatics” – in the summer class organised by the Kerala State Science and Technology Museum on 2nd May 2014.
7. Umesh P., Lecturer, delivered a talk on “Bioinformatics- its current scenario and its applications” in the State level residential vacation training program organized by M. S. Swaminathan Research Foundation and the Department of Biotechnology, Govt. of India on 15th May 2014.
8. Sajil C.K., Research Scholar, delivered a talk on “Massive Open Online Courses”, at the UGC National seminar “cyber space assisted responsive education” organized by the Faculty of Physical Sciences, Newman College, Thodupuzha on 27th June, 2014.

Conclusions

The core factor in improving a college system is the co-operation of both students and colleagues. I am very fortunate to have an efficient team of Asst. Professors, non-teaching staff and CDC members who supported me in all my endeavors. I do extend my gratitude to all the teaching and non-teaching staff, union members, prospective teachers, College Development Committee members of this institution and the well wishers in the office of the University of Kerala. Last but not the least, I express my gratitude to Sri. Jishad. A. Salam for utilizing his computer proficiency for the benefit of this institution. On the behalf of my colleagues and on personal behalf, I wish the outgoing students all the best in life, good result in the coming examination, good job, good life and peace of mind with rosy future.

Other note worthy events

The UGC-ASC, University of Kerala has been Placed as the ‘best run’ institution among 66 ASCs in the country in conducting maximum number of courses by ensuring quality and active participation of University/ College teachers. This was announced at the All India Directors Meet of ASC’s held at Punjab University on 8th & 9th September 2014. This institution has been maintaining the ‘top position’ consecutively for the last ten years.

COMPUTER CENTRE

Computer Centre was setup in University of Kerala in 1977 for providing computer facilities for research, academic and administrative activities. To meet the new requirements, Computer Centre has taken up new challenges for IT enabling the administration and examination activities in the University. The Centre has repositioned itself as a software development and training centre for catering to the needs of the higher education sector. Computer Centre acts as a supporting division of the University in different computerization and IT enabling activities. The department provides technical support to all the other sections and departments of the University. Various activities undertaken by the department includes various examination-connected activities such as online processing and management of different activities and software development.

1. Computerization of Examinations

We have computerized most of our examination and operate a paperless manner. A comprehensive web portal is providing to the college staff, University staff and students with all online facilities. Computer Centre implemented a new “fast track” facility to the examination branch for efficient evaluation process. It is a single window system that gives an online staff index database to help the examination. Through the system, the results were announced in a faster and efficient manner.

Computer Centre implemented all examination registration through online- both regular and supplementary. Through this system, all students are benefited. Our University saved more than 10 lakh papers and printing cost per year.

1.1 Teachers Index Card

The Computer Centre has designed a portal for storing the details of teaching staffs of all the Colleges of Kerala University. It will assist the examination wing in appointing the question paper setters and examiners for various examinations conducted by the University. The facility have to automate the selection of examiners for revaluation, on-line monitoring of the workload of examiners, scheduling of practical examinations considering the availability of examiners and explore digital communications to examiners and question paper setters.

1.2 Online Revaluation System

The University of Kerala presently offers revaluation of examination papers after publishing the results for UG courses. The time taken for revaluation process and publication of results is limited to 60 days. However, in most of the cases we are not able to provide the results within the stipulated time. Major reasons for this delay are the collection of papers from the CV camp, distribution of these papers to the examiners and conduct of valuation. New software has developed, which computerise the entire revaluation process, from the registration to the results.

1.3 Fast Track Result Publishing

The University of Kerala is up to a Mission to streamline the valuation procedure, both academic and administrative, for a timely publication of results fixing the target as within a minimum period of 45 days from the last day of examination, in order to ensure the proper academic calendar in the best interest of the student community

The initial phase of the project will start by the end of exam registration process. The number of candidates appearing for the exam will be known at this stage. Using this information the Valuation Plan schedule can be made. This gives a clear idea of the number of examiners, total no of scripts to be valued by each teacher, no. of days required for completion of valuation by each teacher if the scripts are distributed as per the existing pattern of distribution of answer scripts for valuation per day. The plan schedule will be made available to all the branches involving in the valuation process starting from the Collection Unit, False Numbering unit , Camp Wing, Tabulation Section and also the Principals of all concerned affiliated colleges.

1.3 Online Question Paper

To automate question paper preparation and distribution to the examination centres, Computer centre introduce a new system for our University. In our examination site we have teacher's index card, which include the details of teaching staffs of all the Colleges of Kerala University. This will help to facilitate easier identification of question paper setters than the existing system. The principals of examination centres can download question paper in the time allotted by University. The facility is ready to use.

1.4 Online Mark lists

All mark lists are available online for the students after publishing the results. The students can download their mark list from the examination portal. This facility has a wider acceptance from the students community.

1.5 Entrance Examinations

In this year, Computer centre implemented online registration for Ph D and M Phil entrance examination. Through this system both University staff and students are benefited. Our staff's monotonous work is too much reduced.

2. e-Governance Activities

Primary area of e-Governance requirements are focused into general requirements of our departments and building blocks. The steps for developing entire automation software for the University are undergoing. Computer Centre has a great role in the supervision of e-Governance activities. Infrastructure developments such as Campus networking, CCTV, Biometric attendance are completed. University has a biometric attendance system implemented in 30 different locations and monitored through a software.

Many locations of the University are covered by CCTV facility and are interconnected by OFC networking system. Observation point is available at officer's desk. The video is recorded for the future reference.

All administrative and academic departments in the Universities are inter connected by OFC and is centrally terminated in our Data centre. This will increase the efficiency of the processing and increase the throughput. Our two campuses are connected together via separate OFC connections with data, Internet and video channels.

3. UG, PG Admission 2014-15

The UG online admission and allotment process is a milestone of Computer Centre, because the Centre has developed and implemented an advanced software from scratch for online admission and allotment process. In connection with the admission wing, Computer Centre was able to operate the whole UG and PG admission process in a centralised manner. The core area of any online process is its software. The software can be extended to other courses such as M.Ed, B.Ed, CSS courses also. Using the software time delay, manual workload, stationery printing and postage expenses can be considerably reduced.

