

Certificate of Appreciation

The Monitoring Committee constituted by the University Grants Commission for Accessible Audit has visited University of Kerala on 21st December, 2024. The Committee examined various facilities of the University buildings and making the Campus of the University barrier free including Teaching Departments, Laboratories, Libraries, Campus common areas etc. The Committee appreciates the comprehensive initiatives being pursued by the University in making the Teaching-Learning processes and Infrastructure inclusive. The Committee recognizes the tremendous progress achieved by University of Kerala in terms of making the Campuses an inclusive and accessible one.

The Committee express sincere gratitude for providing all support and facilities for the smooth conduct of the Audit. We wish all the best for University of Kerala, and hope this institute will grow, and implement more facilities for the PwD, thereby becoming a role model for other Institutions across the country for this novel initiative.