4. IT and Management Training Centre

Another novel initiative of Computer Centre is the setting up of training centre. An administrative staff-training centre is highly essential since the role of computers and IT in the administration and academic fields has increased too much. The college aims to provide proper training in IT and its management to the administrative staff to make them IT ready people. The work is under progress.

5. Kerala University Data Centre

A fully-fledged tier-3 Data Centre for hosting servers for conducting different online activities is already setup at Computer Centre. This data centre will give a boost to different computerisation activities of the University. The data centre is operational.

6. Wi-Fi Campuses at Palaym and Kariavattom

The University Computer centre implemented wire free campuses at Palayam and Kariavattom campuses. This facility helps the staff and students to connect the Internet & Intranet from anywhere inside the University campus and able to access the information in a secured manner. The works was completed and open to the students and staff.

7. Intranet and WAN

For effective overall functioning of the data centre it is necessary to set up intranet at University campuses and to set up a WAN connecting the two main campuses of the University. This is essential to set up a Backup of storage as well as DR sites as per the defined policies. Monitoring, log maintenance and reporting of status on a regular basis can also be achieved by setting up the WAN. The initial steps are started in this direction. Computer Centre can provide support by resolving connectivity issues, configuring devices, performance tuning of various parameters to optimize performance and to ensure industry standard QoS with customization.

8. Our Services

8.1 Digitization and archival of records

University of Kerala wishes to digitize and archive the large pool of documents that it has accrued over the past 75 years of its existence. The project is tendered and presently operating. The Technical officer, Computer Centre, monitors the work. This project is a milestone in the University.

8.2 Technical Support & Maintenance

In addition to the present projects, the Computer Centre was able to give technical support and system maintenance to different sections of the University in the current year. The support includes

1. Hardware maintenance service
2. University document digitisation
3. Management & maintenance of Degree Hologram division
4. Maintenance software services to examination tabulations
5. Supports to preparation of hardware specifications
6. Maintenance of hardware and software of University Cash counters
7. Hardware service support to University Library
8. High Performance Computing facility at Kariavattom campus
9. Internet connectivity and NKN connectivity at campuses
10. Setting up of a full- fledged computing facility for University examination wing.

8.3 e-Ticketing

Web based interface for registration of hardware and software issues deployed in the various sections. We provide a common platform for register various desktop problems faced by the University staff and getting quick resolution for the issues. System has facilities for raising and tracking status of each issue. The complaints are registered in the computer centre and technicians are resolving the complaints. System can generate reports of tickets based on their current status like open, close, kept on hold etc. which can be used for further quality of service.

9. Academic and Research Contributions

Dr. Vinod Chandra S S, Director

Major academic work includes the classes, talks and research works and publications.

Noteworthy Events

The Scheme” Study on Cost of Cultivation of Principal Crops in Kerala” is a component of Central Sector Plan Scheme “Studies on Inputs for Agricultural Economic Policy and Development”. It is successfully functioning in Kerala University since 1970.

Under the Comprehensive Scheme, “Study on Cost of Cultivation of Principal Crops in Kerala”, vital data on cost of cultivation/production of two major crops grown in Kerala state viz. Paddy and Coconut are collected from 30 villages by posting full time Economic Investigators who stays in the village and collect data on cost accounting method.

The data collected by the Economic Investigators are thoroughly scrutinized by Regional Supervisors and transmitted to the Head Office at Kariavattom, where the data is entered into the Personal Computers by the Computers, all under the guidance of Statistician and Field Officer.

The error free data is finally transmitted to the Directorate of Economics & Statistics, Ministry of Agriculture, Government of India, for generating cost estimates which are used for framing government’s agricultural price policy.

The minimum support prices of various agricultural commodities are fixed by the Government on the basis of the recommendations made by the Commission for Agricultural Costs and Prices (CACP) based on the above estimates generated by the Directorate of Economics and Statistics, Government of India using the data supplied by the Cost of Cultivation Scheme in the country.

The support price for Copra is fixed by generating estimates using the data collected with the Scheme. Besides generating cost estimates for framing price policy, the data collected under this Scheme is also used by Research Scholars, M.A. & M.Phil students and Teachers of this university and outside Universities with the concurrence of the sponsoring body.

During 2014 the data has been transmitted on 30th September 2014.

UNIVERSITY PRESS

SUPERINTENDENT (IN-CHARGE) - S. Mahesh Kumar (upto 7.08.2014)
 - S. Rajasekharan (From 8.08.2014)

It was in 1961 that the University of Kerala initiated action to establish a printing press of its own. Construction of present building at an estimated cost of Rs. 1.81 lakh was taken up, the expenditure being shared between the University Grants Commission and University of Kerala in the ratio 2:1 and started work in fullswing in 1964. From 1st April 1964 Printing and Binding works of the University were being under taken by the press based on a regular and systematic work pattern using traditional technology. University Press has been gearing to advanced technology gradually since 1997. Now the Press has equipped with computerised typesetting, Offset printing and Perfect binding facilities. All Printing requirement of the University administrative and examination wing are being executed by the University press and study material printing of the School of Distance Education to a certain extent. 1115 items of work had been taken up and delivered in time during the report year.

Important Event

Actions for improvement of facilities and growth in production rate have been progressing in good pace on the basis of the Report on monitoring and modernization of Kerala University Press 2014 submitted by Sri. P. P. Dinesan, Former Superintendent of Kerala University Press.

CENTRE FOR AUSTRALIAN STUDIES

Director: Dr. Suja Kurup P. L.

Australian Studies provides the opportunity to explore Australian history, culture and society, including a wide range of concerns such as indigenous issues, environment, gender identity and politics as well as the shaping of cultural icons and institutions. It also explores Australian literature in an international context. Australian Studies serves to create a new and deep awareness between Australia and India, their peoples and cultures, since the geographical and historical contact between the two nations stretches

back to thousands of years. The year 1991 proved to be a turning point in Indo-Australian relations at a higher, totally different plane, adding more to the tapestry of the bilateral relationship. It was at this juncture that the Centre for Australian Studies at the Institute of English, University of Kerala was established on **25th September 1996**, under the dynamic leadership of Dr K. Radha, then Professor and Head, Institute of English. It was a historic moment in the history of Australian Studies in Asia, since it was the first centre of its kind in South Asia. During the period, 1996 - 2014, the Centre for Australian Studies, University of Kerala has organised two International Conferences, three National Seminars and three Lectures by academics from Australia.

Invited Lectures delivered by the Director at other institutions in 2014:

- “Language, Region and National Identity in the Select Poems of Yasmine Gooneratne”, at the National Seminar on *Women’s Writing*, organised by the Department of English, Women’s Christian College, Nagercoil, on September 24, 2014.

· **002E**

Lectures Organised in 2014:

- Organised a lecture by Dr Jack Turner, Australian Author and Broadcaster, at the Institute of English, on 24 January 2014.

International Conferences attended by the Director in 2014:

- IASA Biennial International Conference on Australian Culture held at Mascot Hotel on 23 – 25 January 2014.

Talks and Workshops: The Centre for Educational Technology, Department of Education organized a One Day Workshop on Internet Usage, Online Security and Ethics on 13th February 2014. This workshop aimed to bring about awareness among the student teachers and research scholars on various issues pertaining to the safe and ethical use of internet. The workshop was treated with much enthusiasm by the student population and enabled the learners to understand the secrets of safe internet usage. The participants also developed strategies to impart this knowledge to the students in high schools.

Among the other activities planned for the year but failed to be executed, due to several constraints, was a National Seminar. The plan to reinstall the language lab too was put on hold owing to insufficient funding. The Centre hasn't received adequate funding from the university and had to operate on advances made by the director. The request for basic furniture and two computers for the Centre too were not met by the University. Had these inadequacies been corrected, the Centre would have been able to function more effectively.

CENTRE FOR INTERNATIONAL ACADEMICS

(Director: Dr. Achuthsankar S. Nair)

Vide UO No Ac.D/1/2012 dated 26.07.2012 cited The centre has been established, The Centre for International Academics set up by the University with the following aims: (i) To propose policy formulations for the University in International linkages (ii) To launch academic tourism initiatives in collaboration with Tourism Department and KTDC Govt. of Kerala (iii) To enhance the number of foreign students to University of Kerala both as a source of income generation and also a means of enriching the academic environment (iv) To enhance mobility of academic faculty and also administrative staff to and from the University of Kerala to foreign countries so as to create value addition and linkages for further growth and to enhance Research / Consultancy collaborations with world class institutions

Among the major achievements of this centre are newly implemented regulation for masters programme for foreign students and regulation for credit transfer (perhaps the first in the country for a state University and surely first time in Kerala). The successful completion of Semester-In-India Program involving 13 American students (which has, in addition to the academic enrichment, has made a savings to the University in 3 months) and the publication of the International Brochure of the University of Kerala (which was a herculean task including 50 versions of editing and simultaneous content generation) are the two other land mark achievements of the new centre. A foreign students meet was held successfully. A booklet “history and current status of foreign linkages of University of Kerala” has been brought out. Erasmus Mundus programme for cooperation with 8 European Universities has been implemented successfully. A trial for future activities has been clearly blazed. External Funding received: KSHEC: 10 lakhs

THE STATE INTER UNIVERSITY CENTRE OF EXCELLENCE IN BIOINFORMATICS

(Director: Dr Achuthsankar S. Nair)

This centre has been in existence since 2010 with funding from Govt. of Kerala and it exists seamlessly with tech Dept. of Computational Biology & Bioinformatics. Its facilities and that of tech Dept. coexist. The Centre funds inter-university project students, organisation of conferences, provides PhD fellowships and R&D and infrastructure development. External Funding received: Govt. of Kerala –Rs. 3 Crores.

CENTRE FOR SYSTEMS AND SYNTHETIC BIOLOGY

(Director: Dr. Pawan K Dhar)

This centre held the first Synthetic Biology meet in the country, BioDesign, in 2011. The Springer Journal, “Systems and Synthetic Biology” is edited by the Director of this centre. The Centre promotes research in the area of Junkomics and 5 PhD students are guided by DrPawanDhar in this area. A prominent publication has been achieved in this area in 2014. No External Funding.

CENTRE FOR VENOM INFORMATICS

(Director: Dr Oommen V Oommen)

This centre focuses on research in venom characterisation and recognition using multi-disciplinary techniques. Research publications have been achieved in this area. The centre has a YIPB Scientist working full-time, supported by KSCSTE funds.

RAJA RAVI VARMA CENTRE OF EXCELLENCE FOR VISUAL ARTS

Hon. Director: Sri. K.C.Chitrabhanu

Raja Ravi Varma Centre of Excellence for Visual Arts, Mavelikara has been conceived as a premier institution, offering advanced courses in streams of Visual Arts and Plastic Art. After assuming charge, the present director, Shri. K.C. Chitrabhanu made a study of the project so far carried out at the

centre. Being the first and the only University centre in Kerala offering advanced level courses in Fine arts, we had to frame the Syllabus at par with national and international standards. A national level expert committee headed by Dr. Ratan Parimoo (Prof. Emeritus, Jawaharlal Nehru Fellow and former Dean of Faculty of Fine Arts, M S University of Baroda) was constituted to frame the syllabus and to identify the courses to be introduced and also to make proposals for the development of the Centre. The Advisory Committee also consisted of Dr. Deepak Kannal (M S University Baroda) Prof. R Nanda Kumar(I.G.N.C.A, New Delhi), Prof. N. N. Rimson (Principal, College of Fine Arts, Govt.College , TVPM). The committee met in the Senate hall Campus on 29 and 30th of November,2012 and submitted a report later. The committee felt that the Centre having been named after the legendary painter, a post graduate course in painting was most logical. Accordingly to promote academic researches in the area of Visual arts a post graduate course in Art History was also proposed by the committee.

Detailed Syllabus of both the proposed courses were drafted and after several rounds of discussions and modification between the members of the committee Finally the Syllabus, Scheme and Regulations of the two courses recommended were approved by the respective bodies and the Vice- Chancellor in August 2014. Accordingly administrative sanction also has been accorded in November, 2014.

Meanwhile an Advisory committee was also constituted for monitoring the functioning of the Centre. Much of our time was also got engaged in setting up of studio and locating and procuring the essential books for the library. Recruitment and short listing of teachers and supporting staff also took place during this period. Notification for admission of first batch of students in MVA (Painting) and MVA (Art history) courses will be issued very soon. Sanctioned strength of students is 14 in all (7 in Painting and 7 in Art history). Classes will be commenced very soon.

INTER UNIVERSITY CENTRE FOR GENOMICS AND GENE TECHNOLOGY (IU-CGGT)

The Inter University Centre for Genomics and Gene Technology supported by the Department of Higher Education, Govt. of Kerala is actively engaged with its Objectives of imparting Training and conducting research in the frontier areas of Genomics and Gene Technology. We received Rs. 1.0 Crore in this year from Department of Higher Education, Govt. of Kerala to continue the activities of the Centre.

Project works and Training Conducted by the Department for External Students

Class XII students from Kendria Vidyalaya was admitted to the Department to carry out small research projects

- a) 'Antibacterial activity of *Vitis negundo* against a spectrum of pathogenic microorganisms under the guidance of DR. Supriya R
- b) 'Analysis of the purity of water samples through MPN method' under the guidance of Dr. Supriya R
- c) 'Studies on Hydrolysis of starch by *Bacillus cereus*' under the guidance of Dr. Bindhumol Ismail

Project works of PG students from other Universities and Colleges were admitted in the Department of Biotechnology for undertaking their PG Projects works.

1. 'Extraction and purification of CGTase from a new bacterial isolate' . Mr. Hari from Thanthai Hans rover Arts and Science College, affiliated to Bharathidasan University, Thiruchirapalli, under the guidance of Hazeena , PhD student of the Department.
2. 'Screening isolation and identification of keratinolytic bacteria from soil sample' . Ms. Jishna , from Thanthai Hans rover Arts and Science College, affiliated to Bharathidasan University, Thiruchirapalli, under the guidance of Ms. Cibi, a PhD student of the Department.
3. 'Synthesis and characterization of starch nanoparticles and its application as carriers of food additives' ., Parshathy Prakash, Department of Botany, FMN College, Kollam, under the guidance of Smt. Neethu Hari.

4. 'Isolation and screening of *Leuconostoc* sp. For dextran production'. Archana G, Department of Botany, FMN College, Kollam.
5. 'Enzymatic synthesis of cyclodextrins and encapsulation of Flavors and essential oils in cyclodextrins'. Anjana Babu, Department of Botany, FMN College, Kollam, under the guidance of Smt. Hazeena Two foreign students completed the Doctoral committee and waiting for the visa to join for PhD in the Department

Awards and Honours Received

1. **Dr. Hareesh - Research Associate, IUCGGT** MicroRNAs in essential hyper tension: understanding the role of SNPs in mRNA binding sites in 3' UTRs of target candidate genes influencing blood pressure.
2. Ms. Sora, a PG student joined as trainee in Monsanto, Bombay
3. Ms. Prathibha Narayanan joined, Tstances Co Ltd., Coimbatore as part of BCIL (Biotechnology Consortium India Ltd.) Training Programme, New Delhi.

Seminars and Workshops Attended by Students

1. Neethu Hari presented a paper entitled 'Antioxidant and Hemolytic property of Silver nanoparticles synthesized using *Allium sativum*' Neethu Hari, Tincy K Thomas and A. Jayakumaran Nair., Proceedings of "Innovations and Future Research Dimensions on Nano-biopharmaceutical Technology" Anna University, Thiruchirapally October 2014.
2. Surumi B presented a paper entitled 'Physiochemical properties of Nanocomposite films made of chitosan and poly-L lactic acid using PEG as plasticizer', Surumi B, Tincy K Thomas, Neethu Hari and A. Jayakumaran Nair., Proceedings of "Innovations and Future Research Dimensions on Nanobiopharmaceutical Technology" Anna University, Thiruchirapally October 2014.
3. Cibi R participated and presented a paper entitled "Isolation and purification of Bioactive compounds from *Streptomyces parvulus* of Mangrove ecosystem", Cibi R and A. Jayakumaran Nair., In International seminar on 'Sustainable Utilization of Tropical Plant Biomass- Ayurinformatics' Department of Bioinformatics and Computational Biology, University of Kerala, Thiruvananthapuram December, 2014.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Director: **Dr. Gabriel Simon Thattil.**

In pursuance of the National action plan of the National Assessment and Accreditation Council (NAAC), Bengaluru, for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the NAAC proposed that every accredited institution establish an Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance.

The prime task of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the performance. The IQAC will make a significant and meaningful contribution in the post-accreditation phase. During the post accreditation period, the IQAC will channelize the efforts and measures of the University of Kerala towards academic excellence.

Thus the Internal Quality Assurance Cell (IQAC) is meant for planning, guiding and monitoring Quality Issuance (QA) and Quality Enhancement (QE) activities of the University.

Objectives

- Development and application of bench marks/parameters attuned to quality for the academic and administrative activities in the University.
- Dissemination of information on the varied quality parameters.

- Organization of workshops, seminars on quality themes and promotion of its circles.
- Documentation of programmes/activities leading to quality enhancement in the University of Kerala.
- Preparation of Annual Quality Assurance Report (AQAR) to NAAC
- Any other assignment to the Vice-Chancellor.

Activity in Brief

The IQAC (Internal Quality Assurance Cell) for the University of Kerala was reconstituted in Oct.2014 under the Chairmanship of Vice-Chancellor with an objective to secure the NAAC re-accreditation. The year 2014 witnessed the following activities of the IQAC.

Different Sections of Kerala University Library

1. ACQUISITION SECTION

Head: Sasikala Kumari P, Assistant Librarian - Gr.I

Acquisition section acquires and makes accessible resources necessary to enrich library collection. The aim of this section is to build up and maintain a collection that could meet the current and future needs of the users. The function of this section includes selection, ordering, receiving, processing of bills, accessioning and physical processing of the newly acquired documents. Books received as gifts, bound volumes of periodicals, theses received from the university are also accessioned and processed here. Works relating to the books reported as lost are also processed here. Procured documents are transferred to the technical section after processing.

During the beginning of the financial year the section collects requests from the heads of the teaching departments of the university and principals of various affiliated colleges for the purchase of the documents. These requests are placed before the book selection committee, which is constituted every year by the university, for approval. The Librarian takes the initiative in selecting the books of general nature, updating existing collection, enriching reference collection and textbooks. Suggestions from the different service

section and the users of the library are also considered for selecting books. A team of senior library professionals visit book exhibition of different firms for spot selection documents. Rs. 2 lakhs had been allocated to purchase literature books in connection with implementation of BA honors course by the state government during the reported year. The purchased books are kept separately in TB collection in the Reference section.

A book selection committee was constituted to by the university under the chairmanship of the Pro Vice-Chancellor to purchase books for the university library, campus library, departmental libraries and libraries of the study centres. It committee includes the following members:

1. Smt. L. Saraswathy, University Librarian-in-charge (Member Secretary)
2. Sri. Hamsa A, Deputy Librarian, Campus Library.
3. Dr. (Mrs.) Maya Dutt, Dean, Faculty of Arts.
4. Dr. K. Sasikumar, Dean, Faculty of Commerce.
5. Dr. Theresa Susan A, Dean, Faculty of Education.
6. Sri. Kanai Kunhiraman, Dean, Faculty of Fine arts.
7. Dr. Prasanna, Dean, Faculty of Law.
8. Dr. Uma Kumary, J., Dean, Faculty of Oriental Studies.
9. Dr. J.S. Anirudhan, Dean, Faculty of Science.
10. Dr. P.J. Cherian, Dean, Faculty of Social Science.
11. Dr. R. Sathi Kumar, Dean, Faculty of Engineering & Technology.

The Book Selection Committee meeting held on 09-07-2014 selected books from various publishers and from the list recommended by the heads of the departments. Details of collection added during this year are given below:

No. of books received as gift during 2014	179
Total no. of volumes added during 2014	4832
Total collection as on 31-12-2014	336090

2. ELECTRONIC RESOURCE CENTRE

Head: Dr. Mohana Kumar T., Assistant Librarian

The Electronic Resource Centre of the Kerala University Library was established with the objective of providing IT oriented information services to the user community. The IT section is looking-after the automation work of the Kerala University Library. This section is maintaining and updating various databases such as books, theses, back volumes of periodicals etc. LIBSYS-4 software is used for automating different housekeeping operations of the Library. All sections of the library are being interconnected through a Local Area Network (LAN). Kerala University Library website is also maintained by this section.

On-line Public Access Catalogue (OPAC), the electronic version of the catalogue is being maintained by this section. This facility is available in all the sections of the library and to the public through the library website (www.kulib.in). World Bank E-Library service is also provided.

The Kerala University Library Electronic Resource Centre has shown tremendous growth in the number of visitors and in the number of full text articles downloaded from databases. UGC Infonet programme is providing us the access to more than 10,000 electronic journals and 6 other databases. The library also subscribes databases such as IEEE Xplore, Chemical Abstract and Library and Information Science Abstract (LISA).

A collection of 329 E-books purchased from Cambridge University Press and John Wiley & Sons were added to the Electronic Resource Centre of the library. Quite a large number of users are making use of the E-books.

Uploading of theses (soft copy) submitted to the University of Kerala to the Shodh Ganga, a repository of Indian Electronic Theses and Dissertation with INFLIBNET Centre is in progress during this year.

Wi-Fi facility has also been established in the library to enhance accessibility of information.

3. MAINTENANCE SECTION

Head: Sujitha Kumari T.K., Assistant Librarian - Gr.I

The Maintenance Section of a library needs more emphasis. If proper care is not taken to organize and administer it on sound lines, the library property would become unserviceable. Likewise Kerala University Library system has a large collection of books and other documents which are arranged according to colon classification scheme. Books are properly shelved and arranged for enabling easy retrieval. Rectification of books is also done every day. Open access system is practicing and it is very important to watch whether the books are properly shelved or misplaced. Minor physical processing is carried out daily to curtail wear and tear.

The main functions of this section include:

- (1) Shelving and daily rectification of books:- On an average 1500 books are replaced and 500 issued daily. The statistics shows that 80233 books are issued in the year 2014.
- (2) Display and maintenance of books:- Nearly 80-100 books are displayed every week. From January 2014 - December 2014, 2525 books have been added to the already existing collection.
- (3) Maintenance of bound volumes of newspapers, science periodicals, Govt. publications, etc.:- Nearly 300-400 users consult these documents and take photocopies also. Students from outside Kerala University also consult these documents.
- (4) Up-keeping and weeding out of books:- As a part of modernization of the library, professional work of 'Weeding out of documents' was started with additional staff being recruited on contract basis. 41272 books are selected for this purpose and kept separately in this section itself.
- (5) Maintenance of closed Reference Collections:- Very old and rare books and documents are kept here.
- (6) Binding of books:- Books are sorted out and its list is prepared in a separate register. Approximately 600 books in a year are bound and stacked.
- (7) Assistance to the users:- Nearly 70-80 users seek assistance from the staff for their daily information needs.

A catalogue of the entire holdings of the library is available in the card form as well as in OPAC. A separate Malayalam catalogue is also available for consultation.

- (8) The section has a seating capacity of 100 in all the 3 floors taken together.

The whole collection comprises of:

Ground floor : Live collection of books in all subjects.

1st floor : LC1 collection and bound volumes of abstracts.

2nd floor : Biographies, Women's Studies, Gandhiana collection, back volumes of science periodicals, Govt. Publications and bound volumes of newspapers (both Malayalam and English).

3rd floor : Closed Reference Collection (CR).

Monthly statement of the issue of books during 2014 is as follows:

2014

Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sept	Oct	Nov	Dec
7985	6942	7592	6027	6189	6154	6395	6972	6464	7392	6857	5264

Considerable increase in the use of books could be seen (nearly 80233) compared to the previous year (nearly 76392) since majority of the books are purchased as per the suggestions made by the members of the library.

4. CIRCULATION SECTION

Head: Ruby Joseph, Assistant Librarian - Gr.I

Library membership is open to teachers, students, research scholars, research guides of the University of Kerala and its affiliated colleges, non-teaching staff of the University and its departments, members of the Senate, Syndicate, Faculties and Board of Studies, graduates of recognized Universities residing in Kerala, recognized institutions and others at the discretion of the Vice-Chancellor. Kerala University Library has offered *Eminent Scholar* membership for those who have made outstanding contributions in the fields of Sciences/ Social Sciences/Humanities/Arts. Kerala University Library provides Smart Cards to Research Scholars, Teachers, Research Guides and Non-Teaching Staff of the University of Kerala.

Enrollment of members, renewal of membership, cancellation of membership, issue, return and renewal of books, issue of clearance certificate/non-liability certificate, issue of duplicate membership cards and borrowers tickets and Smart cards against the lost cards, issue of attendance certificate to visiting research scholars and teachers, collection of overdue charges, membership fee, membership deposit, annual fee, cost of lost books and other fines are the major functions of this section. Circulation counter, Security wing and Property counter are also part of this section. Temporary memberships are also given for reading, reference, information search and for other information products and services of the library on payment of necessary fee with the permission of the Deputy Librarian-in-charge. During the year 2014, 3501 persons have registered under this category. The statistics shows that 2025 memberships are renewed, 3605 memberships are withdrawn and 5181 new members are added during 2014.

5. DOCUMENTATION & INFORMATION SERVICE SECTION

Head: Girijamma R, Assistant Librarian - Gr.I

Documentation and Information Services Section is organized to provide Bibliographical and Information Services to meet the increasing requirements of research scholars and students of University community. Besides books, a lot of literature on Kerala appears in periodicals and journals and it was felt that an indexing journal would facilitate the location of the widely scattered literature in the periodicals. Kerala Index, a quarterly publication of Kerala University Library, is an index of articles relating to Kerala appearing in select newspapers, popular magazines and journals received in the library.

The different activities of the section are the following:

Four issues of Kerala Index for the year 2013 were prepared and one issue for the month of January-March 2013 was released. Kerala Index from January 2013 is being ready for publishing online. These issues were prepared in digital and print media and the conversion process of Kerala Index entries using the newly developed software for Kerala Index is being done in this section now.

We are sending issues of Kerala Index to various Universities like M.G. University, Calicut University, Kannur University, Cochin University of Science & Technology, Sri Sankaracharya University of Sanskrit, Kalady, different departments of Kerala University, Campus Library, Kariavattom, Legislature Library, Public Library, Public Relations & Information Department, Govt. of Kerala and Kerala Sahitya Akademy.

Exhibition:

Exhibitions are conducted on particular incidents and occasions to bring the resources of the library to the attention of the user's concerned. Three exhibitions were conducted during this year. An exhibition on newly acquired books in the library was organized to commemorate the great **P.N. Panicker** in connection with the “പ്രായശ്ചിത്തം” from 21st June 2014 to 28th June 2014. Another exhibition was organized from 10-11-2014 to 17-11-2014 facilitating **Sri. Vishnu Narayanan Namboothiri** being awarded the prestigious ‘Ezhuthachan Puraskaram’ 2014. Another exhibition was organized from 18-11-2014 to 24-11-2014 to pay homage to **Prof. Hridayakumari**, the noted litterateur and educationist.

Orientation Programme:

Orientation programmes were conducted for Library Science students from various Institutions. Students from Kannur University, Farooq College, Kozhikode, Library Council, Attingal Govt. College, Rajagiri College, Loyola College were provided with initiation and library guidance.

Reprographic Services:

Reprographic services were provided from 10 AM to 5 PM to users. User education services are rendered as and when required.

Computerized Documentation and Information Services:

The Kerala Index has been made in the digital format and will be made accessible online. The article is scanned from its source document and indexed with appropriate keywords. The publication details of the article along with its page numbers are provided in the index.

The retrospective conversion of 60,000 bibliographic entries was made using Unicode. The process of editing, proofing, structuring and data basing process has almost completed. The Kerala Index is going to be launched online, the first of its kind in the entire history of Kerala research and studies. Any topic relating to Kerala can be easily retrieved through this index.

6. KERALA REFERENCE SECTION

Head: Dr. Beena S., Assistant Librarian

The Kerala Reference Section was initiated during 1973, primarily for fostering research in the field of history, science, medicine, art, culture, heritage, language, literature, economy and politics of Kerala. The document collection includes books, back volumes of prominent Malayalam periodicals, gazettes, gazetteers, census reports and technical reports. The section has a strong collection of Malayalam literature from the earliest known literary work in Malayalam the ‘*Ramacharitam*’, an epic poem written

during the 13th century to the latest works of the current year. *Hortus Malabaricus*, a comprehensive treatise in 12 volumes in Latin that deals with the medicinal properties of the flora in the Indian state of Kerala is also an added attraction. Its translations in English and Malayalam are also available here. The section houses most of the works of the eminent writers in Malayalam. Translations of prominent writers in other languages including foreign, in Malayalam are also available in the collection. Besides Malayalam literature, books on Ayurveda, Religion, Philosophy, Anthropology, culture, Education, Art and Architecture of Kerala are also included.

The section has a comprehensive and specialized collection of rare and old documents even from 18th century onwards, which are not available elsewhere. Rare documents such as “Kristhyanikal ariyendum samkshepavedartham”; the first printed book in Malayalam published in 1772; “Kasiyatra rappotta”, an old travelogue (1872), “Varthamana pusthakam” vol.1 (1936), the Census of Travancore 1891-1951; Acts and proclamations of Travancore; Report on the administration of Travancore from 1866 onwards are available in the section. The collection also includes some of the old Malayalam and English journals of the 19th and early 20th centuries. Most of these rare documents have been digitalized and kept in the Digital Archive.

Digitization, a major project of the Kerala University Library is being carried out in the section. The rare documents are scanned, edited, indexed and uploaded in the archive using the LIDAS (Library Digitization and Archival System) software which could be effectively retrieved by using the keywords contained in the documents. Separate terminals are provided to users to search the digital archive. The users of the archive constitute not only the research scholars and faculty of this university but scholars from India and even from abroad. A nominal charge of Rs.2 per page for print outs and Rs.1 per page for copying in CDs is collected from its users. Kerala Reference section is providing personalized information dissemination services since most of the scholars approach with specific subject requirements.

In 2014, 592 books and 78 bound volumes of periodicals are added to the collection. Now this section has approximately 50000 volumes which are of immense value to the scholars. The section also houses the collections donated by Dr. K.M. George and Sooranad Kunjan Pillai which are constantly used by the researchers.

7. PERIODICAL SECTION

Head: Ajitha Kumari K, Assistant Librarian - Gr.I

One of the nerve centres of Kerala University Library, the Periodical Section is primarily concerned with the selection, subscription and recording of Indian and Foreign periodicals both print and online, E-journals, popular magazines and newspapers. Article Indexing of important periodicals is a major work in this section.

The section is rich in its context with the wide range of subject periodicals published in India and abroad, popular magazines and newspapers. The collection includes significant Abstracting Periodicals like Dissertation Abstracts International (online from 2013 onwards), Indian Science Abstracts etc. Subscription to most of the Foreign Journals are carried out directly, whereas a few are subscribed via Indian agents like Allied Publishers Subscription Agency. 8. REFERENCE SECTION

Head: Pushpalilly G, Assistant Librarian - Gr.I

Reference section, the very bedrock of the Kerala University Library system holds a bouquet of information resources that serves the utmost needs of its clientele, both immediate requirements and to facilitate in-depth academic pursuits. The credibility of the section is conspicuous through its holdings, constituting of reference materials like encyclopaedias – general as well as subject specific – dictionaries, yearbooks, directories, serials, biographical and geographical resources. Advanced treatises in almost all subjects are available in the section. Study materials for Civil Services, UGC NET and other competitive examinations are another attraction. Contemporary syllabi of the various courses offered by the University and question papers University examinations of the previous years' also form part of the holding. Text books prescribed for the different courses conducted by the University form a separate collection of the section. A special collection "TB (BAH)" is started based on the syllabus of the BA honours degree of the University. This collection contained 159 books.

Personal assistance and guidance to the members in making effective use of the resources in the section is the main service rendered here. On an average 350-450 members utilize the section every day. Overnight issue of textbooks to the students forms another added feature of reference section. Newly added collection for the said year includes 806 books which comprises of the sources pertaining to different competitive examinations like UGC/NET, Civil Services, PSC, Bank Examinations etc. apart from other valuable documents. The section with its efficient staff thus demonstrates its effectiveness in the learning & teaching process in a truly dynamic manner.

9. RESEARCH SECTION

Head: Dr. Ajikumari T, Assistant Librarian

Kerala University Library Research Section is one of the major research centres of the University of Kerala. The centre renders research facilities particularly in the field of Arts and Humanities. Facilities are also provided to scholars in a few Science subjects such as Mathematics, Geography, Psychology and Home Science. In addition to full-time scholars, facilities are also extends to scholars pursuing part-time research.

The Research section consists of two sub sections. They are the theses reference section and the PhD. Registration section. The reference section contains two sets of collections: theses collection and bound volume of social science journals. Of these, the theses collection is more important and therefore housed in a separate hall under the control and supervision of Library professionals. The collection contains theses of all disciplines which have been awarded PhD degree by the University of Kerala. Registration section provides facilities to join scholars who have selected University Library as their research centre. During 2014, 218 theses were added to the collection. The centre is maintaining the daily attendance of the research scholars, preparation of their fellowships, providing facilities to conduct pre-submission seminars and open defence presentations to those scholars do not have any centre to conduct open defence.

The Research Section remains open on all working days including second Saturdays from 10.15 AM to 5.15 PM. The section is exclusively meant for Research Scholars and teaching faculties of the University of Kerala. However, Research scholars from other Universities are also permitted to visit and refer the section. Considering the value and importance of the section, more than hundred scholars visit this section every day.

10. TECHNICAL SECTION

Head: Maya M.R, Assistant Librarian - Gr.I

The Technical Section is the pivot round which all its activities revolve. This is the section which helps in the transformation of a collection of books into serviceable articles. Total number of staff working in this section is six.

Classification and cataloguing of documents such as books, bound volume of journals and PhD theses are the major activities of this section. Preparation of catalogue cards, shelf cards, chronology index, records of missing books etc. are the other activities done in the section.

Newly processed books are released for issue on the first working day of every week. The lists of these books/ the new addition lists are displayed at various sections and are also sent to the study centres. These are also sent to some of the dignitaries of the University for updating information on its collections. The bibliographic data of these books are added to the OPAC as and when the books are released.

The details of the activities of the section during the year 2014 are given below:

Exhibition of new books:

An exhibition of newly purchased books was conducted in connection with the reading week. About 250 books were exhibited for one week from 18-06-2014. We got very good response from the part of readers. These books were processed and released as special case based on the demand from readers.

11. UNITED NATIONS AND WORLD BANK (DEPOSITORIES) SECTION

Head: Madhumathi M.S, Assistant Librarian

UN Publications:

Kerala University Library enjoys the unique distinction of being the only depository of UN Publications in Kerala. The library received more than 200 titles from UN Head quarters and 700 reports from various agencies and 1500 proceedings from the UN General Assembly, Security Council, Economic and Social Council etc. Some of the titles are received both in printed and electronic formats.

Important titles added to UN collection during the current year are: Developing National action plans against racial discrimination, Yearbook of the International Law Commission, Review of maritime transport 2013, The convention on the rights of persons with disabilities, World Investment Report 2014, Economic Development in Africa: Report 2014, Economic and Social Survey of Asia and the Pacific 2014 and Trade & Development Report 2014. We received daily updates through e-mail.

Apart from this, a separate collection on UN women is also added recently. Our library offers inter library loan facility to its members. Internet access to UN/WB publications also provided. Further United Nations Research Institute for Social Development (UNRISD) has selected our institution as a depository of their publications.

World Bank Publications:

We also function as a depository of World Bank Publications. More than 200 publications of World Bank along with CD's, pamphlet, monographs and reports have been received during the year. Some of the titles added during the year are: Rural Governments and Service Delivery, India-diagnostic Assessment of Select Environment Challenges – Vol. 1, 2 & 3, World Development Report 2013 & 2014, Slum Upgrading Up close, Global Monitoring Report 2013, Energy Intensive Sectors of the Indian Economy, Measuring Empowerment – Cross – Disciplinary Perspectives, Mainstreaming Environmental Management in the Health Care Sector Vol. 1 & 2, Country Partnership Strategy for India 2013-2017, Annual Report 2013 and Impact of Economic Policies on Poverty and Income Distribution. **World Bank E-library access is also provided.**

We hope to procure the journals and books dealing with the relevant topics from the agencies and waiting for more information on “Ebola”.

It was estimated that more than 1000 persons have used the materials of UN/WB during the current year. Our user community includes social activists, academicians, researchers, legal professionals, top government officials and students. The main attraction of UN/WB collection lies in the fact that, their information was packed with reliable, accurate and true data on current topics.

Exhibition and UN Day Celebrations:

An exhibition of UN/World Bank documents was organized on October 24th, 2014 as part of UN Day celebrations. Exhibition was formerly inaugurated by our Deputy Librarian-in-charge, Smt. L. Saraswathy and had duration of two weeks. It has a good response from the user community and they appreciated the venture whole heartedly. As in the previous years UN declared this year as “International Year of Solidarity with the Palestinian People, International Year of Small Island Developing States, International Year of Crystallography and International Year of Family Farming”.

The books and posters help the readers to have a deeper and intimate knowledge about “Where” and “How” the UN/WB works. Hundreds of people viewed the exhibition and their suggestions help us to take more extensive activities in the coming years.

The results of the various Examination have been consistently good at this centre.

UNIVERSITY INSTITUTE OF TECHNOLOGY, ADOOR CENTRE

Principal : **Prof. Rajan Alex**

The University Institute of Technology Adoor Centre is one of the self financing institutions under the aegis of University of Kerala to provide facility for education in professional courses. UIT Adoor began its function in 1995. This centre offers two professional courses, BBA and B.Sc Computer Science. 1 th batch of students have been completed their degree course successfully and most of them are employed in private and public sectors.

The total strength of the students of this institution at present is 282. The total number of the Teaching staff including Principal is 14 and that of non-teaching staff is 7.

Two Guest Lecturers are also helping the institution to complete the syllabus in time.

This institution admitted 55 students in BBA and 45 students in B.Sc Computer Science during the present academic year 2014-2015. On the commencement of first semester we held an introductory meeting of the staff, parents and students. The students were given awareness about the new CBCSS syllabi.

The academic performance of our students in the University examination was excellent. The 17th batch left the institution with an admirable pass percentage. The percentage of pass in B.B.A was 90 and that of B.Sc was 100. The students admitted are from economically challenged families, but they are motivated by our gifted staff and hence we have a good academic record. Frequent department meetings are held for planning and discussing the academic matters.

Seminars were conducted in the campus of different subjects by eminent faculties.

Dr.Sunil Raj an eminent Psychologist participated in a seminar and it helped the students and teachers to mold their career and academic interests with a new insight.

The involvement of the parent teachers association is remarkable. Every year we celebrate Fresher's day, Qnam, Gandhi Jayanthi, Christal as and College day.

It is quite unfortunate that still the institution is functioning in a rented building and hence we cannot begin new courses.

Study tours were organized for the fifth semester students to the northern part of Kerala.

UIT Adoor is thankful to its Mother Institution for her timely assistance and encouragement.

The sincere co-operation of the teaching and non teaching staff of UIT Adoor helps me to maintain a healthy academic atmosphere in the campus.

Introduction

A new year begins with hope coming year 2015 will be a very significant year in the history of U.I.T centre, Pathanapuram. We completed long 14 years with B.Com Computer Applications and B.Sc computer Science. Now Principal is the fourth principal of this college. We are dreaming to up-lift this college as a post-graduate one. The first phase of our new building is completed and we are anxiously waiting for the second phase. Hope, that all of us can move into our new campus in the coming year 2015. Our thanks to K.B Ganesh Kumar M.L.A are beyond words.

Details of courses offered at this centre

B.Com Commerce with Computer Application

The course is designed under the career related first degree programme under CBCSS system so that a successful candidate of the course can go for higher studies in any one of the mains of his choice. As such these graduates can be considered suitable for admission to courses like M.Com, MBA, MCA, CA, Cost Accounting, Company Secretary Ship, Financial Analyst etc. The general objective is to make students fit for taking up various jobs and to initiate and run self employment ventures. The three mains offered under this centre are

1. Business management
2. Accounting.
3. Computer Applications

B.Sc Computer Science

The B.Sc Computer Science is designed under the career related first degree programme under CBCSS system as a stand alone programme. After the completion of which the candidate should be ready for an entry level position in IT industry.

Percentage of Pass during 2014: B.Com Computer Applications : 99%, B.Sc Computer Science: 99%

Co-Curricular Activity

- a) Onam and Christmas were celebrated with enough significance and enthusiasm.
- b) Conducted study tours of the both classes as a part of their curricular program.
- c) In every semester there will be a Parent Teacher meeting. This meeting helps a lot to improve the academic as well as discipline of the campus.

Non-Academic Activities

National Service Scheme

We started the activity of National Service Scheme in our college with various activities . N S S is now getting good support from the local people and Panchayath authorities.NSS unit is now managing an adopted village, by their paliolitive care unit. We donated 47 bags of blood to the Blood Bank of Pathanamthitta District Hospital. We are now in the agriculture also. We have our own agriculture farm, having plantain, vegetables and tapioca. We distributed 3 wheel chairs for deserving people of Pathanapuram Panchayath as a humanitarian work. The wheel chairs were distributed by our honorable Pro-Vice Chancellor Dr. Veeramanikandan.

Vivekananda Study Circle

Here we are having Vivekananda Study Circle, aims an intellectual betterment for the students. Every month they are conducting humanitarian activities in and around this village. Eg: They visited Snehatheeram – Vilakudy, near Kottarakara. Always talking and discussing Vivekananda teachings and Doctrines. They visited Vivekananda Rock at Kanyakumari. Conducting personality developing seminars and all other activities in and around other UIT students.

Women's Study Unit

Women's day was celebrated with seminar and discussions. Now ornament making is also with women's study unit.

Sports

We organized shuttle tournament, cricket tournament and football tournament with all other sports items.

College day

Finally there was a college day celebrations and Varghese Pereyil, Syndicate member and Arun, Senate member and few other local people blessed us with their valuable words.

Thanks to A. K Antony and K .B Ganesh Kumar

Pathanapuram Grama panchayath with their magnanimity gave us 70 cents of land for constructing a permanent building. Hon: Minister A .K Antony gave us a sum of ' 5000000/- and K .B Ganesh Kumar Rs. 2000000/- for the up- liftment of this college. The building construction is some what over. Now K. B Ganesh Kumar has sanctioned a sum of ' 1 Crore 11 lakhs for the further development. So thanks a lot to both central and state ministers, for their broadmindedness to this college.

Conclusion

A good number of our old students are employed in our country and abroad. Some of them are sponsoring our merit events of this college.

Our result in BCom was 99% and BSc 99%. Expecting a more good result in this coming year.
